Written by an expert with more than two decades of personal injury law practice, *Mastering Legal Matters: Your Essential Guide to Personal Injury Claims in Texas* provides the Texas personal injury practitioner or insurance adjuster with all of the relevant legal analysis, up-to-date cases, statutes, regulations, and helpful forms in one single, portable reference book. It explains the pitfalls surrounding common Texas insurance and personal injury legal topics, making it easier than ever to navigate through personal injury claims in Texas. Preparing for your next personal injury case with this all-in-one book gives you access some of the best practice advice on Texas personal injury law, including common topics such as insurance bad faith litigation, premises liability, dram shop law, personal injury protection, survival and wrongful death actions, and uninsured motorist claims. An ambitious personal injury lawyer, Robbie Feaver finds his less-than-ethical practices coming back to haunt him when, in exchange for leniency from prosecution, he is forced into an uneasy alliance with an enigmatic female FBI agent, in a story of greed, human weakness, love, and unexpected heroism. 750,000 first

printing. Readers of this book will gain a better understanding of how insurance companies evaluate and handle injury claims, how the legal system works, what steps should be taken after an accident and whether they even need an attorney. "Personal Injury Cases -- 7 Potholes to Avoid" was written by Pennsylvania personal injury lawyer, Joseph P. Comerota, for victims of car and truck accidents, slip and fall accidents, and work injuries. Free of legal jargon, this book educates the consumer on the personal injury litigation process providing valuable insight into maximizing the value of a personal injury claim by avoiding several common pitfalls. ALL NEW 2nd EDITION! This Second Edition of the Library of Connecticut Personal Injury Forms has been updated to reflect the changes to the Practice Book that went into effect on January 1, 2014. Over 165 model documents for all types of PERSONAL INJURY cases, from intake to final disposition. Use model documents created, tested and honed by attorney-experts. The collection includes forms for: auto negligence, medical malpractice, premises liability, product Over 730+ pages of model forms created, tested and honed by attorney-experts at the prestigious and respected Bridgeport law firm of KOSKOFF, KOSKOFF & BIEDER, edited by Joshua D. Koskoff, and Sean K. McElligott. Use the Library of Connecticut Personal Injury Forms to simplify... -AUTO NEGLIGENCE -MEDICAL MALPRACTICE -PREMISES LIABILITY -PRODUCT LIABILITY -WRONGFUL DEATH and MORE Texas Personal Injury Handbook provides insurance professionals, legal assistants, attorneys, and others in the field of personal injury litigation, an accessible and authoritative "one-stop" handbook on personal injury cases. Case law, statutes, and policies concerning a variety of different subjects have been assembled into one source, focusing exclusively on Texas law. The Handbook can be used in a number of different ways. Insurance professionals may use the Handbook in evaluating personal injury claims, and determining coverage. It also may be used as a portable basic reference book by attorneys and paralegals engaged in the prosecution or defense of personal injury actions. Additionally, corporate counsel and others who may potentially be involved in evaluating personal injury claims of employees or third parties will also find the Texas Personal Injury Handbook to be an easy-to-use reference. The damage portion of a personal injury claim is the heart of the tort case and determines whether or not the claim is worth pursuing. The attorney must be able to determine accurately the level of damages the injured plaintiff can expect to recover for his or her injuries. The checklist format of this book provides a quick and thorough reference for an attorney to use when evaluating a client's personal injury case. The attorney can ensure that he or she has met the obligation owed to the client to identify and calculate properly those damages recoverable and make sure that the damages are pleaded properly and that the evidence necessary to prove the claim is

gathered. This checklist allows the attorney to determine the appropriate basis for the damage claim and what evidence and testimony will be needed. It's two decades since the CPR came in. Costs are now fixed; many of the problems with costs are fixed; but costs law is anything but simple. There is so much you need to know. This book is the place to start. It's an everyday guide to the everyday issues, with each point covered in a bitesize format. Don't know how the rules apply in the circumstances of your claim? Find it here. Can't remember the name of that key case? Find it here. Need a quick guide on the law in a specific area? Find it here. The book is rich in expert insight into the way that costs claims work. It is a more accessible and streamlined practitioner's handbook than other costs textbooks on the market, and also seeks to set itself apart by trying to give useful guidance on those difficult remaining topics on which the law does not yet give certainty. The first half of the book deals with the fixed costs regime in detail. The later chapters deal with costs procedure and detailed assessment, all laden with practical tips for all parties so as to get to the