Saving Your Sex Life Sep 28 2020 In a straightforward style, Dr. John Mulhall guides the reader through the basics of male sexuality, explains the role of testosterone, the functions of the prostate, and the common difficulties men encounter when disease strikes. In plain language, this book spells out the causes and symptoms of prostate disease and diseases of the lower urinary tract and the approach to deal with the aftermath of treatment.

Sex, Gender, and Sexuality Mar 27 2023 There has been an outpouring of discussion and interest in recent years on gender and sexual identities in the disciplines of sociology and women's studies. Now, for the first time, there is a reader available that bridges the study of both gender and sexuality, providing a thorough examination of their interconnections. In an accessible format, the editors of The New Basics construct a new model for making sense of gender and sexuality by raising provocative questions such as: How has our understanding of the relationship among sex, gender, and sexuality changed over time? How are these concepts constructed differently across cultures? What is the difference between transgender, transsexual, and queer? How does class and race shape people's experiences and expressions of gender and sexuality? While exploring a wide range of issues, each piece makes the relationship among sex, gender, and sexual identities central to the analysis. The New Basics includes first-person accounts and narratives, poems, theoretical analyses, and critiques of existing research. Due to the evolution of thought and terminology in recent years, the editors have included a useful and unique glossary of basic and new terms.

Sex Positions Aug 28 2020 Are you looking for a complete guide to boost the sexual energy with your partner? Then keep reading... Improve your sex life with the best sexual orientation guide. Is your relationship going obsolete? Do you think there's just nothing interesting your partner more and maybe it's time to move on to the next? Before you do this, Have you ever sought to give what you have a booster shot and save the relationship you have with your partner? Well, the first thing you both need to do is talk about the things that matter first and why is it worth keeping your relationship. After that, you need to look at what it is happens inside her bedroom. Sometimes the root cause of a failed relationship is because over time, such as more responsibilities come on your way and between you and your partner you neglect the basics of making a relationship work. One of the things you can do or break a relationship is the level of intimacy that gives you each other, and yes, we are talking about sex. Physical interaction and intimacy are very important to maintain your relationship. This is a very basic human trait to want to be with someone and have physical contact. Some people might say, " we still have sex, so why doesn't our relationship work?" Well, have you ever wondered if you make love alone because of the devil that leads to boredom? Good news for you! This book, " sex Positions: Top sex positions. Improve your Sex life with the best sex positions guide "" it's all about giving it to you and your partner new things to experiment with to keep things interesting in and out of the bedroom. This book will show you a list of the basics of sex and what you need to understand before you can address sexual positions most upheavals included. Also, if you are curly enough, keep going to use things around you and your surroundings to make sex hot and steaming possible again. In addition, another chapter deals with the use of toys that will allow you to participate in your sexual fantasies without compromising your relationship with your partner. This will not only improve your life with more knowledge about sexual positions and instructions on how to do each, but it can lead to greater interaction with your partner. For example, since some of the positions listed in this book require a certain level of athleticism and flexibility, you and your partner can participate in physical activity this will improve your muscles, cardiovascular activity and endurance. The final result it will become healthier and therefore certainly more able to perform sexual intercourse acts listed in this book. This book not only aims to improve your sex life, but will also improve the way you talk to your partner as some of the positions may require discussion to see if your partner is open to the idea of doing so. So there you have it, all the benefits you can get from this book, not only sexually but also on an emotional and social scale! So flexible and start reading and choose a position to participate in every day to give your relationship that much needed shakes who will bring him back to life! Scroll down and click the "Buy Now" button!

Gender: The Basics Mar 15 2022 Gender: The Basics is an engaging introduction which examines the impact of cultural, historical, biological, psychological and economic forces on qualities which have come to be defined as masculine or feminine. Highlighting that there is far more to gender than biological sex, it takes a global perspective to examine the interaction between gender and a wide range of topics including: • Relationships, intimacy and concepts of sexuality • The workplace and labour markets • Gender related violence and war • Public health, poverty and development • The ageing process Supporting theory with examples and case studies from a variety of contexts, suggestions for further reading and a detailed glossary, this text is an essential read for anyone approaching the study of gender for the first time.

Love and Sex: the Basics Aug 20 2022 Love & Sex: The Basics is a easy guide to finding the right man or the right woman for you. It helps you to understand what men and women think about each other and what they want in a relationship. Get rid of the Myths and find your ideal partner.

