[Essays and Reviews](#) Nov 23 2022 Published in 1987: This book discusses the Christian Religion with Essays and Reviews.

[The World of George Jean Nathan](#) Nov 30 2020 (Applause Books). This anthology represents George Jean Nathan in all the various facets of his long writing career. He has written on marriage, politics, doctors, metropolitan life, the ballet, love, alcohol on virtually every major aspect of contemporary life and he has had something shrewd or amusing to say about every one of them.

[A User's Guide to the Millennium](#) Mar 15 2022 A collection of novelist's non-fiction writings spanning more than thirty years addresses topics including the arts, science, literature, popular culture, and his own life.

[These Precious Days](#) Jul 07 2021 The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short

story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom's brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer's eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo's children's books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

Essays and Reviews Dec 24 2022 Gathers Poe's essays on the theory of poetry, the art of fiction, the role of the critic, leading nineteenth-century writers, and the New York literary world.

[Art and Objecthood](#) Apr 16 2022 Much acclaimed and highly controversial, Michael Fried's art criticism defines the contours of late modernism in the visual arts. This volume contains 27 pieces--uncompromising, exciting, and impassioned writings, aware of their transformative power during a time of intense controversy about the nature of modernism and the aims and essence of advanced painting and sculpture. 16 color plates. 72 halftones.

[Literary Reviews and Essays](#) Feb 02 2021

[Working the Room](#) Feb 14 2022 Alive with insight, wit and Dyer's characteristic irreverence, this collection of essays offers a guide around the cultural maze, mapping a route through the worlds of literature, art, photography and music. Besides exploring what it is that makes great art great, *Working the Room* ventures into more personal territory with extensive autobiographical pieces - 'On Being an Only Child', 'Sacked' and 'Reader's Block', among other gems. Dyer's breadth of vision and generosity of spirit combine to form a manual for ways of being in - and seeing - the world today.

The Anthropocene Reviewed Feb 20 2020 "Masterful. The *Anthropocene Reviewed* is a beautiful, timely book about the human condition—and a timeless reminder to pay attention to your attention." —Adam Grant, #1 bestselling author of *Think Again* and host of the podcast *Re:Thinking Instant* #1 bestseller! A deeply moving collection

of personal essays from John Green, the author of *The Fault in Our Stars* and *Turtles All the Way Down*. "Gloriously personal and life-affirming. The perfect book for right now." —People "Essential to the human conversation." —Library Journal, starred review *The Anthropocene* is the current geologic age, in which humans have profoundly reshaped the planet and its biodiversity. In this remarkable symphony of essays, bestselling author John Green reviews different facets of the human-centered planet on a five-star scale—from the QWERTY keyboard and sunsets to Canada geese and Penguins of Madagascar. Funny, complex, and rich with detail, the reviews chart the contradictions of contemporary humanity. John Green's gift for storytelling shines throughout this masterful collection. *The Anthropocene Reviewed* is an open-hearted exploration of the paths we forge and an unironic celebration of falling in love with the world. [The Collected Essays of Elizabeth Hardwick](#) Apr 23 2020 The first-ever collection of essays from across Elizabeth Hardwick's illustrious writing career, including works not seen in print for decades. A New York Times Notable Book of 2017 Elizabeth Hardwick wrote during the golden age of the American literary essay. For Hardwick, the essay was an imaginative endeavor, a serious form, criticism worthy of the literature in question. In the essays collected here she covers civil rights demonstrations in the 1960s, describes places where she lived and locations she visited, and writes about the foundations of American literature—Melville, James, Wharton—and the changes in American fiction, though her reading is wide and international. She contemplates writers' lives—women writers, rebels, Americans abroad—and the literary afterlife of biographies, letters, and diaries. Selected and with an introduction by Darryl Pinckney, the *Collected Essays* gathers more than fifty essays for a fifty-year retrospective of Hardwick's work from 1953 to 2003. "For Hardwick," writes Pinckney, "the poetry and novels of America hold the nation's history." Here is an exhilarating chronicle of that history.

[Image and Imagination](#) Jun 18 2022 New collection of literary-critical essays and reviews of C. S. Lewis, including previously unpublished and long-unavailable works.

