Jealousy, rage, regret--the members of the Sohma family are no strangers to these emotions. Tohru Honda's cheerful optimism, however, is like a balm to them. Unfortunately, not every Sohma feels that way! Kisa and Tohru have become fast friends, but Hiro Sohma isn't too happy about this turn of events and decides to take out his anger on...Tohru?! And when the normally docile Hatsuharu snaps and pulls a Black Haru at school, will Tohru's brand of magic have any effect at all?! As the Fruits Basket saga continues, the relationship between Tohru and Kyo becomes increasingly complicated, especially since most of the members of the Zodiac seem to look down on him. Tohru comes to the realization that if she wants to save Kyo, she'll have to create some sort of trigger to break his curse. But what, if anything, can cure Kyo? A companion to the long running manga series, this book has character profiles, quizzes, story recaps through volume 17, and more. NEW YORK TIMES BESTSELLER • The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining

basketball addict known to millions as ESPN's The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons's one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), The Book of Basketball offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler. It's the third quarter of Seirin's game against To-oh, and the team faces a tough time when Momoi's strategies nullify Kuroko's effectiveness. His misdirection is failing, and Aomine's unbelievable skills are leaving Seirin in the dust... Now all hopes for victory rest on Kuroko's ultimate move! -- VIZ Media Kyo remembers meeting Kyoko in the past, including the story she told him about how she met Tohru's father, Tohru's birth, the truth about her parents, and Yuki's declaration of independence. The curse is crumbling, and Akito is doing anything to clutch at the broken threads that remain. Does the end of the curse mean catastrophe for the members of the zodiac, or will it bring the much needed healing they've all dreamed of? Tohru's bright love and generosity will become a beacon of hope in the dark...! Tohru should be having the time of her life during summer break at the Sohmas' vacation home...but ever since Akito appeared, Yuki and the others go off every day to meet with the zodiac leader. On top of that, Yuki is acting weird...! And when Tohru encounters the Horse of the zodiac, does that leave Akito as the Rooster?! Later, as the next school term begins, the new student council assembles at last!! While Yuki and those around him are occupied, Tohru secretly visits Kazuma. She wishes to free everyone in the Sohma family from their "curse" and looks to him for a clue...Unexpectedly, however, Rin is poised to hinder Tohru's efforts...!! Scholarship on the civilization of Polish Jews has tended to focus on elite culture and canonical literature. Even modern Yiddish culture has generally been approached from the perspective of 'great works'. This special issue on Jewish popular culture focuses on relatively less explored but historically vital forms of culture that have previously been relegated to the margins of scholarly interest. Most of the articles look at the period before the Second World War, but there are also several studies of the traces of

this culture in the contemporary world. The volume is intended to help reconfigure our understanding of Polish Jewish civilization in its true richness and variety.