Human Sexuality Jan 13 2022

Why Is Sex Fun? Nov 30 2020 To us humans the sex lives of many animals seem weird. In fact, by comparison with all the other animals, we are the ones with the weird sex lives. How did that come to be? Just count our bizarre ways. We are the only social species to insist on carrying out sex privately. Stranger yet, we have sex at any time, even when the female can't be fertilized (for example, because she is already pregnant, post-menopausal, or between fertile cycles). A human female doesn't know her precise time of fertility and certainly doesn't advertise it to human males by the striking color changes, smells, and sounds used by other female mammals. Why do we differ so radically in these and other important aspects of our sexuality from our closest ancestor, the apes? Why does the human female, virtually alone among mammals go through menopause? Why does the human male stand out as one of the few mammals to stay (often or usually) with the female he impregnates, to help raise the children that he sired? Why is the human penis so unnecessarily large? There is no one better qualified than Jared Diamond—renowned expert in the fields of physiology and evolutionary biology and award-winning author—to explain the evolutionary forces that operated on our ancestors to make us sexually different. With wit and a wealth of fascinating examples, he explains how our sexuality has been as crucial as our large brains and upright posture in our rise to human status.

Women's Conflicts About Eating and Sexuality Jan 01 2021 Women's Conflicts About Eating and Sexuality explores the strong relationships food and sex have represented to women over the years. No other book has spelled out so clearly the parallels between sex and eating nor integrated the relationship of these to women's basic need to be loved. Today's dilemma for women--be fat or go hungry--and the endless variations and unsatisfying solutions to this problem have contributed to the incidence of anorexia, bulimia, and obesity. The pursuit of slimness, the obsession with having the perfect body, excessive aerobicing, and diet books ad nauseam are all part of this phenomenon. Authors in Women's Conflicts About Eating and Sexuality skillfully discuss the parallel between women's obsession with sex and romance in the fifties and their obsession with food today. An important book for all women, it sheds light on the complex issues facing women and devotes special attention to the career woman and the additional pressures to be slim and stay slim. The woman who reads this potentially life-changing book can examine, question, and change her behavior, using the specific step-by-step program aid included in the book. This book is for every woman who has ever worried about being too fat or too sexual. Women's Conflicts About Eating and Sexuality will appeal to women of all ages--young women and their mothers will be fascinated by the parallels between sexual obsessions of thirty years ago and the eating obsessions of today. This healing book will particularly attract single career women for whom sex and relationships are fraught with complications.

Counselors and therapists will find this book an excellent resource in their work with helping women. It is also a good auxiliary text for courses in Women's Studies focusing on psychology and history of women and the sociology of women and eating disorders.

Fundamentals of Human Sexuality Dec 24 2022

Society Jan 21 2020 For one-quarter/term Introductory Sociology courses. Society: The Basics, Sixth Edition, offers a complete multimedia learning program in sociology including a carefully coordinated package that includes the textbook, a free interactive CD-ROM in every copy, and an innovative Companion Website. As in the past, it features a balanced theoretical foundation: structural-functional, symbolic-interaction, and social-conflict analysis is supplemented by cultural ecology, social exchange theory, and sociobiology. In addition, the three main themes that make up the core of the book remain: Social Diversity within the United States; a Global Perspective; and an emphasis on Critical Thinking. *NEW - A new chapter on Sexuality - Highlights the socially-constructed character of human sexuality, exploring the myths and realities surrounding sexual orientation, and then looks at sexual controversies including teen pregnancy, pornography, prostitution, and sexual violence. *NEW - A new combined chapter - Population, Urbanization, and Environment, provides an integrated discussion of three closely related issues. *NEW - Website listings - Each chapter concludes with a Sites to See section that l

Gender: The Basics Nov 23 2022 Gender: The Basics is an engaging introduction to the influence of cultural, historical, biological, psychological, and economic forces on ways in which we have come to define and experience femininity and masculinity, and on the impact and importance of gender categories. Highlighting that there is far more to gender than biological sex, it examines theories and research about how and why gender categories and identities are developed and about how interpersonal and societal power relationships are gendered. It takes a global and intersectional perspective to examine the interaction between gender and a wide range of topics including: Relationships, intimacy, and concepts of sexuality across the lifespan The workplace and labour markets Gender related violence and war Public health, poverty, and development Gender and public leadership This new edition includes increased coverage of trans visibility and activism, LGBTQ studies and critical masculinity studies, global developments in women's political leadership, links between gender and economic wellbeing, and cyberbullying. Supporting theory with examples and case studies from a variety of contexts, suggestions for further reading, and a detailed glossary, this text is an essential read for anyone approaching the study of gender for the first time.