[Essays and Reviews](#) Oct 22 2022 This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

The Book of Delights Apr 04 2021 "Ross Gay's eye lands upon wonder at every turn, bolstering my belief in the countless small miracles that surround us." —Tracy K. Smith, Pulitzer Prize winner and U.S. Poet Laureate The winner of the NBCC Award for Poetry

offers up a spirited collection of short lyric essays, written daily over a tumultuous year, reminding us of the purpose and pleasure of praising, extolling, and celebrating ordinary wonders. Ross Gay's *The Book of Delights* is a genre-defying book of essays—some as short as a paragraph; some as long as five pages—that record the small joys that occurred in one year, from birthday to birthday, and that we often overlook in our busy lives. His is a meditation on delight that takes a clear-eyed view of the complexities, even the terrors, in his life, including living in America as a black man; the ecological and psychic violence of our consumer culture; the loss of those he loves. Among Gay's funny, poetic, philosophical delights: the way Botan Rice Candy wrappers melt in your mouth, the volunteer crossing guard with a pronounced tremor whom he imagines as a kind of boat-woman escorting pedestrians across the River Styx, a friend's unabashed use of air quotes, pickup basketball games, the silent nod of acknowledgment between black people. And more than any other subject, Gay celebrates the beauty of the natural world—his garden, the flowers in the sidewalk, the birds, the bees, the mushrooms, the trees. This is not a book of how-to or inspiration, though it could be read that way. Fans of Roxane Gay, Maggie Nelson, and Kiese Laymon will revel in Gay's voice, and his insights. *The Book of Delights* is about our connection to the world, to each other, and the rewards that come from a life closely observed. Gay's pieces serve as a powerful and necessary reminder that we can, and should, stake out a space in our lives for delight.

Essays and Reviews Jan 25 2023 *Essays and Reviews* is a collection of seven articles that appeared in 1860, sparking a Victorian culture war that lasted for at least a decade. With pieces written by such prominent Oxford and Cambridge intellectuals as Benjamin Jowett, Mark Pattison, Baden Powell, and Frederick Temple (later archbishop of Canterbury), the volume engaged the relations between religious faith and current topics of the day in education, the classics, theology, science, history, literature, biblical studies, hermeneutics, philology, politics, and philosophy. Upon publication, the church, the university, the press, the government, and the courts, both ecclesiastical and secular, joined in an intense dispute. The book signaled an intellectual and religious crisis, raised influential issues of free speech, and questioned the authority and control of the Anglican Church in Victorian society. The collection became a best-seller and led to three sensational heresy trials. Although many historians and literary critics have identified *Essays and Reviews* as a pivotal text of high Victorianism, until now it has been almost inaccessible to modern readers. This first critical edition, edited by Victor Shea and William Whitla, provides extensive annotation to map the various positions on the controversies that the book provoked. The editors place the volume in its complex social context and supply commentary, background materials, composition and publishing history, textual notes, and a broad range of new supporting documents, including material from the trials, manifestos, satires, and contemporary illustrations. Not only does such an annotated critical edition of *Essays and Reviews* indicate the impact that the volume had on Victorian

society; it also sheds light on our own contemporary cultural institutions and controversies.

Otherwise Known as the Human Condition Mar 03 2021 *Winner of the National Book Critics Circle Award in Criticism* *A New York Times Book Review Editors' Choice* *A New York Times Top 10 Nonfiction Book of the Year, as selected by Dwight Garner* Geoff Dyer has earned the devotion of passionate fans on both sides of the Atlantic through his wildly inventive, romantic novels as well as several brilliant, uncategorizable works of nonfiction. All the while he has been writing some of the wittiest, most incisive criticism we have on an astonishing array of subjects—music, literature, photography, and travel journalism—that, in Dyer's expert hands, becomes a kind of irresistible self-reportage. *Otherwise Known as the Human Condition* collects twenty-five years of essays, reviews, and misadventures. Here he is pursuing the shadow of Camus in Algeria and remembering life on the dole in Brixton in the 1980s; reflecting on Richard Avedon and Ruth Orkin, on the status of jazz and the wonderous Nusrat Fateh Ali Khan, on the sculptor Zadkine and the saxophonist David Murray (in the same essay), on his heroes Rebecca West and Ryszard Kapuściński, on haute couture and sex in hotels. Whatever he writes about, his responses never fail to surprise. For Dyer there is no division between the reflective work of the critic and the novelist's commitment to lived experience: they are mutually illuminating ways to sharpen our perceptions. His is the rare body of work that manages to both frame our world and enlarge it.

