Funny in Farsi Sep 28 2020 NEW YORK TIMES BESTSELLER • Finalist for the PEN/USA Award in Creative Nonfiction, the Thurber Prize for American Humor, and the Audie Award in Biography/Memoir This Random House Reader’s Circle edition includes a reading group guide and a conversation between Firoozeh Dumas and Khaled Hosseini, author of *The Kite Runner*! “Remarkable . . . told with wry humor shorn of sentimentality . . . In the end, what sticks with the reader is an exuberant immigrant embrace of America.”—San Francisco Chronicle In 1972, when she was seven, Firoozeh Dumas and her family moved from Iran to Southern California, arriving with no firsthand knowledge of this country beyond her father’s glowing memories of his graduate school years here. More family soon followed, and the clan has been here ever since. *Funny in Farsi* chronicles the American journey of Dumas’s wonderfully engaging family: her engineer father, a sweetly quixotic dreamer who first sought riches on Bowling for Dollars and in Las Vegas, and later lost his job during the Iranian revolution; her elegant mother, who never fully mastered English (nor cared to); her uncle, who combated the effects of American fast food with an army of miraculous American weight-loss gadgets; and Firoozeh herself, who as a girl changed her name to Julie, and who encountered a second wave of culture shock when she met and married a Frenchman, becoming part of a one-couple melting pot. In a series of deftly drawn scenes, we watch the family grapple with American English (hot dogs and hush puppies?—a complete mystery), American traditions (Thanksgiving turkey?—an even greater mystery, since it tastes like nothing), and American culture (Firoozeh’s parents laugh uproariously at Bob Hope on television, although they don’t get the jokes even when she translates them into Farsi). Above all, this is an unforgettable story of identity, discovery, and the power of family love. It is a book that will leave us all laughing—without an accent. Praise for *Funny in Farsi* “Heartfelt and hilarious—in any language.”—*Glamour* “A joyful success.”—*Newsday* “What’s charming beyond the humor of this memoir is that it remains affectionate even in the weakest, most tenuous moments for the culture. It’s the brilliance of true sophistication at work.”—*Los Angeles Times Book Review* “Often hilarious, always interesting . . . Like the movie *My Big Fat Greek Wedding*, this book describes with humor the intersection and overlapping of two cultures.”—*The Providence Journal* “A humorous and introspective chronicle of a life filled with love—of family, country, and heritage.”—*Jimmy Carter* “Delightfully refreshing.”—*Milwaukee Journal Sentinel* “[*Funny in Farsi*] brings us closer to discovering what it means to be an American.”—*San Jose Mercury News*

Key Chain Mar 03 2021 KEY CHAIN is a play for students in Years 6, 7 or 8 (Level 3). It is designed for a normal-sized English class and for students with varying interests in acting. Since there are 49 roles - none of which are really minor - students who enjoy acting can perform in several scenes and play to their heart's content, whereas students who aren't particularly keen on acting only have one role to master in one single scene. Every scene deals with a key, big keys and small keys, new keys and old keys, keys that lock doors and keys that open hearts, keys that are lost and keys that are found, keys that bring people together and keys that bring people apart. There are monologues, dialogues and scenes with as many as eight or nine performers. The themes are geared to the experiences of students today - such as friendship, bullying, infatuation and rejection - and offer young actresses and actors the opportunity to discover a wide variety of feelings while performing. The plots are believable and understandable, the language is idiomatic and easily accessible for English learners. KEY CHAIN works well when performed for smaller audiences: parents and other classes. But it can also be highly entertaining for a large audience. Performing time: about one hour. Of course, it is also possible to select individual scenes and perform them as simple skits outside the context of the KEY CHAIN. In that case it is still recommendable to create a suitable setting for presenting the skits to an audience. The true joy of performing a foreign-language play is to feel it click, to realize that the people watching the performance don't only "get the picture", they are also delighted to see a story come to life when presented in English by non-native performers. By purchasing the play, one automatically obtains the stage rights.