Fundamentals of Human Sexuality Dec 12 2021

La Muerte del Pitirójo Jan 25 2023

Sexing the Body Sep 21 2022 Now updated with groundbreaking research, this award-winning classic examines the construction of sexual identity in biology, society, and history. Why do some people prefer heterosexual love while others fancy the same sex? Is sexual identity biologically determined or a product of convention? In this brilliant and provocative book, the acclaimed author of Myths of Gender argues that even the most fundamental knowledge about sex is shaped by the culture in which scientific knowledge is produced. Drawing on astonishing real-life cases and a probing analysis of centuries of scientific research, Fausto-Sterling demonstrates how scientists have historically politicized the body. In lively and impassioned prose, she breaks down three key dualisms -- sex/gender, nature/nurture, and real/constructed -- and asserts that individuals born as mixtures of male and female exist as one of five natural human variants and, as such, should not be forced to compromise their differences to fit a flawed societal definition of normality.

Sex, Gender, and Sexuality Apr 04 2021

Sexual Intimacy in Marriage, 4th ed. Oct 10 2021 Expert, biblical answers to tough questions Every couple has those questions they don't know how or whom to ask! Sexual Intimacy in Marriage discusses the basics, like the definition of marriage, and the not-so-basic topics, such as achieving sexual pleasure and biblically "OK" sexual activity. It addresses real people in the real world--without compromising God's wonderful purpose and design for his gift of sex. This highly acclaimed, medically and biblically accurate book extensively covers sex in marriage with a sensitivity and frankness that every couple will appreciate. With over 100,000 copies in print, and now in its fourth edition, this best-selling biblically based book for nearly-weds, newly-weds, and truly-weds is the gold standard for Christian intimacy guides. "Has greatly benefited our own family and marriage relationship. . . . Marvelously blends the glory of sex with the reality of life." --Dr. Tony and Lois Evans "Scientifically accurate, biblically based, intensely practical, and written with a large dose of humor." --David Stevens, President, Christian Medical & Dental Association "Cutrer and Glahn . . . cut through the fog of partial truths to help newlyweds, soon-to-weds, or couples who have been married for years." --The Dallas/Fort Worth Heritage

Gender, Sex, and Sexualities Feb 20 2020 For decades, the field of gender, sex, and sexualities has been a focal point of increasing interest. This inquiry has been ignited by successive waves of dramatic social change, chief among them: the re-emergence of feminist movements in the U.S. and Europe in the late 1960s; the sustained (and increasingly successful) bids for legal, social, and religious acceptance of non-heterosexual sexualities in many parts of the world; and the burgeoning number of people (whether cisgendered, gender-variant, trans, or questioning) whose individual and collective experiences of gender and sexuality warrant deeper understanding and further progress toward a fuller realization of human potential and civil rights. In psychology, the intellectual project of understanding gender, sex, and sexualities encompasses a variety of subfields spanning neuroscience and developmental, cognitive, social, and cultural psychology, as well as critical theory. As such, these approaches have inspired new and different psychological questions, as well as increased interest in previously unfamiliar topics of investigation. Edited by Nancy K. Dess, Jeanne Marecek, and Leslie C. Bell, Gender, Sex, and Sexualities offers both students and scholars the tools they need to consider and approach such questions as: how do children come to embrace (or repudiate) gendered activities and identities; how do people experience intimacy, desire, and sexual arousal; and what strategies can psychologists use to de-center their own points of view and effectively contribute to a decolonial psychology? As a result, this volume will open new avenues of inquiry as well as cross-disciplinary conversations for readers everywhere.

Boxes and How We Fill Them: A Basic Guide to Sexual Awareness Feb 14 2022 Boxes and How We Fill Them addresses a wide variety of sexuality issues, from desire discrepancy to erectile dysfunction to polyamory. Written by a specialist in sex therapy and education, Boxes offers engaging exercises and techniques anyone can use to communicate better about sex and to overcome issues in the bedroom. While not a replacement for therapy, this book helps readers grapple with sexuality issues, engage in self-care, and find empowerment. Identify your own struggles related to sexuality and get the tools you need to move forward in your relationship.

