Billionaire Iain Pryce is marrying the love of his life, Jane Connolly, on Christmas Eve. So what happens when Jane's father insists on paying for the wedding, Salazar and Ceinlys butt heads over how the ceremony should go, and Dane tries to get Sophia to accept his proposal and give him the forever he so desperately wants? Note: This is a holiday reunion story with an ensemble cast to catch up on your favorite couple(s). Watch Iain and Jane pledge their lives to each other, and Salazar and Ceinlys settle their differences once and for all. Get this title only after you've read other books in the Pryce Family series. Romance story of a Hollywood superstar and his assistant. Ever had a secret so big your dad tries to use it to marry you off? No, just me? To avoid my father and hide my secret, I move to another city, take a job with marketing VP David Darling, and spend my weekends baking and watching corporate training videos rather than going out. Then I get an urgent Saturday call from David. It isn't a run-of-the-mill office emergency. It comes with a pink Rolls Royce and a Cinderella makeover! It should've been just one night of me playing the love of his life, but the press gets involved. David might've fanned the flames by declaring that I'm his in front of the reporters. Now the whole world thinks we're engaged, but before he can set the record straight, I propose to let the situation stay as is for three months. A fake engagement would get his psycho ex off his back, and it'd stop my dad from trying to force me into a loveless marriage. The only problem is, David keeps slipping through my carefully erected walls to make me feel special. And I don't know what I'm going to do when he finds out what I'm keeping secret... A bachelor auction, a wedding we don't remember, and a baby we don't recall making. FML. I had a plan: move to LA, get a

job, find the love of my life. Live happily ever after. I was on track for this when being assistant to gorgeous billionaire philanthropist Nate Sterling suddenly gets a whole lot more complicated. It's a dream job...until he asks me to save him from a fur-bikini-wearing, totally psycho ex-girlfriend who is determined to win him at a charity bachelor auction. All I have to do is outbid her at the auction. Easy, right? But nobody told me Nate and I had to go on an extravagant Las Vegas date afterward. Everything goes off as planned...until Nate and I wake up the next day, hung-over, wearing identical golden wedding bands and with no memory of what happened the night before. Cue major hyperventilation. But it's okay. Nothing that a quick marriage dissolution can't solve... Until the pregnancy test stick comes back with two pink lines. Marrying My Billionaire Boss is a standalone romantic comedy with a sexy billionaire, his sassy assistant, a bachelor auction, a Vegas wedding and a surprise baby. Oh, and the most hilarious and sweet proposal scene ever. No cheating, no cliffhanger. Just lots of heat, heart and humor. Grab it today! If any of my over-protective brothers ask, I'm pregnant via immaculate conception. Otherwise, the baby I'm carrying could be the death of one hot billionaire... Jo After a succession of relationships bad enough to set a Guinness World Record, running into a ruggedly handsome billionaire feels like a sign. Edgar is from out of town, mesmerizing, and his voice reminds me of Louisiana heat. Just listening to him makes my toes curl. So I throw aside all caution and spend the hottest night of my life in his bed, knowing we'll never see each other again. Until a positive pregnancy test brings him back into my life. And now he only wants to marry me to do right by the baby, but here's the thing... I'll never settle. I want what my parents have: true love. Nothing--not even the electric chemistry that crackles every time Edgar and I are together--will deter me from that goal. Edgar Love is like alcohol. It destroys clarity and impairs judgment. I've seen my parents making one bad decision after another in the name of love, destroying our family. But Jo wants love before she'll marry me. So I'll approximate it. Unlike my father, I'll make sure my child knows she's cherished (contrary to what Jo thinks, I know it's a girl). I'm too sensible to fall in love and disrupt my already well-ordered life, even though every second I spend with her feels like skydiving without a parachute... A simple deal... Complicated emotions...I'm used to cleaning up after my boss, Hollywood superstar and all-around bad boy Ryder Pryce-Reed. Nothing can shock me now--not the countless "humped and dumped" women or the wreckage left in the wake of his wild ways--until he asks me to marry him.....for a year.He says it's strictly so he can claim his beloved grandfather's painting, but I know there's more. There's always more with Ryder.My instincts say no, but he's offering to take care of the baby in my womb. Since my self-centered ex isn't going to play the father, I

