Explores the monuments and museums and offers information on Washington's history, attractions, parks, and gardens as well as practical tips on accommodations, restaurants, nightlife, and shopping Visiting Colonial Williamsburg with family or friends? Are you looking for something extra to do while you're sightseeing? Locate It Games: Colonial Williamsburg is perfect as a companion for your visit. 'Locate It Games' are picture game books that showcase tourist sites. The games allow visitors to see places in a fun, new way. Broken into two main sections, the first part of the book offers a scavenger hunt where players must find 50 objects found in Colonial Williamsburg. The second section contains 100 cropped or extreme close ups of photos. Players need to really look around to spy these images and match the buildings and objects to the pictures in the book. 'Locate It Games' are flexible. They can be played for fun or competition, as individuals or teams, using one or more books. Play can be stopped and started and completed in one visit, or over multiple visits. The

games are easy to play and don't require any advanced knowledge of the area. They're great for first time tourists to Colonial Williamsburg, as well as frequent visitors. Individuals, couples, friends, families, teens, and children will all enjoy this game book. It makes exploring fun for all ages. All that's really needed is a keen eye. So look high, look low. Take your time. Explore everywhere. Observe everything. You'll want to locate it all! It sounds like the founder of MiraMed needs a detective and not a young psychic who specializes in finding missing persons. But is Greg Dixon really missing? Sandy suspects that her newest client isn't really looking for his business partner. He's looking for money! Questions at the end of each title test students' strategy skills, vocabulary, and comprehension. Websound's new software will make or break the struggling young company. Everyone is extra cautious. Security is crucial and Vinnie Torres, who works for the security manager, knows it. But who will guard the security team? Explores the monuments and museums and offers information on Washington's history, attractions, parks, and gardens as well as practical tips on accommodations, restaurants, nightlife, and shopping 'Mission Rome' takes your young travelers through the famous sights of Rome, engaging them in an exciting scavenger hunt as you explore city landmarks together. Explores the monuments and museums and offers information on Washington's history, attractions, parks, and gardens as well as practical tips on accommodations, restaurants, nightlife, and shopping It's hard to resist a scavenger hunt. Give kids a list of things to find, and they naturally want to turn it into a game and start checking things off. Add in an outdoor and nature twist, and the game is elevated to a whole new level—and what an amazing opportunity to engage kids and families with nature in a whole new way. The Ultimate Book of Scavenger Hunts will help turn every outdoor outing into a scavenger hunt, with plenty of things for your family to look for, discover, and learn about. Geared towards families with kids ages 4-10, the hunts are geared to just about any location—from city to farm to beach to mountains. The book includes a leveled difficulty rating system so you can find both easy and difficult items within each hunt (1 being easy, 2 medium, 3 hard). Each hunt comes complete with factoids and information about the items on the list, and each item is accompanied by a colorful spot illustration so that the hunter can easily identify what they are looking for. "Stealthy secrets & devious data that will test your lie detector!"--Cover. Celebrate Easter with this fun-filled activity book! "What can we do to make activity book more interesting? What should a book contain not only to entertain but also to teach? What should we do to make the atmosphere of Easter enter your home with our book?" We asked ourselves these questions and created this book for our children. It contains: \* Coloring - improves art skills \* Dot-to-dot - improves logical thinking \* I spy - improves reading \* Word scrambles - improves reading and writing \* Counting - improves math skills ...and much more! Your kid will have a guide to help get through the book - Bunny Boo is ready to go! We hope that your child will enjoy this book as much as our kids did, Maddy Press Meet Addie!-A very special kid, with many characteristics that make her particularly unique. No matter what, Addie is always ready for an adventure-especially when she gets to discover what makes others different too. Follow along with

