It is not on the costs. Its roughly what you habit currently. This **Converting To Judaism How To Become A Jew An Introduction To Judaism And Being Jewish**, as one of the most practicing sellers here will very be along with the best options to review.

Jacob Neusner, the preeminent Judaic scholar who is himself a Jew and a Zionist, here explores the issue he believes to be at the very heart of American Judaism: how two events remote from the experience of most American Jews have become the twin pillars upon which their world view is built. These two events, the murder of six million Jews between 1933 and 1945 and the subsequent creation of the State of Israel, form what Neusner calls the myth of the Holocaust and redemption. 'Stranger at Home' scrutinizes the paradox of a central myth generated out of events never witnessed and a place never inhabited by the majority of American Jewry. Written over a period of nearly twenty years, these systematically related essays begin with an analysis of the social and psychological problems confronting American Jews. The second and third set of studies concern the implications of the two elements that constitute the mythic vision that begins in death, the Holocaust, and is completed by rebirth, Israel. Finally the author offers his view of the actual and desirable role of Zionism for the Jewish community outside of Israel. Neusner's penetrating exposition sheds light on the search of an American minority culture for identity in the context of freedom and free choice and on the process of adaptation of an archaic religious tradition to modernity. Your plain-English guide to Judaism Whether you're interested in the religion or the spirituality, the culture or the ethnic traditions, **Judaism For Dummies** explores the full spectrum of Judaism, dipping into the mystical, meditative, and spiritual depth of the faith and the practice. In this warm and welcoming book, you'll find coverage of: Orthodox Jews and breakaway denominations; Judaism as a daily practice; the food and fabric of Judaism; Jewish wedding ceremonies; celebrations and holy days; 4,000 years of pain, sadness, triumph, and joy; great Jewish thinkers and historical celebrities; and much more. Updates to the "recent history" section with discussions of what has happened in the first decade of the twenty-first century including: the expansion of orthodox political power in Israel; expansion of interfaith work; unfortunate recent anti-Semitic events; and other news Expanded coverage of Jewish mysticism and meditation, which has become increasingly popular in recent years New coverage on Jewish views of morality, including birth control, homosexuality, and environmental concerns Revised recipes for traditional Jewish cooking, updated key vocabulary, and Yiddish phrases everyone should know Jews have long spread out to the corners of the world, so there are significant Jewish communities on many continents. **Judaism For Dummies** offers a glimpse into the rituals, ideas, and terms that are woven into the history and everyday lives of Jewish people as near as our own neighborhoods and as far-reaching as across the world. **A GODDESS FOR WOMEN'S PRAYERS** Goddesses in ancient religions were particularly significant for women's physical, social and spiritual well-being. Yet, the Divine Woman was discarded by the monotheistic religions. Arguing her importance for women, the author proposes returning the Divine Woman to Judaism. Textual, archeological and historical analysis reveal how the Canaanite Great Goddess Asherah played a major role as Jahweh's consort in the religion of biblical Judah and Israel. The author shows how this goddess has not entirely disappeared from modern Judaism - her analysis of the expulsion from the Garden of Eden and the story of Tamar and Judah reveals many traces of Asherah's worship and myths still in the Bible. The development of the menorah and the kabbalistic Tree of Life from Asherah's religious symbolism further illustrate the goddess' profound effect on Judaism. These findings are of great relevance for present-day feminist Judaism. Reintroducing the Divine Woman to Judaism may stimulate new ways of approaching biblical texts, religious practice and yearly festivals - ways that preserve their connection with Jewish tradition but also empower women. An ancient religion practiced through most of recorded history and having profound influence on both Christianity and Islam, Judaism is also a modern religion that still transforms the lives of many people. Neusner surveys how Judaism took shape as people responded to political and religious crises and describes how Judaism is practiced in American today. I am almost Jewish. Well, I am Jewish. I am Jewish now I mean. I wasn't Jewish last Monday, but today I am Jewish . When I began writing this book I was not Jewish yet; but wasn't quite not Jewish either. I was almost Jewish. I spent a decade - yes, an actual decade - living as a Jew, identifying as a Jew and taking my sweet time along the road to Jewish conversion. This is what this book is about actually. I did not begin in a typical fashion and I certainly did not take the road mostly traveled either. I'm not really sure if I should be the one giving advice on this, but here I am. This book is so that ten years from now you are not in the