say yes, while steeling my heart. I can't afford to fall for a man who only wants me for a year.But how can I resist the sexiest man alive when he turns on his formidable charm to give everyone a good show? And how does a simple girl like me deal with the spotlight as his fiancée...or the scandal that explodes in our faces? Seventeen-year-old Aisha hasn't seen her sister June for two years. And now that a calamity is about to end the world in nine months' time, she and her mother decide that it's time to track her down and mend the hurts of the past. Along with Aisha's boyfriend, Walter and his parents (and Fleabag the stray cat), the group take a roadtrip through Malaysia in a wildly decorated campervan - to put the past to rest, to come to terms with the present, and to hope for the future. Hot. Sexy. Desirable. Three words I should never associate with Kristen...but I do. It's wrong, of course. Not only is she my best friend's baby sister, but I'm not exactly the kind of guy who takes girls home to meet my mother. When a freak breaks into Kristen's apartment--nude--I know what I have to do. Watch over Kristen 24/7. Keep my hands to myself. Piece of cake, right? Newly jobless and adrift, former investment banker Kerri Wilson travels to Virginia to see her best friend and regroup, only to run into billionaire playboy Ethan Lloyd. It's been years since she's snuck out of his bed after the most amazing sex of her life, and he's so not her type--she likes them tall, dark and manageable. But he's too hot to resist, and she succumbs to another sizzling, no-strings-attached (or so she thinks) night.Unwilling to let her go this time, Ethan makes a simple proposition: a job, a place to stay, and an exclusive affair that will end when either of them finds someone else. But with her dark, painful past catching up to her, Kerri may have to bolt again--even though her heart is telling her to stay. And Ethan's not giving her up without fighting to make their "temporary" arrangement something far more permanent... WINNER OF THE NOBEL PEACE PRIZE • In this "courageous" (The Washington Post) memoir of survival, a former captive of the Islamic State tells her harrowing and ultimately inspiring story. Nadia Murad was born and raised in Kocho, a small village of farmers and shepherds in northern Iraq. A member of the Yazidi community, she and her brothers and sisters lived a quiet life. Nadia had dreams of becoming a history teacher or opening her own beauty salon. On August 15th, 2014, when Nadia was just twenty-one years old, this life ended. Islamic State militants massacred the people of her village, executing men who refused to convert to Islam and women too old to become sex slaves. Six of Nadia's brothers were killed, and her mother soon after, their bodies swept into mass graves. Nadia was taken to Mosul and forced, along with thousands of other Yazidi girls, into the ISIS slave trade. Nadia would be held captive by several militants and repeatedly raped and beaten. Finally, she managed a narrow escape through the streets of Mosul, finding shelter in

the home of a Sunni Muslim family whose eldest son risked his life to smuggle her to safety. Today, Nadia's story—as a witness to the Islamic State's brutality, a survivor of rape, a refugee, a Yazidi—has forced the world to pay attention to an ongoing genocide. It is a call to action, a testament to the human will to survive, and a love letter to a lost country, a fragile community, and a family torn apart by war. A sweet and sexy standalone romantic comedy featuring a virgin and a hot lawyer! I'm a twenty-two year-old virgin who's had five one-night stands. How's that possible? Easy. I've never gone all the way. I just chicken out and bail. Thank God, I've always selected men I'll never run across again... ..until that sexy-as-sin Matt from last weekend moves in next door... ..then shows up as a new in-house counsel at Sweet Darlings Inc. where I work. Oh...crap. But it was dark in the hotel room. If I put on a boring office outfit and Clark Kent glasses, he won't recognize me... Right? A Hot New Sexy Contemporary Romance from New York Times and USA Today Bestselling Author Nadia Lee -- featuring a driven, possessive alpha billionaire hero whose marriage is in trouble and who will do anything to save it...It's love or nothing...All Amandine Monroe ever wanted was to fit in with her glamorous and wealthy in-laws and live happily ever after with her irresistible billionaire husband Gavin Lloyd. Three years after the wedding, she's still nowhere near fitting in with her in-laws, and Gavin has given her everything--except his heart. When she finds out she's pregnant, she decides she can't raise her child in a home devoid of love. If she can't have Gavin's heart, only a divorce will do. Possessive and driven, Gavin won't let the only woman he truly cares for walk away without a fight. He demands full custody of their child or a chance for them to