*The Utopian Novel in America, 1886–1896 Apr 28 2023 In the late 1800s, Americans flocked to cities, immigration, slums, and unemployment burgeoned, and America's role in foreign affairs grew. This period also spawned a number of fictional glimpses into the future. After the publication of Edward Bellamy's *Looking Backward* in 1888, there was an outpouring of utopian fantasy, many of which promoted socialism, while others presented refined versions of capitalism. Jean Pfaelzer's study traces the impact of the*

utopian novel and the narrative structures of these sentimental romances. She discusses progressive, pastoral, feminist, and apocalyptic utopias, as well as the genre's parodic counterpart, the dystopia.

History of Alma College from 1886 To 1896 Oct 22 2022 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public.
