Christi Barth's smoking-hot contemporary romance series continues as the five best friends who survived a tragedy as teenagers take to their *Naked Men* podcast to open up about women. In *Giving It All*, the group's globe-trotting hunk discovers that you need to go home to find love. Logan Marsh never stays in one place for long. Through his family's foundation, Logan spends his days traveling to the world's most dangerous places to deliver disaster relief, which really puts a damper on his sex life—until he reconnects with his high-school crush. Stranded together in the Caribbean, they enjoy a

steamy fling that awakens feelings Logan has ignored for too long. But family drama calls him away from her sweet embrace . . . or so he thinks. Brooke Gallagher loved being a home economics teacher and cheerleading coach. Then an unexpected tragedy forced her to take some time off. Now she's back in D.C. and despite the intensity of her tropical encounter with Logan, she's shocked to bump into him again. Logan's dealing with his own issues (including a newly discovered half-sister) and he's itching to get back on the road. More than anything, Brooke wants to be there for him. But first, he has to decide if love is enough to keep him in one place.

Catch all of USA Today bestselling author Christi Barth's charming Naked Men novels: **RISKING IT ALL** | **WANTING IT ALL** | **GIVING IT ALL** | **TRYING IT ALL** Praise for Giving It All "I really love this series. . . I am looking forward to what the future has in store for the Naked Men and finding out who will be next to fall."—Book Angel Booktopia "Can't wait to read the next one. Highly recommend this series."—Escape Into a Book Site (five stars) "If you haven't tried A Naked Men Novel yet, you are missing out on a seriously fun bromance!"—Thoughts of a Blonde "Giving It All is easily my favorite book of the series so far, and Logan and Brooke's friends-to-lovers romance was a great read!"—Oh My Growing TBR "Christi Barth's Giving It All has it all—an incredibly sexy hero, a strong, lovable heroine, and loads of steamy chemistry."—Serena Bell, USA Today bestselling author of the Returning Home series "Poignant, sexy, and heartfelt, you'll love Giving It All!"—USA Today bestselling author Tina Waincott "A great read by the talented Barth . . . next man fall.”—Sassafrass Includes an excerpt from another Loveswept title. One woman shares hilarious personal stories of her obsession, frustration, reflection, and fun with knitting. An obsessed knitter who can’t seem to put the needles down, author Stephanie Pearl-McPhee reveals the tangled and sometimes maniacal path of her knitting triumphs and disasters in *Yarn Harlot: The Secret Life of a Knitter*. Sharing both humorous and poignant tales of knitting escapades, such as fleeing from a yarn-thieving squirrel, dismantling a car to find a vital needle, and what it feels like to wrap a newborn baby in the work of your own hands. *Yarn Harlot* exposes the extreme sport of knitting, and adventure that can be fulfilling, exasperating, and wickedly funny. From the moment Stephanie’s family discovers that she has taken to storing yarn in the piano to her attempts to foist knitted socks on a friend with a wool “allergy,” *Yarn Harlot* looks at knitting with humor, insight, and sympathy for the obsessed. “Stephanie Pearl-McPhee turns both typical and unique knitting experiences into very funny and articulate prose.” —Meg Swansen, Schoolhouse Press “An intimate view of the passionate knitter’s psyche: a transport of hilarity for knitters and the knitted-for; I laughed until my stitches fell helplessly from my needles!”—Lucy Neatby, author of *Cool Socks Warm Feet* “A sort of David Sedaris-like take on knitting—laugh-out-loud funny most of the time and poignantly reflective when it’s not cracking you up.” —Library Journal

The release of Java SE 8 introduced significant enhancements that impact the Core Java technologies and APIs at the heart of the Java platform. Many old Java idioms are no longer required and new features like lambda expressions will increase programmer productivity, but navigating these changes can be challenging. *Core Java® for the Impatient* is a complete but concise guide to Java SE 8. Written by Cay Horstmann--the author of *Java SE 8 for the Really Impatient* and *Core Java(tm)*, the classic, two-volume introduction to the Java language--this indispensable new tutorial offers a faster, easier pathway for learning the language and