Addie on her trip to the Zoo, where she meets amazing animal friends and learns about their many disabilities. In this ultra-inclusive series, author Stephanie Wolfe, with the help of her daughter, Addie, aims to help parents open the door to conversations with their children about disabilities and normalize the ability for kids to explore their curiosity and ask kind questions about people they don't understand. This book contains kid-tested cool top secret spy projects using biology, chemistry, and physics and will inspire young science buffs to experiment with their own ideas. Kids will learn how to Observe, Hypothesize, Test, and draw a Conclusion by using The Scientific Method. Included with the experiments are detailed step-by-step instructions with original photography, material lists, an explanation of the science behind the fun, real-world applications of the principles behind the project, tips and project variations, and suggestions of what to keep track of in a science journal. A glossary and index is also included. "Save the Earth Activity Book" is a fun and interactive way for kids to learn about protecting the environment. The book is filled with a variety of activities that encourage kids to think about the world around them and how they can make a difference. The book starts with an introduction to the importance of protecting the earth and the different ways we can do it. It then dives into different sections, each focused on a specific aspect of the environment such as recycling, reducing energy usage and preserving wildlife. Each section includes a variety of activities such as coloring pages, mazes, puzzles, and games that help kids learn about the topic in a fun and engaging way. The activities are designed to be age-appropriate and easy for kids to understand and complete on their own. In addition to the activities, the book also includes fun facts and information about the environment that will help kids learn more about the world around them. The book also includes tips and suggestions for things kids can do at home to help protect the earth. "I Can Save the Earth Activity Book" is a great way for kids to learn about the environment in a fun and interactive way. It helps them understand the importance of protecting the earth and gives them the tools they need to make a difference in the world. Blake Hudson just wants to serve his country well as a lawyer for the United States Justice Department—but when an unknown threat begins plotting his downfall, he must find who is setting him up before it costs him his life. Scavenger Hunt is a suspense novel chronicling the plight of Blake Hudson, a Justice Department lawyer assigned to a clandestine counterterrorist group created to bypass onerous legal requirements. After the group mysteriously disbands, Hudson becomes the scapegoat and is transformed from hunter to hunted. As he searches for answers and attempts to piece the puzzle together, people are following him, trying to kill him. Written for fans of fast-paced thrillers, dry humor, political gamesmanship, and Clue-like twists and turns, Scavenger Hunt carves out a distinct niche best described as a hybrid of the Robert Ludlum classics and works by Brad Meltzer. Blake Hudson's story addresses issues that have shaped recent elections and continue to frustrate interest groups and government leaders, while featuring the inner workings of the U.S. Department of Justice Building—arguably the most important and misunderstood agency in the federal government. Author Chad Boudreaux's unique voice and page-turning storytelling packs a plot-driven punch that readers won't be able to put down. Mission Amsterdam takes your young travelers through the famous sights of the Dutch capital, engaging them with an exciting scavenger hunt as you explore city landmarks together. Say "tot ziens" (goodbye) to a trip filled with the stress of keeping everyone entertained. Instead, say "hallo" (hello) to a memorable vacation, with your kids actively engaged in exploring the landmarks of Amsterdam with you. Imagine, not only will your kids want to sightsee, together you'll uncover the intriguing histories of sights like the Van Gogh Museum, Royal Palace, Rijksmuseum, and many more. Mission Amsterdam ensures a fun trip for everyone with a captivating, spy-theme scavenger hunt packed with fun activities and the fascinating stories behind the city's landmarks. Mission Amsterdam is a must-have book for kids visiting Amsterdam! Be sure to check out our other books for Paris, Rome, Barcelona, London, New York, and Washington, D.C. Here's what Amazon customers have to say about other books in the Scavenger Hunt Adventure™ series: "This book was flat out fantastic. We took a family trip with two adults and one seven year old. I was worried that he would be bored looking at the museums and sights. This book made a huge, huge difference." -Chinagr "This book helped make our trip...with 6th graders fun and fulfilling. We weren't sure how our kids would take to going to all the museums and landmarks...but this book had us visiting many sites more than once. They were so excited to find each item in the book." -CC in SF "Great for teenagers! I love these books! My kids are 12, 14 and 16 so I was afraid they might think they were "baby" books, but they are enjoying them." -Marilyn Thomas

