Business Dining Etiquette Oct 21 2022 Did you know that more than 50% of all business is finalized at the dining table? In our rapidly growing economy, doing business over a meal is an essential part of doing business. It's in this type of setting that our table manners show off our level of polish, sophistication, and education. Business dining is a chance for you to have face-to-face interactions with other business entities and clients and build rapport and the all-important relationship. Your lack of professionalism at the dining table will reflect poorly on your company's reputation as well as your own reputation. The impression you create in this environment will create more business, close the deal, or break the deal. Critical mistakes in business dining like discussing business matters at an inappropriate time, holding flatware improperly and inappropriate dinner banter will leave a bad taste in the mouth of your client or prospect. Also, if your table manners say, "Barbarian," people will wonder what other part of your education is lacking. We may not like it, but people do judge us by our table manners. This book helps you to overcome those obstacles to ensure you only make a great impression in any dining experience. For those international travelers we included the dining etiquette rules from around the world, including proper salutations to help you put your best foot forward.

GuyRules Nov 10 2021 The Unspoken-and Previously Unrecorded- Rules That Govern Men's Social Behavior Garland Green, Bill Meyers, and Dan Hartshorn Remember The Rules? Well, these ain't them. These are GuyRules, the unspoken-and until now unrecorded-rules that govern men's lives. For generations, men have jealously guarded these secrets, leaving women struggling to figure out what the heck was going on. Now the secret is out. GuyRules is based on a wildly popular Web site started two years ago by the authors, who contributed the first 110 rules. They then encouraged other guys to submit their own rules (provided they could pass a "Guy Test," included in the book), and things took off. The book is divided into chapters covering:* Buddies: "A Guy must compete for the biggest scar and most painful story. The Guy with the ugliest scar and the most grotesque story will win the Scar-Off Olympics."* Ego: "Guys are never lost and they never need a map. They've just chosen to take an alternate route at this particular juncture."* Hygiene: "One true measure of Guydom is how well a Guy can burp. Amongst Guys the belch is a true work of art. "While GuyRules is funny, it is also true. For the first time in history, guys from around the world explain in their own words why they do the things they do. Every true Guy who reads GuyRules will recognize himself immediately, and women will instantly recognize the Guys they love-and love to hate.
