It's 1850 and your first goal is to get your family, covered wagon full of supplies, and oxen to Chimney Rock on time. But hurry--you'll need to make it through the rugged mountains before winter snow hits. Which path will get you safely across the p "It's 1850, and you are continuing on

the treacherous Oregon Trail. In this second book of four, you need to get to Devil's Gate, the halfway mark on your 2,000-mile journey West. Keep watch! Danger awaits you on your way to those eerie cliffs. Which path will you choose in the face of danger? With more than twenty possible endings, choose wrong and you'll never make it to Devil's Gate. Choose right and blaze a trail that gets you closer to Oregon City!"--Page 4 of cover. Journeys is a K-6 comprehensive, research-based English Language Arts program built on the foundation of the proven Journeys instructional design that provides all students with a path to achieving rigorous standards with print and state-of-the-art digital components. Journeys is a K-6 comprehensive, research-based English Language Arts program built on the foundation of the proven Journeys instructional design that provides all students with a path to achieving rigorous standards with print and state-of-the-art digital components. Mastering math starts with knowing the numbers. We get students started on the right path in Pre-K, but that's just the beginning. It's also about looking beyond numbers to understand how and why they work, and learning to ask the questions that lead to a thoughtful, informed approach to solving problems. Based on research funded by the National Science Foundation (NSF), Math Expressions is a proven Pre-K-6 curriculum that helps children make sense of math by exploring, discussing, and demonstrating their understanding of key concepts. In busy, active lessons, students learn how to look deeper and choose their own path to the answers—skills that will take them far beyond the math classroom. -- The more than 40 lessons and games in It Makes Sense! Using Number Paths and Number Lines to Build Number Sense promote the flexible use of number paths and number lines to solve problems and scaffold or document students' thinking. In this powerful resource you'll find: strategies for differentiating instruction; Key Questions to invite student thinking; A Child's Mind insights sharing common student

misconceptions; Math Matters! tips highlighting important math concepts; and research summaries, learning scenarios, and teacher reflections. Ideal for use in math workshop and beyond, the lessons and games include more than 30 reproducibles, also available in a downloadable format., Journeys is a K-6 comprehensive, research-based English Language Arts program built on the foundation of the proven Journeys instructional design that provides all students with a path to achieving rigorous standards with print and state-of-the-art digital components. In this newly revised bestseller, the Rev William A Anderson, D. Min., Ph.D.; offers a clear and concise presentation of the Catholic faith. In His Light serves as a perfect resource for: Carmen and her family take a hiking trip in Big Bend National Park. "The Appalachian Trail is America's most beloved trek, with millions of hikers setting foot on it every year. Yet few are aware of the fascinating backstory of the oddballs and obsessives who helped bring it to life over the past century"-- A meningitis outbreak in their underprivileged neighborhood left Sylvia Acevedo's family forever altered. As she struggled in the aftermath of loss, young Sylvia's life transformed when she joined the Brownies. The Girl Scouts taught her how to take In this choose-your-own-trail experience, you're traveling all the way from Florida, heading West to the Oregon Trail. See if you can make it to Oregon City! It's 1845 and your family is fleeing Florida with hopes of starting fresh out west. You'll encounter sudden snowstorms that will overwhelm your wagon train en route to the Oregon Trail. Food will become scarce--and you'll get lost. Can you survive the unseasonably cold climates? If you make the right choices, you could find the Lewis-Clark Trail, which would lead back to the Oregon Trail--though it will take longer than you'd planned. Do you have the supplies to last? Can you survive the harsh cold and sickness, pioneer? Choose right and blaze a trail to Oregon City! Includes a map and useful tips on how to survive the Trail. In the 3rd installment of this

choose-your-own-trail adventure series, young pioneers must find—and survive—a wild river crossing! It's 1850 and you are on the third leg of your journey across the American frontier. You've crossed prairies, rivers, and mountains and have faced stampeding buffalo. But your journey is not yet over. After travelling for more than two months with your family, covered wagon, and oxen, you're only halfway to Oregon City. There are still months of travel ahead of you— if you can survive the dangerous ford of the wild Snake River at Three Island Crossing! Every decision counts! Which path will you choose? With twenty-two possible endings, choose wrong and you'll never find Snake River. Choose right and blaze a trail that gets you closer to Oregon City! The 4th and final installment in this choose-your-own-trail series takes you all the way to Oregon Territory—if you make the right choices. The end of the Oregon Trail is near, young pioneer—the final leg of your journey starts here. But, do you have the grit to make it to Oregon City? The wild frontier is full of risks and unpredictable surprises! It's 1850 and you've been traveling for more than three months with your family, covered wagon, and oxen. There are holes in the bottoms of your shoes. You've faced grizzly bears, traded with merchants, and wild bandits. Oregon City is so close you can taste it, but there are still weeks of dangerous frontier travel ahead of you. So which path will you choose? With twenty-two possible endings, every decision counts! A novel musing on the role small choices can play in determining the course of a life follows Eva and Jim, who meet by chance on a Cambridge street, and the three different paths their lives could take. "Based on the highly acclaimed NPR podcast, How I Built This with Guy Raz, this book offers priceless insights and inspiration from the world's top entrepreneurs on how to start, launch, and build a successful venture"--