same boat I have been in for the entirety of my adult life . I want for you to be Jewish and not just feel Jewish. (Note the Jewish sentence structure, write this down) I want for you to know with confidence that you have chosen a life that has meaning for you and not just an interesting identity that goes along with some vague concept that you really like bagels. I want you to know what you are doing before you put on the kippah and go too far down the social line of calling yourself Jewish. You can't be kind of pregnant and you can't be kind of Jewish. It's very black and white kids; don't let Rabbi So-and-so tell you otherwise on the internet. There is a process and some expectations. Those expectations vary from rabbi to rabbi but they follow a similar path and timeline. There are many books focused on that topic alone and while I kind of find myself explaining how the process works, I really just want to give you an idea. The best way to do that is to really just show you what I have experienced. If you decide to convert after reading this then you've earned it. No. Seriously. Like I said, there are many books on converting to Judaism but this one will tell you the truth about what goes on behind the scenes. I have lived in the limbo of "Ger" (it's what you are when you are converting) for a decade now and I can tell you many things to avoid and how to take a much easier path than I chose. Hopefully I will make you laugh a bit too. I am a very funny guy. Ask anyone. My style is story telling from my own experience with bits and pieces tossed out to you as they feel appropriate. Just so we are clear, I am not now nor do I ever plan to be a building-bridges Chanukah-Bush hippie Jew. I technically classify myself as Conservative only because I cannot be Orthodox and I am not really Reform. I have strong opinions and I'm not afraid to use them. (Requirement #472 of being Jewish) But I am open to the reality that we all find our path in unique ways. You should not feel that my perspective on a topic is the best one. I think it is the best one, but you don't have to. You really don't need anything other than a curious interest to feel as though this book speaks to you. Look, taking on this process is not easy. It is not fancy or nice or pretty. Jews are a very unique and diverse group of people and you really do not have any idea what you are doing. In fact, you should probably skim through about half of this book and maybe choose something more suitable like Wicca instead. Just a suggestion "As a rabbi and a convert, I appreciate this book deeply for its sensitivity to the complex feelings of those who are exploring paths to becoming Jewish, and for the deep love of Judaism it conveys. I will give it to every interfaith couple, and recommend that they give it to their parents. It is wonderful!" --Rachel Cowan, co-author of *Mixed Blessings* In the same knowledgeable, reassuring, and respectful style that has made her one of the most admired writers of guides to Jewish practices and rituals, Anita Diamant provides advice and information that can transform the act of conversion into an extraordinary journey of self-discovery and spiritual growth. Married to a convert herself, Diamant anticipates all the questions, doubts, and concerns, provides a comprehensive explanation of the rules and rituals of conversion, and offers practical guidance toward creating a Jewish identity. Here you will learn how to choose a rabbi, a synagogue, a denomination, a Hebrew name; how to handle the difficulty of putting aside Christmas; what happens at the mikvah (the ritual bath) or at a hatafat dam brit (circumcision ritual for those already circumcised); how to find your footing in a new spiritual family that is not always well prepared to receive you; and how not to lose your bonds to your family of origin. Sensitive, sympathetic, and insightful, *Choosing a Jewish Life* provides everything necessary to make conversion a joyful and spiritually meaningful experience. In *The Rabbinic Conversion of Judaism*, Moshe Lavee offers an account of crucial internal developments in the rabbinic corpus, showing how the Babylonian Talmud challenged and extended the rabbinic model of conversion to Judaism. Do you have questions about Judaism? Do you wonder why Jews don't accept Jesus as Messiah? Why Jews are so attached to the State of Israel? Why has there been so much hatred of Jews over the centuries? What you should bring (or more importantly, what not to bring) to the Passover Seder to which you've been invited? How to relate to Jews who are close friends or even new family members of yours? If you do, then this is the book for you. Written in a friendly, informal style, *A Christian's Guide to Judaism* is an introduction to Jewish religion, history, culture, and holidays written especially for the curious non-Jew. Its goal is to not only answer the questions that you may