We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. This is a reproduction of a book published before

1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. From the bestselling author of *The Ascent of Money* and *The Square and the Tower* In his rich and nuanced portrait of the remarkable, elusive Rothschild family, Oxford scholar and bestselling author Niall Ferguson uncovers the secrets behind the family's phenomenal economic success. He reveals for the first time the details of the family's vast political network, which gave it access to and influence over many of the greatest statesmen of the age. And he tells a family saga, tracing the importance of unity and the profound role of Judaism in the lives of a dynasty that rose from the confines of the Frankfurt ghetto and later used its influence to assist oppressed Jews throughout Europe. A definitive work of impeccable scholarship with a thoroughly engaging narrative, *The House of Rothschild* is a biography of the rarest kind, in which mysterious and fascinating historical figures finally spring to life. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work.
