It includes the second of three books in the Ivy and Bean series. Author Annie Barrows talks about her award-winning Ivy + Bean series: One of the big problems of being a kid is that your parents often try to make you play with people you don't really like. My parents were forever trying to get me to like the kids of their friends. These kids were often weird. I didn't want to play with them. It was a problem. Ivy and Bean are very different: Bean is loud and wild and goofy. She loves to be involved

in games and poke her nose in other people's business. Ivy is quiet and full of ideas. She spends most of her time learning how to be a witch. Each girl thinks the other one is weird. Each girl thinks she could never be friends with the other. Especially because their parents keep nagging them about it. But sometimes opposites can become the best of friends because they're opposites. Ivy and Bean Boxed Set 2 (Books 4-6) includes: Book 4: Ivy + Bean Take Care of the Babysitter : What's the worst babysitter you can imagine? Okay, now multiply by a million. Bean figures that's a big waste of time-until Ivy explains that if you're really good, animals and birds follow you around. Wow! Animals and birds! Bean's going to be good, too! They're going to be nice; they're going to be sweet; they're going to be kind and generous and-Wait a second! How did they end up muddy, wet, and in trouble? It's an easy plan, a simple plan, a beautiful plan. It only involves a field trip, a couple of sharks, and some weird animals that glow in the dark. If you and your child liked Junie B.