have about Judaism but also to make you feel more at home when you are invited to Jewish celebrations such as weddings and bar or bat mitzvahs. Have a quick question about what's kosher or why traditional Jewish men keep their head covered? See the subject in the chapter called *Jewish Practice in Lots of Nutshells*. The fascination of Christians with Judaism has taken many forms over the years, from virulent anti-Semitism to intense interest regarding the religion of Jesus. This much-needed book provides Christians with a broad overview of the Jewish people and their religion, presents thorough explanations of Jewish laws and traditions, and explains in detail the many similarities--and key differences--between the Christian and Jewish faiths. + From the compiler: A number of times throughout the years, I have mentioned to Rabbi Steinsaltz that such wonderful gems are embedded within his lectures, interviews, and writings - and I find myself repeating these gems to people. "Perhaps not gems," he responded. "Maybe pebbles." So, for nearly 30 years, I have been collecting pebbles from Rabbi Steinsaltz. The pebbles in this book are all from unpublished sources. Each is notated with additional pebbles from published sources that relate to the unpublished ones. I have done this for two reasons: to offer a lot more pebbles to the reader, and to send the reader to Rabbi Steinsaltz's published works to see how the ideas are expanded - and to then discover even more pebbles, as well as lengthier pieces and more fully developed thoughts. This book asks: How might the earliest gospel have been heard by those first followers of Jesus who were religious Jews? Assuming that the earliest Jesus

traditions took their shape from forms familiar to Judaism, Sabin sets the composition of Mark in the context of the theological discourse of first-century Judaism. In that context, she notes, all theology was biblical. It took the form of an exchange between current events and Scripture: contemporary persons and happenings were understood through the lens of the Hebrew Bible, while at the same time, the biblical word was reopened--that is, reinterpreted--so as to reveal its relevance to the present faith-community. Applying this kind of compositional process to the Gospel of Mark, Sabin uncovers a fresh reading of the seed, fig tree, and vineyard parables; of the various Temple scenes; of the foolish disciples and the wise women; and of the controversial ending. She highlights the results of her findings by juxtaposing them with interpretations of the same passages given by various church fathers such as Origen, Irenaeus, and Bede, as well as by readings from the twentieth century. The results are provocative. Sabin sees Mark as an original theologian shaping his material out of two primary Jewish traditions: the Wisdom traditions, with their emphasis on God's presence in daily life, and Creation theology, which imagined the End Time not as a catastrophe but as a return to the Garden. She thus offers a new way of understanding Mark's use of Scripture, his eschatology, and his presentation of Jesus. In conclusion, she argues that retrieving Mark's voice in the context of Early Judaism brings with it insights much needed in our day: of God's presence in the ordinary; of God's image reflected in female as well as male; of watchfulness as the way of wisdom; of God's revelation as ongoing. This is the first book of a three-book series on the Messiah, the final end of days redemption, the ten tribes, and the war of Gog and Magog according to Judaism, which is based on authentic Torah sources. The book gives information on how to identify the real Messiah son of David and son of Josef based on his traits, such as where he was raised and his birth date, his talents, such as being a musician and man of war and administrator of Torah justice, appearance, skills, wisdom, his suffering and imprisonment, signs of the times preceding his coming, prophecies of the days of the Messiah, the anti-Christ's Armilus and Gog, the role of Elijah the prophet and the Sanhedrin, what we can do to hasten his coming before the final end time, the divinity of Torah, the Noahide Covenant, overview of what is the end of days final redemption and the war of Gog and Magog, barriers to the Messiah and their destruction, Messiah as a world leader who establishes peace based on Torah justice and builds the third Temple, the importance of love and kindness for all, and a realistic Torah-based peace plan for the Palestinians. The author offers a penetrating analysis of the American Jewish community, challenging American synagogues to respond to a generation of seekers and the satisfy the spiritual hunger of the "New American Jew." Describes the odyssey of the convert to the Jewish faith, introducing the laws and traditions of Judaism, its life cycle events and holidays, and its ideals and values Paul and Palestinian Judaism compares Judaism, understood on its own terms, with Paul, understood on his own terms. Sanders aims to: Consider methodologically how to compare two (or more) related but different religions destroy