In today's uncertain world, storms will arise that test your faith in a loving heavenly Father. At times, the winds and waves of the world's deceptions will roll in and seek to erode your confidence in God. Without a firm foundation in the truth of God's Word, you may be tempted to go off course and accept less than God's best for you. However, when you hear Jesus' words, receive them, and put them into practice, you will construct a life the torrents cannot shake, "because it was well built" (Luke 6:48). The Purple Book will help you understand foundational truths that God wants you to hear on topics such as sin, salvation, spiritual gifts, prayer, worship, generosity, and evangelism. It will show you how the Bible is "God-breathed and is useful for teaching, rebuking,

correcting and training in righteousness" (2 Timothy 3:16). It will help you understand that the faith you hold has true power to change lives and transform nations. It will give you a solid foundation the enemy cannot dismantle—and a heart shaped by knowledge of God's Word. NBCOT-COTA Exam Practice Questions are the simplest way to prepare for the NBCOT-COTA test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test, then they are unprepared for the types of questions and answer choices that

they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more, or if you're already prepared enough to achieve success on your test day. If you do well on the practice test, then you know you're prepared. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our NBCOT-COTA Exam Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when

you take the real test. That's why our NBCOT-COTA Exam Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand. Exam Facts presents the COTA - Certified Occupational Therapist Assistant Examination Study Guide. The exam presents "Just the Facts" you need to pass the NBCOT (National Board of Certified Occupational Therapist) Occupational Therapist Assistant certification exam. Kori Callahan was a former college teacher who shifted her focus to Occupational Therapy. She focused long nights going to school to become an Occupational Therapist Assistant. She then became a roving OTA instructor, who has taught Occupational Therapy in over 14 countries. This was on top of being married, running the household and raising two boys Kori is committed to provide readers the knowledge for you to be successful. With this edition, future therapist candidates can rest assured that they will be receiving the latest study material available to advance their career What are the characteristics of the Galant reflex? What splint is used for Median nerve palsy? What is the maximum reachable height for

countertops? What are C7 long-term goals for mobility? What does a COTA do to prepare to give an assessment?
