Women, Race, & Class Jul 27 2020 From one of our most important scholars and civil rights activist icon, a powerful study of the women's liberation movement and the tangled knot of oppression facing Black women. "Angela Davis is herself a woman of undeniable courage. She should be heard."—The New York Times Angela Davis provides a powerful history of the social and political influence of whiteness and elitism in feminism, from abolitionist days to the present, and demonstrates how the racist and classist biases of its leaders inevitably hampered any collective ambitions. While Black women were aided by some activists like Sarah and Angelina Grimke and the suffrage cause found unwavering support in Frederick Douglass, many women played on the fears of white supremacists for political gain rather than take an intersectional approach to liberation. Here, Davis not only contextualizes the legacy and pitfalls of civil and women's rights activists, but also discusses Communist women, the murder of Emmitt Till, and Margaret Sanger's racism. Davis shows readers how the inequalities between Black and white women influence the contemporary issues of rape, reproductive freedom, housework and child care in this bold and indispensable work.

**Unconventional Warfare (Special Forces, Book 1)** Mar 15 2022 Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

**The Other Wes Moore** Sep 09 2021 NEW YORK TIMES BESTSELLER • From the governor-elect of Maryland, the "compassionate" (People), "startling" (Baltimore Sun), "moving" (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. Selected by Stephen Curry as his "Underrated" Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, The Other Wes Moore tells the story of a generation of boys trying to find their way in a hostile world.

Management Accounting in Health Care Organizations Apr 23 2020 Management Accounting in Health Care Organizations offers an introduction to the subject of management accounting and provides a user-oriented approach to the concepts and techniques students need in order to understand management accounting in a health care context. *The Sisters of Alameda Street* Apr 04 2021 A generational saga that mixes historical fiction with the romance and intrigue of a Latin soap opera. When Malena Sevilla's tidy, carefully planned world collapses following her father's mysterious suicide, she finds a letter—signed with an “A”—which reveals that her mother is very much alive and living in San Isidro, a quaint town tucked in the Andes Mountains. Intent on meeting her, Malena arrives at Alameda Street and meets four sisters who couldn't be more different from one another, but who share one thing in common: all of their names begin with an A. To avoid a scandal, Malena assumes another woman's identity and enters their home to discover the truth. Could her mother be Amanda, the iconoclastic widow who opens the first tango nightclub in a conservative town? Ana, the ideal housewife with a less-than-ideal past? Abigail, the sickly sister in love with a forbidden man? Or Alejandra, the artistic introvert scarred by her cousin's murder? But living a lie will bring Malena additional problems, such as falling for the wrong man and loving a family she may lose when they learn of her deceit. Worse, her arrival threatens to expose long-buried secrets and a truth that may wreck her life forever. Set in 1960s Ecuador, *The Sisters of Alameda Street* is a sweeping story of how one woman's search for the truth of her identity forces a family to confront their own past.

**Three Rivers Rising** Dec 12 2021 Sixteen-Year-Old Celstia spends every summer with her family at the elite resort at Lake Conemaugh, a shimmering Allegheny Mountain reservoir held in place by an earthen dam. Tired of the society crowd, Celestia prefers to swim and fish with Peter, the hotel's hired boy. It's a friendship she must keep secret, and when companionship turns to romance, it's a love that could get Celestia disowned. These affairs of the heart become all the more wrenching on a single, tragic day in May, 1889. After days of heavy rain, the dam fails, unleashing 20 million tons of water onto Johnstown, Pennsylvania, in the valley below. The town where Peter lives with his father. The town where Celestia has just arrived to join him. This searing novel in poems explores a cross-class romance—and a tragic event in U. S. history.

**Managerial Accounting** Jan 13 2022 The emphasis of MANAGERIAL ACCOUNTING, 6e is on teaching students to use accounting information to best manage an organization. In a practice Hilton pioneered in the first edition, each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. Known for balanced examples of Service, Retail, Nonprofit and Manufacturing companies, Hilton offers a clear, engaging writing style that has been praised by instructors and students alike. As in previous editions, there is significant coverage of contemporary topics such as activity-based costing, target costing, the value chain, customer profitability analysis, and throughput costing while also including traditional topics such as job-order costing, budgeting and performance evaluation.

Managerial Accounting Feb 26 2023 Garrison - Your guide through the challenging waters of managerial accounting. For centuries, the lighthouse has stood as a beacon of guidance for mariners at sea. More than an aid to navigation, the lighthouse symbolizes safety, permanence, reliability, and the comforts of the familiar. For this reason, we have chosen to illustrate the Canadian eighth edition of *Managerial Accounting* by Garrison, Chesley, Carroll and Webb with an image that encapsulates the greatest strengths of this market leading text. Garrison is your guide through the challenging waters of managerial accounting. It identifies the three functions managers must perform within their organizations—plan operations, control activities, and make decisions—and explains what accounting information is necessary for these functions, how to collect it, and how to interpret it. *Managerial Accounting* 8e focuses, now as in the past, on three qualities: Relevance, Balance and Clarity. The authors' steady focus on these core elements has led to tremendous results! As seafarers look to the lighthouse for direction along unfamiliar shore, so too can Garrison act as a compass for students seeking to master this course.

*Indonesia Leadership in the Midst of World Financial Crisis* Dec 20 2019 The world is currently in crisis, a financial crisis of 2008 up to 2012. The phenomena of financial crisis is not new, as the world experienced it on 1930's Great Depression, not to mention in the late 1980s and the famous 1996-2000 Asian financial crisis that held Indonesia and most countries in Asia in monetary crisis. Is there a way for countries to turn this? International Monetary Fund (IMF) came as a solution to cure those countries in need of fund that includes Indonesia. Indonesia is not cured. However, in 2012 Indonesia declared their pledge to IMF of 1 Billion dollar in terms of bonds and even the Indonesian president by UN Secretary-General is appointed as High-level Panel advisor of Millennium Development Goals beyond 2015. What is the relevancy of Indonesia pledge to IMF of 1 Billion dollar in the midst of world financial crisis? This paper looks at the world financial crisis from Indonesian perspective.

Minesweeper (Special Forces, Book 2) Feb 14 2022 "All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the World War II series Discover the secret missions behind America's greatest conflicts. Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And

sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat. National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.