the view of Rabbinic Judaism which is still prevalent in much, perhaps most, New Testament scholarship establish a different view of Rabbinic Judaism argue a case concerning Palestinian Judaism as a whole argue for a certain understanding of Paul carry out a comparison of Paul and Palestinian Judaism This volume makes a contribution not only to the understanding of Paul and his relationship to Judaism, but also to the study of Judaism itself. This book attempts to understand an ancient people in terms of modern evolutionary biology. A basic idea is that Judaism is a group evolutionary strategy-what one might term an evolutionarily significant way for a group of people to get on in the world. The book documents several theoretically interesting aspects of group evolutionary strategies using Judaism as a case study. These topics include the theory of group evolutionary strategies, the genetic cohesion of Judaism, how Jews managed to erect and enforce barriers to gene flow between themselves and other peoples, resource competition between Jews and non-Jews, how Jews managed to have a high level of charity within their communities and at the same time prevented free-riding, how some groups of Jews came to have such high IQ's, and how Judaism developed in antiquity. This book was originally published in 1994 by Praeger Publishers. The Writers Club edition contains a new preface, Diaspora Peoples, describing several interesting group evolutionary strategies: The Gypsies, the Hutterites and Amish, the Calvinists and Puritans, and the Overseas Chinese. Gateway to Judaism is an insider's engaging look at the mindset, values, and practices of Judaism in the 21st century. As a senior lecturer and outreach expert with Gateways Seminars, Rabbi Mordechai Becher has helped thousands of people reconnect with the beauty, wisdom and relevance of their Jewish heritage. Often asked to recommend "just one book" that would explain the essentials of Jewish life and thought, he decided to write it himself! Delving beneath common perceptions of Jewish tradition, Rabbi Becher presents fresh and meaningful perspectives that will educate and inspire you. Among the many intriguing topics he addresses are: Is there spirituality in Judaism? In our age of labor-saving devices, do we still need a Sabbath? What is Judaism's view on death and the afterlife? Why is Judaism so full of laws? Why should I pray? Does God really want to hear my complaints? Can Judaism enhance my marriage? Isn't circumcision just an ancient rite of initiation? Is it still relevant? Why is Israel so central to Judaism? Does a religion need a land? Why does a mourner say Kaddish? Wasn't keeping kosher a health measure? Does it still have a purpose today? How can I add meaning to my Passover Seder? Gateway to Judaism reveals Judaism's power to elevate your life. Whether you are new to Jewish tradition, familiar with its practice, or simply curious, you will find this book an illuminating guide to a joyous and fulfilling lifestyle. -- from dust cover. "This ideal introduction to Judaism answers questions

such as "Who are Jews?" and "How did Judaism develop?" Solomon outlines the basics of practical Judaism, and addresses modern concerns and debates among the Jewish people, such as the impact of the Holocaust, the status of women, and Zionism."--P. [4] of cover. Traditionally, Christian churches have taught that the validity of Judaism came to an end with the emergence of Christianity. But in the last half-century, many Christians have repudiated this teaching and have affirmed the abiding validity of Judaism. Consequently, they have had to reevaluate Christian self-understanding in relation to Judaism. In Faith Transformed, Christian scholars who have been at the forefront of Christian-Jewish relations share how their encounters with Jews and Judaism have transformed their understanding and practice of Christianity. They reveal how their Christian faith has been profoundly enriched by drawing inspiration from the Jewish tradition. A comprehensive survey of Judaism, its history, beliefs, practices and customs, branches and sects, from its founding to the present day. Explores the full diversity of Black Jews, including bi-racial Jews of both matrilineal and patrilineal descent; adoptees; black converts to Judaism; and Black Hebrews and Israelites, who trace their Jewish roots to Africa and challenge the dominant western paradigm of Jews as white and of European descent. The book showcases the lives of Black Jews, demonstrating that racial ascription has been shaping Jewish selfhood for centuries. It reassesses the boundaries between race and ethnicity, offering insight into how ethnicity can be understood only in relation to racialization and the one-drop rule. Within this context, Black Jewish individuals strive to assert their dual identities and find acceptance within their communities. Putting to rest the notion that Jews are white and the Black Jews are therefore a contradiction, the volume argues that we cannot pigeonhole Black Hebrews and Israelites as exotic, militant, and nationalistic sects outside the boundaries of mainstream Jewish thought and community life. It spurs us to consider the significance of the growing population of self-identified Black Jews and its implications for the future of American Jewry. Norman Solomon's succinct book is an ideal introduction to Judaism as a religion and way of life. In addition to answering questions such as Who are Jews? and How did Judaism Develop?, this Very Short Introduction outlines the basics of practical Judaism-its festivals, prayers, customs, and various sects. Modern concerns and debates of the Jewish people are also addressed, such as the impact of the Holocaust, the establishment of the State of Israel, the status of women, and medical and commercial ethics. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable. Funny You Should Think About a Return to Judaism/A Journey From Comedy Stages to the Wisdom of Sages By Richard Morris This book is about priorities. A ship that is changing course will inevitably move forward to another destination. And that course might, indeed, lead that vessel to more inviting and fulfilling waters than at first imagined. Richard Morris is a stand-up comedian and writer who was one of the original writers, and a frequent guest, on NBC's Late Night with David Letterman. He has written a book about his transformation from total devotion to a show business lifestyle, to how he had the chance to realize a deeper, more personal awareness: the story of how he learned about his Judaism again. The spiritual and practical level he had the opportunity to go searching for turned out to be the funny, inspiring and very personal story of his travels, his encounters, and the great clarity that he found. Richard's story is told here. But everyone who is Jewish can apply it to his or her own journey; their own circumstances; their own dreams. Everybody has a story. With Richard's book, non-Jews can also certainly be inspired by this story of Jewish return, to look at their own respective religions in a new, practical, and yes, funny way. It's all about feeling connected to something substantial, of real value, and also about being able to laugh about something that's often looked at as something very serious. Look for this book to entertain, inspire and be revealing. And as it's been said in many Jewish delicatessens through the years: Enjoy! The Gerus Guide is the only book on the market that provides a step-by-step guide to Orthodox Jewish conversion. Drawing from over 25 years of experience counseling hundreds of candidates through the process, Rabbi Aryeh Moshen lays out a roadmap that's been proven successful time and again. Here, you'll find a comprehensive guide to keeping Kosher and observing the Sabbath, finding your community, Jewish prayer, and everything you need to live as an Orthodox Jew on a daily basis. The classic, essential guide to the beliefs, ideals and practices that form the historic Jewish faith. NEW Second Edition, Published September 14, 2016So, you want to convert to Judaism? That's great! You have to understand, though, that Judaism is not only a religion but is also a way of life. Jews consider themselves as one big family. Hence, to have a proper perspective about everything, you'll have to mentally orient yourself that you're trying to find a way in as a productive member of that Jewish family. You should also brace yourself for a long struggle ahead of you because converting to Judaism is not a walk in the park. This book will provide you with an excellent introduction to Judaism as well as what to expect during your conversion process, including lots of great tips and pointers that will help along the way. With this book, award-winning author Shimon Apisdorf turns his sights and insights to the Jewish homeland. For over three millennia, Israel has been a focal point for the Jews everywhere, and for the past century it has been on the center stage of world history. This book clearly explains why -- why Israel is so central to Judaism, how the modern State of Israel arose, and why Israel has fought so many wars with its neighbors and found peace to be so elusive. Book jacket. Recharging Judaism is the essential and timely guide for every synagogue and community seeking to strengthen the

bonds of Jewish communal life through advocating for social justice. This volume delves into the enriching civic engagement and acts of righteousness already undertaken by Jews and Jewish communities across the country, and further explores the positive differences we can all affect upon the future of America. There are a myriad of ways in which advocating for social justice and participating in civic engagement can create lasting change. Those inspired to affect such change will find new meaning in the texts and history of our tradition. Using real examples from both small and large congregations across the country, Recharging Judaism offers a framework to guide us through our journey of civic responsibility and social duty and into a brighter future for our country. So, you want to convert to Judaism? That's great! You have to understand, though, that Judaism is not only a