Mastering the Great Table Apr 04 2021 Following the Enochian material that would become the Heptarchia Mystica, John Dee and Edward Kelley received a grid of letters called the Great Table that encodes a complex hierarchy of angels and demons, and a series of conjurations in the Angelic language called the Angelic Keys. These conjurations and the structure of the Great Table itself have inspired individual magicians and entire magical orders for centuries. Author Scott Michael Stenwick now does for the Great Table what he did for the Heptarchia Mystica in the first volume of this series, presenting the material in a manner that is true to Dee and Kelley's original schema along with a ritual template that includes both modern and traditional grimoire techniques. The entities of the Great Table possess a vast collection of powers well-suited to practical magical work, and have been employed in some of the most effective operations of the modern era. Unlock the secrets of the Great Table, and put them to work transforming your life.

The Lost Art of Enochian Magic Jan 25 2023 A practical guide to Dr. John Dee's angelic magic • Contains instructions for performing Enochian magic meditations • Examines John Dee's original diaries from the British Library • Includes a CD of Enochian calls taught to Dee by the angels Enochian magic is a powerful, ancient system for opening portals to heavenly realms and enabling the ascent to God. The basis for many of the modern systems of magic, including the Golden Dawn, Enochian magic is named after the biblical prophet Enoch, who received the same knowledge and wisdom that was later conveyed to the astrologer to the court of Queen Elizabeth I, Dr. John Dee, by angels in the 16th century. In *The Lost Art of Enochian Magic* John DeSalvo traces the history of magic--from the earliest civilizations of the Akadians and Egyptians through the Greco-Roman period and up to the present time--to reveal how magic has penetrated and influenced our religious beliefs and practices today. Through his unprecedented investigation into the angelic magic of Dr. John Dee, during which time he deciphered Dee's original phonetic notations in the margins of Dee's 16th-century diaries, DeSalvo learned to properly reproduce the "Enochian calls," which act like mantras in opening higher realms and invoking angels, key to this type of magical practice. DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies. In addition to providing detailed instructions for performing the magical meditations, this book includes a CD of Enochian calls to demonstrate and guide the correct pronunciation needed to practice Enochian magic.

I have also included a few more risqué chapters at the end about how to work Enochian sex magic, as well as a chapter on how to properly work with the cacodemons. Included are many black & white (in this edition to lower costs) images of the tools, as well as multi shaded diagrams for easier comprehension. It has been many years in waiting, and I am finally releasing my Grimoire of Enochian magic in regular print form. Before it was only available in a leather covered handbound (by me) edition. John Dee and the Empire of Angels Jun 06 2021 A comprehensive look at the life and continuing influence of 16th-century scientific genius and occultist Dr. John Dee • Presents an overview of Dee's scientific achievements, intelligence and spy work, imperial strategizing, and his work developing methods to communicate with angels • Pieces together Dee's fragmentary Spirit Diaries and examines Enochian in precise detail and the angels' plan to establish a New World Order • Explores Dee's influence on Sir Francis Bacon, modern science, Rosicrucianism, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey Dr. John Dee (1527-1608), Queen Elizabeth I's court advisor and astrologer, was the foremost scientific genius of the 16th century. Laying the foundation for modern science, he actively promoted mathematics and astronomy as well as made advances in navigation and optics that helped elevate England to the foremost imperial power in the world. Centuries ahead of his time, his theoretical work included the concept of light speed and prototypes for telescopes and solar panels. Dee, the original "007" (his crown-given moniker), even invented the idea of a "British Empire," envisioning fledgling America as the new Atlantis, himself as Merlin, and Elizabeth as Arthur. But, as Jason Louv explains, Dee was suppressed from mainstream history because he spent the second half of his career developing a method for contacting angels. After a brilliant ascent from star student at Cambridge to scientific advisor to the Queen, Dee, with the help of a disreputable, criminal psychic named Edward Kelley, devoted ten years to communing with the angels and archangels of God. These spirit

communications gave him the keys to Enochian, the language that mankind spoke before the fall from Eden. Piecing together Dee's fragmentary Spirit Diaries and scrying sessions, the author examines Enochian in precise detail and explains how the angels used Dee and Kelley as agents to establish a New World Order that they hoped would unify all monotheistic religions and eventually dominate the entire globe. Presenting a comprehensive overview of Dee's life and work, Louv examines his scientific achievements, intelligence and spy work, imperial strategizing, and Enochian magick, establishing a psychohistory of John Dee as a singular force and fundamental driver of Western history. Exploring Dee's influence on Sir Francis Bacon, the development of modern science, 17th-century Rosicrucianism, the 19th-century occult revival, and 20th-century occultists such as Jack Parsons, Aleister Crowley, and Anton LaVey, Louv shows how John Dee continues to impact science and the occult to this day.