right or the best result as soon as possible. The book is aimed particularly at those working in personal injury claims, but also offers invaluable insight to the way fixed costs work for the wider civil litigation community. We all know an expansion of fixed costs will come, and those who are ready will be most likely to thrive. ABOUT THE AUTHOR Matthew Hoe is a solicitor and advocate, and director of dispute resolution at national firm Taylor Rose TTKW. He has specialised in legal costs for almost 17 years. He has acted in some of the major costs cases of the last decade, including most recently cases such as Bamrah v Gempride on misconduct in assessment proceedings, Hislop v Perde on late Part 36 acceptance in fixed costs cases, Cham v Aldred on counsel's fees in fixed costs cases and Adekun v Ho on contracting out of fixed costs. Outside of work, Matthew watches far too much YouTube and enjoys fixing broken electronics and general tinkering with computers. He lives with his family near Peterborough. Discover hundreds of tested forms, plus detailed checklists and practice guides for client contact, case evaluation, experts, discovery and settlement in any personal injury case. Track critical topics in specific cases, such as automobile, medical negligence, slip and fall, and others. Preparing for a Personal Injury Case is a great resource for personal injury victims, familiarizing readers with the general process and providing answers to commonly asked questions. Written by a personal injury attorney with more than thirty years of trial experience in this area, who has also handled cases in more than twenty-five states, this book summarizes the important considerations for personal injury victims. As an attorney who has worked both for, and now against, insurance companies and big corporations, the author poses and answers the questions you should ask before becoming a party to personal injury

litigation. What should you do in the first moment following an accident? How do you find and choose an attorney? What steps are involved in the litigation process? What are your duties as your case is litigated? How will your case be evaluated for settlement? The entire litigation experience is explained in terms a non-lawyer can understand. From how the overall system works to how a trial or settlement will play out, this guide addresses key topics in step-by-step detail to help you effectively prepare for the case. Book jacket. The Ultimate Guide to your Slip and Fall Case...Slip and fall accidents will injure millions of Americans this year. Nearly 20,000 people will die as a result of their injuries and several hundred thousand more will suffer permanent disability. Slip and fall accidents are the second highest cause of accidental death among the elderly. The effect of fall accident injuries can be catastrophic to the victims resulting in substantially changed life styles and monetary loss. Despite the frequent nature of slip and fall accidents they maintain a reputation of being the most difficult to win of all personal injury cases. Often shunned by trial lawyers and undervalued by defendants and their insurance carriers, these cases are characteristic of personal injury litigation that demands a full knowledge of the law and technology if litigation is to be successful. If you or a loved one has been injured in a slip and fall accident, this book is written for you. This book details the process from the initial accident to liability issues and how to successfully fight for what you deserve. This is the standard reference work for general damages in personal injury claims, and essential reading for all those involved in the area of personal injury. The Guidelines are designed to provide a clear and logical framework for the assessment of general damages while leaving the discretion of the assessor unfettered, since every case must depend to a degree on its own facts. They provide an invaluable guide to all those involved in personal injury litigation. As with previous editions, all judges involved in hearing personal injury cases will automatically receive a copy of the book. This eleventh edition has been fully updated to take account of inflation and decisions made in the two years since the previous edition and includes a foreword written by The Right Honourable Dame Janet Smith DBE. Excerpt from Personal Injury Cases, Illinois: Including Cases Under Dram-Shop Act and Assault and Battery; The Law and the Facts Alphabetically Arranged Two general divisions are used: First, the law, and second, the facts. Under appropriate headings the facts and judgment of every case decided by the supreme court of Illinois will be found. Under other headings the law of the varied subjects involved in personal injury cases has been grouped. In every instance the original case has been consulted. In view of the many cases of this character before the counts, and the absence of adequate digests on the subject, no excuse seems necessary for the attempt to gather together all the cases and all the law for quick reference. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. In Florida, accidents unfortunately happen far too often. It may be a car accident, a dog bite, or a slip and fall, if someone else is to blame, you may need to begin the process of navigating Florida's complex laws. Florida is a no-fault state yet does allow for you to file a personal injury claim if your injuries resulted in significant or permanent physical damage. You will need to show that the other party failed in their duty not to harm you and that their failure was the cause of your injuries. This book looks gives you insight into some of the "Deadly Sins" that can negatively impact your Florida personal injury claim. It begins by discussing the basic laws in Florida to help you gain the foundation you will need to be successful. The brunt of this book is about guiding you through some of the common mistakes people make during the settlement process as well as how the insurance companies take advantage of these missteps. Clear, succinct, and indispensable, this critical manual will help safeguard your rights and give you important insights to lessen the stress and pains of an accident. Begin to level the playing field. For courses in Torts or Torts and Personal Injury. Written by a trial lawyer who has had 37 years of practical experience in torts and personal injury law and moving beyond traditional torts textbooks, Tort and Personal Injury Law for the Paralegal covers the topics that help win and lose cases. In addition to the traditional black letter law of torts, the book offers unique chapters on medical and insurance issues--preparing paralegals for the real tasks they are likely to face in today's workplace. This revolutionary book is filled with authentic legal, medical and insurance documents that allow students to learn how documents are constructed and where to find critical information. End-of-chapter assignments and instructor materials simulate a supervising attorney's work requests and help students build skills and create samples for prospective employers. Evaluating and Reserving Wrongful Death and Personal Injury Cases is the ideal step-by-step guide for defense attorneys involved in a catastrophic death or personal injury law suit. The book covers evaluating the case, identifying types of injuries, identifying potential causes of action, determining liability, calculating financials including lost services and earnings capacity, and more. Analyzes personal injury cases with a full text of model jury charges. Allows reader to evaluate, prosecute, defend & try any tort case by focusing on language the judge will use to instruct the jury. Learn how to choose small to medium-sized personal injury cases with the best chances of success, and how to efficiently deliver the biggest results. Includes pattern responses to adjusters, case-screening rules, cost-reducing techniques, sample letters, discovery, motions and more. Personal Injury HandbookAs insurers grow more miserly, it is more important than ever to carefully select, investigate, prepare, and prosecute your cases. Larry and Roger Booth's Personal Injury Handbook is loaded with valuable practice aids and tips that will help you maximize the value of each of your cases.

You receive over 140 forms and 60 checklists specific to 14 types of cases: \* Motor vehicle accidents\* Railroad crossing accidents\* Premises liability\* Premises security\* Construction site accidents\* Electrocutation accidents\* Dog bites\* Collisions with livestock\* Products liability\* Auto crashworthiness\* Medical malpractice\* Sexual molestation\* Insurance bad faith\* Industrial equipment A Cup Of Coffee With 10 Of The Top Personal Injury Attorneys In The United States - This book is for anyone who has been seriously injured in an accident. Ten of the top personal injury attorneys in the United States will provide you with valuable insights, guide you through the hazardous steps of filing a claim, and shepherd you around the landmines when dealing with insurance companies. If you are the victim of an accident that was due to the negligence of another person or company, you are entitled to compensation for your injuries. Unfortunately, most people don't realize that insurance companies have no incentive to be fair or to fully compensate you for your injuries. Their unstated goal is to find ways to deny your claim or minimize their liability, and pay you as little as possible. We asked 10 of the best personal injury attorneys to share their insights about what you should know before you settle your claim. I personally believe this is the most powerful and enlightening book ever written on the subject. The Definitive Guide for Injured Victims & Their Lawyers in Car Accident Cases: IF YOU'VE BEEN HURT IN A CAR WRECK, WILL YOU KNOW HOW TO TAKE ON THE INSURANCE COMPANY AND THEIR LAWYERS BY YOURSELF? Think about that for a moment . . . You've been hurt in a car wreck and it was not your fault. And now you have a lot of questions, but not a lot of answers: \* who will pay for all of your medical bills? \* you don't have health insurance, so how do you get the medical treatment you need for your injuries? \* how can you recover your lost wages? \* who will pay for your car to be repaired? \* what if your car can't be repaired and is declared a total loss? \* what if you owe more than the car is worth? \* what about your future medical needs or lost wages? \* what are the 3 things you must prove to be able to recover in your personal injury claim? This is a lot for anyone to handle - all of the phone calls back and forth, the emails, the paperwork, the releases. Will you have the time or the knowledge to handle this by yourself? Do you need a guide for consumers to help explain the process to you? And ask yourself - do you really want to take on the insurance company and