religion but is also a way of life. Jews consider themselves as one big family. Hence, to have a proper perspective about everything, you'll have to mentally orient yourself that you're trying to find a way in as a productive member of that Jewish family. You should also brace yourself for a long struggle ahead of you because converting to Judaism is not a walk in the park. This book will provide you with an excellent introduction to Judaism as well as what to expect during your conversion process, including lots of great tips and pointers that will help along the way. "From the Sabbath to circumcision, from Hanukkah to the Holocaust, from bar mitzvah to bagel, how do Jewish religion, history, holidays, lifestyles, and culture make Jews different, and why is that difference so distinctive that we carry it from birth to the grave?" This accessible introduction to Judaism and Jewish life is especially for Christian readers interested in the deep connections and distinct differences between their faith and Judaism, but it is also for Jews looking for ways to understand their religion--and explain it to others. First released in 2002 and now in an updated edition, Recharging Judaism is the essential and timely guide for every synagogue and community seeking to strengthen the bonds of Jewish communal life through advocating for social justice. This volume delves into the enriching civic engagement and acts of righteousness already undertaken by Jews and Jewish communities across the country, and further explores the positive differences we can all affect upon the future of America. There are a myriad of ways in which advocating for social justice and participating in civic engagement can create lasting change. Those inspired to affect such change will find new meaning in the texts and history of our tradition. Using real examples from both small and large congregations across the country, Recharging Judaism offers a framework to guide us through our journey of civic responsibility and social duty and into a brighter future for our country. Off the Derech is the phrase used within the Orthodox Jewish community to describe those who have left Jewish observance. Using questionnaires, extensive interviews with psychologists and rabbis, and her Off The Derech website, the author reveals the multilayered reasons for the defection of so many observant Jews from Judaism. At the same time, she presents solutions to this growing problem, thereby creating an invaluable handbook for parents, teachers and rabbis. Each chapter of this well-researched book deals with a different element of the Off the Derech syndrome as it explains, in detail, how parents can reach children who have become alienated and disaffected from their culture and their people. Much more than a particular period in world history, modernity has fundamentally transformed how we think and live, and especially how we understand and relate to religious traditions. As the 'ghetto walls' have fallen, both empirically and metaphorically, Judaism is compelled to compete in an open marketplace of ideas. Jews can no longer count on an assumedly necessary Jewish identity or commitment, nor on the rallying force of anti-Semitism to ensure an individual and collective sense of belonging. Rather Jewish moral, spiritual and historical values and ideas must be read with new eyes and challenged to address modernity's proliferating array of questions and realities. The pertinent questions modern Jewry faces are how to embrace modernity as Jews and what such an embrace means for the meaning and future of Jewish life. This collection of essays, authored by scholars of the Shalom Hartman Institute, addresses three critical challenges posed to Judaism by modernity: the challenge of ideas, the challenge of diversity, and the challenge of statehood, and provides insights and ideas for the future direction of Judaism. Providing readers with new insights into Judaism and the Jewish people in contemporary times, the collection explores a wide range of issues that includes: the significance of Israel for the future of Judaism; the Jewish people as a people; the relationship between monotheism and violence; revelation and ethics; Judaism and the feminist challenge; and Judaism and homosexuality. A biochemist by profession, a polymath by inclination and erudition, Yeshayahu Leibowitz has been, since the early 1940s, one of the most incisive and controversial critics of Israeli culture and politics. His direct involvement, compelling polemics, and trenchant criticism have established his steadfast significance for contemporary Israeli- and Jewish- intellectual life. These hard-hitting essays, his first to be published in English, cover the ground Leibowitz has marked out over time with moral rigor and political insight. He considers the essence and character of historical Judaism, the problems of contemporary Judaism and Jewishness, the relationship of Judaism to Christianity, the questions of statehood, religion, and politics in Israel, and the role of women. Together these essays constitute a comprehensive critique of Israeli society and politics and a probing diagnosis of the malaise that afflicts contemporary Jewish culture. Leibowitz's understanding of Jewish philosophy is acute, and he brings it to bear on current issues. He argues that the Law, Halakhah, is essential to Judaism, and shows how, at present, separation of religion from state would serve the interest of halakhic observance and foster esteem for religion. Leibowitz calls the religious justification of national issues "idolatry" and finds this phenomenon at the root of many of the annexationist moves