libraries. Given the size of the language and the scope of the new features introduced in Java SE 8, there's plenty of material to cover, but it's presented in small chunks organized for quick access and easy understanding. If you're an experienced programmer, Horstmann's practical insights and sample code will help you quickly take advantage of lambda expressions (closures), streams, and other Java language and platform improvements. Horstmann covers everything developers need to know about modern Java, including Crisp and effective coverage of lambda expressions, enabling you to express actions with a concise syntax A thorough introduction to the new streams API, which makes working with data far more flexible and efficient A treatment of concurrent programming that encourages you to design your programs in terms of cooperating tasks instead of low-level threads and locks Up-to-date coverage of new libraries like Date and Time Other new features that will be especially valuable for server-side or mobile programmers Whether you are just getting started with modern Java or are an experienced developer, this guide will be invaluable for anyone who wants to write tomorrow's most robust, efficient, and secure Java code. SWEET is the third book in the Contours of the Heart series Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured. This book features stunning photos that cover the entire history of the festival, and a huge range of popular artists, past and present. Dreaming of a life in Paris while working at a small-town Iowa gas station, Sheila stages her own kidnapping to run away with an oddball who shares a superhero's name and who begins to regard her as the character's girlfriend. "Ruthless reality checks, unwavering support no matter the dumbassery, dismantling the patriarchy-female friendships have been essential for millennia and these works

of fine art are a testament. Author of *Men to Avoid in Art and Life* Nicole Tersigni celebrates female friendships and all their distinctive, hilarious, incomparable quirks. Whether it's the work bestie sharing their secret snack stash, the down-for-anything wild card, the hide-a-body-for-you friend who dares anyone to mess with you, or the mom of the friend group reminding you to drink some water, *Friends to Keep in Art and Life* highlights all sorts of BFFs and the ways they make our lives better. After all, the best qualities in a friend are love, loyalty, and an extreme distaste for anyone who has ever wronged you"-- Four stories where smooth, athletic boys explore their hidden sexual fantasies with alpha males who live in their house and teach them how to take it like a man. **Playing in the Tub:** Taylor arrives home from college where he meets Colin, the new man of the house. Taylor strips down and follows the dangerous and sexy Colin into the hot tub and Colin lays down the law for Taylor igniting a desire in the hard bodied boy that can only be quenched by a terrifyingly erotic encounter. **The Ex-Con:** Zac steals cash and is caught by Eric, the ex-convict. Armed with his sexy, prison perfected body, Eric takes the gorgeous high school athlete into the shower and teaches him a lesson that quenches the young boy's forbidden desires. **Bad Cop:** When Brad's drug stash goes missing, he chases Criss into the woods. Finding the high school senior naked and submissive, the hard-bodied cop handcuffs the gorgeous athlete and fulfills both of their secret fantasies by unleashing his sadistic interrogation techniques on the sexually charged delinquent. **The Sergeant:** Chase is arrested and 'The Sarge,' the new man-of-the-house, uses his drill sergeant training to get the sexy 18-year-old back on the right course. Armed with a cattle prod for motivation, The Sarge humiliates the naked boy in front of the neighbors and sets him straight with a secret sexual fantasy that they both unknowingly share. 20,000 words *This story contains very explicit descriptions of taboo twink and alpha male erotic and sexual situations written for the sole purpose of extreme

genital arousal which will lead to self-pleasure. Mature readers only.

Best practices for managing projects in agile environments—now updated with new techniques for larger projects Today, the pace of project management moves faster. Project management needs to become more flexible and far more responsive to customers. Using Agile Project Management (APM), project managers can achieve all these goals without compromising value, quality, or business discipline. In Agile Project Management, Second Edition, renowned agile pioneer Jim Highsmith thoroughly updates his classic guide to APM, extending and refining it to support even the largest projects and organizations. Writing for project leaders, managers, and executives at all levels, Highsmith integrates the best project management, product management, and software development practices into an overall framework designed to support unprecedented speed and mobility. The many topics added in this new edition include incorporating agile values, scaling agile projects, release planning, portfolio governance, and enhancing organizational agility. Project and business leaders will especially appreciate Highsmith's new coverage of promoting agility through performance measurements based on value, quality, and constraints. This edition's coverage includes:

- Understanding the agile revolution's impact on product development
- Recognizing when agile methods will work in project management, and when they won't
- Setting realistic business objectives for Agile Project Management
- Promoting agile values and principles across the organization
- Utilizing a proven Agile Enterprise Framework that encompasses governance, project and iteration management, and technical practices
- Optimizing all five stages of the agile project: Envision, Speculate, Explore, Adapt, and Close
- Organizational and product-related processes for scaling agile to the largest projects and teams
- Agile project governance solutions for executives and management
- The "Agile Triangle": measuring performance in ways that encourage agility instead of discouraging it
- The changing role

of the agile project leader In 1982, the Dow hovered below 1000. Then, the market rose and rapidly gained speed until it peaked above 11,000. Noted journalist and financial reporter Maggie Mahar has written the first book on the remarkable bull market that began in 1982 and ended just in the early 2000s. For almost two decades, a colorful cast of characters such as Abby Joseph Cohen, Mary Meeker, Henry Blodget, and Alan Greenspan came to dominate the market news. This inside look at that 17-year cycle of growth, built upon interviews and unparalleled access to the most important analysts, market observers, and fund managers who eagerly tell the tales of excesses, presents the period with a historical perspective and explains what really happened and why. A real-life thriller—the story of kickbacks and payoffs, of shady deals struck in secret with known felons; a story in which half a million people lose enormous sums—some their life’s savings—in the largest securities fraud of the 1980s, with names like Onassis and Bush numbered among the victims. A resource organized by body system lists the key herbal remedies available, their uses, and cautionary advice, in a book that includes full-color photos, a glossary and several thematic indexes.

First there was Irma. Then came Maria. In the disastrous aftermath of these two colossal hurricanes, Tucker Mackenzie finds himself stranded on the Puerto Rican island of Culebra with an escaped inmate and a sailboat with a secret stash. When Tucker's ex-con companion is literally discovered dead in the water, Tucker is suddenly on the run from a newfound enemy. With the help of his girlfriend, Fiona, and her extreme survival skills, Tucker disappears into the backdrop of a Caribbean community that is rebuilding itself from a devastating Category 5 storm. Moving from beach to bungalow to bunker to boat, he makes plans to escape the tropical trap into which he has unwittingly stumbled. Tyler Mackenzie, who hasn't heard from Tucker in almost two years, follows his missing son's trail to Tortola and on to Culebra. Enlisting the help of colorful local personalities along the way, Tyler soon learns that Tucker's

mother, Lucy Brookstone, has simultaneously launched her own search for the boy. However, Lucy's endeavors have been seriously undermined by an unchecked spate of bingeing behavior, which includes a thirst for gin and tonics, a never-ending appetite, and an attraction for seriously bad men. While Lucy's shortcomings continue to derail her efforts, Tyler's investigation into Tucker's disappearance leads him unwittingly into one of the deadliest encounters of his life. Contrasting Tucker's escapades with his parents' misadventures in paradise, *Second Wind's* suspenseful narrative moves back and forth through time, weaving these three compelling storylines together to a thrilling climax with an unexpected twist. The Naked Men don't have anything to hide. Now the sexy control freak in this "purely delightful group of buddies" (Publishers Weekly, starred review of *Wanting It All*) meets his match: a free spirit who's as beautiful as she is reckless. Order. Attention to detail. Never leaving anything to chance. These are the qualities that make Riley Ness such a terrific federal agent . . . and a pain in the ass to everyone else. The only time Riley lets loose is when he's hanging out with his closest pals. So when he's thrown together with gorgeous, flighty Summer Sheridan, Riley's brain tells him she's a ticking time bomb—but his body doesn't want to play by the rules. Riley has to be the most irritating man Summer has ever met. The brooding hunk thinks he needs to teach her a few lessons about real life, while she'd rather show him how to enjoy it. But her BFF's all but engaged to Riley's best friend, and besides, their intense physical chemistry is all too real. Summer just needs Riley to try to meet her halfway and take a chance with the one thing that matters: his heart. Catch all of USA Today bestselling author Christi Barth's charming Naked Men novels: *RISKING IT ALL* | *WANTING IT ALL* | *GIVING IT ALL* | *TRYING IT ALL* Praise for *Trying It All* "The novel is filled with moments of humor and searing sexual tension, and its lighthearted approach to life-altering events adds depth and breadth to the passion."—Publishers Weekly "Fun and entertaining yet complicated and emotional, not to mention supremely satisfying, *Trying It All* is a fantastic addition to Christi Barth's Naked Men series."—Guilty Pleasures Book Reviews "Christi Barth is a master of making sexual chemistry leap

