and Teachings Inspired Talks by Swami Vivekananda Jnana Yoga (Part II) Karma Yoga

'Religion is not in books; not in forms; not in sects; not in nation; religion is in the human heart...It is love alone that can conquer hatred...' - Swami Vivekananda A genius; a visionary; a writer; a dreamer; a teacher and an inspiration for generations of Indians—this was Swami Vivekananda. Born into a family of lawyers; Narendranath Dutta was an exceptionally intelligent child; a natural leader among his playmates; who impressed his teachers with his scholarship. The spirituality of his mentor Shri Ramakrishna and his own study of philosophy and logic influenced Narendranath to join the monastic order. Vivekananda was the spokesperson for India at the Parliament of Religions in Chicago where the magic of his words held his audience in thrall. He also instilled among the Indian youth self-confidence and the hope of regeneration. Devika Rangachari's account of the life and times of Swami Vivekananda is both inspiring and absorbing. It is the remarkable story of a spiritual leader who worked against overwhelming odds to realize his vision of a free India. "The Powers Of The Mind" is a speech delivered at Los Angeles, California, on

January 8, 1900 by Swami Vivekananda explained his thoughts on the Powers of the Mind. This book brings together that speech for followers everywhere in his exact words. "If you want to know how deep the quotes of Swami Vivekananda are, then definitely read this book." "This book showed that the words of Swami Vivekananda are still applicable today." "True success and goals and career, both are best chapters, quotes of Vivekanand are really deep." - READER'S REVIEW The author was researching on Swami Vivekanand for 2 years, before writing this book, the Author gone through hundreds of quotes and lectures. After two years of complete research, he comes up with this final product. Viveka enlightens the whole world with his thoughts in every aspect of the life of a person. This book will cover every basic aspect of the life of a person. We will see every aspect with his perspectives like goals and career, finance, health, relation, true success, and God, with the help of his deep quotes and lectures. This book published by Advaita Ashrama, publication house of Ramakrishna Math, Belur Math, is specially written for young boys and girls. Written in simple English, it tries to introduce Swami Vivekananda to young readers in the hope that they will want to know more about this great

man and get acquainted with his ideas and draw inspiration from them. This book may also serve as an excellent rapid reader for school students. The life and message of Swami Vivekananda are a source of great inspiration to many in their individual as well as collective life. The present short biography published by Advaita Ashrama, a Publication House of Ramakrishna Math, Belur Math, is intended to meet the needs of those who have neither the time nor the opportunity to read bigger works about the Swami. A versatile genius as the great Swami was, and many-sided as were his activities, it is idle to hope that a complete picture of his wonderful life could be given in such a small compass. Here an attempt is made to give only a glimpse of this great personality so that people may become interested to know more about him. It was not given to his proudest disciples to emulate him. The greatest of them, the spirit with the widest wings — Vivekananda — could only attain his heights by sudden flights amid tempests, which remind me over and over again of Beethoven. Even in moments of rest upon its bosom the sails of his ship were filled with every wind that blew. Earthly cries, the sufferings of the ages, fluttered round him like a flight of famished gulls. The passions of strength (never of weakness) were striving within his lion's heart. He was energy personified, and action was his message to men. For him, as for Beethoven, it was the root of all the virtues. He went so far in his aversion to passivity, whose secular yoke

weighs so heavily on the patient bovine brow of the East, as to say : " Above all, be strong, be manly ! I have a respect even for one who is wicked, so long as he is manly and strong ; for his strength will make him some day give up his wickedness, or even give up all work for selfish ends, and will then eventually bring him into the Truth." Swami Vivekananda was one of the great religious minds of the 19th century. His appearance in the Congress of World Religion in America was a momentous event in the history of religion, where he changed the western view of Vedanta Hindu philosophy. What is the substance of Vivekananda's interpretation of Vedanta? And how relevant is it to 20th century man? In this revised volume, Gautam Sen pieces together the representative portions of the Swami's philosophy and ties them up with a running commentary of his own. Swami Vivekananda Was Not Only Revivalist Like Rammohun Roy, Tilak And Others, But An Awakened Spirit Of India, A Synthesis Of Orientals And Modernity. We Find In Him A Unique Fusion Of Nationalism, Patriotism And Spiritualism. In This Volume An Attempt Has Been Made To Present The Critique Of Educational Ideas Of Swami Vivekananda. Some Select Extracts From His Speeches And Writing Are Appeared To The Book. Organised In Ten Chapters, This Book Covers Almost Of Swami Vivekananda's Educational Thought. Certainly, This Will Prove Useful And Informative To One And All. The influence of Swami Vivekananda in the mind of nationalist