Decoding the Enochian Secrets Mar 27 2023 The ultimate source text of Enochian Magic never before available in book form • Contains the actual and complete Tables of Enoch given to Dr. John Dee by the Angels • Explains the difference between Dee's Tables of Enoch and the apocryphal Book of Enoch • Includes directions for powerful magic rituals and meditations using these tables • Presents a reconstruction of the possible 49th missing Table of Enoch Originally considered a vital part of inspirational literature used by the early church, the Book of Enoch never made it into the cannon or accepted books of the Old Testament because of its strange and mysterious content about Enoch's experiences in the higher realms, or heavens. The real Book of Enoch, which is a set of almost 100 mystical tables, was given again to humankind in the 1580s, when it was conveyed directly by angels to Dr. John Dee, a 16th-century mathematician, scientist, occultist, and the astrologer of Queen Elizabeth I. Called "the most important book ever given to man by God" by Dee's angelic messengers, the Book (or Tables) of Enoch is said to hold all the secrets of heaven and earth and the physical and spiritual realms. Decoding the Enochian Secrets reproduces for the first time ever the exact and complete copy of these tables, which are housed in the British Library. The tables are written in the handwriting of Dr. Dee and Edward Kelly, Dee's assistant and scryer. The tables also include the phonetic pronunciations, written by Dee in the margins, of all the magical Enochian Calls. Covering the history of this Book or Tables of Enoch, John DeSalvo explains the difference between these tables and the apocryphal Book of Enoch and examines how later magicians such as Aleister Crowley used them. Including Enochian Magic Meditations and rituals, Decoding the Enochian Secrets presents the source text to the most powerful form of magic known to mankind.

Arguing with Angels Apr 16 2022 An exploration of John Dee's Enochian magic of angel contact, its reinterpretation over the years, and its endurance to the present day.

Enochian Magic and the Higher Worlds Jan 13 2022 A step-by-step guide to the rituals of Enochian magic for reaching the higher spiritual realms • Reveals missing practical instructions for the Enochian magic system received by John Dee and Edward Kelley • Explains that the angelic realm is only the first and farthest away of the spiritual realms surrounding God • Shows how to connect with the higher worlds beyond the angels to tap more fully in to the magical power of the Divine In this comprehensive introduction to Enochian magic and beyond, John DeSalvo explains

how the magic system transmitted by the angels to John Dee and Edward Kelley in the 16th century has until now remained incomplete and thus not as powerful as the angels intended. Drawing on his in-depth study of John Dee's diaries, DeSalvo explains how Dee and Kelley were given the Enochian tables and calls but their communications with the angels were severed before they received the full practical instructions for Enochian magic. To this day, most magical groups improvise and make up rituals based on their own ideas and imagination--the magic they practice is not true angelic magic. After many successful Enochian magic rituals and years of his own spiritual work, DeSalvo has discovered additional key pieces to the magical system of Dee and Kelley, a system now known as Power Magic. He provides step-by-step instructions for more complete and accurate Enochian magic rituals and reveals how the angelic realm is only the first and farthest away of the spiritual realms surrounding God. He explains how to penetrate this angelic realm with Power Magic to reach higher spiritual worlds and receive more powerful knowledge and energy. He shows that by connecting with the higher worlds beyond the angels, we can tap more fully in to the magical power of the Divine and begin restoring the planetary magic of our most ancient ancestors.