reconcile. Saving their troubled marriage will require more than expensive gifts and a second honeymoon. If Amandine and Gavin can't overcome their pride and private fears, they'll have to let go of each other forever... Ava The meek shall inherit the earth, they say. Bullshit. Look at me now. What do I have? Nothing. I thought I wouldn't get past a second heartbreak. I was wrong. I never should've closed myself off in tears when Lucas told me he loved me. I should've had faith he wouldn't betray me. Regaining his love will mean throwing away my pride, my armor and laying myself completely bare. I have to trust that he won't crush me at my most vulnerable. The attempt will leave me bleeding. It might just kill me. But I definitely won't survive knowing that I didn't fight for what I wanted: my future. A future with the only man I ever loved...a man more important than the very air I breathe... Lucas You gotta put yourself out there to get what you want. My ass. I bared my heart to Ava. I begged for her trust, her love. Instead she shattered my soul. She's circling me, her pretty eyes vulnerable. She won't fool me this time. I'll never give her another shot. I'll break her before she breaks me... Note: The last book in Lucas and Ava's epic love story! No cliffhanger. Elizabeth Pryce-Reed. An angel. A virgin. My first love. She was my life until she betrayed me ten years ago. So I built an empire and came after her, intent on vengeance. Instead of giving me the nasty fight I expected, she gazed at me with tragedy in her eyes...then

made an unexpected, gut-wrenching move that left me reeling...and vanished. Elizabeth might've cut me out of her life, but I haven't cut her out of mine. Nothing's over until I say it's over. Note: The epic conclusion to Elizabeth Pryce-Reed & Dominic King's romance, which started in *The Billionaire's Claim: Obsession*. "Nadia Lee keeps the stakes high and the sex hot as Dominic and Elizabeth work for their beautiful happily ever after!" - Selena Laurence, USA Today Bestselling Author "The obnoxious drummer neighbor I reported for noise pollution? Turns out he's the biggest rock star in the country! Oops." I write romance because true love doesn't happen in real life. My parents' marriage and a string of failed relationships have taught me that. Then Killian Axelrod moves in next door. He's a rock star, and hot as hell. Wicked blue eyes. A body made for sin. Cocky attitude. If he was on a romance cover, I'd one-click it without even reading the title. Too bad he's such a pain. He tries to steal my favorite specialty ice cream. He drums so loud I can't hear myself think. Then comes over in nothing but a towel when his water heater dies so he can finish his shower with my hot water. But then he cooks me breakfast. Rescues me from an evil snake. Kisses me like I'm the girl of his dreams. Sings like I'm the only one in the audience. It doesn't seem to matter to him that I'm not a size two, my yoga pants have holes, and I don't put makeup on every morning. I know there are no happy endings in real life, but Killian makes my heart flutter and makes me wonder... Can we have a romance novel ending for real? Flirting with the Rock Star Next Door is a standalone, opposites-attract romantic comedy. It comes with a hot AF rock star who thinks his next-door neighbor is a femme fatale in a T-shirt and yoga pants, a quirky romance writer with a no-filter mouth, and lots of banter. Oh, and the sexiest karaoke night ever...which has a lot more than singing. No cheating, no cliffhanger. Just oodles of heat, heart and humor. Grab it today! Romance story of a Hollywood superstar and his assistant. A Pryce Family Novel Curvaceous beauty Hilary Rosenberg doesn't believe in love. She only goes out with nice guys who won't expect passionate romance--until a notorious womanizer demands she repay a favor with four weeks of counterfeit dates. Billionaire playboy Mark Pryce doesn't do relationships. In fact, he's never been with the same woman for more than three months. But when his matchmaking mother tries to sabotage his bachelorhood, he needs a stand-in girlfriend. Luckily, Hilary owes him big time. But as they start to spend more time together, he finds himself wanting to break his first rule: never get too close... Note: Previously published as *Four Weeks Till Forever*. A sweet and sexy standalone romantic comedy! The Romans had *carpe diem*; I have *carpe David*. You know what's frustrating about the love of my life? He thinks he's in love with someone else...and has been dating her for five years! I know, right? Then they suddenly break up. And he and I are on the same business trip. My chance to convince him we're meant to be! Except when I go to his suite in my sexiest lingerie and with my sexiest toys, David's gone. Instead, there's some guy who thinks I'm the evening's professional entertainment. As if! Walking out of the room should've been the end of it... ..until that man, Luke, shows up again,