Women's Studies Oct 30 2020 Introduction into women's studies. Tracing the history of the discipline from its origins, this text sets out the main agendas of women's studies and feminism, exploring the global development of the subject over time, and highlighting its relevance in the contemporary world. Reflecting the diversity of the field, core themes include: the interdisciplinary nature of women's studies, core feminist theories and the feminist agenda, issues of intersectionality: women, race, class and gender, women, sexuality and the body, global perspectives on the study of women, the relationship between women's studies and gender studies.

Men and Masculinity: The Basics May 25 2020 Men and Masculinity: The Basics is an accessible introduction to the academic study of masculinity which outlines the key ideas and most pressing issues concerning the field today. Providing readers with a framework for understanding these issues, it explores the ways that masculinity has been understood in the Social Sciences and Humanities to date. Addressing theories which view masculinity as being in a permanent state of flux and crisis, it explores such problem areas as: the male body men and work men and fatherhood male sexuality male violence. With a glossary of key terms, case studies reflecting the most important studies in the field of masculinity research and suggestions for further study, Men and Masculinity: The Basics is an essential read for anyone approaching the study of masculinity for the first time.

Human Sexuality Apr 28 2023 Human Sexuality: The Basics presents the core information underlying the vast subject of human sexuality in a concise, no-frills manner that is easy for students to read and comprehend. Emphasis on the biological basis of sexuality provides students with a structure to understand the important aspects of

sexuality presented in other chapters. This approach also provides the basis for encouraging tolerance, acceptance, and understanding of different sexual preferences and behaviors. Critical thinking questions at the end of each chapter along with learning objectives, summaries, and definitions of terms facilitate learning for students.

Man and Woman May 05 2021

Fundamentals of Human Sexuality May 17 2022 This book provides a comprehensive, factual, and survey of ideas and information relating to the many facets of human sexuality.

Drawn to Sex Vol. 1 Oct 22 2022 The first volume in a planned, 3-volume, sex-education series. Erika and Matthew are ready to talk about sex! Have you ever had a question about sex, but didn't know who to ask? Well, Erika and Matthew have spent years learning, talking, and creating informative comics about all aspects of sex. Using comics, jokes, and frank communication, they're here to demystify the world of sex and answer your questions—including ones you might not even know you had! In this first book of the Drawn to Sex series, they explore the practical side of sex, from the basics of what defines sex, to barriers and testing, masturbation, and the ins-and-outs of having sex with other people. Pick up this fun book if you're looking to learn something new, understand sexuality better, or know someone (maybe you!) who might benefit from some judgment-free education. Erika and Matthew are here to help you out

Anal Sex Basics Apr 16 2022 Anal Sex Basics covers everything a beginner to butt play will need, from choosing your lube to learning the best positions.

Gender Feb 02 2021 Gender: The Basics is an engaging introduction which examines the impact of cultural, historical, biological, psychological and economic forces on qualities which have come to be defined as masculine or feminine. Highlighting that there is far more to gender than biological sex, it takes a global perspective to examine the interaction between gender and a wide range of topics including: * Relationships, intimacy and concepts of sexuality * The workplace and labour markets * Gender related violence and war * Public health, poverty and development * The ageing process Supporting theory with examples and case studies from a variety of contexts, suggestions for further reading and a detailed glossary, this text is an essential read for anyone approaching the study of gender for the first time.

Sexual Interactions Jul 07 2021 In both tone and presentation, Allgeier and Allgeier have developed a solid pedagogical foundation and an applied focus for students in a one-semester human sexuality course who require a less rigorous research-based approach and benefit from a captivating, high-interest presentation.

Man and Woman Jul 27 2020

Sex/Gender Aug 08 2021 Sex/Gender presents a relatively new way to think about how biological difference can be produced over time in response to different environmental and social experiences. This book gives a clearly written explanation of the biological and cultural underpinnings of gender. Anne Fausto-Sterling provides an introduction to the biochemistry, neurobiology, and social construction of gender with expertise and humor in a style accessible to a wide variety of readers. In addition to the basics, Sex/Gender ponders the moral, ethical, social and political side to this inescapable subject. An interview with the author! WOMR - The Lowdown with Ira Wood - Sex an Gender Identity with Anne Fausto-Sterling: <http://www.publicbroadcasting.net/womr/jukebox?action=viewMedia&mediaId=1025429>

Fundamentals of Human Sexuality Jun 18 2022 This fundamentals paperback text presents the unifying theme of physical and psychological sexual health while encouraging students to think critically and make healthy decisions about their own sexual attitudes. By combining the introductory and research methods chapters and the two chapters on sexually transmitted diseases, this briefer version contains two fewer chapters than the comprehensive McAnulty/Burnette text. In addition, a 15-question review test has been added to the end of each chapter. The primary goal of this text is to promote sexual health and help students understand and make healthy decisions within a framework that integrates physiological, psychological, and social aspects of sexuality. McAnulty and Burnette take a scholarly, research-oriented approach, but present material within a "friendly advisor" framework and writing style, highlighting health issues and diversity. Throughout the text, students are repeatedly challenged to critically analyze and apply information to their own lives in an effort to make the readings relevant and, therefore, easier to learn and retain.

