The Second Founding: How the Civil War and Reconstruction Remade the Constitution Jun 06 2021 From the Pulitzer Prize–winning scholar, a timely history of the constitutional changes that built equality into the nation’s foundation and how those guarantees have been shaken over time. The Declaration of Independence announced equality as an American ideal, but it took the Civil War and the subsequent adoption of three constitutional amendments to establish that ideal as American law. The Reconstruction amendments abolished slavery, guaranteed all persons due process and equal protection of the law, and equipped black men with the right to vote. They established the principle of birthright citizenship and guaranteed the privileges and immunities of all citizens. The federal government, not the states, was charged with enforcement, reversing the priority of the original Constitution and the Bill of Rights. In grafting the principle of equality onto the Constitution, these revolutionary changes marked the second founding of the United States. Eric Foner’s compact, insightful history traces the arc of these pivotal amendments from their dramatic origins in pre–Civil War mass meetings of African–American “colored citizens” and in Republican party politics to their virtual nullification in the late nineteenth century. A series of momentous decisions by the Supreme Court narrowed the rights guaranteed in the amendments, while the states actively undermined them. The Jim Crow system was the result. Again today there are serious political challenges to birthright citizenship, voting rights, due process, and equal protection of the law. Like all great works of history, this one informs our understanding of the present as well as the past: knowledge and vigilance are always necessary to secure our basic rights.

Give Me Liberty!: An American History Seagull 6E Combined Vol Feb 26 2023 A powerful text by an acclaimed historian, Give Me Liberty! delivers an authoritative, concise, and integrated American history. In the Sixth Edition, Eric Foner addresses a question that has motivated, divided, and stirred passionate debates: “Who is an American?” With new coverage of issues of inclusion and exclusion—reinforced by new primary source features in the text and a new secondary source tutorial online—Give Me Liberty! strengthens students’ most important historical thinking skills. The Fiery Trial: Abraham Lincoln and American Slavery Jul 07 2021 “A masterwork [by] the preeminent historian of the Civil War era.”—Boston Globe Selected as a Notable Book of the Year by the New York Times Book Review, this landmark work gives us a definitive account of Lincoln’s lifelong engagement with the nation’s critical issue: American slavery. A master historian, Eric Foner draws Lincoln and the broader history of the period into perfect balance. We see Lincoln, a pragmatic politician grounded in principle, deftly navigating the dynamic politics of antislavery, secession, and civil war. Lincoln’s greatness emerges from his capacity for moral and political growth.

Give Me Liberty!: From 1865 Oct 22 2022 The leading United States History survey text is now available in a value edition.

Give Me Liberty! Apr 28 2023 Concise, clear, compact, Eric Foner’s brilliant synthesis of American history is the perfect teaching tool for the U.S. survey course.

The Half Has Never Been Told May 25 2020 Winner of the 2015 Avery O. Craven Prize from the Organization of American Historians Winner of the 2015 Sidney Hillman Prize A groundbreaking history demonstrating that America’s economic supremacy was built on the backs of slaves Americans tend to cast slavery as a pre-modern institution -- the nation’s original sin, perhaps, but isolated in time and divorced from America’s later success. But to do so robs the millions who suffered in bondage of their full legacy. As historian Edward E. Baptist reveals in *The Half Has Never Been Told*, the expansion of slavery in the first eight decades after American independence drove the evolution and modernization of the United States. In the span of a single lifetime, the South grew from a narrow coastal strip of worn-out tobacco plantations to a continental cotton empire, and the United States grew into a modern, industrial, and capitalist economy. Told through intimate slave narratives, plantation records, newspapers, and the words of politicians, entrepreneurs, and escaped slaves, *The Half Has Never Been Told* offers a radical new interpretation of American history.

Give Me Liberty, Volume 1: To 1877 Aug 28 2020

Reconstruction Mar 03 2021 From the “preeminent historian of Reconstruction” (New York Times Book Review), a newly updated edition of the prize-winning classic work on the post-Civil War period which shaped modern America, with a new introduction from the author. Eric Foner’s “masterful treatment of one of the most complex periods of American history” (New Republic) redefined how the post-Civil War period was viewed. Reconstruction chronicles the way in which Americans—black and white—responded to the unprecedented changes unleashed by the war and the end of slavery. It addresses the ways in which the emancipated slaves’ quest for economic autonomy and equal citizenship shaped the political agenda of Reconstruction; the remodeling of Southern society and the place of planters, merchants, and small farmers within it; the evolution of racial attitudes and patterns of race relations; and the emergence of a national state possessing vastly expanded authority and committed, for a time, to the principle of equal rights for all Americans. This “smart book of enormous strengths” (Boston Globe) remains the standard work on the wrenching post-Civil War period—an era whose legacy still reverberates in the United States today.

Who Owns History? Sep 28 2020 A thought-provoking new book from one of America’s finest historians “History,” wrote James Baldwin, “does not refer merely, or even principally, to the past. On the contrary, the great force of history comes from the fact that we carry it within us, are unconsciously controlled by it in many ways, and history is literally present in all that we do.” Rarely has Baldwin’s insight been more forcefully confirmed than during the past few decades. History has become a matter of public controversy, as Americans clash over such things as museum presentations, the flying of the Confederate flag, or reparations for slavery. So whose history is being written? Who owns it? In *Who Owns History?*, Eric Foner proposes his answer to these and other questions about the historian’s relationship to the world of the past and future. He reconsiders his own earlier ideas and those of the pathbreaking Richard Hofstadter. He also examines international changes during the past two decades—globalization, the collapse of the Soviet Union, the end of apartheid in South Africa—and their effects on historical consciousness. He concludes with considerations of the enduring, but often misunderstood, legacies of slavery, the Civil War, and Reconstruction. This is a provocative, even controversial, study of the reasons we care about history—or should.

