Jack the Ripper and the Whitechapel Murders The Five

The Escape of Jack the Ripper Aug 20 2022 Previously published in 2020 by Amberley Publishing.

Reid and the Ripper Jan 13 2022 What type of person was Jack the Ripper? Why did he kill and mutilate six prostitutes in 1888? What was the motive for the crimes? Why was he never caught? This book does not name Jack the Ripper, but instead offers a unique insight into the mind of the Ripper and illustrates the harshness of life for many people in the East End of London at that time. It explains how a young criminal from Spitalfields, became the most infamous serial killer of all time. It reveals how his early life may have developed and the circumstances that led him to commit six murders over three months. The Ripper was born into poverty, neglect and abuse, resulting in a life of crime. But

something else made him into a serial killer of prostitutes. This book is not for the faint-hearted nor for people that are easily offended by bad language, sex or sexual violence. Each of the six killings is described in explicit detail, to understand the type of person, Jack the Ripper, was. This story explores the psychology and development of Jack the Ripper and is accurately based upon the crime scene evidence that is in the National Archives. It covers the key events chronologically from both the point of view of the Ripper and also of Detective Inspector Edmund Reid, who leads the investigation. Discover the reasons behind the chosen Modus Operandi and the signature of the killings. The Ripper's story is partly told through his aunt, who is the strong, no-nonsense landlady of the Princess Alice public house. It demonstrates the likely personality of the Ripper through interactions with her and with other people. The motives for each of the Ripper's crimes are explained by Inspector Reid, some of which are different from other theories. The story shows why his crimes escalated, from earlier knife attacks to his first kill with Martha Tabrum. And why they ended with the grotesque mutilation of Mary Jane Kelly. The other aspect of the story focusses on the police investigation, by contrasting two different investigative approaches to catching Jack the Ripper. Detective Inspector Reid tries to understand the crimes and the killer from a psychological perspective. Each killing is explained and analysed in detail by Inspector Reid, for him to build up a picture of the killer and his probable motives. Whereas, Detective Inspector Fred Abberline is relying on his local knowledge policing. The story not only demonstrates the psychology and the personality of the Ripper through his crimes; it also demonstrates Reid's desire to understand the perpetrator of the crimes, to narrow down the likely suspect from the rest of the population of Spitalfields. This book clearly shows the psychological battle the killer has with his mind and the quest of Inspector Reid, in finding an unknown serial killer. The book contains maps of the crime scenes, explanations of the local dialects and rhyming slang used in the story, a list of the key persons involved in each murder or attack and Inspector Reid's noticeboards that help him narrow down the suspect.

Ripper Notes Feb 02 2021 "Ripper Notes: Jack the Slasher" is a collection of essays about the famous unidentified Victorian serial killer Jack the Ripper and related topics. Wolf Vanderlinden starts things off with an overview of suspect Hyam Hyams, an insane East End Jew sometimes named as being the Whitechapel murderer. This includes a never-before seen photograph of Hyams in an asylum. Wolf then provides an in depth look at Henry G. Dowd, the New York maniac known as Jack the Slasher. When he was caught the newspapers tried to link him to the more famous killings in London. Next Bernard Brown, editor of the Metropolitan Police History magazine, theorizes about what a New York Ripper would find most familiar in Whitechapel. This is followed by Tom Wescott with a thorough examination of the neighborhood where victim Elizabeth Stride was

killed, including a large number of period photographs and illustrations. He then uses information about other murder scenes to try to determine the exact methods the Ripper used to subdue and kill Stride. Next "ESM" provides the facts and never before crime scene illustrations and photos of the little known case of the Vienna Ripper, another killer and mutilator of prostitutes in the late 19th century, one whose methods and personal characteristics could be directly comparable to the London murders. This is followed by Wolf again, this time detailing the known facts of a Lascar sailor named in some news reports as having been the Ripper. Profusely illustrated with rare and never before seen illustrations, Ripper Notes is a nonfiction anthology series covering all aspects of the Jack the Ripper case.