The Enochian Magick of Dr John Dee Jun 18 2022 You may have heard people speak of it in hushed tones: Enochian magick! Some say it is dangerous. Others say it is the most powerful magick known. Now you can find out the truth when you read *The Enochian Magick of Dr. John Dee* by Geoffrey James (previously published as *The Enochian Evocation of Dr. John Dee*). This system was received by Dr. John Dee, astrologer to Queen Elizabeth I of England, and his assistant, Edward Kelly. Together, through a series of evocations, they discovered a system of magick so potent that some people fear to use it. Now you can learn the entire Enochian system as never before. Previously, people went to secondary sources such as the Golden Dawn or Aleister Crowley for information on the Enochian system. Here, for the first time, are the diaries of Dr. Dee, which reveal the entire system so you can use it for a wide variety of magical purposes. Presented here is the definitive version of the forty-eight angelic keys according to Dee himself. Revealed are the names of the sixteen good angels who are most skilled and powerful in medicine and in the curing of diseases, as well as the sixteen angels of the four elements. Every step of the method by which Dee and Kelly worked their evocations is fully explained so you can recreate their experiments and tap into some of the most powerful magick available.

Enochian Tarot Mar 03 2021 Now you can discover the divinatory power of the Tarot combined with the magickal power of the Enochian system, in *The Truth About the Enochian Tarot* by Gerald and Betty Schueler. People have used the Tarot for centuries as a tool for divination and meditation. Yet, as the human race became more complex, there was a need for an equally evolved Tarot. In 1988 the Enochian Tarot was designed to fill that need. This deck is explained in *The Truth About the Enochian Tarot* by the creators of that deck. In this book you will learn: ·A brief history of the Tarot ·The development of the Enochian Tarot system ·The cosmic planes of Enochian magick ·A brief history of Enochian magick ·Tarot card meanings for the Major Arcana ·Tarot card meanings for the Minor Arcana ·How the Enochian Tarot works Enochian Magick was developed by Dr. John Dee (court astrologer to Queen Elizabeth I) and his psychic partner Edward Kelly. Dee and Kelly discovered—or rediscovered—an ancient language they called the Angelic, or Enochian, language. They were also informed of the subtle invisible worlds ("Watchtowers" and "Aethyrs") that surround the Earth. The magician visits these subtle regions and converses with their inhabitants and rulers. Some people have called the Enochian system the most powerful system of magick available. However, the system is also complex. This has kept many people from tapping into its power. *The Truth About the Enochian Tarot* presents this system and the Tarot in a way that is clear and highly accessible. John Dee's Five Books of Mystery Aug 20 2022 Discovered in a hidden compartment of an old chest long after his death, the secret writings of John Dee, one of the leading scientists and occultists of Elizabethan England, record in minute detail his research into the occult. Dee concealed his treatises on the nature of humankind's contact with angelic realms and languages throughout his life, and they were nearly lost forever. In his brief biography of John Dee, Joseph Peterson calls him a "true Renaissance man" detailing his work in astronomy, mathematics, navigation, the arts, astrology, and the occult sciences. He was even thought to be the model for Shakespeare's Prospero. All this was preparation for Dee's main achievement: five books, revealed and transcribed between March 1582 and May 1583, bringing to light mysteries and truths that scholars and adepts have been struggling to understand and use ever since. These books detail his system for communicating with the angels, and reveal that the angels were interested in and involved with the exploration and colonization of the New World, and in heralding in a new age or new world order. While Dee's influence was certainly felt in his lifetime, his popularity has grown tremendously since. His system was used and adapted by the Hermetic Order of the Golden Dawn, and subsequently by Aleister Crowley. This new edition of John Dee's Five Books of Mystery is by far the most accessible and complete published to date. Peterson has translated Latin terms and added copious footnotes, putting the instructions and references into context for the modern reader.

Practical Enochian Magick Sep 09 2021 Enochian Magick is arguably the most intriguing and potent form of ceremonial magick available today. Dr. John Dee, a prominent philosopher in the Elizabethan court, literally received this system of magick from angels through the scrying mediumship of Edward Kelly. This book offers a complete approach to conducting this magical system for the modern adept. It contains instructions in the practical use of all three major parts of the Enochian system: the Four Watchtowers, the Thirty Aethyrs and the Heptarchia Mystica. Rather than a mere rehash of Golden Dawn material this book offers an approach that honors both the innovations of the Golden Dawn and the essence of the original Dee materials in an un-dogmatic and nonsectarian format that is extremely accessible. Although this book is particularly designed for students of the New Hermetics, any practicing occultist interested in the Enochian system will find this book incredibly useful.

