Midnight: Called by StarClan to fulfill a new prophecy, a group of young cats sets out on a long and dangerous journey, knowing only that trouble threatens the forest, as the adventures of the warrior clans continue. Return to Nalini Singh's darkly passionate Guild Hunter world with this New York Times bestseller, where human-turned-angel Elena Deveraux, consort to Archangel Raphael, is thrust center stage into an eons-old prophecy... Midnight and dawn, Elena's wings are unique among angelkind—and now they are failing. The first mortal to be turned into an immortal in angelic memory, she's regressing. Becoming more and more human. Easier to hurt. Easier to kill. Elena and Raphael must unearth the reason for the regression before Elena falls out of the sky. Yet even as they fight a furious battle for Elena's very survival, violent forces are gathering across the world. In China, the Archangel Favashi is showing the first signs of madness. In New York, a mysterious sinkhole filled with lava swallows a man whole. In Africa, torrential monsoon rains flood rolling deserts. And in Elena's mind whispers a haunting voice that isn't her own. This time, survival may not be possible...not even for the consort of an archangel. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. A thrilling new series soars above the competition and redefines middle-grade fantasy fiction for a new generation!The seven dragon tribes have been at war for generations, locked in an endless battle over an ancient, lost treasure. A secret movement called the Talons of Peace is determined to bring an end to the fighting, with the help of a prophecy -- a foretelling that calls for great sacrifice.Five dragonets are collected to fulfill the prophecy, raised in a hidden cave and enlisted, against their will, to end the terrible war.But not every dragonet wants a destiny. And when the select five escape their underground captors to look for their original homes, what has been unleashed on the dragon world may be far more than the revolutionary planners intended. . . . Return to Miss Stretchberry's class with Jack, the reluctant poet, who over the course of a year encounters new and challenging things like metaphors, alliterations, onomatopoeia, and one mean fat black cat! The Newbery Medal-winning author of Walk Two Moons, Sharon Creech, introduced Jack in Love That Dog, a New York Times bestseller. Both Love That Dog and Hate That Cat are approachable, funny, warm-hearted introductions to poetry told from the point of view of a very real kid wrestling with school assignments. These books are fast reads that will be welcomed by middle graders as they too wonder how poetry and schoolwork connect with their interests and how to uncover their true voices. In Hate That Cat, Jack is only trying to save that fat black cat stuck in the tree by his bus stop—but the cat scratches him instead! At school Miss Stretchberry begins teaching new poems, everything from William Carlos Williams to Valerie Worth to T.S. Eliot. As the year progresses, Jack gradually learns to love that cat and finds new ways to express himself. For use in schools and libraries only. After the warrior cat Clans settle into their new homes, the harmony they once had disappears as the clans start fighting each other, until the day their common enemy, the badger, invades their territory. A quality pew and ministry Bible at a very economical price. - Complete text with subject headings and translators' footnotes. For generations, four clans of wild cats have shared the forest. When their warrior code is threatened by mysterious deaths, a house cat named Rusty may turn out to be the bravest warrior of all. In this book, Rex D. Butler examines the Passion for evidence of Montanism and proposes that its three authors--Perpetua, Saturus, and the unnamed editor--were Montanists. NATIONAL BESTSELLER • “A startling vision of what the cycles of history predict for the future.”—USA Weekend William Strauss and Neil Howe will change the way you see the world—and your place in it. With blazing originality, The Fourth Turning illuminates the past, explains the present, and reimagines the future. Most remarkably, it offers an utterly persuasive prophecy about how America's past will predict its future. Strauss and Howe base this vision on a provocative theory of American history. The authors look back five hundred years and uncover a distinct pattern: Modern history moves in cycles, each one lasting about the length of a long human life, each composed of four eras—or "turnings"—that last about twenty years and that always arrive in the same order. In The Fourth Turning, the authors illustrate these cycles using a brilliant analysis of the post-World War II period. First comes a High, a period of confident expansion as a new order takes root after the old has been swept away. Next comes an Awakening, a time of spiritual exploration and rebellion against the now-established order. Then comes an Unraveling, an increasingly troubled era in which individualism triumphs over crumbling institutions. Last comes a Crisis—the Fourth Turning—when society passes through a great and perilous gate in history. Together, the four turnings comprise history's seasonal rhythm of growth, maturation, entropy, and rebirth. The Fourth Turning offers bold predictions about how all of us can prepare, individually and collectively, for America's next rendezvous with destiny. The warrior cat Clans arrive at their new home and set about exploring and fighting over the unfamiliar territory. #1 NEW YORK TIMES BESTSELLER! ONCE UPON A BROKEN HEART marks the launch of a new series from Stephanie Garber about love, curses, and the lengths that people will go to for happily ever after For as long as she can remember, Evangeline Fox has believed in true love and happy endings . . . until she learns that the love of her life will marry another. Desperate to stop the wedding and to heal her wounded heart, Evangeline strikes a deal with the charismatic, but wicked, Prince of Hearts. In exchange for his help, he asks for three kisses, to be given at the time and place of his choosing. But after Evangeline's first promised kiss, she learns that bargaining with an immortal is a dangerous game — and that the Prince of Hearts wants far more from her than she'd pledged. He has plans for Evangeline, plans that will either end in the greatest happily ever after, or the most exquisite tragedy. Explores the growth of Christianity in inland Roman Asia, as cities and rural communities moved away from polytheistic Greco-Roman religion. For generations, four clans of wild cats have shared the forest. When their warrior code is threatened by mysterious deaths, a house cat named Rusty may turn out to be the bravest warrior of all. Before there is peace, blood will spill blood. The Clans have finally arrived in their new home, and now they must struggle to establish territories and learn the hidden dangers of this unfamiliar world. Most important, they must find a replacement for the Moonstone--a place to communicate with StarClan. But more than one cat is harboring sinister plans that could lead to violence and darkness, and as the warriors wait for a sign, they begin to realize that the threats they face in the forest may not be as perilous as the threats they face from within. This study of Montanism is the first in English since 1878. It takes account of a great deal of scholarship of the nineteenth and twentieth centuries and refers to the epigraphical evidence. Dr Trevett questions some of the most cherished assumptions about Montanism. She covers the origins, development and slow demise, using sources from Asia Minor, Rome, North Africa and elsewhere and pays particular attention to women within the movement. The rise of Montanism was important in the history of the early church. This prophetic movement survived for centuries after its beginnings in the second half of the second century and was a challenge to the developing catholic tradition. Christine Trevett looks at its teachings and the response of other Christians to it. To an unusual degree Montanism allowed public religious activity and church office to women. Supports the Common Core State Standards Fans of the hit TV show Heroes will love Quantum Prophecy! Ten years ago, all the superhumans vanished. No one knows what happened to them--until now. Thirteen-year-olds Danny and Colin are shocked to discover that they are in fact the beginning of a renewed superhuman race. As they rise to take the place of the lost generation, the unimaginable truth behind the explosive final battle that occurred ten years ago between the superheroes and the supervillains is exposed. And when the past resurfaces, Danny and his fellow superheroes must face the new challenges that threaten their survival. On the run from everyone, and not knowing who is friend or foe, the one ability the new heroes are going to need most is the power to distinguish good from evil. From one of the world's most beloved Bible teachers comes a timely, compelling, and comprehensive biblical interpretation of Bible prophecy, the end times, and the apocalypse viewed through the lens of current world events. Many Christians struggle to understand the Book of Revelation. “The end times.” “The apocalypse.” “The day of judgment.” These terms are both fascinating and frightening – but what do they really mean? Drawing from decades of study, Dr. Jeremiah explains every key sign of the approaching apocalypse and what it means for you, including international, cultural, heavenly, tribulation, and end signs. With his engaging writing style and clear analysis of how current world events were foretold in the Bible, The Book of Signs is an encouraging guide to the Book of Revelation. In The Book of Signs, Dr. David Jeremiah offers answers to questions including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? An epic and authoritative guide to biblical prophecy, The Book of Signs is a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God's promises for the future with a renewed sense of hope and purpose. A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of Beyond Belief. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as "the Jewish War," in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as "Christians" seized on John's text as a weapon against heresy and infidels of all kinds-Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how

often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text. From the New York Times bestselling author of the Covenant and Lux series comes the pulse-pounding fourth novel in the electrifying Titan series. 'Jennifer L. Armentrout is such an amazing writer; my heart is still beating hard against my rib cage.' - Book Gossips 'A drum-tight sense of suspense and sexual tension from the first page to the last' Publishers Weekly History is on repeat... Seth never thought he'd have a future. Now he's on the brink of having it all: A tomorrow. A family. All that's standing in the way of that forever with Josie is the Titans. A price must be paid... For Josie, entombing the Titans is what she was born to do. But she also knows she's not fighting just for herself -- she's fighting for the man she loves, for their future, for the world. Together, Josie and Seth will face the unthinkable. And to win this war, the ultimate sacrifice must be made. For the end is here and the Prophecy will be fulfilled.... One kingdom. Three worlds. An all-new series packed with high-stakes adventures from bestselling Warriors author Erin Hunter, perfect for fans of Wings of Fire and Endling. The pandas of the Bamboo