Jack the Ripper and the Case for Scotland Yard's Prime Suspect Apr 28 2023
An investigation into the man Scotland Yard thought (but couldn't prove) was Jack the Ripper Dozens of theories have attempted to resolve the mystery of the identity of Jack the Ripper, the world's most famous serial killer. Ripperologist Robert House contends that we may have known the answer all along. The head of Scotland Yard's Criminal Investigation Department at the time of the murders thought Aaron Kozminski was guilty, but he lacked the legal proof to convict him. By exploring Kozminski's life, House builds a strong circumstantial case against him, showing not only that he had means, motive, and opportunity, but also that he fit the general profile of a serial killer as defined by the FBI today. The first book to explore the life of Aaron Kozminski, one of Scotland Yard's top suspects in the quest to identify Jack the Ripper Combines historical research and contemporary criminal profiling techniques to solve one of the most vexing criminal mysteries of all time Draws on a decade of research by the author, including trips to Poland and England to uncover Kozminski's past and details of the case Includes a Foreword by Roy Hazelwood, a former FBI profiler and pioneer of profiling sexual predators Features dozens of photographs and illustrations Building a thorough and convincing case that completes the work begun by Scotland Yard more than a century ago, this book is essential reading for anyone who wants to know who really committed Jack the Ripper's heinous and unforgettable crimes.

Jack the Ripper Mar 23 2020 The latest research on the ultimate whodunnit by the world's leading society for Ripper studies The Whitechapel Murders of 1888 remain unsolved and hundreds of theories have been suggested as to the killer's identity. However, many of the suggestions naming the infamous Ripper remain ill-informed and ludicrous, until now. The authors of this book are all members of The Whitechapel Society, the world's largest organization for the study of Jack the Ripper. Each has spent many years researching a particular suspect and the results of their latest, cutting-edge investigations are published here for the first time. Based on indisputable facts and concrete evidence, the cases put forward in this collection allow readers to decide exactly who they believe is the man behind the myth. With each chapter discussing a separate suspect in detail, this book is the

ultimate guide to one of the most famous criminal investigations in history.

Naming Jack the Ripper Oct 10 2021 After 125 years of theorizing and speculation regarding the identity of Jack the Ripper, Russell Edwards is in the unique position of owning the first physical evidence relating to the crimes to have emerged since 1888. This evidence is from one of the crime scenes, and has now been rigorously examined by some of the most highly-qualified forensic scientists in the country who have ascertained its true provenance. With the help of modern forensic techniques, Russell's ground-breaking discoveries provide conclusive answers to many of the most challenging mysterious surrounding the case.

Ripper Apr 16 2022 Panic grips the city! There is a killer loose in New York City, and Carver Young is the only one who sees the startling connection between the recent string of murders and the most famous serial killer in history: Jack the Ripper. Time is winding down until the killer claims another victim, but Carver soon sees that, to The Ripper, this is all a game that he may be destined to lose.

“Petrucha’s story hits the ground running and doesn’t let up...” —Publisher’s Weekly “A rollicking story full of cannot-put-it-down twists an turns.” —VOYA “A well-crafted romp through yesteryear’s New York.” —Kirkus Reviews

The Mammoth Book of Jack the Ripper Nov 23 2022 Updated and expanded edition of the fullest ever collective investigation into Jack the Ripper and the Whitechapel Murders. This volume collects not just all the key factual evidence but also 20 different arguments as to the identity of Jack the Ripper, such as that advanced by Patricia Cornwell. Contributions are from the world's leading Ripperologists, including William Beadle, Melvyn Fairclough, Martin Fido, Shirley Harrison, James Tully and Colin Wilson. The identity of Jack the Ripper has plagued professional historians, criminologists, writers and amateur enthusiasts. The many suspects include Montague John Druitt, Walter Sickert, Aaron Kosminski, Michael Ostrog, William Henry Bury, Dr Tumblety and James Maybrick. The only certainty is that Ripperologist have not found an individual on whom they can all agree. The essays are supported by a detailed chronology, extensive bibliography and filmography.