The Angelical Language, Volume II Jan 21 2020 This masterwork is the most comprehensive analysis of John Dee's Angelical language ever undertaken. Most Enochian dictionaries merely present word lists--this encyclopedic textbook presents a wealth of original material and expands upon (and corrects) previously published information. It is designed so readers can actually learn the language and use it in their own magick. For the first time ever, every Angelical word recorded in Dee's books, journals, and personal grimoire is recorded and cross-referenced in a number of helpful ways, allowing the reader to recognize root words, alternate spellings, and more. The Angelical Language, Volume II includes notes about each word's definition, history, or usage--both Dee's original marginal notations and new commentary by the author. Also presented are Dee's own phonetic notations, as well as a brand-new pronunciation key designed to make it easier to speak the language. The material within these pages is based strictly upon Dee's journals and personal grimoire. There are no inclusions from later mystics or organizations. This reference work, along with its companion guide, *The Angelical Language, Volume I: The Complete History and Mythos of the Tongue of Angels*, is the authoritative guide to the celestial language in its purest form. Praise: "The Angelical Language is the single-most comprehensive text ever written on the subject of the Enochian magical system and language of Elizabethan luminary Dr. John Dee. This two-volume magnum opus demonstrates Aaron Leitch's familiarity with practical magic as well as his skill as a meticulous researcher. A must-have book."--Chic Cicero and Sandra Tabatha Cicero, Chief Adepts of the Hermetic Order of the Golden Dawn

The Enochian Evocation of Dr. John Dee Feb 26 2023 Based on the transcriptions of Dr. John Dee, the famous Elizabethan scientist and magus, *The Enochian Evocation of Dr. John Dee* is the translation of the original material received from direct Angelic contact. In 1852 Dee and his partner Edward Kelly, while gazing into a crystal stone, began to see and hear angels. These beings desired to re-establish the true art of magic, which had been lost due to man's wickedness and ignorance. The true magical art, these beings claimed, would bestow superhuman powers upon its practitioners, change the political structure of Europe, and herald the coming of the Apocalypse.

Dee believed this research would greatly benefit mankind and documented all of the channeled information into a series of manuscripts and workbooks. Author Geoffrey James presents here the direct translation of the core of the channeled material itself, framed in a historical context, with authority and integrity.

EXPLORING ENOCHIAN WORLDS Jan 01 2021 "Understand, therefore, that from the fire to the earth, there are 30 places or abidings: one above and beneath another." This is the Angel Nalvage describing the Thirty Æthyrs surrounding the Four Watchtowers of the terrestrial world of the four elements to John Dee and Edward Kelley during the reception of the Enochian system of Angel Magic in 1584. There is no record of Dee or Kelley exploring these angelic worlds - a journey which can offer a path to spiritual enlightenment. Over 300 years later, Aleister Crowley was the first. He recorded his scrying of the 30 Æthyrs in *The Vision and the Voice* (1911). Other Thelemic practitioners such as Lon Milo Duquette and David Shoemaker have subsequently published their experiences. Now join Robin E. Cousins and friends scrying through the Watchtowers and the Æthyrs in both solo and group workings and read their visionary revelations. They preferred to employ the original system of Dee and Kelley rather than the over-elaborate revision devised by the Hermetic Order of the Golden Dawn (Neo-Enochiana) and favoured by Crowley and his followers. To obtain one's Enochian bearings an overview of the Angelic Universe is provided detailing the Watchtowers and the Æthyrs, plus the rituals, invocations and calls required to cross the threshold into these magical and mysterious realms. Included are many diagrams, original and historic photographs, a detailed itinerary of Crowley's Algerian odyssey through the Æthyrs, and an exposition of the differences between the original and the Golden Dawn Enochian systems (Aleister Crowley and Enochian Magic).

Enochian Initiation Oct 30 2020 Experience a new reality through wondrous visions of the Enochian angels Enochian magick, a system of angelic evocation, is one of the oldest forms of ceremonial magick in the Western world, and perhaps the single most powerful magical system in all occultism.