made by the state of Israel. Long one of the most outspoken critics of Israeli occupation in the conquered territories, he gives eloquent voice to his ongoing concern over the debilitating moral effects of its policies and practices on Israel itself. This translation will bring to an English-speaking audience a much-needed, lucid perspective on the present and future state of Jewish culture. Winner of the National Jewish Book Award in American Jewish Studies—an engaging firsthand portrait of American Judaism today American Judaism has been buffeted by massive social upheavals in recent decades. Like other religions in the United States, it has witnessed a decline in the number of participants over the past forty years, and many who remain active struggle to reconcile their hallowed traditions with new perspectives—from feminism and the LGBTQ movement to "do-it-yourself religion" and personally defined spirituality. Taking a fresh look at American Judaism today, Jack Wertheimer, a leading authority on the subject, sets out to discover how Jews of various orientations practice their religion in this radically altered landscape. Which observances still resonate, and which ones have been given new meaning? What options are available for seekers or those dissatisfied with conventional forms of Judaism? And how are synagogues responding? Offering new and often-surprising answers to these questions, Wertheimer reveals an American Jewish landscape that combines rash disruption and creative reinvention, religious illiteracy and dynamic experimentation. First published in German in 1905 as *Das Wesen des Judentums*, Leo Baeck's *The Essence of Judaism* is perhaps the most widely read example of German Jewish scholarship in the 20th century. Written as a response to Adolf von Harnack's lectures *Das Wesen des Christentums* (*The Essence of Christianity*), the book seeks to both define the fundamental principles of Judaism, and contrast them with other religions. But by outlining Judaism's essence, Baeck also shows how the different denominations within Judaism are bound together by fundamental commonalities. Translated into English in 1936, it quickly became a classic in the English-speaking world, and has since been gifted at Bar Mitzvahs and featured on synagogue reading lists. In a world of religious plurality, the book remains highly relevant today. "The analysis in this masterly volume is set on a high level of historical knowledge, integrity of thinking and religious insight... A life dedicated to religious study and profound spiritual pondering has gone into *The Essence of Judaism*... [Its] study... is, therefore, valuable not only for attaining a clearer understanding of Judaism but also for achieving a clearer understanding of the background of the great world religions of Christianity and Islam... In the definition of what he regards as the essence of Judaism, [Baeck] often points out wherein it differs from Christianity, Buddhism and other systems of religious teaching." — David de Sola Pool, *The New York Times* "A mature product of German Jewish genius... This beautifully written book may best be described as the swan song of German Jewish scholarship." — Jacob Agus, *Jewish Social Studies* "In Leo Baeck the pith of the man and the writer is dignity, Jewish dignity. As a host in his home, as a guest in other homes, as a preacher in his synagogue, and as the leader of German Jewry within Himmler's concentration camps, he is and has remained the shining incarnation of those rarest gifts: dignity coupled not with sternness but with radiant warmth." — David Baumgardt, *Commentary Magazine* "This work will give back to many faith in their Judaism and will awaken a desire to immerse further in its study... It is not one of the least merits of this book that it awakens the desire for further instruction and immersion in Jewish scholarship and Jewish life... This work is based on a comprehensive mastery of the biblical and postbiblical literature, draws on other religions, and from belief in the value and mission of Judaism, creates a vivid warmth." — Heinemann, *Monatsschrift für Geschichte und Wissenschaft des Judentums* "This is an unusually important book... Baeck considered himself a 'liberal' Jew, but the synagogues in which he preached in Berlin were, by American standards, 'conservative'... yet after the War he taught at Hebrew Union College in Cincinnati, where 'reform' rabbis are trained. Baeck and the book under review bring home to us the utter inadequacy of such labels. It was of his essence to stand above