Jack the Ripper & the London Press Dec 24 2022 “Breaks new ground in its examination of the role of newspaper reporting during the police hunt for the first notorious serial killer.”—Reviews in History Press coverage of the 1888 mutilation murders attributed to Jack the Ripper was of necessity filled with gaps and silences, for the killer remained unknown and Victorian journalists had little experience reporting serial murders and sex crimes. This engrossing book examines how fourteen London newspapers—dailies and weeklies, highbrow and lowbrow—presented the Ripper news, in the process revealing much about the social, political, and sexual anxieties of late Victorian Britain and the role of journalists in reinforcing social norms. L. Perry Curtis surveys the mass newspaper culture of the era, delving into the nature of sensationalism and the conventions of

domestic murder news. Analyzing the fourteen newspapers—two of which emanated from the East End, where the murders took place—he shows how journalists played on the fears of readers about law and order by dwelling on lethal violence rather than sex, offering gruesome details about knife injuries but often withholding some of the more intimate details of the pelvic mutilations. He also considers how the Ripper news affected public perceptions of social conditions in Whitechapel. “The apparently motiveless violence of the Whitechapel killings denied journalists a structure, and it is the resulting creativity in news reporting that L Perry Curtis Jr describes. His impressive book makes a genuine contribution to 19th-century history in a way that books addressing the banal question of the identity of the Ripper do not.”—The Guardian

The Five Dec 20 2019 Miscast in the media for nearly 130 years, the victims of Jack the Ripper finally get their full stories told in this eye-opening and chilling reminder that life for middle-class women in Victorian London could be full of social pitfalls and peril.

Jack the Ripper Jul 07 2021 Horrific, horrendous, unspeakable, The Whitechapel Murderer, Jack the Ripper, stalked the streets of East London in 1888, slaughtering prostitutes and bewildering the police who were hunting him. They never succeeded in apprehending him, and to this day the mystery of his identity remains an enigma. But he did leave clues to his identity, and numerous theories have been entertained throughout the one hundred and twenty years since he held London's East End in his grip of terror. This book looks at the evidence left by the murderer and the reports and investigative papers which recorded the atrocities that the Ripper performed. It takes time to analyse the existing information and evaluate the letters sent to the police. It is the strongest and most powerful book ever written on the murders. It dispels a lot of myths attached to the Ripper, and eliminates a lot of the previously conjectured perpetrators, leaving only those who realistically could have been...Jack the Ripper.

Jack the Ripper Jun 06 2021 Andrew Cook goes in search of the real story of Jack the Ripper - and this story isn't set in the brothels of the East End but in the boardrooms of Fleet Street. This is a tale of hysteria whipped up by competing tabloid editors and publishers.

Jack The Ripper and the East End Jul 19 2022 In 1888, Whitechapel - at the heart of the inner East End - was the most (in)famous place in the country, widely imagined as a site of the blackest and deepest horror. Its streets and alleys were seen as violent and dangerous, overflowing with poverty and depravity. This book aims to uncover the reality of East End life. Sections look at slum housing, immigration, attitudes to women, poverty, violence and crime. The book examines how the brutal killings were reported and how the police tried to identify the murderer. A final section shows how Jack the Ripper has shaped our vision of London, and influenced our popular culture. Jack the Ripper and the East End

coincides with an exhibition organised by the Museum of London at their Museum in Docklands. Key surviving documents from the National Archives and the London Metropolitan Archives will be on display - in addition to material from the collections of the Museum of London such as photographs of the Whitechapel Mission. The illustrations for the book will include rare and unpublished photographs, sections of the 'master' Booth Map of Poverty, detectives' reports and original letters. The introduction will be written by Peter Ackroyd, who is the acknowledged expert on London, its darker aspects and how its history has seeped into its very stones. Leading historians and curators will provide additional insights. This is a book which will be valued for years to come for its enduring and important portrait of the Victorian East End.

