The Job-Hunter's Survival Guide Mar 27 2023 One hundred pages of lifesaving advice for people out of work. When over ten million people have needed help with their job-hunt—or with figuring out what to do with their life—there is one person they have turned to, more than any other. He is Richard N. Bolles, author of the #1 job-hunting book of all time, *What Color Is Your Parachute?* His name is well-known around the world. Just during the last twelve months, he has appeared in *Time* ("10 Ideas Changing the World Right Now," March 2009), *U.S. News & World Report* (deemed "savior of the nation's unemployed," October 2008), *NBC's Today Show* (broadcast in April 2009), and many other publications and shows. His book was the #1 best-seller on *BusinessWeek's* paperback list as recently as last November. Never has his advice been more sought than during these brutal economic times. He has responded by writing a completely new book: *The Job-Hunter's Survival Guide*, designed particularly for people who are hanging on the ropes, who haven't time to do a lot of reading but need help desperately—and now. Early reviews have called this little *Guide* "brilliant" and "tremendously helpful."

Welcome to the Real World Apr 23 2020 Are you still looking for that perfect job six months after graduating from college? Are you also still firing off hundreds of resumes from your parents' house with little or no results? Then you need the real-world advice of executive recruiter John Henry Weiss. In *Welcome to the Real World*, Weiss provides much-needed guidance to recent college graduates seeking their first jobs in the real world of work. Weiss explains that companies do not hire resumes. They hire candidates who make the effort to build personal relationships. He discusses the importance of leaving the house to find employers at venues such as job fairs, trade shows, and conferences, and even Starbucks. Weiss points out that work is a means to getting out on your own, and he offers encouraging advice and tips for how to do just that, such as: Establishing a home office for job hunting Using social media effectively to find employers and increase your chances of getting hired Dressing appropriately for job interviews Starting your own business Targeting companies that value the skill sets of returning military personnel Evaluating and negotiating job offers And much more! *Welcome to the Real World* is not only the ultimate career guide for finding your first job, but also for understanding the real world of work, and for beginning the rest of your life.

Job Hunters' Guide and Passport to Success Nov 11 2021

Surviving the Job Search May 05 2021 From the internet to book stores to tips from well-meaning family members, there seems to be no lack of job search resources. So why haven't you found the perfect job yet? It's not just you! Job search guides all tend to do the same thing: focus on one sliver of the operation without letting readers in on the big picture. Without clear direction, job seekers are left to flounder in the overwhelming mire of general information. In *Surviving the Job Search*, author Jane Snipes uses her accumulated knowledge from over three decades in the recruiting business to highlight only the most vital information from each step of the process. From writing a polished résumé to navigating the actual job search to nailing the interview procedures, Snipes presents it all in a clear, concise format that doesn't just explain the how but also the why. It's time to step out into the job market with confidence. Your dream career is waiting...

The Ultimate Job Hunting Guidebook for Military Veterans Jul 19 2022 The Ultimate Job Hunting Guidebook for Military Veterans is written by a military veteran for veterans. Leaving the military and returning to the civilian workforce can be a daunting task, particularly if you've been in the military for quite a few years. We didn't have to worry about finding the job, crafting resumes, job interviews and negotiating our salaries. All of that peace of mind and security ended when we took off our military uniform and put on civvies again. This guidebook restores much of that peace of mind and security to veterans once again by giving you all the information you need to be successful at finding the civilian job you want, writing winning resumes, being fully prepared and confident for job interviews, and effectively negotiating the highest possible salary.- Find out where all the jobs are and how to apply for them.- Learn the right ways to ask for the best salary and benefits.- Discover the secrets to what makes a winning resume.- Get an insider's look at what takes place in job interviews and how you should prepare to stand out above all the other candidates interviewing for the same job.- Learn all the benefits and disadvantages of working in government jobs versus for private companies; or working as a company employee versus a contractor, and much more.
