So many treatises of this kind are dreary and dull but this has a wit and sparkle to keep the reader, ahem - eager student, happily at his or her education. It reminds one of the Survivor's Guide series, actually brimming with facts and unusual 'I never knew that's', but a rollicking fun read too, to keep you riveted."—Robert Page, Member AASECT, SSSS, WAS and BASE, and Creator and Producer of the award winning Lovers' Guide, the world's number one brand for sex and relationships "In these liberated times, we students of the wonderful subject of Sex might think we know it all. But if we want to gain true mastery of our subject we will want to not only hone our practical skills, but also need be totally au fait with the underpinning of theory - to know about the latest research, explore new understandings, and benefit from the plethora of studies that have been done on the topic in recent years. In her new book The Field Guide to F*CKING, she uses the 'study guide' model to pack in the facts, expose the fictions and tell us absolutely everything we need to know about our special topic. Every page contains not only full coverage of the basics, but a whole heap of little-known facts, new insights and inspirational suggestions. And all this done in such a humorous way that one is left smiling while all the time learning. Thought you'd seen it all with sex manuals? Well, now you have!"—Susan Quilliam, coauthor of The Joy of Sex, published by Octopus Field guides to birds, bees, and trees abound. However, until now, there has been no handy reference to the wildest creature of all (the horny human) in his natural habitat (the bedroom). The Field Guide to F*CKING is a hilarious encyclopedia that shows how

to identify physical characteristics and bizarre seduction rituals of the creatures that are likely to be encountered during sexual forays. Hey, even members of the same species can have anatomical differences, right? What does one do when encountering a mushroom-headed penis or a hooded clit? Each entry cross-references which techniques for fucking go best with each genital size, shape, and quirk. For example, if you run across a large, thick penis, avoid positions where the female's legs are over her head—unless she doesn't mind having her cervix bumped. The Field Guide to F*CKING teaches you how to map out your partner's primary erogenous zones and decode sexual signals based on body language, kissing, and touch techniques. Sex has attracted many adventurers in search of its oft-elusive pleasures. The Field Guide to F*CKING is your indispensable guide to navigating the rocky terrain of mating and seduction with ease.

Guide to Getting It on Nov 29 2020 Proudly Announcing the 10th Edition of the GUIDE TO GETTING IT ON Few people had heard of Bumble and Hinge when the last edition of the "Guide To Getting It On" went to press four years ago. No one in their right mind would have guessed that Chaturbate would become the 28th most popular website in the US, or that women in college would pay for their tuition by selling pics on a website called OnlyFans. And good luck to any guy who calls a woman to ask her for a date instead of texting, because she'll probably think he's a stalker. Anyone who says "Why would we need a new edition of a book on sex?" needs to throw away their flip phone and wake up. Each new edition of the "Guide to Getting It On" has risen to the challenge of helping young adults negotiate an ever changing landscape of sex and relationships, and the new 10th edition is no different. Today's young adults are the first generation who began watching the most explicit porn in history on their phones in Middle School. They have very different expectations and needs from a book on sex today than when the first edition of 'The Guide' was published more than twenty-five years ago and was praised as one of the best books on sex ever written. At a time when YouTube has become the source of all wisdom, the 10th edition of the "Guide To Getting It On" remains the one book on sex that people still want to buy, read and share with a partner. And for readers

who value videos, several chapters of the 10th edition have links to videos that were made to go with the book.