The Stalking Jack the Ripper Collection Sep 09 2021 Devour the complete #1 New York Times bestselling Stalking Jack the Ripper series: Stalking Jack the Ripper, Hunting Prince Dracula, Escaping from Houdini, Capturing the Devil, and a free novella are included in this thrilling new collection! Between social teas and silk dress fittings, Audrey Rose Wadsworth leads a secret life studying corpses in the gruesome practice of forensic medicine. A string of ghastly corpses drags Audrey into the investigation of a serial murderer as she searches for the identity of Jack the Ripper. This is only the beginning of Audrey's life-shattering journey. Soon, she's drawn deeper into the captivatingly gruesome world of bizarre murders. As Audrey finds herself in the castle of Dracula himself, and then face-to-face with the one and only Houdini, she discovers that love and death go hand in hand, and there's something irresistible about the charming Thomas Cresswell who accompanies her. Shocking, blood-soaked discoveries will take Audrey and Thomas across the seas from London to America, where they find themselves dangerously lost in the infamous Murder Hotel. Will Audrey Rose and Thomas see their last mystery to the end-together and in love-or will their fortunes finally run out when their most depraved adversary makes one final, devastating kill?

The Dracula Secrets May 17 2022 Since the first publication of Dracula in 1897, there have been suggestions that the book's protagonist is more closely associated with Jack the Ripper than a Transylvanian count. In *The Dracula Secrets*, historian Neil R. Storey undertakes an in-depth investigation of the sources used by Stoker during the writing of his seminal masterpiece. Painting an evocative portrait of Stoker, his influences, his friends and the London he frequented in the late nineteenth century, Storey explores how Stoker created Dracula out of the climate of fear that was created by the Whitechapel murders in 1888. Indeed he asks, did Stoker know Jack the Ripper personally and hide the clues to this terrible knowledge in his book? Having gained unprecedented access to the unique archive of one of Stoker's most respected friends and the dedicatee of Dracula, Storey sheds new light on both Stoker and Dracula, and reveals startling new links between Stoker's creation and the most infamous serial killer of all time.

Jack the Ripper and Black Magic Oct 22 2022 Jack the Ripper is a gothic tale of Victorian conspiracies, the supernatural, secret societies and the police. Scotland Yard hunted a serial killer shrouded in politics as the mutilator of East End prostitutes infused pop culture with demonic horror. This book uses historic sources and rare official reports to reveal dark and supernatural aspects of the Ripper case.

Ripper Confidential Jul 27 2020 Non-fiction work on the Jack the Ripper murders of 1888.

The Ultimate Jack the Ripper Sourcebook Oct 30 2020 Two experienced Ripperologists have applied their joint knowledge and expertise to the painstaking collation of all the known official records to produce the ultimate Ripper book - a narrative account of the murders encompassing all the known evidence. The most complete work on the Ripper case ever, contains: the entire contents of the Scotland Yard files covering the full series of murders; extensive press reports; witness statements and extracts from police notebooks; documents missing from the official files and many rare photographs. The Ultimate Jack the Ripper Sourcebook is not only an invaluable reference, but is also a compelling account of the Victorian serial murderer whose identity remains one of criminology's greatest mysteries.

Ripper Nov 11 2021 From the NEW YORK TIMES Bestselling author, a gripping murder mystery about a serial killer on the loose in San Francisco. Indiana Jackson is 33 years old and works in an alternative medicine clinic in San Francisco that attracts all sorts of characters, some of them skeptics, who fall for her candor and humility. Her teenage daughter, Amanda likes noir literature and hopes to attend MIT, where she will be with Bradley, an old friend that she plans to marry, with or without his consent. In her free time, she plays Ripper, an online role playing game that involves solving real-life mysteries and crimes using information collected by Amanda's father, the Chief Inspector of the San Francisco police. Amanda plays the game via Skype with adolescents from all over the world and with her best friend, her grandfather Blake. Each player in the game has a virtual personality: Amanda is the game master, and Blake is her henchman; the others are Sherlock Holmes, Colonel Paddington, Esmeralda, and the psychic Abatha. When Ripper's latest murder mystery-"the case of the misplaced bat"-begins to touch their real-world lives, Amanda and her friends know they must solve the case and find the murderer before he can strike again. RIPPER is a true thriller, with the twists, surprises, well-placed clues, and revelations that lead to a climatic finale. A rich and generous novel, filled with humor but increasingly dark, it's a fast-paced read that grabs you right from the start and keeps you glued to the page.

