Along a slow-moving river, he watches as her body drifts below the water's murky surface, forever altered. Before he disposes of each victim, he takes a trophy. It's a sign of his power, and a warning--to the one destined to suffer most of all... In Grizzly Falls, Montana, Detectives Selena Alvarez and Regan Pescoli are struggling with a new commander and a department in the midst of upheaval. It's the worst possible time for a homicide. A body has been found, missing a finger. Alvarez believes the disfigurement means a murderer with a personal grudge, not a deranged madman with a brutal fetish. Pescoli can only hope she's right. But then a second body turns up, bearing the same mark... As the clues begin pointing toward a suspect, Pescoli's unease grows. Even with Alvarez barely holding it together and her own personal life in chaos, she senses there's

more to this case than others believe. A killer has made his way to Grizzly Falls, ready to fulfill a vengeance years in the making. And Pescoli must find the target of his wrath--or die trying... Despite his grandmother's recent death and the return of his troublesome father, Nick determines to find a way for the family to have a real Christmas celebration. The Enid Blyton classics make a return and are guaranteed to make storytime and bedtime more fun and imaginative. Emma skips ballet class to attend her best friend's birthday party at the Haunted Museum. In a spooky exhibit of music boxes, she's drawn to one. That very night, the music box appears at her door. Emma dances better than she ever imagined when the music box is playing, but the more she learns about it, the more she realizes she must break its hold over her. Nola returns to the world of Pandorient, where she and her friends have to figure out what's going on with Cyprian, son of Anton the great Merlinian, while concealing the fact that Nola is from outside. This beautiful box set of two books combines a complete illustrated guide to the history of music and instruments of the orchestra, and an encyclopedia of the lives and works of 100 of the greatest composers. Fully illustrated with over 1150 photographs, fine art paintings and illuminations, including reproductions of handwritten musical manuscripts. "Worship outside the Music Box" calls for Christians to set aside personal preferences, to welcome different musical and liturgical genres, to learn from each other about what pleases God, and to model His love for a multiethnic, multicultural congregation of believers. The importance of bringing diverse styles of worship together cannot be overstated. Dr. Newby explains that God is glorified by the sincere worship practices of all of His children, and blending these practices edifies each of us. Examples of multiethnic worship gatherings from the Bible and Scripture support on the necessity of all-inclusive worship are included in this timely book. Don't touch anything in the Haunted Museum! Emma would rather be at her ballet class than at the Haunted Museum, but she

can't miss her best friend's birthday party. In a spooky exhibit of music boxes, she's drawn to one in particular, in which a pair of dancers spin slowly to a haunting melody. But that very night, the music box shows up at her door--like it's following her. Emma dances better than she ever imagined when the music box is playing. But that's not all. Sometimes the music speeds up, and the dancers seem to move on their own. Emma finds the lid open, music playing, even when she knows she'd shut it before. And then an eye appears in the mirror inside the lid--someone is watching Emma! The more Emma learns about the history of the music box, the more she realizes she needs to break the hold it has over her before it's too late. But the better she dances when the music plays, the less she wants to!
