'Immensely readable' Hannah Jane Parkinson, OBSERVER 'Informative and emotive' THIS IS ANFIELD*As featured in the Guardian's Biggest Books of Autumn 2020*In the first book by a British writer about this extraordinary football manager, lifelong Liverpool fan Anthony Quinn has crafted a uniquely revealing love-letter to Jürgen Klopp. In early March 2020 Liverpool were two wins away from an extraordinary achievement, on course for their first league title win in 30 years - since the heads days of Kenny Dalglish - and likely to seal it in the Liverpool derby against their great rivals Everton. And all this an incredible two months before the season was due to end. Then, as we all know, the season was postponed. The architect of the club's great resurgence - including their 2019 UEFA Champions League win - has been Jürgen Klopp. In his personal love-letter to the man, Anthony Quinn, journalist, novelist and life-long Liverpool fan, has written an inspiring and affectionate portrait of the incredible German manager, who came to Liverpool in late 2015, with a growing reputation from his successes at Borussia Dortmund. Closely following the three month break, as well as the club's title-clinching return, Quinn offers a uniquely revealing and personal take on this long-awaited triumph. Club's 15 Most Anticipated Books of 2019 A stark, elegiac account of unexpected pleasures and the progress of seasons Fifteen years ago, Kathryn Scanlan found a stranger's five-year diary at an estate auction in a small town in Illinois. The owner of the diary was eighty-six years old when she began recording the details of her life in the small book, a gift from her daughter and son-in-law. The diary was falling apart—water-stained and illegible in places—but magnetic to Scanlan nonetheless. After reading and rereading the diary, studying and dissecting it, for the next fifteen years she played with the sentences that caught her attention, cutting, editing, arranging, and rearranging them into the composition that became Aug 9—Fog (she chose the title from a note that was tucked into the diary). “Sure grand out,” the diarist writes. “That puzzle a humdinger,” she says, followed by, “A

letter from Lloyd saying John died the 16th." An entire state of mourning reveals itself in "2 canned hams." The result of Scanlan's collaging is an utterly compelling, deeply moving meditation on life and death. In Aug 9-Fog, Scanlan's spare, minimalist approach has a maximal emotional effect, remaining with the reader long after the book ends. It is an unclassifiable work from a visionary young writer and artist—a singular portrait of a life revealed by revision and restraint. ***** CLICK THE AUTHOR NAME "CUSTOMEYES PUBLICATIONS" FOR MORE PLANNERS, JOURNALS & DIARIES ***** Be prepared and keep yourself organized for anything with this stylish Diary! This diary began as Mum's New Year's resolution to get me to write. She told me to write when I am doing my big business. "Five to eight minutes max!" she said. "I don't want you to develop piles!" And so my writing in the bathroom began. My entries started with the boring old stuff...then Mum got this new job as a writer and, following her around, I got to do fun stuff, like ogle at deformed frogs, see into the future with a fortune-telling parrot and wow at a life-sized F1 car made of chocolate! That's how I got more interesting things to write about. Plus, I had to deal with an EVIL bully who was tormenting me at school...thank goodness for my best friends, Alvin and Anthony, we rallied against the bully and got through the year with lots of adventures and good fun! ***** CLICK THE AUTHOR NAME "CUSTOMEYES PUBLICATIONS" FOR MORE PLANNERS, JOURNALS & DIARIES ***** Be prepared and keep yourself organized for anything with this stylish Diary! She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, The Freedom Writers Diary is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture Freedom Writers. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. The Freedom Writers Diary remains a vital read for anyone who believes in second chances. ***** CLICK THE AUTHOR NAME "CUSTOMEYES PUBLICATIONS" FOR MORE PLANNERS, JOURNALS & DIARIES ***** Be prepared and keep yourself organized for anything with this stylish Journal!