The Complete and Essential Jack the Ripper Sep 21 2022 Discover the truth behind the myth in *The Complete Jack the Ripper* by Paul Begg and John Bennett. Whitechapel, 1888: a spate of brutal murders becomes the most notorious criminal

episode in London's history. The killer, chillingly nicknamed 'The Whitechapel Murderer', 'Leather Apron' and, most famously, 'Jack the Ripper', is never brought to justice for the slaughter and mutilation of at least five women in the slums of East London. But the mystery is deepened by a letter sent "From Hell" to Scotland Yard, accompanied by half of a preserved human kidney... In this comprehensive account of London's most infamous killer, the foremost authorities on the case explore the facts behind the most grisly episode of the Victorian era. Setting the scene in the impoverished East End, the authors' meticulous research offers detailed accounts of the lives of the victims and an examination of the police investigation. The Complete Jack the Ripper is the definitive book by Paul Begg and John Bennett, exploring both the myth and reality behind the allusive killer. Paul Begg and John Bennett are researchers and authors, widely recognized as authorities on Jack the Ripper. Paul Begg's books include Jack the Ripper: The Facts, Jack the Ripper: The Definitive History, and he is a co-author of The Jack the Ripper A to Z. John Bennett has written numerous articles and lectured frequently on Jack the Ripper and the East End of London. He has acted as adviser to and participated in documentaries made by television channels worldwide and was the co-writer for the successful Channel 5 programme Jack the Ripper: The Definitive Story. He is author of E1: A Journey Through Whitechapel and Spitalfields and co-author of Jack the Ripper: CSI Whitechapel.

Jack the Ripper and the Whitechapel Murders Jan 21 2020 *Includes pictures

*Includes contemporary accounts and testimony about the Whitechapel murders

*Includes online resources and a bibliography for further reading *Includes a table

of contents "I keep on hearing the police have caught me but they wont fix me just yet. I have laughed when they look so clever and talk about being on the right

track...How can they catch me now. I love my work and want to start again. You

will soon hear of me with my funny little games." - Excerpt from one of the letters

believed to have been written by Jack the Ripper When one hears the term

"Victorian," many images come to mind. For some, the term conjures up visions of

lace and gloves and delicate fans. Others think of tight corsets and even tighter

morals. Others, swayed perhaps by one too many British costume dramas, envision

gentle elegance and long lost beauty. Naturally, few people think of multiple dead

bodies cast about in the streets or dark bedrooms, most mutilated to a shocking

degree, and yet, those tragic images played a significant role not only in late

Victorian London but ever since. In 1888 and 1889, a killer stalked the dark

backstreets of the city through the notoriously overcrowded and crime-ridden

Whitechapel district, murdering young women and then cutting their bodies up like

a butcher. As is so often the case with a serial killer, the first murder was largely

ignored. She was a "fallen woman," a prostitute barely worthy of police notice. But

then there was another victim, killed and butchered while plying her illicit trade.