India is well-known. Five decades ago, his Indian lectures collected in book form entitled "From Colombo to Almora" became the source of inspiration to many a youth. This book is a study of Swami Vivekananda in relation to national problems. This study contains Swami Vivekananda's views regarding the national reconstruction of India and the part played by him in its great reawakening. The basis of this study is the dialectical analysis of the Indian society of the nineteenth century. The book presents a socialistic view of Swami Vivekananda's Contents 1. Social Hierarchy of Nineteenth Century 2. Nineteenth-Century and Renaissance 3. Family Pedigree 4. Social Environment 5. The Reaction 6. Ramakrishna Paramahansa 7. Journey Abroad 8. Swami Vivekananda: National Views 9. Swami Vivekananda: Sociological Views 10. Swami Vivekananda: Religious Views 11. Swami Vivekananda as a Litterateur 12. Swami Vivekananda: An Art-Critic 13. Swami Vivekananda: National Ideology The work is an in-depth study on the educational philosophy of Vivekananda. The contents are Education and aesthetics, education and mysticism, education and social awareness, education and humanism, education and religion, vibrant education : Vivekananda's quest. Jnana Yoga (Part II) (The yoga of knowledge) by Swami Vivekananda. based on Seven lectures on this topic delivered in New York in the beginning of 1896. "Take up one idea. . . Make that one idea your life. . . This is the way to success? Single-minded and multifaceted, the master of many subjects and

devoted disciple of Shri Ramakrishna, Swami Vivekananda was a global citizen far ahead of his times. At once a yogi and worldly-wise, this early ambassador of India introduced the western world to Indian civilization, while he encouraged Indians to discard divisive rituals and social hierarchies to build a united, equal, modern nation. A dedicated but free-thinking student, a reformer, teacher and writer, he was an eloquent orator whose speeches ? especially at the World Parliament of Religions in Chicago ? put Indian spirituality and philosophy on the map, and ignited hearts and minds everywhere. His way was both of meditation and action, leading from the front while humbly serving the poor. He put his faith in young people and exhorted them to work towards regenerating India. It is not surprising then that National Youth Day in India is celebrated on the birthday of Swami Vivekananda, a leading light then, and an inspiration now and forever. This book brings together Swami Vivekananda's stellar work and words, and highlights the main tenets of his life. From his regrettably short but exceptional life, you too can learn to be a little bit like Swami Vivekananda. "Lectures from Colombo to Almora" by Swami Vivekananda based on his various lectures. After visiting the West, Vivekananda reached Colombo, British Ceylon (now Sri Lanka) on 15 January 1897. Upon Vivekananda's arrival in South India, a forty-feet high monument was built by the king of Ramnad on the spot where he landed to celebrate his achievements at the West. He

reached Calcutta via Madras on 20 January 1897. Then Vivekananda travelled extensively and visited many Indian states. On 19 June (1897) he reached Almora. The lectures delivered by him in this period were compiled into the book Lectures from Colombo to Almora. Swami Vivekananda, a man of wondrous learning, eloquence, and philanthropy is the perennial source of inspiration for all. Taking him as our ideal, we can lead the domestic life harmoniously and with purity. Swamiji's personality is difficult to fathom, but delightful to contemplate. His interest encompassed all fields of human endeavours. In this book, an attempt has been made to present to our readers the comprehensive collection of Swamiji's views, thoughts and utterances on many facets and chapters of our life and on many issues of national importance. The book is like a pole star and shall help one to discern the philosophy of life. Swami Vivekananda was a Hindu monk and chief disciple of saint Ramakrishna. He was the one who introduced the Indian philosophies of Vedanta and Yoga to the Western world. Swami Vivekananda devoted his life building a bridge between Indian and Western culture. He presented Hindu scriptures, philosophy and way of life to the Western people in a language which they could understand. This beautifully illustrated biography traces his journey from a young man to a teacher and philosopher, who established religion as the highest and noblest pursuit to attain freedom, knowledge and