their lawyers - especially without educating yourself on the claims process here in Georgia? Are you an attorney who is looking to expand your practice to help injured victims and their families injured in car wreck cases? Do you know enough about the personal injury claim process to zealously and ethically represent them? "The Authority On Personal Injury Claims In Georgia: The Definitive Guide For Injured Victims And Their Lawyers In Car Accident Cases" was written by Gary Martin Hays, a personal injury attorney with over 24 years of experience handling car accident claims in Georgia. A former insurance defense lawyer, he now only represents injured victims and their families. Since starting his own firm in 1993, he has helped over 29,000 clients recover over \$250,000 million dollars. In this handbook, Hays provides you a peek behind the curtain

to see how his law firm successfully represents his clients. Topics include: \* Car Wreck Facts & Myths \* The Scene Of The Crash \* Investigating the Wreck \* Property Damage: Total Losses, to Repairs, to Diminished Value \* Your Injuries \* Medical Treatment For Your Injuries \* Medical Bills: Med-Pay Coverage, Health Insurance, and The Uninsured \* The 3 Things You Must Prove To Recover On Your Personal Injury Claim \* "What Is My Case Worth?" \* Do I Take On the Insurance Company And Their Lawyers By Myself? \* How Do I Find The Right Lawyer? \* The DEMAND Process - How To Tell The Insurance Company What Your Case Is Worth! \* Liens And Subrogation Claims: Who Will Claim They Are Entitled To Some (Or Maybe ALL Of Your Settlement) \* Legal Deadlines \* Litigation: Do You File Suit On Your Case? The book also contains a presentation that Mr. Hays gave to other attorneys at a continuing education seminar for lawyers regarding diminished value claims in Georgia - a secret that is literally saving the insurance industry millions of dollars each year - money that should be going to Georgia's consumers. In addition, FREE bonus chapters from three (3) of his previous books that he co-authored are included: \* "3 Secrets The Insurance Company Doesn't Want You To Know About Your Personal Injury Claim" \* "The Mourning After: Helping Families Cope After A Drunk Driving Wreck" \* "I Will Make A Difference!" Being involved in a legal case can cause both anxiety and frustration. In "Get the Justice You Deserve," author and practicing attorney JOHNNY A. PINEYRO provides practical and relevant information to not only help you solve legal problems, but take the worry and concern out of the process. Focusing on personal injury cases as a result of an accident, Pineyro details the course of a case and answers an array of questions: What is a personal injury case? What are damages? How are damages assessed? How do I collect damages? Who pays the doctor bills? Should I hire a lawyer? What should I expect from my lawyer? What should I tell my lawyer? Should I litigate or settle? How do I file a lawsuit? "Get the Justice You Deserve" details the framework you will find in the legal landscape and provides advice to understanding the process in order to get what you deserve before it's too late. The Law Offices of MJG, PLLC is focused on taking care of our community and offering our assistance whenever necessary. With 30+ years of experience in the area of personal injury, our goal for this book is to inform and educate the public on all areas of personal injury. Third Edition If you have a personal injury case in Pennsylvania, this book is a "must have" Why? It is the only forms book that concentrates on the 10 most litigious counties in Pennsylvania: Philadelphia, Delaware, Chester, Bucks, York, Montgomery, Allegheny, Luzerne, Westmoreland and Berks. The book contains hundreds of pages of forms and information you need to prosecute your case from beginning to end. "The Library of Pennsylvania Personal Injury Forms is a concise, thorough and easy-to-find forms book; a must for every plaintiff's Personal Injury practitioner. Theodore A. Schawartz Locks Law Firm, Philadelphia "The Library of Pennsylvania Personal Injury Forms is a thoroughgoing compendium of forms for the practicing Pennsylvania trial lawyer. It takes you from pre-complaint discovery through pleadings, discovery,

motions practice, trial practice and beyond. And with a CD that includes writable forms, I feel like a local lawyer no matter what county I'm venued in. It's the one book that stays on my desk and never gets back to the bookshelf." David L. Kwass Saltz Mongeluzzi Barrett & Bendesky PC, Philadelphia Topics Include: - Medical Malpractice - Workers' Compensation - Construction Site Accidents - Dram Shop Cases and more... Forms Include: - New client/ Initial intake forms - Sample motions - Sample arbitration forms - Sample trial documents and more... Forensic mental health assessment (FMHA) has grown into a specialization informed by research and professional guidelines. This series presents up-to-date information on the most important and frequently conducted forms of FMHA. The 19 topical volumes address best approaches to practice for particular types of evaluation in the criminal, civil, and juvenile/family areas. Each volume contains a thorough discussion of the relevant legal and psychological concepts, followed by a step-by-step description of the assessment process from preparing for the evaluation to writing the report and testifying in court. Volumes include the following helpful