Essays and Reviews. by Edwin P. Whipple Sep 28 2020

Anatomy of a Controversy Feb 26 2023 Controversy, especially religious controversy, was the great spectator sport of Victorian England. This work is a study of the biggest and best of Victorian religious controversies. *Essays and Reviews* (1860) was a composite volume of seven authors (six of them Anglican clergymen) which brought England its first serious exposure to biblical criticism. It evoked a controversy lasting four years, including articles in newspapers, magazines and reviews, clerical and episcopal censures, a torrent of tracts, pamphlets and sermons, followed by weightier tomes (and reviews of all these), prosecution for heresy in the ecclesiastical courts, appeal to the highest secular court, condemnation by the Convocation of the clergy and a debate in Parliament. *Essays and Reviews* was the culmination and final act of the Broad Church movement. Outwardly the conflict ended inconclusively; at a deeper level, it marked the exhaustion both of the Broad Church and of Anglican orthodoxy and the commencement of an era of religious doubt. This controversy illustrates the pathology of Victorian religion in its demonstration of the propensity to controvert and the methods of controversialists. It is both the greatest Victorian crisis of faith and the best case study of Victorian religious controversy.

Essays, Reviews and Addresses May 25 2020

Essays One May 05 2021 A selection of essays on writing and reading by the master short-fiction writer Lydia Davis Lydia Davis is a writer whose originality, influence, and wit are beyond compare. Jonathan Franzen has called her "a magician of self-consciousness," while Rick Moody hails her as "the best prose stylist in America." And for Claire Messud, "Davis's signal gift is to make us feel alive." Best known for her masterful short stories and translations, Davis's gifts extend equally to her nonfiction. In *Essays One*, Davis has, for the first time, gathered a selection of essays, commentaries, and lectures composed over the past five decades. In this first of two volumes, her subjects range from her earliest influences to her favorite short stories, from John Ashbery's translation of Rimbaud to Alan Cote's painting, and from the Shepherd's Psalm to early tourist photographs. On display is the development and range of one of the sharpest, most capacious minds writing today.

Playing it by Ear Nov 11 2021 This volume gathers 33 essays and reviews of William H. Pritchard on English and American writers. The subjects range from such novelists as Trollope, Waugh and Faulker, to

such poets as Frost and Larkin and to such critics as Saintsbury, Mencken and Leavis.

Feel Free Oct 30 2020 Winner of the 2018 National Book Critics Circle Award for Criticism A New York Times Notable Book From Zadie Smith, one of the most beloved authors of her generation, a new collection of essays Since she burst spectacularly into view with her debut novel almost two decades ago, Zadie Smith has established herself not just as one of the world's preeminent fiction writers, but also a brilliant and singular essayist. She contributes regularly to *The New Yorker* and the *New York Review of Books* on a range of subjects, and each piece of hers is a literary event in its own right. Arranged into five sections--In the World, In the Audience, In the Gallery, On the Bookshelf, and *Feel Free*--this new collection poses questions we immediately recognize. What is The Social Network--and Facebook itself--really about? "It's a cruel portrait of us: 500 million sentient people entrapped in the recent careless thoughts of a Harvard sophomore." Why do we love libraries? "Well-run libraries are filled with people because what a good library offers cannot be easily found elsewhere: an indoor public space in which you do not have to buy anything in order to stay." What will we tell our granddaughters about our collective failure to address global warming? "So I might say to her, look: the thing you have to appreciate is that we'd just been through a century of relativism and deconstruction, in which we were informed that most of our fondest-held principles were either uncertain or simple wishful thinking, and in many areas of our lives we had already been asked to accept that nothing is essential and everything changes--and this had taken the fight out of us somewhat." Gathering in one place for the first time previously unpublished work, as well as already classic essays, such as, "Joy," and, "Find Your Beach," *Feel Free* offers a survey of important recent events in culture and politics, as well as Smith's own life. Equally at home in the world of good books and bad politics, Brooklyn-born rappers and the work of Swiss novelists, she is by turns wry, heartfelt, indignant, and incisive--and never any less than perfect company. This is literary journalism at its zenith. Zadie Smith's new book, *Grand Union*, is on sale 10/8/2019.