"Are we there yet?" If you never ever want to hear your child ask that question again, then this is the book for you. America's #1 kids' fun expert, Penny Warner, gives you over 240 easy-to-learn games and activities that make traveling by car, plane, train, boat --or whatever --fun for the whole family. Requiring little preparation and few materials, these great travel games will not only keep kids of all ages involved and entertained, but also exercise their minds. You'll be surprised at how quickly time flies when you're playing: - ABC-XYZ - Bridge Words - Eye-Spy - Magazine Scavenger Hunt - Window Watcher - See the USA - And many more! Each game lists the materials and number of players needed, as well as the recommended age ranges appropriate for each one. Penny Warner also offers variations for almost every game so the fun never stops. Turn bored kids into busy kids with "Great Games for Kids on the Go! Websound's new software will make or break the struggling young company. Everyone is extra cautious. Security is crucial and Vinnie Torres, who works for the security manager, knows it. But who will guard the security team? Written specifically for struggling readers to explore genres, like mysteries and science fiction, these fast-paced books hold student interest until the last page. Questions at the end of each title promote cognitive development by making students think about vocabulary, comprehension, character, and plot. Includes detachable fold-out map attached to p. [3] of cover. Who doesn't love creative plays! But to be honest we parents never have a lot of free time. So in this book I have come up with the activities using materials that are easily available at home which makes it incredibly easy to set up the activity and is super fun and engaging for the kids too. Your children will definitely learn something along the way but what's more important is not how much they excel with the concepts, but about developing the curiosity in the little minds, as it is the best way to learn and have fun together. Our emphasis is strongly on family bonding and spending quality time together and explore the joy of learning. JOIN US ON SOCIAL MEDIA [www.ruhiruhaan.com](http://www.ruhiruhaan.com) Instagram- [ruhi\\_ruhaan](#) Facebook- [Ruhi Ruhaan](#) YouTube- [Wonder world of Ruhi Ruhaan](#) Introducing young readers to great art is as easy as A, B, see! Young children love a good game of "I Spy with My Little Eye." In this beautifully designed book they are playfully challenged to find details "hidden" in some of the world's greatest paintings. On each double-page spread, a large reproduction of a masterpiece such as Kandinsky's Heavenly Blue, Seurat's A Sunday Afternoon on the Island of La Grande Jatte, Rousseau's The Dream or Breugel's Children's Games is paired with a list of items to search for: a dog, an umbrella, or a ball, for instance. A brief age-appropriate text makes connections between the art and the child's own environment. The pictures expose children to an endless array of artistic styles, periods, and cultures. Although the appendix contains solutions to the challenges, every child knows that the fun is in the hunt. Filled with hours of joyful discovery, this art book sets the stage for greater artistic appreciation as children grow older. Audisee® eBooks with Audio combine professional narration and sentence highlighting for an engaging read aloud experience! Cody, Queen, Luke, and M.E. are the Code Busters—clever clue hunters with a passion for puzzles. They can't wait for their school trip to Washington, D.C., where they'll get to visit the International Spy Museum. But it seems as if someone is spying on them—or at least leaving coded messages that even the Code Busters can't crack. And once they arrive at the museum, they notice they're being followed by a mysterious stranger. Then a classmate goes missing. Could the unknown spy be responsible? It's up to the Code Busters to find out! Can you crack the code? Test your brain with the Code Busters to see if you have the right stuff to be an ace detective. Answers are in the back, if you ever get stuck. Scavenger Hunt Art is a series of scavenger hunts, designed for outdoor play - which you then use our picture guide for each hunt, to turn your finds into

artwork! You can make a flower pot, a handbag, sun and moon, rainbow, palm tree and lots more. Encouraging outdoor nature play. Bonus Book - Flip your book upside down, and you have your bonus book - Colour in eye spy! Designed for bonding play with your children, a series of themed pictures to play eye spy with your little ones. Suitable for ages 3+ A gang of terrorists is planning an attack on the Tower of London. Or are they? British intelligence and the CIA combine forces. Follow secret agents Rob and Jenn as they race against time and across London. Can they seize the criminals and uncover their deadly plan before it is too late? Written specifically for struggling readers to explore genres, like mysteries and science fiction, these fast-paced books hold student interest until the last page. Questions at the end of each title promote cognitive development by making students think about vocabulary, comprehension, character, and plot.