Who doesn't love Naked Men? In Christi Barth's irresistible series, a group of close-knit friends talk out their problems with naked honesty on a popular blog. Bonded by a high-school tragedy, they're moving on from the past—and fighting for the future with strong and sassy women. Griffin Montgomery helps people. As a teenager, he kept his best friends alive after their soccer team's bus crashed in the Alps. Now, as a Coast Guard search and rescue pilot, he saves lives with reckless abandon—until he goes too far and earns a lengthy suspension. Working on the Naked Men projects keeps his mind busy, but Griff's itching to get back in the action. That's when he finds his latest rescue mission: a pretty wallflower who's stuck in her comfort zone. Chloe Widmore doesn't take risks. As a professional letter writer, she gets enough excitement out of expressing other people's emotions. So when the hottest man she's ever seen invades her coffee shop, Chloe surprises herself with how

much she wants to be with him. Routines make her feel safe. Griff makes her deliciously unsafe, in so many ways. But falling for him is one risk she might just have to take . . . whether she's ready or not. Catch all of USA Today bestselling author Christi Barth's charming Naked Men novels: **RISKING IT ALL | WANTING IT ALL | GIVING IT ALL | TRYING IT ALL** Praise for Risking It All "The perfect escapist read—sweet and sexy, with an ending that will remind you of all the reasons you love romance."—USA Today bestselling author Lauren Layne "Smart, sexy, and flat-out fun, Risking It All is one story readers will have a hard time putting down. Christi Barth's heroes will make you laugh, sigh, and swoon—what could be better?"—USA Today bestselling author Kimberly Kincaid "Barth writes the perfect blend of humor, pathos, and romance."—Library Journal "Risking It All delivers sexy romance, laugh-out-loud humor, unexpected surprises, and an unbreakable bond between friends. Christi Barth has written a winner!"—Tracy March, award-winning author of *Should've Said No* "Something special happens when Chloe and Griffin meet. Rain, Stone and Sean deep into "Green Hell". Things soon go from placid to perilous as they find themselves cut off from the outside world! Alone against an array of unseen uncanny antagonists, and running out of supplies, how can they survive this land of FEROCIOUS FLORA, where the weeds whack YOU? A haunting legend. An ominous curse. A search for a secret buried deep within the castle walls. In 1870, orphaned Daisy François takes a position as housemaid at a Wisconsin castle to escape the horrors of her past life. There she finds a reclusive and eccentric Gothic authoress who hides tales more harrowing than the ones in her novels. As women disappear from the area and the eerie circumstances seem to parallel a local legend, Daisy is thrust into a web that could ultimately steal her sanity, if not her life. In the present day, Cleo Clemmons is hired by the grandson of an American aristocratic family to help his grandmother face her hoarding in the dilapidated Castle Moreau. But when Cleo uncovers more than just the woman's stash of collectibles, a century-old mystery and the dust of the old castle's curse threaten to rise again . . . this time to leave no one alive to tell the sordid tale. Award-winning author Jaime Jo Wright seamlessly weaves a dual-time tale of two women who must do all they can to seek the light amid the darkness shrouding Castle Moreau. "An imaginative and mysterious tale."--New York Times bestselling author RACHEL HAUCK "Jaime Jo Wright never disappoints, and *The Vanishing at Castle Moreau* is no exception. With real, flawed characters who grapple with real-life struggles, this gripping suspense novel will draw readers in from the very first page. Good luck putting it down. I couldn't."--LYNETTE EASON, bestselling author of the *Extreme Measures* series This is the most accessible, attractive, and easy-to-use beginner's guide to growing marijuana. THE TIME GARDEN • THE TIME CHAMBER • THE NIGHT VOYAGE Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured. This is the ultimate guide for cannabis connoisseurs and pot aficionados, as well as bud beginners and nug novices. Danny Danko, the senior cultivation editor of High Times, separates the folklore from the facts to get the real scoop on the highest quality sensimilla strains available to ganja growers all over the planet. Breeders from the best seed banks on Earth reveal their secrets to creating the finest Cannabis Cup champions and annual High Times Top Ten Strain Awards winners. This compendium covers the world's top pot varieties, all meticulously researched and lovingly described in terms ranging from odors and flavors to potency levels and medicinal properties. The fads, fashions, and media in popular consumer culture frequently make recreational and ideological "fun" of poverty and lower class living. In this book, Halnon delineates how incarceration, segregation, stigmatization, cultural and social consecration, and carnivalization work in the production and consumption of inequality. Predictions for the future including speculation about Einstein's brain, transportation, housework, and Mike Tyson.