Kingdom have never forgotten the great flood that ended the peaceful life they'd always known. But for three young creatures born that day, the flood marks not an end, but a beginning—the beginning of their struggles to find a place in very different worlds. Leaf, raised in the sparse Northern Forest, works tirelessly to help her family find bamboo to eat; Rain, hot-tempered, refuses to accept a suspicious new leader in her Southern Forest community; and Ghost, clumsy and uncoordinated, worries he'll never fit in with his hunter family in the mountains. None of them know that the others are out there, but thanks to a mysterious tiger that's been threatening the Kingdom, they will soon find each other—and fulfill a prophecy that had been made long before they were born. This first book of a thrilling new animal adventure series from Erin Hunter is sure to enthrall readers of her other bestselling series. Fans will love having a new universe to immerse themselves in! I will always remember it as the day my world of waiting tables with my brother Tannis in a small peaceful village was suddenly and violently torn asunder. The very earth I stood upon crumbled and quaked and I was suddenly swept off into the unknown. Looking back it wasn't the darkness that I feared, but the knowledge that unseen hands had the power to pull me into it. I had no knowledge of Wizards, Dragons, Trolls, and other monstrosities that thrive in the dark places of the world, but when you have been swept off your feet you have little control of how and where you might land. Through my travels, I discovered great peoples of the world and have seen both the light and dark that inhabits the hearts of men. And if I live to see this all set right I will always say that it was the love of life and the adventures that were set in motion that great day that gave me the power to be a light in the dark. -Hidden Journals of Jadeance of Tigman Volume II 5E-862. In the exciting second Warriors story arc, the wild cats of the forest have lived in peace and harmony for many moons—but new prophecies from their warrior ancestors speak of a mysterious destiny and grave danger for the clans. The final title in this thrilling feline fantasy adventure. Soon after the cats reached their new home by the lake, ThunderClan's medicine cat Leafpool received an ominous warning from StarClan: Before there is peace, blood will spill blood, and the lake will run red. As the Clan slowly recovers from a devastating badger attack, Leafpool can't help but wonder... do her prophetic dreams mean there are even worse dangers still in store for the warrior cats? At the same time, shadows of the past continue to haunt the forest as some old friends struggle to find their place, others appear to be lost forever, and an old enemy finds a new way to resurface in a quest for dark revenge. A sinister path is unfolding, and the time is coming for certain warriors to make the choices that will determine their destiny . . . and the destiny of all the Clans. The last volumes in the series of William Blake's Illuminated Books reveal the writer and artist as a prophet driven by a sense of apocalyptic urgency. Blake conceived and executed The Continental Prophecies and The Urizen Books in the early 1790s, capturing the intellectual and spiritual turmoil of the American and French revolutions. Here, for the first time, the general reader will encounter Blake's most intense vision in reproductions that do justice to the originals, accompanied by texts, comprehensive notes and commentaries, and detailed interpretations of the designs. The Continental Prophecies, which comprises "America," "Europe," and "The Song of Los," presents Blake's critical reckoning with the history of his own times. Marked by a particularly close integration of word and image, the books form a mythical plot from historical events and criticize the intricate structure of social oppression that the author attributes to organized state religion. Each of the three books attempts to point a way toward the process of millennial liberation. These volumes complete the six-part series of William Blake's Illuminated Books, including Jerusalem, Songs of Innocence and of Experience (now available in paperback), The Early Illuminated Books, and Milton, A Poem, all published by Princeton University Press. As a beleaguered galaxy fights its way back from the brink of destruction, the Jedi's most fearsome enemy plots to end the war—and claim victory—with a final act of domination. . . . The troubles for the embattled living planet Zonama Sekot have just begun. As Luke Skywalker and Jacen Solo negotiate its place in the galactic struggle against the Yuuzhan Vong, one of its organic ships is taken by the alien invaders. Scientist Nen Yim is ordered to use the captive to find weak spots in Zonama Sekot's technology. But what Nen Yim discovers about the planet and its mysteries shocks her to the core. Clearly her people have gone terribly astray. For the peace-loving planet harbors not only the key to its own destruction, but the long-forgotten secrets of the Yuuzhan Vong themselves. Meanwhile, General Wedge Antilles, commanding one fleet in a three-pronged campaign to retake the Bilbringi system, is suddenly stranded deep in Yuuzhan Vong space, cut off from all contact. Wedge and his ships must rely on trickery and brilliant battle tactics if they are to survive long enough to ensure the success of one of the deadliest and most crucial missions the Galactic Alliance forces have ever seen. . . . In the exciting second Warriors story arc, the wild cats of the forest have lived in peace and harmony for many moons—but new prophecies from their warrior ancestors speak of a mysterious destiny and grave danger for the clans. The fourth of six titles in this thrilling feline fantasy adventure.