happiness. Swami Vivekananda represented India and Hinduism at the Parliament of the World's Religions (1893). This was the first World's Parliament of Religions and it was held from 11 to 27 September 1893. Delegates from all over the world joined this Parliament. Guru to the World tells the story of Swami Vivekananda, the nineteenth-century Hindu ascetic who introduced the West to yoga and to a tolerant, scientifically minded universalist conception of religion. Ruth Harris explores the many legacies of Vivekananda's thought, including his impact on anticolonial movements and contemporary Hindu nationalism. Perhaps no other subject has haunted the human mind, right from the hoary past, with such unerring consistency like the one regarding life and death. Is man mortal or immortal? What is reincarnation? What happens when a man dies? Every man is forced to ask these questions at some juncture of his life. This booklet published by Advaita Ashrama, Publication House of Ramakrishna Math, Belur Math, India, provides brief but clear answers to these fundamental questions. Swami Vivekananda S Own Speeches And Writings As Well As Accounts Left By His Disciples Are Many, But A Comprehensive, Objective And Critical Study By A Non-Devotee Is Not Extant. This Book Is An Endeavour To Supply The Need. Not Only Does It Bring Out His Superb Powers And Achievements But It Also Discusses A Few Oddities Like His Defence Of Animal Sacrifice And Indifference To Widow Remarriage. In More Than Forty Chapters The

Book Covers The Life, Personality, Ideas, Social Service And The Hitherto Unexplored Aspects Of The Poetry And Prose Of This Intellectual Giant. Written in simple English, this book tries to introduce Swami Vivekananda to young readers in the hope that they will want to know more about this great man and get acquainted with his ideas and draw inspiration from them. All the important events in Swami Vivekananda's life are presented in an engaging manner. A few important teachings of Swami Vivekananda are presented topic wise so that the reader may apply them in their own life. This book may also serve as an excellent rapid reader for school students. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math. The book also takes a hard look at his universally acknowledged reputation as a hypercosmological renouncer who championed the causes of the poor and the downtrodden and thus exemplified the doctrines of socialism at their finest. It is the first scholar to critically examine Vivekananda's attitude toward women in general and to probe into his experience with Margaret Noble (Sister Nivedita) in particular, and he is the first author to provide a detailed analysis of Vivekananda's popularity as a preacher and lecturer. Originally published in 1938, this volume is one of the first that presented the words of wisdom spoken by Swami Vivekananda within the intimacy of his inner circle. He was already revered as a lecturer, but his flashes of pure brilliance were

more often only heard in familiar conversation. This book was constructed from notes taken by a Miss S.E. Waldo from New York, who worked so closely with Swami that she could almost put his very thoughts onto paper. Author: Vivekananda Swami Language: English Keywords: Philosophy / Religion Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Obscure Press are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork. INSPIRED TALKS BY SWAMI VIVEKANANDA PREFACE ALL who had the blessing of personal contact with Swami Vivekananda are of one accord that those who knew him on the lecture platform only, had but a small measure of his true power and greatness. It was in familiar conversation with chosen friends and disciples that came his most brilliant flashes of illumination, his loftiest flights of eloquence, his utterances of profoundest wisdom. Unfortunately, however, his printed works so far have shown us only Vivekananda the lecturer Vivekananda the friend, the teacher, the loving master, was known only to the happy few who had the rare privilege of sitting at his feet. Glimpses of this side of the great spiritual genius are revealed to us in his published letters but the present volume is the first to give us words spoken by him in the intimacy of an inner circle. They were taken down by Miss S. E. Waldo of New York, who from the early days of

the Swami's American mission served him with unremitting devotion. It was to her that he dictated his translation and explanation of Patanjali's Aphorisms, published in his Raja Yoga, and often has she told me how she would sit for long periods of time watching always to see that the ink on her pen was kept wet, ready to write down the first word that would come as the Swami would emerge from the depths of self-contemplation into which he had plunged, to discover the true meaning of the terse Sanskrit phrases. It was she also who prepared all his American publications for the press. And so great was Swami Vivekananda's confidence in her ability, that he would pass the typewritten transcriptions of his lectures over to her with the instruction to do with them what she thought best for his own indifference to the fruits of his work was so extreme, that he could not be induced to give even a cursory glance at his recorded words. Through this constant faithful service with heart and brain, the disciples' mind became so at one with the master's that, even without the aid of shorthand, she was able to transcribe his teaching with wonderful fullness and accuracy. As she herself said, it was as if the thought of Swami Vivekananda flowed through her and wrote itself upon the page. Swami Vivekananda Swami Vivekananda was born in Shimla, Punjab, Calcutta on 12 January 1863, during the Makara Sankranti festival in a traditional Kayastha family, and was given the name Narendranath Dutta. His father Vishwanath

Dutta was an attorney of Calcutta High Court. He was considered generous and had a liberal and progressive outlook on social and religious matters. His mother Bhuvaneshwari Devi was pious and had practiced austerities and prayed to Vireshwar Shiva of Varanasi to give her a son. According to Vivekananda, the important teaching he received from Ramakrishna was that "Jiva is Shiva" (each individual is divinity itself). This became his Mantra, and he coined the concept of daridra narayana seva-the service of God in and through (poor) human beings. As the book addresses this crucial issue quite deftly, it is hoped that it would prove to be a source of great information for the reader.