The police took notice and, by the time the third body was found, also mutilated

and filleted like a fish, the public took notice too. An outcry began to swell from the good people of the city who, though willing to overlook a prostitute dying in the streets of alcohol poisoning or a venereal disease, were disconcerted by idea of a mass murderer. Then came two victims found in one day, and a feeling that, if the killer remained on the loose, there was nothing to stop him from seeking victims anywhere, even in the nice suburban neighborhoods of the rising middle-class. As more victims turned up, terror spread throughout the city, and it even became news across the globe, but then the murders seem to have ended just as quickly as they began. There have been a countless number of serial killers throughout history, and certainly more prolific ones, but the timing, circumstances, and unsolved nature of the case continue to make Jack the Ripper the most famous serial killer in history. The intense media coverage trained the spotlight on local police, who interviewed thousands and considered hundreds of suspects, and it likely played a role in both the actual murderer and would-be copycats and pranksters sending hundreds of letters to police claiming to be Jack the Ripper. It's also indisputable that the use of a precise modus operandi, the serial killer being given a nickname, and the taunting letters sent to police all influenced subsequent serial killers and the way they were covered. Whether it's the Zodiac Killer, the Son of Sam, or the Boston Strangler, the antecedent of all 20th century and 21st century killers remains Jack the Ripper. The Jack the Ripper case continues to fascinate historians and amateur sleuths so much that people have dubbed themselves Ripperologists, and since nobody knows for sure who the killer was, every aspect of the crimes is up for discussion, down to who the actual victims of the Ripper were and whether there was actually more than one Ripper. In addition to considering so many suspects, the police were only certain that 5 of the victims (the "canonical five") were killed by Jack the Ripper, but there were at least 11 documented murders over the course of several years, and today those are called the Whitechapel murders. This book chronicles the crimes of the infamous serial killer and the speculation surrounding which of the crimes he committed.

Jack the Ripper Jun 18 2022 The definitive work on Jack the Ripper and the various theories from the time of the murders to the present day

Stalking Jack the Ripper Aug 08 2021 This #1 New York Times bestseller and deliciously creepy horror novel has a storyline inspired by the Ripper murders and an unexpected, blood-chilling conclusion. Seventeen-year-old Audrey Rose Wadsworth was born a lord's daughter, with a life of wealth and privilege stretched out before her. But between the social teas and silk dress fittings, she leads a forbidden secret life. Against her stern father's wishes and society's expectations, Audrey often slips away to her uncle's laboratory to study the gruesome practice of forensic medicine. When her work on a string of savagely killed corpses drags Audrey into the investigation of a serial murderer, her search for answers brings her close to her own sheltered world. The story's shocking twists and turns,

augmented with real, sinister period photos, will make this dazzling, #1 New York Times bestselling debut from author Kerri Maniscalco impossible to forget.

the antecedent of all 20th century and 21st century killers remains Jack the Ripper. The Jack the Ripper case continues to fascinate historians and amateur sleuths so much that people have dubbed themselves Ripperologists, and since nobody knows for sure who the killer was, every aspect of the crimes is up for discussion, down to who the actual victims of the Ripper were and whether there was actually more than one Ripper. In addition to considering so many suspects, the police were only certain that 5 of the victims (the "canonical five") were killed by Jack the Ripper, but there were at least 11 documented murders over the course of several years, and today those are called the Whitechapel murders. This book chronicles the crimes of the infamous serial killer and the speculation surrounding which of the crimes he committed.

THE RIPPER...AND ME Aug 28 2020 The enigma that is Jack the Ripper has fascinated the world since 1888. His identity has remained a mystery..until now. The author Julie Bennett, has researched historical archives of the Whitechapel Murder cases and has unearthed some little known facts, unpublished until now. Her great grandmother and great great grandmother kept a journal of the murders; Julie is astounded by it's revelations. This Quick Read book is a real page turner, right up to the incredible conclusion.

The Ripper Code Apr 04 2021 Was Jack the Ripper an artist called Frank Miles? Toughill suggests that this former 'friend' of Oscar Wilde was indeed the killer, and that Wilde dropped hints about this in several of his works, most notably The Picture of Dorian Gray, which Wilde wrote in 1889, the year after the Ripper murders took place. In fascinating detail, the author argues that Wilde's story, that of a privileged man whose life of vice in the East End of London turns him into a murderer, is in fact a coded message about the Ripper's identity. However, The Ripper Code is not just a fascinating voyage through the writings of Oscar Wilde and others. It is also a striking example of original detective work. Here, as in his previous books, Toughill unveils stunning evidence from a hitherto untapped source and uses it to devastating effect in arguing his case. The result is a book which is as original as it is enthralling.