It was developed by the Elizabethan magician Dr. John Dee who, with the assistance of his seer, Edward Kelly, channeled an angelic language and alphabet that is remarkably effective in opening up the mind to currents of intelligence far beyond the human norm. Whether you are a beginner on your path of study or already an advanced magician, there is something for you in Enochian Initiation. Author Frater W.I.T. shares his own experiences and deeply personal visions, expanding upon and broadening the path toward understanding forged by John Dee, Aleister Crowley, and other great magicians who have come before. By bringing this practice into the modern era, Frater W.I.T. shows how human consciousness can be expanded and examined more closely than with simple meditation, psychoanalysis, or even mind-altering drugs. For those of you who might have hesitated to study Enochian magick because you do not share the same beliefs or convictions of the deeply religious Elizabethans, rest assured that it is possible to achieve the same wondrous results within a neutral spiritual context. Frater W.I.T. has developed a nonreligious spirituality in his conjurations while still using Hebrew and Enochian divine names. Through this book, you too will learn how to develop new techniques and ideas to shape your own magical style and method. An initiate of both the Masonic and Rosicrucian schools of mystery, Frater W.I.T. has spent more than twenty years studying western occult traditions. The purpose of his life's work is to develop new methods of ceremonial magick and explore new vistas of psychic and spiritual potential.

The Winds of Wisdom Nov 30 2020 The system of Enochian magick, discovered and developed by John Dee and Edward Kelley in the 1500s, has fascinated ritual magicians for centuries. Enochian magick played a prominent role in the Hermetic Order of the Golden Dawn and its successors, and Aleister Crowley attained many of his greatest mystical insights and initiatory successes using the system. In this modern application of the approach known as "scrying the Aethyrs," noted magician, psychologist, teacher, and author Dr. David Shoemaker presents his visionary experiences with the Aethyrs, as well as a practical approach to obtaining your own visions. This book is an essential text for anyone interested in the Enochian system. "Dr. Shoemaker is not only a mature and competent practitioner of Enochian magical techniques, but is also possessed with the eloquence and insight to share what is 'shareable' of his intensely personal journey. My highest recommendation." --Lon Milo DuQuette, author of Enochian Vision Magick

Athena's advanced Grimoire of Enochian Magick Oct 10 2021 Included in the book will be lessons about how to practically work with Enochian magic, the making of the tools, how to call and work with the Enochian entities, how to travel the aethyres, and so forth. There are also many images to assist one in understanding the great table, table of practice, as well as the various other diagrams. I have also included a few more risqué chapters at the end about how to work Enochian sex magic, as well as a chapter on how to properly work with the cacodemons. Included are many FULL COLOUR images of the tools, as well as multi coloured diagrams for easier comprehension. It has been many years in waiting, and I am finally releasing my Grimoire of Enochian magic in regular print form. Before it was only available in a leather covered handbound (by me) edition. However I am now making it much more accessible to everyone.

The Complete Enochian Dictionary Dec 24 2022 The complete reference for understanding the Enochian language ("the language of the angels"), the proper pronunciation of the letters of the Enochian alphabet, and the use of evocations to call forth celestial beings and perform Enochian

magic. In 1581, Dr. John Dee, an advisor in the court of Queen Elizabeth I, began a series of scrying experiments intended to explore the ability to contact the spirit world. With Edward Kelley acting as the medium in these experiments, Dee was able to record these communications as they were transmitted in Enochian, the language of the angels. Dr. Dee's efforts furthered the development of the system of Enochian magic and his methods of invocation have been taken up and expounded upon by Aleister Crowley and many other magicians. Donald C. Laycock has thoroughly analyzed the work of Dee and Kelley. In this volume, he recounts the history of their experiments. He provides a pronunciation guide for the twenty-one letters, significant to untangling both the meaning and the derivation of the messages handed down from Dee and Kelley, and an essential Enochian/English and English/Enochian dictionary. The result is a fascinating linguistic and magical mystery story integral to any study of the Enochian tradition. This new edition of Laycock's work includes a new preface by Stephen Skinner that sets the tone and historical context for today's readers. Lon Milo DuQuette's foreword gives a delightful and edifying description of how he and his students put *The Complete Enochian Dictionary* to the test with astonishing results. This book is a must-have for any serious magician's library.