Story of American Freedom Oct 10 2021 Freedom is the cornerstone of his sweeping narrative that focuses not only congressional debates and political treatises since the Revolution but how the fight for freedom took place on plantation and picket lines and in parlors and bedrooms.

Gateway to Freedom: The Hidden History of the Underground Railroad Apr 04 2021 The dramatic story of fugitive slaves and the antislavery activists who defied the law to help them reach freedom. More than any other scholar, Eric Foner has influenced our understanding of America’s history. Now, making brilliant use of extraordinary evidence, the Pulitzer Prize–winning historian once again reconfigures the national saga of American slavery and freedom. A deeply entrenched institution, slavery lived on legally and commercially even in the northern states that had abolished it after the American Revolution. Slaves could be found in the streets of New York well after abolition, traveling with owners doing business with the city’s major banks, merchants, and manufacturers. New York was also home to the North’s largest free black community, making it a magnet for fugitive slaves seeking refuge. Slave catchers and gangs of kidnappers roamed the city, seizing free blacks, often children, and sending them south to slavery. To protect fugitives and fight kidnappings, the city’s free blacks worked with white abolitionists to organize the New York Vigilance Committee in 1835. In the 1840s vigilance committees proliferated throughout the North and began collaborating to dispatch fugitive slaves from the upper South, Washington, and Baltimore, through Philadelphia and New York, to Albany, Syracuse, and Canada. These networks of antislavery resistance, centered on New York City, became known as the underground railroad. Forced to operate in secrecy by hostile laws, courts, and politicians, the city’s underground-railroad agents helped more than 3,000 fugitive slaves reach freedom between 1830 and 1860. Until now, their stories have remained largely unknown, their significance little understood. Building on fresh evidence—including a detailed record of slave escapes secretly kept by Sydney Howard Gay, one of the key organizers in New York—Foner elevates the underground railroad from folklore to sweeping history. The story is inspiring—full of memorable characters making their first appearance on the historical stage—and significant—the controversy over fugitive slaves inflamed the sectional crisis of the 1850s. It eventually took a civil war to destroy American slavery, but here at last is the story of the courageous effort to fight slavery by “practical abolition,” person by person, family by family.

Give Me Liberty! Jul 27 2020 This first of two volumes presents an introduction to the history of America from pre-Columbian times to Reconstruction. This edition includes new coverage of inclusion and

exclusion as it has played out in American law and institutions, political and social movements, family and individual aspirations, and race, gender, and ethnicity. The author emphasizes the effect of contact among peoples of three different continents, the creation of an "American" people, and the evolving definitions of freedom and equality.

Clear, concise, integrated, and up-to-date, Give Me Liberty! is a proven success with teachers and students. Eric Foner pulls the pieces of the past together into a cohesive picture, using the theme of freedom throughout. The Brief Fourth Edition is streamlined and coherent, and features stronger coverage of American religion, a bright four-color design, and a reinforced pedagogical program aimed at fostering effective reading and study skills.

Give Me Liberty! Aug 20 2022 Adopted at over 600 universities, colleges, and schools across the country, Eric Foner's Give Me Liberty! is making a difference in the American history survey course.

Forever Free Apr 23 2020 From one of our most distinguished historians, a new examination of the vitally important years of Emancipation and Reconstruction during and immediately following the Civil War—a necessary reconsideration that emphasizes the era's political and cultural meaning for today's America. In Forever Free, Eric Foner overturns numerous assumptions growing out of the traditional understanding of the period, which is based almost exclusively on white sources and shaped by (often unconscious) racism. He presents the period as a time of determination, especially on the part of recently emancipated black Americans, to put into effect the principles of equal rights and citizenship for all. Drawing on a wide range of long-neglected documents, he places a new emphasis on the centrality of the black experience to an understanding of the era. We see African Americans as active agents in overthrowing slavery, in helping win the Civil War, and—even more actively—in shaping Reconstruction and creating a legacy long obscured and misunderstood. Foner makes clear how, by war's end, freed slaves in the South built on networks of church and family in order to exercise their right of suffrage as well as gain access to education, land, and employment. He shows us that the birth of the Ku Klux Klan and renewed acts of racial violence were retaliation for the progress made by blacks soon after the war. He refutes lingering misconceptions about Reconstruction, including the attribution of its ills to corrupt African American politicians and "carpetbaggers," and connects it to the movements for civil rights and racial justice. Joshua Brown's illustrated commentary on the era's graphic art and photographs complements the narrative. He offers a unique portrait of how Americans envisioned their world and time. Forever Free is an essential contribution to our understanding of the events that fundamentally reshaped American life after the Civil War—a persuasive reading of history that transforms our sense of the era from a time of failure and despair to a threshold of hope and achievement.

Give Me Liberty!, Volume 1 Nov 11 2021 The leading United States History survey text, now available in a brief, full-color edition.

Give Me Liberty! Aug 08 2021 Presents a survey text of American history from European exploration to the present day, with an emphasis on the interconnections between social, cultural, political, and economic history.