ostensibly to return something I left behind. (A sex toy...a very very dirty one...) ...and refuses to go away because we apparently have "chemistry." And okay, he's admittedly hot, but there's more to a relationship than chemistry, right...? What have I done to deserve this? Desperate to escape crushing poverty and provide for my younger sister, I took the deal. But I violated the rules by falling for Elliot Reed, the gorgeous, brilliant billionaire bad boy ... and he broke them by wanting more between us--a bond more profound than any legal contract could provide. However, my complicated past isn't the only thing derailing our marriage. Elliot has his share of skeletons in the closet, and his enemies are determined to use me to get to him. Now it's time for us to make our final stand--unite and fight for our happy ending--except it will require both of us to reveal our ugliest secrets to each other ... and the world. Even hairy, scary monsters need friends! This heartwarming tale of unlikely playmates features bright artwork and a sweet message from the author-illustrator of *Hey, Presto!* and *Good Little Wolf*. Deep in the forest lives the biggest, hairiest, scariest yeti anyone has ever seen. And he is also the loneliest yeti around. Then one day...THUNK! Someone lands on Yeti's head. And that someone isn't scared of Yeti at all. Could that someone be a friend? This fun story of fur, feathers, and friendship delights and inspires—a welcome reminder that friends can be found in even the most improbable places. An original middle-grade graphic novel starring breakout character (and New Jersey's own) Ms. Marvel! Kamala Khan (a.k.a Ms. Marvel) is stretched too thin-literally. She's having a hard time balancing schoolwork with being a good friend, being there for her family, becoming the best fanfic writer this side of the Hudson River ... and, you know, becoming a Super Hero. She's tired and just barely keeping control, BUT she's handling it. Totally. But when a mysterious robot tries to infiltrate Avengers Tower, it'll be up to Ms. Marvel to (again, literally) pull herself together, learn to ask for help, and fix the mess she's made before anyone gets hurt! What happens in Vegas stays in Vegas... Except when you drunk-marry your bandmate's baby sister... Devlin In my defense, I didn't know Becca was Max's sister. The chapel, a case of mistaken identity and a lot of booze messed things up. As hot and funny as Becca is, I can't jeopardize the band's survival. I've got a rep with the ladies, and if I were Max, I wouldn't want me anywhere near my little sister. So I offer to dissolve our union quietly, confident that that's what she wants, too. But she shoots me down. What the hell's that about? Becca I need a husband for a year to inherit my childhood home and art studio. I spent three months arranging for the perfect temp marriage. The mix-up at the chapel was unfortunate, but I don't have the time or money to set up another fake marriage. Devlin is gorgeous, sexy and successful. Everyone will assume we're the real deal, which is precisely what I need. We can keep things civilized and agreeable for a year. How hard could it be? Oops! I Married a Rock Star is a fun romantic comedy standalone with a hot-as-hell drummer, a face-blind artist, mistaken identity, Batman, a porcupine crotch doll, cows of judgment and more! Need laughter and an HEA? Then read *Oops! I Married a Rock Star* now! Who knew

the biggest drama in my life wouldn't be from a wedding I'm trying my best to avoid-my own! Running away to L.A. was supposed to end all the drama in my life. Find an apartment, get a job, show my rich family I don't need their money...until I end up as the assistant to the world's Number One underwear model. Did I mention we almost hooked up last week and I "lost" his number? So much for leaving the drama behind. Maybe it's been me this whole time. I guess things are about to get even crazier because my mom just arrived with bodyguards... The Billionaire and the Runaway Bride is a hilarious romantic comedy featuring a hot underwear model/crypto billionaire with an HR crisis and a fun-loving heiress running from the wedding of her nightmares. You want the swooniest waltz and proposal, a creative birthday cake, babies and a happy ending to warm your heart and make you smile? Grab it today! A fake date to an ex's wedding. A hot billionaire single dad next door. An overly generous demon cat. Until today, I never had to fake anything with Wyatt Westland-owner of a demon cat and my high school sweetheart-turned-nemesis-turned-billionaire tech genius. But I wouldn't be here by his side right now if I could've found him a date. I swore I'd never let myself get involved with Wyatt again after he broke my heart all those years ago, but he moved in next door with his adorable daughter. And the sexy single dad vibe he has going on began to thaw my inner ice queen-the one I perfected just for him. Then my