features: DT Boxes that zero in on important information for use in evaluations DT Tips for best practice and cautions against common pitfalls DT Highlighting of relevant case law and statutes DT Separate list of assessment tools for easy reference DT Helpful glossary of key terms for the particular topic In making recommendations for best practice, authors consider empirical support, legal relevance, and consistency with ethical and professional standards. These volumes offer invaluable guidance for anyone involved in conducting or using forensic evaluations. This book addresses the assessment of personal injury claims, and explores the history and importance of this process, the legal standards and the procedure for applying this assessment in court. Established empirical foundations from the behavioral, social, and medical sciences are then presented. Finally, the book provides a detailed "how-to" for practitioners, including information on data collection, interpretation, report writing and expert testimony. Insurance companies make billions of dollars by minimizing soft tissue injury claims. They are highly skilled at using strong tactics to accomplish this goal. Many individuals who suffer from injuries related to automobile, semi trucks, or motorcycle accidents often realize this far too late. Now, seasoned personal injury attorney B.J. Kelley draws from decades of experience to provide anyone suffering from an accident with an effective plan of action to manage the claim process. Soft Tissue Injuries and Hard Ball Tactics: Dealing With Soft Tissue Injuries and Insurance Companies is a straightforward, step-by-step "how to" manual to help anyone overcome the daunting hurdles that insurance companies put forth to minimize personal injury claims. The average person is typically not equipped to deal with the carriers on their own. In fact, many of those who incur accident-related injuries simply believe they are just "a little sore" and expect to improve within a few days. However, there is often a delay in the onset of soft tissue pain so that the pain doesn't present until well after a person has foregone an attorney's counsel and made statements that indicated that all was well. Regrettably, this all-too-common course of events

may work to your disadvantage when ultimately filing a soft tissue claim. To avoid pitfalls of this nature, Kelley clearly maps out every aspect of this all-important scenario. The book first details the motivations of the insurance companies. It then lays out the carriers' standard procedures and discusses why your own company won't necessarily help you after an accident. The author then itemizes the do's and don'ts you should consider after you've been in a wreck, from calling the police to hiring an attorney. He then defines a soft tissue injury, and the reasons the injury may not be immediately evident after a collision. The book also discusses medical treatment, the challenges of soft tissue injury cases, and what to expect from your attorney during the course of your case. When it comes to soft tissue injuries, information will give you the crucial power you need to handle your claim, and get the treatment to which you are entitled for as long as you may require it. Clear, concise, and indispensable, Soft Tissue Injuries and Hard Ball Tactics: Dealing With Soft Tissue Injuries and Insurance Companies can help ensure that the pain of an accident can be minimized in every way. Read it—and reap the coverage you have coming. Everyone has an opinion about personal injury litigation. Many people feel that the right to sue for injuries should be severely limited in hopes that insurance costs will decrease. Others fear that legislation enacted to restrict the right to sue will make big business, the insurance industry, and medical practitioners less accountable to the public. They also fear the loss of financial compensation for injuries caused by a negligent or careless act. In this book, I examine every aspect of personal injury litigation, from attracting new clients to jury trials, and beyond. The personal injury laws vary from state to state and between state and federal court. Since 1983, I have been a trial lawyer in Pennsylvania and New Jersey. Much of the information presented involves those experiences. The law in your state may be different. Nevertheless, there is much uniformity throughout the states. The information in this book can be used by personal injury litigants and their counsel in any state. You may have to refer to local sources for the law or practice that applies to your situation. The law is dynamic and ever-changing. It is flexible enough to accommodate a changing world. When the first automobile accident lawsuit was filed, the judge was not deterred by the fact that there were no automobile laws for guidance. The judge simply looked to the legal logic of horse-and-buggy cases. Similarly, when new technologies cause injuries in the future, the law will evolve to accommodate this. The federal and state legislatures constantly pass new laws. The courts rule every day on disputes that require interpretation of new laws and old. When a court decides a dispute, the court's ruling becomes precedent for the future. In other words, the interpretations that the judges dispense become the laws by which future litigants can be guided. This concept is known by the Latin term stare decisis. Sample Forms and Worksheets A book like this one cannot possibly include every procedural requirement of every jurisdiction in our country. The sample forms provided are general in nature, but are designed to give you a good idea of the types of forms that are used in most locations. Your state, county, and/or judge will have rules and forms that are not