Sex at Dawn Mar 23 2020 Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science—as well as religious and cultural institutions—has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. But this narrative is collapsing. Fewer and fewer couples are getting married, and divorce rates keep climbing as adultery and flagging libido drag down even seemingly solid marriages. How can reality be reconciled with the accepted narrative? It can't be, according to renegade thinkers Christopher Ryan and Cacilda Jethá. While debunking almost everything we "know" about sex, they offer a bold alternative explanation in this provocative and brilliant book. Ryan and Jethá's central contention is that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together convergent, frequently overlooked evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. Human beings everywhere and in every era have confronted the same familiar, intimate situations in surprisingly different ways. The authors expose the ancient roots of human sexuality while pointing toward a more optimistic future illuminated by our innate capacities for love, cooperation, and generosity. With intelligence, humor, and wonder, Ryan and Jethá show how our promiscuous past haunts our struggles over monogamy, sexual orientation, and family dynamics. They explore why long-term fidelity can be so difficult for so many; why sexual passion tends to fade even as love deepens; why many middle-aged men risk everything for transient affairs with younger women; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. In the tradition of the best historical and scientific writing, Sex at Dawn unapologetically upends unwarranted assumptions and unfounded conclusions while offering a revolutionary understanding of why we live and love as we do.

Sexuality Dec 20 2019 'Sexuality delivers the goods, making the history and theory of sexuality downright sexy ... I learned more in one session with this book than I've figured out in a lifetime.' Christine Burns MBE, author of Trans Britain They're back! Writer Meg-John Barker and artist Jules Scheele once again team up in this cheeky and informative comic-book follow-up to Queer and Gender. Sex is everywhere. It's in the stories we love - and the stories we fear. It defines who we are and our place in society ... at least we're told it ought to. Sex and sexuality can seem like a house of horrors, full of monsters and potential pitfalls. We often live with fear, shame and frustration when it comes to our own sexuality, and with judgement when it comes to others'. Sex advice manuals, debates over sex work and stories of sexual "dysfunction" only add to our anxiety. With compassion, humour, erudition and a touch of the erotic, Meg-John Barker and Jules Scheele shine a light through the darkness and unmask the monsters. The art introduces a set of reoccurring characters, tongue-in-cheek references to the Scooby-Doo gang, who journey through a haunted house confronting and unmasking the villains: patriarchy, white supremacy, ableism, and capitalism personified ... The sum: accessible, compassionate reading for readers wanting to think more deeply about sex, society, and how they intersect.' Publishers Weekly

Sexual Function in People with Disability and Chronic Illness Jun 25 2020 This comprehensive book offers an in-depth look at sexual functioning with disability and chronic illness. The basics are covered: taking a sexual history, the sexual response cycle, and how sexual functioning changes with age. This book also deals with special issues such as ethical considerations, sexual abuse and disability, and treatment of the partner of the person with a disability. Separate chapters deal with specific illnesses and disabilities, with an explanation of how that illness or disability affects sexuality and sexual functioning in both men and women. Practical issues such as positioning and helpful tips are also defined for each disorder.

Beyond the Basics Feb 26 2023 Beyond the Basics offers the tools to teach young people about sexuality and sexual health from a sex positive, human rights perspective. Covering topics that range from anatomy to consent and healthy relationships, Beyond the Basics approaches sexuality education across all gender identities and sexual orientations with activities that help move students from receiving information to making decisions based on critical thinking skills and empowerment. Recognizing the time pressures educators face, Beyond the Basics is written to easily move in and out of chapters, modules, and activities that suit the particular age, maturity, and trust in each classroom. About the Publisher: Action Canada for Sexual Health and Rights is a progressive, pro-choice charitable organization committed to advancing and upholding sexual and reproductive health and rights in Canada and globally. A key part of Action Canada's work is advocating for the highest quality of comprehensive sexuality education, regardless of where you live.