Decoding the Enochian Secrets Apr 28 2023 The ultimate source text of Enochian Magic never before available in book form • Contains the actual and complete Tables of Enoch given to Dr. John Dee by the Angels • Explains the difference between Dee's Tables of Enoch and the apocryphal Book of Enoch • Includes directions for powerful magic rituals and meditations using these tables • Presents a reconstruction of the possible 49th missing Table of Enoch Originally considered a vital part of inspirational literature used by the early church, the Book of Enoch never made it into the canon or accepted books of the Old Testament because of its strange and mysterious content about Enoch's experiences in the higher realms, or heavens. The real Book of Enoch, which is a set of almost 100 mystical tables, was given again to humankind in the 1580s, when it was conveyed directly by angels to Dr. John Dee, a 16th-century mathematician, scientist, occultist, and the astrologer of Queen Elizabeth I. Called "the most important book ever given to man by God" by Dee's angelic messengers, the Book (or Tables) of Enoch is said to hold all the secrets of heaven and earth and the physical and spiritual realms. *Decoding the Enochian Secrets* reproduces for the first time ever the exact and complete copy of these tables, which are housed in the British Library. The tables are written in the handwriting of Dr. Dee and Edward Kelly, Dee's assistant and scryer. The tables also include the phonetic pronunciations, written by Dee in the margins, of all the magical Enochian Calls. Covering the history of this Book or Tables of Enoch, John DeSalvo explains the difference between these tables and the apocryphal Book of Enoch and examines how later magicians such as Aleister Crowley used them. Including Enochian Magic Meditations and rituals, *Decoding the Enochian Secrets* presents the source text to the most powerful form of magic known to mankind.

Enochian Vision Magick Jul 19 2022 Having mastered the arts and sciences of his age, Elizabethan magus Dr. John Dee (1527-1608) resolved that worldly knowledge could no longer provide him the wisdom he desired, and as did so many other learned men of the day, he turned his attention to magick. In 1582 he and his clairvoyant partner Edward Kelley made magical contact with a number of spiritual entities who identified themselves as angels--the same that communicated with Enoch and the patriarchs of the Old Testament. Over the next 3 years they revealed to Dee and Kelley three distinct magical systems of vision magick. The third and last of these incorporated a series of "calls" to be recited in an angelic language in order to raise the consciousness of the magician to a level where angelic contact is possible. In *Enochian Vision Magick*, Lon Milo DuQuette

introduces the origins of Enochian magick and offers the expert and novice alike the opportunity not only to see the big picture of the full system but also the practical means by which he or she can become attuned in the same step-by-step manner that first prepared Dee and Kelley. First published by Weiser in 2008, this new edition includes a new introduction and new back matter by the author as well as a new foreword by Jason Louv. Replaces ISBN 978-1-57863-382-1

Practical Angel Magic of John Dee's Enochian Tables May 05 2021 Stephen Skinner has been interested in magic for as long as he can remember. He wrote, with Francis King, the classic *Techniques of High Magic* in 1976. He followed that with *Oracle of Geomancy and Terrestrial Astrology* which has become the standard work on Western divinatory geomancy. Books on Nostradamus and Millennium Prophecies followed in highly illustrated editions. Stephen is also the author of eight books on feng shui, including the first one written in English in the 20th century. In the 1970s he was responsible for stimulating interest in John Dee and Enochian magic by publishing the first reprint of Casaubon's *True and Faithful Relation of What Passed for Many Yeers between Dr John Dee and some Spirits.* and Dr Donald Laycock's key reference book on the angelic language *The Complete Enochian Dictionary*. With David Rankine, he discovered what happened to Dee's most important manuscript, his personal book of angelic invocations which he kept in Latin, and how it was preserved and developed in the 17th century into a full working Enochian system. Only ten percent of this material reached the unpublished archives of the Hermetic Order of the Golden Dawn, and even this was then suppressed by the chiefs of the Order, so it did not appear in Israel Regardie's monumental work on the Order rituals and documents. They have also traced the routes down which were passed the classic techniques of invocation and evocation from late mediaeval grimoires, through Dee's magic, via Ashmole, and the aristocratic angel magicians of the 17th century, and Frederick Hockley to the senior magicians of the Golden Dawn.