eccentric boss asked me to find Wyatt a date to his ex-wife's wedding. My boss even put a cherry on top of a huge bonus, and I couldn't resist. Of course, not a single one of the heiresses I set Wyatt up with worked. I'm convinced he ruined each date on purpose, leaving me with no choice but to step up and stand in as his date myself. How hard can it be to fake it for just one day, even if every moment reminds me of all the ways I fell for him the first time? Faking It with the Frenemy is a second chance, lovers-to-enemies-to-lovers reunion romance with a matchmaking mom determined to make the heroine marry for money (love is optional), a billionaire single-dad hero who was the heroine's first love, a cat that wants to be a queen, a dog that loves what the cat brings every morning, and a wild party with certain very inappropriately named treats from Japan. Love a book with lots of laughter and heart? Then grab Faking It with the Frenemy today! When the hottest woman I ever slept with leaves me fifty bucks and sneaks out of my bed, I'm completely stunned and left feeling a little...dirty. Most men might let it go. But I'm not most men. This woman has left her mark and I have to track her down. Imagine my surprise when I discover that she's getting married... So I do what's most logical: steal the bride. Except...am I even at the right wedding? Stealing the Bride is a standalone full-length romance novel with a sexy AF billionaire, smart geeky heroine, identical twins and mistaken identity. No cheating, no cliffhanger. Just lots of heat, heart and humor. Grab it today! Dominic Elizabeth Pryce-Reed. An angel. A virgin. My first love. I fell for her hard and fast ten years ago...and paid the price on a night of shattering betrayal. So I built a billion-dollar empire out of vengeance... And now I'm coming for her. Elizabeth Dominic King. A maverick. A self-made billionaire. My soul mate. Ten years ago,

he shredded my heart, even as he vowed he'd take what matters most to me. I know he's coming, and I welcome it. I need closure for what happened that night. But the more time I spend with him, the more I wonder... Can I ever move on...' Note: This is the first book in The Billionaire's Claim duet. Laura Huang, an award-winning Harvard Business School professor, shows that success is about gaining an edge: that elusive quality that gives you an upper hand and attracts attention and support. Some people seem to naturally have it. Now, Huang teaches the rest of us how to create our own from the challenges and biases we think hold us back, and turning them to work in our favor. How do you find a competitive edge when the obstacles feel insurmountable? How do you get people to take you seriously when they're predisposed not to, and perhaps have already written you off? Laura Huang has come up against that problem many times--and so has anyone who's ever felt out of place or underestimated. Many of us sit back quietly, hoping that our hard work and effort will speak for itself. Or we try to force ourselves into the mold of who we think is "successful," stifling the creativity and charm that makes us unique and memorable. In Edge, Huang offers a different approach. She argues that success is rarely just about the quality of our ideas, credentials, and skills, or our effort. Instead, achieving success hinges on how well we shape others' perceptions--of our strengths, certainly, but also our flaws. It's about creating our own edge by confronting the factors that seem like shortcomings and turning them into assets that make others take notice. Huang draws from her groundbreaking research on entrepreneurial intuition, persuasion, and implicit decision-making, to impart her profound findings and share stories of previously-overlooked Olympians, assistants-turned-executives, and flailing companies that made momentous turnarounds. Through her deeply-researched framework, Huang shows how we can turn weaknesses into strengths and create an edge in any situation. She explains how an entrepreneur scored a massive investment despite initially being disparaged for his foreign accent, and how a first-time political candidate overcame voters' doubts about his physical disabilities. Edge shows that success is about knowing who you are and using that knowledge unapologetically and strategically. This book will teach you how to find your unique edge and keep it sharp. I took her innocence and she took my heart. We weren't supposed to be together. I thought I lost her forever. Until...I saw her beautiful face nine years later and she has no memory of us... My billions are worthless without her in my arms. I'll embrace the madness to make her mine again. And I won't stop at anything until I do. "Sins completely blew me away! I'm a sucker for a tormented hero, and nobody writes one better than Nadia. I can't wait for Book Two." -- New York Times and Wall Street Journal Bestselling Author J.S. Scott Sins is approximately 110,000 words long, and the first book in the Sins Trilogy. Lucas When Ava Huss, the only woman I ever loved, left without a word after my horrific motorcycle crash, I didn't pursue her. The crash left me broken, and the ensuing two years have been hell. My billions can't make up for what's wrong with me. My body is deadened to the

