**Dodge Pickup Trucks** Jan 21 2020 Dodge built its first pickup

in 1916 and has been building tough, dependable trucks ever since. This historical overview of the maker's greatest trucks from the World War I era through today highlights the following: -- "Job-rated" pickups of 1939 to 1947 -- Panel trucks -- Trucks for military usage -- The Li'l Red Express -- Ramchargers -- Today's popular new Rams and Dakotas. The text and vivid color photographs focus on the postwar years, especially the 1950s and 1960s. While examining the company's history, the book also highlights Dodge's technical achievements and wartime manufacturing efforts.

Dodge and RAM Pickups: An Illustrated History Feb 26 2023

In this exciting new history of Dodge and Ram trucks, award-winning automotive author Patrick Foster details the genesis of today's hot-selling Ram pickups, vans and four-wheel-drives. Beginning with the Graham Brothers, who built the first trucks sold through Dodge dealers, Foster traces the path of Dodge commercial vehicles through the terrific Dodge trucks built during the Roaring Twenties and into the Depression Thirties. Foster then takes us into the war years, 1941-1945, when Dodge manufactured a broad array of war materiel including the mighty WD and WF trucks, which later morphed into the now-legendary postwar Dodge Power Wagons. Next, Foster dives into the decade of the fabulous 1950s, a golden era for American pickups that brought us the equally fabulous Dodge B and C series trucks. Entering the 1960s, Foster tells the story of the growing popularity of Dodge trucks. The story grows as the Dodge line expands in size and in sales. The Dodge D-series and four-wheel-drive W-series are covered in a following chapter, while another is dedicated to the Dodge cabover trucks. The book ends with an Addendum dedicated to the delightful Dodge cabovers. The final chapter of Dodge and Ram Pickups: An Illustrated History covers the turbulent years 2000-2020 when Dodge went from being part of a bankrupt company to its present position today as the number 2 selling full-size pickup in the world.

Dodge B-Series Trucks Aug 20 2022 With Dodge B-Series trucks becoming more rare with each passing year, it becomes more difficult to correctly identify an original condition truck. Drawing upon official Chrysler publications and a broad knowledge of original condition trucks, Dodge truck expert, Don Bunn, brings the restorer or buyer the information needed to correctly restore a truck or make an intelligent and informed purchase. It covers the entire line of 1948 through 1953 Dodge B-Series light, medium and heavy-duty models except Power Wagon, with a heavy emphasis on light-duty models because they are the most popular with collectors. Anyone with the desire to own, restore, or correctly identify an original condition Dodge B-Series truck needs this book!

Dodge Trucks Mar 27 2023 Dodge Trucks Don Bunn. Filled with information on Dodge trucks, pickups, and other light-duty trucks from 1918 to today, plus the popular and collectible Sweptside pickups, Power Wagons, Town Panels and Wagons, Ram series pickups, military trucks, and mid-sized pickups. This history also profiles the Dodge big rigs and the commercial trucks. Hdbd., 8 1/2"x 11", 32 pgs., 1, b&w ill.