factions." — Kauffmann, *Religious Education* "[The book] presents us [...] with what may briefly, and not altogether inaptly, be described as Prolegomena to Judaism. Within a very moderate compass we have an able characterization of Judaism, an interesting and warm exposition of its leading ideas and peculiarities... Dr. Baeck writes with enthusiasm... The book as a whole is stimulating." — Wolf, *The Jewish Quarterly Review* *Explores the teachings, values, attitudes, and cultural patterns that characterized Judeo-Spanish life over the generations and how the Sephardim maintained a strong sense of pride and dignity, even when they lived in difficult political, economic, and social conditions. Focuses on what you can learn from the Sephardic sages and from their folk wisdom that can help you live a stronger, deeper spiritual life. Between 1391 and the end of the 15th century, numerous Spanish Jews converted to Christianity, most of them under duress. Before and after 1492, when the Jews were officially expelled from Spain, a significant number of these conversos maintained clandestine ties to Judaism, despite their outward conformity to Catholicism. Through the lens of the Inquisition's own records, this groundbreaking study focuses on the crypto-Jewish women of Castile, demonstrating their central role in the perpetuation of crypto-Jewish society in the absence of traditional Jewish institutions led by men. Renee Levine Melammed shows how many "conversas" acted with great courage and commitment to perpetuate their religious heritage, seeing themselves as true daughters of Israel. Her fascinating book sheds new light on the roles of women in the transmission of Jewish traditions and cultures. This book examines religion in Israeli society: what it is and how it functions. Here is a clear picture of how Judaism provides a matrix of continuity for Israeli society notwithstanding a wide diversity of beliefs and practices. Jewish*

women of all ages and backgrounds come together in *Celebrating the Lives of Jewish Women* to explore and rejoice in what they have in common—their heritage. They reveal in striking personal stories how their Jewishness has shaped their identities and informed their experiences in innumerable, meaningful ways. Survivors, witnesses, defenders, innovators, and healers, these women question, celebrate, and transmit Jewish and feminist values in hopes that they might bridge the differences among Jewish women. They invite both Jewish and non-Jewish readers to share in their discussions and stories that convey and celebrate the multiplicity of Jewish backgrounds, attitudes, and issues. In *Celebrating the Lives of Jewish Women*, you will read about cultural, religious, and gender choices, conversion to Judaism, family patterns, Jewish immigrant experiences, the complexities of Jewish secular identities, antisemitism, sexism, and domestic violence in the Jewish community. As the pages unfold in this wonderful book of personal odysseys, the colorful patterns of Jewish women’s lives are laid before you. You will find much cause for rejoicing, as the authors weave together their compelling and unique stories about: midlife Bat mitzvah preparations the transmission of Jewish values by Sephardi and Ashkenazi grandmothers traditional Sephardi customs the sorrow and healing involved in coping with the Holocaust a lesbian’s fascination with Kafka the external and internal obstacles Jewish women encounter in their efforts to study Jewish topics and participate in Jewish ritual becoming a Reconstructionist rabbi the difficulties and benefits of being the teenage daughter of a rabbi A harmonious chorus of individual voices, *Celebrating the Lives of Jewish Women* will delight and inspire Jewish and non-Jewish readers alike. It reminds each of us how diverse and distinctive Jewish women’s lives are, as well as how united they can be under the wonderful fold of Judaism. This book will be of great interest to all women, as well as to rabbis, Jewish community leaders and professionals, mental health workers, and those in Jewish studies, women’s studies, and multicultural studies. The Jewish religion is one of the major faiths of the world yet one of the least understood. In a wide-ranging and accessible guide for the general reader Rabbi Naftali Brawer outlines the major themes and history of over 5,000 years of Jewish faith from its Abrahamic origins and the foundations of Jerusalem to the eras of exile, diaspora, and persecution. From ritual and practise to faith and politics, the theology and history of Judaism are bound together. Brawer argues that Judaism is poised between heaven and earth. On the one hand it calls on its adherents to transcend the material world through ritual and prayer: on the other hand Judaism positively celebrates joys of food, family and society. Through this seeming paradox, Brawer explores the nature and characteristics of faith - God and Man, Torah, Mitzvah, the Jewish People and the Land of Israel. He also shows how ritual and practise punctuate Jewish existence, from daily prayers to the rites of passage that chart a lifetime.