world, and the only thing I crave--with increasing desperation--is her. When I receive an anonymous tip about her location, I go after her, knowing an explosive confrontation is the only thing that can thaw the ice inside me. Ava I walked away from the love of my life, Lucas Reed, two years ago because I learned I'd been nothing but a toy to him--a temporary playmate to provide some cheap thrills. I've rebuilt my life since then, and I've been happy...until Lucas shows up again. He acts as though I've wronged him. He demands payback. I'm not letting him get to me, not this time, and not like this. I survived one heartbreak, but I won't survive a second... An emotional standalone title featuring Blake Pryce-Reed. One thing I've never lacked in life is money. I was born to it. I've made it hand over fist. I have more than I know what to do with. But all that money couldn't give me Faith Mortimer, a damaged heiress with secrets of her own. I found her irresistible two years ago, and would've laid my empire at her feet...until she betrayed me. Now she barges into my office, offering marriage, ostensibly to help me fulfill the conditions of my father's hateful deal. Although I toss her out, I'm curious. Once I realize how desperate she is, I make a counteroffer that leaves her vulnerable and defenseless. However, I never counted on my own machinations leaving me exposed in return...and both our hearts are going to break before this is over... Ainsley is an aristocrat who dreams of landing a prince. Ben is a commoner whose work is his life. Will a secret fling lead them to a love neither saw coming? For as long as I can remember I've had a long list of things I want in a husband. He has to be of noble birth and wealthy, of course. Thank goodness my friend Caroline is working her royal matchmaking magic, searching for the perfect man to place a crown on my head. I'm meeting kings, princes, the most eligible men in the world... so why is the only man I'm interested in Caroline's brother? Ben is a physician--intelligent and kind, driven to help others. But he's not interested in balls and high society. The man doesn't even care about money! He's a doctor who practically donates his time to his patients in parts of the world where medical care is scarce. His idea of luxury is running water. But his passion for life is intoxicating, and the way he looks at me makes me feel like more than a trophy. There's something so real, almost primal about him that keeps me up at night thinking about him. I can't tell Caroline. She's put her reputation on the line to make me a queen. Perhaps Ben and I can have a secret fling. No one needs to know. Because it definitely won't last... "Gripping and poignant, A Matter of Days takes readers on a heart-stopping journey of love and survival." — New York Times bestselling author Carrie Jones Their new reality begins in just a matter of days. On Day 56 of the Blustar Pandemic, sixteen-year-old Nadia's mother dies, leaving Nadia to fend for herself and her younger brother, Rabbit. Both have been immunized against the virus, but they can't be protected from what comes next. Their father taught them to "be the cockroach"—to adapt to and survive whatever comes their way. And that's their mission. Facing a lawless world of destruction and deprivation, Nadia and Rabbit drive from Seattle to their grandfather's compound in West Virginia. The illness, fatigue,

and hunger they endure along the way will all be worth it once they reach the compound. Unless no one is waiting for them . . . “Fans of Rick Yancey’s *The 5th Wave*, S. D. Crockett’s *After the Snow*, or Cormac McCarthy’s adult novel *The Road* will find this a satisfying read.” —SLJ “An exciting apocalyptic road trip.” —Publishers Weekly Malaika’s mother can’t buy her a carnival costume — will she still be able to dance in the parade? It’s Carnival time. The first Carnival since Malaika’s mother moved to Canada to find a good job and provide for Malaika and her grandmother. Her mother promised she would send money for a costume, but when the money doesn’t arrive, will Malaika still be able to dance in the parade? Disappointed and upset at her grandmother’s hand-me-down costume, Malaika leaves the house, running into Ms. Chin, the tailor, who offers Malaika a bag of scrap fabric. With her grandmother’s help, Malaika creates a patchwork rainbow peacock costume, and dances proudly in the parade. A heartwarming story about family, community and the celebration of Carnival, Nadia Hohn’s warm and colloquial language and Irene Luxbacher’s vibrant collage-style illustrations make this a strikingly original picture book. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.K.6 With prompting and support, name the author and illustrator of a story and define the role of each in telling the story. CCSS.ELA-LITERACY.RL.1.1 Ask and answer questions about key details in a text. “Watching a talented writer take a risk is one of the pleasures of devoted reading, and *On Such a Full Sea* provides all that and more. . . . With *On Such a Full Sea*, [Chang-rae Lee] has found a new way to explore his old preoccupation: the oft-told tale of the desperate, betraying, lonely human heart.”—Andrew Sean Greer, *The New York Times Book Review* “I’ve never been a fan of grand hyperbolic declarations in book reviews, but faced with *On Such a Full Sea*, I have no choice but to ask: Who is a greater novelist than Chang-rae Lee today?”—Porochista Khakpour, *The Los Angeles Times* From the beloved award-winning author of *Native Speaker*, *The Surrendered*, and *My Year Abroad*, a highly provocative, deeply affecting story of one woman’s legendary quest in a shocking, future America. *On Such a Full Sea* takes Chang-rae Lee’s elegance of prose, his masterly storytelling, and his long-standing interests in identity, culture, work, and love, and lifts them to a new plane. Stepping from the realistic and historical territories of his previous work, Lee brings us into a world created from scratch. Against a vividly imagined future America, Lee tells a stunning,

surprising, and riveting story that will change the way readers think about the world they live in. In a future, long-declining America, society is strictly stratified by class. Long-abandoned urban neighborhoods have been repurposed as highwalled, self-contained labor colonies. And the members of the labor class—descendants of those brought over en masse many years earlier from environmentally ruined provincial China—find purpose and identity in their work to provide pristine produce and fish to the small, elite, satellite charter villages that ring the labor settlement. In this world lives Fan, a female fish-tank diver, who leaves her home in the B-Mor settlement (once known as Baltimore), when the man she loves mysteriously disappears. Fan’s journey to find him takes her out of the safety of B-Mor, through the anarchic Open Counties, where crime is rampant with scant governmental oversight, and to a faraway charter village, in a quest that will soon become legend to those she left behind. When the two very different friends head out for a day of fishing, Ukaliq can barely wait to get his line in the water, but his eagerness to catch a fish may just leave him empty handed in the end. *Revenge* is sweet...Self-made billionaire Alex Damon wants his pound of flesh from the people who ripped his family apart. When he discovers his enemies’ daughter is working at his company -- and most likely spying for them--he decides to start his revenge by seducing her. Natalie Hall is stunned at the personal interest from the CEO of her company. Vulnerable, with an already bruised heart, she wants to avoid any involvement--but she can't deny the desire he arouses in her....but passion is sweeter...What should've been a straightforward eye-for-an-eye starts to unravel as Natalie's unflinching loyalty and kindness begin to thaw Alex's cold intent. But caring for her is unthinkable...since he plans to use everything in his power to ruin her family and everyone else she holds dear. NOTE: Previously published as *Vengeful in Love*. Dynamic and powerful, billionaire Daniel Aylster III wants to get rid of The Lloyds Development for mismanaging the construction of his latest hotel...until he meets its new CEO, Meredith Lloyd. It's been ten years since he's seen her, but his baby sister's best friend has grown into an irresistible beauty. A single mom determined to prove herself, Meredith refuses to let Daniel fire her company without giving her a chance to fix the problem first. Nothing is going to stop her from succeeding, not even her crazy attraction to Daniel. Forced to work in close proximity, Daniel and Meredith realize they may have a saboteur in their midst. When their shadowy enemy makes a game-ending move, Meredith must reveal a devastating truth that could tear her family apart and cost her

the only man she's ever loved... Romance story of a Hollywood superstar and his assistant. Ryder Pryce-Reed. Billionaire. Hollywood superstar. The man every man wants to be. The man every woman wants to have. I am about to become his bride...but only so he can claim his grandfather's legacy. The world is furious that he will belong to a working girl as ordinary as me. Our deal was supposed to be simple. I marry him for a year; he ensures that my unborn child and I are taken care of. But now everything's complicated. We can't keep our hands off each other. Enemies, both past and present, want to tear us apart. And...I'm in love with Ryder. How do you keep a man everyone says isn't yours to keep?