CONTENTS • Life Sketch of Swami Vivekananda • Birth and Early Years • Swami Vivekananda: Life and Teachings; Our Master and His Message • As Disciple of Ramakrishna; Bhakti Yoga • Training of the Disciple • A Wandering Monk • Swami and Parliament of Religions; Vivekananda in America • Vivekananda Experiences in the Western World • Sayings of Swami Vivekananda • Quotation of Swami Vivekananda • Last Days of Vivekananda This book comprises of a choice collection of Swami Vivekananda's utterances culled from his numerous speeches and writings, arranged under 44 suitable sections. It is a treasure house of thoughts of power to inspire and guide mankind in its march towards the Supreme Reality. Covering the entire cyclorama of ma's life and its evolutionary movement, the electrifying gospel of this great

Swami includes within its fold everything that would go to inspire and awaken a drooping soul by reminding him of his infinite potentialities and inherent greatness, and making him move ahead on the difficult terrain of life and circumstances. This book is a must for all those who earnestly wish to move ahead in the grand march of life, infested with tremendous obstacles and difficulties, towards the state of Supreme Felicity. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India. Arguably, the greatest achievement of Swami Vivekananda, one of the most celebrated icons of modern India, was the reconstruction of Hinduism. This he accomplished by reforming the religion in India and changing its image in the West. Indeed, the Hinduism that Vivekananda expounded at the Parliament of World's Religions in Chicago was a new, progressive version of an ancient tradition, devoid of the superstitions and distortions with which it had come to be associated. He revolutionized Hindu faith traditions by turning them into a repository of rational, universal philosophy. This book tries to get to the heart of Swami Vivekananda's legacy and his relevance in the contemporary world. It examines hitherto lesser-known aspects of Swamiji's life and work including his contributions to practical Vedanta, universal religion, science-spirituality and inter-religious dialogue, dharmic secularism, educational philosophy, poetry, and, above all, to the problem of Indian modernity. Despite the

abundance of literature available on him, Swami Vivekananda is still not understood adequately, remaining somewhat of an enigma. A fresh reading of the life and times of the Swami by someone who has studied him closely, Makarand R. Paranjape's detailed, thought-provoking account shows that in Vivekananda's visionary thoughts lay the seeds of the creation of a modern India. This book reclaims Swami Vivekananda's stature as a pioneer of contemporary Hindu thought and nationalism. Bhakti yoga is a spiritual path or spiritual practice within Hinduism focused on the cultivation of love and devotion toward God. It has been defined as a practice of devotion toward God, solely motivated by the sincere, loving desire to please God, rather than the hope of divine reward or the fear of divine punishment. It is a means toward a state of spiritual liberation or enlightenment through the "realisation", or the attainment of "oneness" with God. Bhakti yoga is often considered by Hindus to be the easiest way for ordinary people to attain such a spiritually liberated state, because although it is a form of yoga, its practice is not as rigorous as most other yogic schools, and it is possible to practice bhakti yoga without needing to become a full-time yogi. The origins of Bhakti can be seen in the upanishads, specifically the Shvetashvatara Upanishad. The Bhagavad Gita, and the Puranas are important scriptures that expound the philosophy of bhakti yoga. Hindu movements in which bhakti yoga is the main

practice are called bhakti movements - the major schools of which are Vaishnavism, Shaivism, and Shaktism. With historical-critical analysis and dialogical even-handedness, the essays of this book re-assess the life and legacy of Swami Vivekananda, forged at a time of colonial suppression, from the vantage point of socially-engaged religion at a time of global dislocations and international inequities. Due to the complexity of Vivekananda as a historical figure on the cusp of late modernity with its vast transformations, few works offer a contemporary, multi-vocal, nuanced, academic examination of his liberative vision and legacy in the way that this volume does. It brings together North American, European, British, and Indian scholars associated with a broad array of humanistic disciplines towards critical-constructive, contextually-sensitive reflections on one of the most important thinkers and theologians of the modern era. Providing an explanation of the practical and philosophical foundations of Raja Yoga, The Yoga Sūtras of Patañjali is arguably the most important text on Yogic philosophy. The Yoga Sūtras of Patañjali is widely regarded as the most authoritative text on yoga. It comprises a collection of 196 Indian sutras ("threads" - as sutra translates from Sanskrit) written 1,700 years ago. These threads or aphorisms were compiled by the Indian sage Patañjali and offer guidelines for living a meaningful and purposeful life. The book is organized into four parts and provides descriptions of the eight limbs of yoga, such as