Jack the Ripper Dec 12 2021 A detailed and meticulously researched encyclopedia on all aspects of Jack the Ripper, one of the world's most famous, and mysterious, serial killers. * 450+ entries arranged around themes such as suspects, victims, police, myths, and errors * Verbatim accounts of eight important letters written at the times of the murders that may be genuine, or that other writers have claimed to be genuine * A timeline of the era of Jack the Ripper, beginning with a poisoning in 1887 and ending with the writing of the Littlechild letter in 1913 * 12 maps detailing the location of each murder * Numerous photographs including explicit postmortem photos of many of the victims attributed to Jack the Ripper

Complete Jack The Ripper Feb 26 2023 Fully updated and revised, Donald Rumbelow's classic work is the ultimate examination of the facts, theories, fictions

and fascinations surrounding the greatest whodunit in history. *The Complete Jack the Ripper* lays out all the evidence in the most comprehensive summary ever written about the Ripper. Rumbelow, a former London Metropolitan policeman, and an authority on crime, has subjected every theory – including those that have emerged in recent years – to the same deep scrutiny. He also examines the mythology surrounding the case and provides some fascinating insights into the portrayal of the Ripper on stage and screen and on the printed page. More seriously, he also examines the horrifying parallel crimes of the Düsseldorf Ripper and the Yorkshire Ripper in an attempt to throw further light on the atrocities of Victorian London.

The Complete History of Jack the Ripper Sep 28 2020 Sugden offers the definitive account of history's most infamous murders and the legendary serial killer known only as "Jack the Ripper." of photos. Index.

Jack the Ripper Mar 27 2023 The identity of Jack the Ripper has consumed public curiosity since he first tormented the East End of London in 1888. Numerous theories have been offered as to his identity, but he remains in the shadows where, it seems, only imaginative literature has been able to elucidate his meaning to the modern world. This work surveys the literary, film, television, and radio treatments of Jack the Ripper and his crimes. The works of fiction are thoroughly analyzed, as are the major nonfiction works that have offered various theories about the Ripper's identity. Works whose narratives are obviously inspired by Jack the Ripper and his crimes are also discussed.

The Ripper Nov 30 2020 John Pepo, an Irishman who emigrated with his family into England, lived an ordinary life with ordinary dreams; but then, everything changed. Shortly before the tragic death of his family, John began having other dreams. He dreamed of a young man covered in lightning, a girl with tattoos, and of a man marked with VI from another world. However, what John dreamed about most of all was of fire, and of laughter. After being summoned to London, John finds himself in Whitechapel. There, in the impoverished district known for its whores and beggars, he's met by a strange being in a dark alley who declares himself to be Jack the Ripper. Jack tells him he's been watching him; that he's been waiting for this day, a day foretold by the gods so that together they can fix a great aberration blighting the city. Thus begins the riveting quest of the infamous Jack the Ripper and his most beloved friend John. As the devilish Jack haunts the streets like a spectre while mutilating his victims, the tales of those they damned and those they saved come to light. This is a story of loss, demons, witches, and the torment of one man by the puppeteering hands of a very stingy individual named Old Nick.

The American Murders of Jack the Ripper Jun 25 2020 For the first time, the American murders of Jack the Ripper are revealed in the 1891 and 1892 crimes of Severin Klosowski (a.k.a. George Chapman, the Borough Poisoner), a prime suspect in the Ripper case. After his narrow escape from Scotland Yard, the killer

would travel to the New York City area where four high-profile murders took place soon after his arrival. With Victorian era New York as his backdrop, Gordon recounts the gruesome scenes. He also details Klosowski's subsequent return to England where he would eventually be convicted and executed for another murder spree--with poison as his weapon of choice. Readers will learn about these unknown Ripper victims: Carrie Brown, an aging prostitute who was brutally slashed and mutilated; Hannah Robinson, a servant girl who was strangled to death; 73-year-old Elizabeth Senior, who struggled bravely against an intruder who stabbed her multiple times in her New Jersey home; and Herta Mary Anderson, a teenaged New Jersey hotel maid, found dead from a bullet wound and cut throat. How could the Ripper evade capture so easily? Why did the American connection remain hidden for so long?

