Ford F-series Pickup Owner's Bible Jan 20 2020 The authoritative companion book for your Ford F-Series pickup, covering model years 1948-1995.

How to Restore Your Chevy Truck May 04 2021 When Chevy released its third-generation C/K pickup trucks, the stout and sturdy performers captured the attention of Chevy and GMC truck enthusiasts. As a result, millions were sold during their 18-year production run. The new cab design featured rounded windshield corners, rounded cab roof, and sloped and rounded doors, so they were called the "rounded-line" trucks by General Motors. Enthusiasts, however, didn't agree. Because of the overall squarer appearance of the trucks, they were soon called the "squarebody" by enthusiasts and journalists alike. Although the older Chevy/GMC pickups are more exclusive, the third-generation pickups are plentiful, are increasing in collector value, and, fortunately, have parts that are readily available. As an on- and off-road utility vehicle, Chevy/GMC trucks have been towing, hauling, and operating in a variety of conditions. After all of these years of hard use and exposure to harsh conditions, many of these extensively used trucks are in desperate need of restoration. Whether you own a regular, super, or crew cab with a short or long box, this restoration guide provides the pertinent information and instruction to restore your truck to original condition. Seasoned truck magazine writer Kevin Whipps explains real-world techniques for restoring classic Chevy and GMC pickups at home. You are shown how to comprehensively inspect, properly assess, and accurately budget your restoration project. You are also guided through each major portion of truck restoration, including engine, suspension, chassis, bodywork, paint, brakes, steering, transmission, driveline, electrical system, interior, and more. Special coverage is dedicated to the replacement of body panels and the repair of box, cab, and other body parts. When pro-caliber bodywork has been performed, you have an excellent foundation for the paint, and in turn, you're shown to prep, shoot, and buff the paint job. The rounded-line Chevy/GMC trucks are extremely popular as stock restorations, fast street trucks, and off-road-duty trucks. But before you can build a specialty truck, you need to have a solid, reliable, restored truck. This book provides the invaluable information and step-by-step instruction to return these trucks to their original glory. An authoritative and comprehensive restoration guide for the 1973-1987 Chevy/GMC trucks has not been available until now.

the interiors. There is also a special section on buses. Both fun and informative, this is a must-have guide for all vehicle enthusiasts. Features: Identifies trucks and vans from 1925-1990; Special section on buses; Contains all the technical specifications important to restorers and collectors.

Food Truck Business Sep 27 2020 Owning a food truck business can be one of the most enjoyable business experiences in the world. Think about it! Feeding hungry people tasty, freshly cooked, scrumptious meals at prices you'd pay at the local greasy spoon. But before even getting into this business, you've got to do some planning and thinking to figure out if you've got what it takes to be successful. As with getting into any business, there are many factors that need to be considered. And the first of all these considerations is the question: "Are you ready to be your own boss?"

Dodge B-Series Trucks Dec 11 2021 With Dodge B-Series trucks becoming more rare with each passing year, it becomes more difficult to correctly identify an original condition truck. Drawing upon official Chrysler publications and a broad knowledge of original condition trucks, Dodge truck expert, Don Bunn, brings the restorer or buyer the information needed to correctly restore a truck or make an intelligent and informed purchase. It covers the entire line of 1948 through 1953 Dodge B-Series light, medium and heavy-duty models except Power Wagon, with a heavy emphasis on light-duty models because they are the most popular with collectors. Anyone with the desire to own, restore, or correctly identify an original condition Dodge B-Series truck needs this book!

[The Food Truck Business Book](#) Dec 19 2019 Your Go-To Guide To Running A Successful Food Truck Business The idea of food trucks was birthed by Charles Goodnight, but then, it wasn't to make profits or sell food. He'd been on this journey and had created a mini kitchen in his cart so that he wouldn't have to worry about feeding. But then, as time went on, other ingenious individuals decided to round up his ideas by making a business out of it. Compared to an actual brick-and-mortar building such as a restaurant, the food truck concept seemed a lot cheaper and easier to get started with. For those reasons, many began to try it out. However, every business has its complexities that need to be well understudied to make the most of the opportunities it presents; the food truck business is no exception, hence, why this book, *The Food Truck Business Book*, was written - to take you by the hand and to guide you through the process from start to finish.