pranayama and asana. The translated text is presented alongside a clear and insightful commentary by Swami Vivekananda, which makes them more accessible to the modern reader and yoga practitioner. His message of universal brotherhood and self-awakening remains relevant today, especially in the current backdrop of widespread political turmoil around the world. "Karma Yoga" (The Yoga of action) is an English book of Swami Vivekananda, the book was first published in February 1896 from New York. Swami Vivekananda delivered a number of lectures in his rented rooms at 228 W 39th Street in New York City from December in 1895 and January, 1896. In 1895-1895, friends and supporters of Swami Vivekananda hired a professional stenographer Joseph Josiah Goodwin (who later became a follower of Vivekananda). Goodwin recorded some of the lectures of Vivekananda, and those lectures were published as the book Karma Yoga. It is said in the practice of Vedanta that we have a right to work, but don't have a right to the results of our actions. We have to work as hard as we can, give the work our best quality effort, then step back and let the results take care of themselves. Or in the practice of yoga, offer the results to God. Work purifies the soul. This concept is a bit different than many of us have been taught in the West, but the book offers an interesting approach that can save us from a lot of misery and bring us closer to God. In fact, you don't even need to believe in God to practice this yoga. Swami

Vivekananda philosophy was a blend of the traditional values and modern thoughts, as well as human values and superhuman thoughts. Although he lived only for thirty-nine years, he influenced the thinking of multitudes around the world. His charismatic personality and intellectual speeches made an impact that altered people's concept of Hinduism and India globally. Even today, his teachings are capable of transforming all who are keen to imbibe them. Vivekananda was born when Calcutta was India's capital under the British Raj. It was a time when the British Raj sought to change the governing system of India after the Mutiny of 1857. Swami Vivekananda preferred a modern approach to deal with the existing social problems and favoured Western ideas. This book tries to cover the life and philosophy of Swami Vivekananda comprehensively and give an insight about his personality. You Don T Simply Read A Man Like Vivekananda. In Reading Him, You Meet Him. And If You Don T Meet Him And Feel Him Contemporaneously, You Can Understand Little Of The Meaning Of What He Is Saying. In The Course Of A Short Life Of Thirty-Nine Years, Swami Vivekananda Came To Be Regarded As The Patriot Saint Of Modern India. Despite All That Has Been Written About His Life And His Epoch-Making Address At The Parliament Of Religions In Chicago, 1893, Swami Vivekananda Remains A Paradox: Much Is Known About Him, But Very Little Is Understood About The Man And His Relevance To Our Own Troubled Times. In

Swami Vivekananda: The Living Vedanta, Chaturvedi Badrinath Looks Behind The Iconic Façade, Seeking To Liberate Vivekananda From The Confines Of The Worship Room. He Examines The Various Facets Of A Man Who Was As Much At Ease With Philosophical Discourse As He Was With Cooking; Whose Childlike Love For Ice Cream Went Hand In Hand With His Stature As A Prophet. The Author Also Throws Light On The Various Relationships That Shaped Swamiji S

Philosophy Of Vedanta And Formed The Core Of His Teaching With His Spiritual Guru Sri Ramakrishna Paramahansa, His Mother Bhubaneswari Devi, And His Many Followers In The West, Mostly Women, Who Became Central To His Life And Work. Well Researched And Brimming With A Wealth Of Detail, Swami Vivekananda: The Living Vedanta Offers An Unforgettable Insight Into The Life And Times Of This Renaissance Figure A One Who Was The Very Embodiment Of The Vedanta That He Preached. Raja Yoga is a book by Swami

Vivekananda about the path of Raja Yoga. The book was first published in July 1896. It is one of the most well-known books by Vivekananda. According to Vivekananda, the goal of Raja Yoga is how to concentrate the mind, how to discover the innermost recesses of our own mind and how to generalise their contents and form our own conclusions from them. In order to obtain the goal, practice is absolutely necessary. The appendix contains the translation of the Yoga Sutras of Patanjali.