Who Was Jack the Ripper? Feb 20 2020 Jack the Ripper is the ultimate cold case. The Whitechapel Murders of 1888 have remained unsolved for over 130 years and hundreds of theories have been suggested as to the killer's identity. Despite numerous books claiming to unmask the infamous Victorian villain, none have come close until now. The authors of this book are all members of H Division Crime Club, the world's largest body of experts on the Jack the Ripper murders. They have all come together for the first time in history to deliver their own personal research into each suspect and to finally nail down the identity of the man know as Jack the Ripper. Taking the original police reports, eye witness accounts and research by the world's leading authorities into account, we ask two crucial questions: Who did the police suspect at the time? Who was in the area to commit the murders? Using 21st century profiling techniques, it is time to reveal the truth behind the men most likely to have been Jack the Ripper. With each chapter discussing a separate suspect in detail, this book is the ultimate guide to solving the world's greatest murder mystery.

Jack the Ripper and the Whitechapel Murders May 05 2021 Facsmile documents and an 8-page illustrated introduction

Cutting Point: Solving the Jack the Ripper and the Thames Torso Murders Mar 15 2022 In Victorian London, long before the term serial killer was coined, two series of murders played out that have captured the imagination of the whole world. The Jack the Ripper murders and the Thames Torso murders, so similar to each other, took place during the same period in London and have never been solved. In this book, journalist and researcher Christer Holmgren explains why the murders were never cleared up and names the East End carman Charles Lechmere as the culprit behind both series of murders. He was a man who claimed he found Jack the Ripper's first victim, but avoided to give his true name to the police. In the 2014 TV documentary *The Missing Evidence -- Jack the Ripper*, the case for Charles Lechmere as the Ripper was outlined. In it, a prominent barrister stated that the case would have been good enough to take to court. This makes Lechmere stand

out amongst the many suspects named over the years: his is a case where it can be practically demonstrated how he is linked to the murders. More recent research suggests that Charles Lechmere also needs to be held responsible for the Thames Torso murder series, spanning the years 1873-1889. Guided by the help of experts, Holmgren links the cases together, establishes the underlying inspiration behind them, and beckons the originator of the murders out into the light, a century after his death.

Jack the Ripper--Case Solved, 1891 May 25 2020 Is there anything new to be read about Jack the Ripper, whose identity has been sought by countless "Ripperologists" for more than 120 years? This book answers an emphatic "Yes!" Drawing on recently discovered sources, the author argues that the Ripper's identity was no mystery to the police in 1891. Police chief Sir Melville Macnaghten claimed to know the truth from "private information," but his source has remained unknown for more than a century. Here, the identity of Sir Melville's informer is revealed, explaining why the Ripper was disguised as an insane surgeon for public consumption. A number of photos are included, some never before seen.

Jack the Ripper Jan 25 2023 The ultimate compendium of the legacy and legend of history's most notorious murderer.

The Diary of Jack the Ripper Mar 03 2021 This text is a bloodcurdling confession of an horrific killer that unfolds a terrible Victorian tale of jealousy, depravity and love.

Interpreting the Ripper Letters Feb 14 2022 In the autumn of 1888, a series of grisly murders took place in Whitechapel in London's East End, the Abyss, the Ghetto, the City of Eternal Night. The Whitechapel murderer, arguably the first of his kind, was never caught but the killings gave rise to the best known pen-name in criminal history – Jack the Ripper. The Whitechapel killer was terrifyingly real but Jack was the creation of Fleet Street, the gallows humor of a newspaper hack whose sole aim in life was to sell newspapers. And where the 'Dear Boss' letter, with its 'trade name' signature led, thousands followed. This book is not about the world's first serial killer but about the sick, the perverted, the twisted souls who put pen to paper purporting to be the killer or suggested ever more lurid ways in which he could be caught. Innocent men were put in the frame by Victorian troublemakers who would be perfectly at home with today's internet trolls, pointing cruel fingers in almost perfect anonymity. The book takes the lid off Victorian mindsets, exposing a dark and unnatural place as topsy-turvy as that inhabited by the killer himself.

Jack the Ripper Jan 01 2021 Looks at one of history's most infamous serial killers known for committing gruesome murders in the late nineteenth-century who remains one of the world's most infamous criminals