included in this book. Check with the court clerk and/or court website for your case to review any local rules and forms that apply. Often, such forms require the same information as the forms in this book, and are merely laid out differently or use slightly different language. You must follow the court's rules and use its forms. When those forms conflict with mine, use theirs. Representing Plaintiffs in Personal Injury Cases provides an authoritative, insiders perspective on key strategies for representing and advising plaintiffs in personal injury disputes. Featuring experienced partners from law firms across the country, these authors guide the reader through the process of bringing a successful complaint, including utilizing experts, considering venue options, and presenting compelling evidence to the jury. These top lawyers offer advice on handling the discovery process, preparing witnesses for trial, and most importantly, proving negligence. From researching the complaint to managing expenses, these leaders stress the importance of creating open lines of communication with clients. This book also discusses the role of alternative dispute resolution in personal injury cases. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to success within this ever-evolving field. Representing Defendants in Personal Injury Cases provides an authoritative, insider's perspective on developing a successful defense strategy when litigating a personal injury dispute. Featuring partners and shareholders from law firms across the country, these experts guide the reader through the various components of defending against a personal injury claim, including analyzing liability, conducting discovery, and preparing for litigation. These top lawyers reveal their advice on choosing expert witnesses, presenting evidence to a jury, and deciding whether to settle or litigate a dispute. From understanding the importance of juror instructions to developing a winning argument, these authors explain the challenges many young lawyers face when formulating a defense strategy and the importance of training under more experienced practitioners. These leaders also discuss the benefit of alternative dispute resolution in resolving personal injury cases. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to preparing and executing a winning defense strategy in personal injury disputes. "In this book, I examine every aspect of personal injury litigation, from attracting new clients to jury trials, and beyond. The personal injury laws vary from state to state and between state and federal court. Since 1983, I have been a trial lawyer in Pennsylvania and New Jersey. Much of the information presented involves those experiences. The law in your state may be different. Nevertheless, there is much uniformity throughout the states. The information in this book can be used by personal injury litigants and their counsel in any state. You may have to refer to local sources for the law or practice that applies to your situation". -- INTRODUCTION. Virginia Torts Case Finder, Fifth Edition is a compendium of Virginia Supreme Court tort

cases since 1940. For each case, it provides a brief description of the facts, a statement of the legal concepts involved, and how the court decided. IF YOU'VE BEEN HURT IN A CAR WRECK, WILL YOU KNOW HOW TO TAKE ON THE INSURANCE COMPANY AND THEIR LAWYERS BY YOURSELF? Think about that... You've been hurt in a car wreck and it was not your fault. And now you have a lot of questions, but not a lot of answers: \* who will pay for all of your medical bills? \* you don't have health insurance, so how do you get the medical treatment you need for your injuries? \* how can you recover your lost wages? \* who will pay for your car to be repaired? \* what if your car can't be repaired and is declared a total loss? \* what if you owe more than the car is worth? \* what about your future medical needs or lost wages? \* what are the 3 things you must prove to be able to recover in your personal injury claim? This is a lot for anyone to handle - all of the phone calls back and forth, the emails, the paperwork, the releases. Will you have the time or the knowledge to handle this by yourself? Do you need a guide for consumers to help explain the process to you? And ask yourself - do you really want to take on the insurance company and their lawyers - especially without educating yourself on the claims process here in Georgia? Are you an attorney who is looking to expand your practice to help injured victims and their families injured in car wreck cases? Do you know enough about the personal injury claim process to zealously and ethically represent them? "The Authority On Personal Injury Claims In Georgia: The Definitive Guide For Injured Victims And Their Lawyers In Car Accident Cases" was written by Gary Martin Hays, a personal injury attorney with over 24 years of experience handling car accident claims in Georgia. A former insurance defense lawyer, he now only represents injured victims and their families. Since starting his own firm in 1993, he has helped over 29,000 clients recover over \$250,000 million dollars.
