The Governors of New Jersey Jul 06 2021 Rogues, aristocrats, and a future U.S. president. These and other governors are portrayed in this revised and updated edition of the classic reference work on the chief executives of New Jersey. Editors Michael J. Birkner, Donald Linky, and Peter Mickulas present new essays on the governors of the last three decades—Brendan T. Byrne, Thomas Kean, James Florio, Christine Todd Whitman, Donald DiFrancesco, James McGreevey, Richard Codey, and Jon Corzine. The essays included in the original edition are amended, edited, and corrected as necessary in light of new and relevant scholarship. The authors of each governor's life story represent a roster of such notable scholars as Larry Gerlach, Stanley Katz, Arthur Link, and Clement Price, as well as many other experts on New Jersey history and politics. As a result, this revised edition is a thorough and current reference work on the New Jersey governorship—one of the strongest in the nation. *Black New Jersey* Feb 01 2021 Winner of the 2019 Richard P. McCormick Prize from the New Jersey Historical Commission *Black New Jersey* tells the rich and complex story of the African American community's remarkable accomplishments and the colossal obstacles they faced along the way. Drawing from rare archives, historian Graham Russell Gao Hodges brings to life the courageous black men and women who fought for their freedom and eventually built a sturdy and substantial middle class. He explores how the state's unique mix of religious, artistic, and cultural traditions have helped to produce such world-renowned figures as Paul Robeson, Cory Booker, and Queen Latifah, as well as a host of lesser-known but equally influential New Jersey natives.

*New Jersey Index of Wills and Inventories, 1663-1900. (Volume #2)*  
Aug 19 2022 By: NJ Department of State, David S. Crater, Pub.

1912-13, Reprinted 2019, 500 pages, Index, soft cover, ISBN #0-89308-828-5 This must have set of books indexes New Jersey wills and probate records from 1663 through 1900. The 3 volumes together contain more than 185,000 entries, arranged by county with each entry being listed alphabetically under the name of the testator and intestate. This Vol. #2 cover the counties of: Gloucester, Hudson, Hunterdon, Mercer, Middlesex, and Monmouth. Information found within: the number of the will, the year of probate along with references to papers and records connected with them. Special Note: volume three also has alphabetical indexes to the unrecorded wills and New Jersey prerogative wills. All of the wills indexed in this reprint volumes are now in the Bureau of Archives and History in the New Jersey State Library in Trenton, and hence these indexes serve as a valuable guide to further information.

*Good Night New Jersey* Feb 19 2020 From the Jersey Shore to the Palisades, this charming board book captures the true spirit of the Garden State. Young children will be captivated by the memorable sites and attractions New Jersey offers, including the Atlantic Ocean and sandy beaches, fishing boats, rafting the Delaware Water Gap, blueberry farms in the Pine Barrens, Lucy the Elephant, Asbury Park, Adventure Aquarium, Lakota Wolf Preserve, lighthouses, and more.

*Weird N.J.* Apr 27 2023 New Jersey is even WEIRDER than we thought! From the authors of *Weird N.J.*—with more than 125,000 copies sold—comes a second amazing collection of the wonderful weirdness that fills every inch of the Garden State. One of the bestselling books ever to hit New Jersey was Mark Sceurman and Mark Moran's *Weird N.J.* The book was such a phenomenon that it began a whole series of *Weird* state books, each one a bestseller. But the Marks, as they are called, always knew that there were more, bizarre stories lurking in their own home state. So back they went, camera and notebook in hand, to travel the highways and byways of New Jersey to chronicle more weirdly bizarre stories. And what did they find? How about the pathway of a doctor's office paved with tombstones? Or a pumpkin-shaped house? Then there's the Hub Cap Tree, the Birdsville Church (yes, a church for birds), and the bowling ball pyramid that graces one proud resident's front lawn. Fun too are the haunted houses to visit, the ghosts to chat with, and the cursed roads to travel down. It's all part of the long, strange trip known as *Weird N.J.*

*AIA New Jersey Guidebook* May 24 2020 The *AIA New Jersey Guidebook* reveals New Jersey's rich architectural legacy and the eclectic mix of periods and styles that make it unique. Selected by a distinguished group of local architects, the 150 structures depicted in the guidebook include both justly renowned buildings and hidden architectural gems. Compact and organized by region, the *AIA New Jersey Guidebook* is a wonderful traveling companion for road trips across the state or sightseeing day trips.

**New Jersey** Nov 22 2022 **New Jersey: A History of the Garden State** presents a fresh, comprehensive overview of New Jersey's history from the prehistoric era to the present. The findings of archaeologists, political, social, and economic historians provide a new look at how the Garden State has evolved. The state has a rich Native American heritage and complex colonial history. It played a pivotal role in the American Revolution, early industrialization, and technological developments in transportation, including turnpikes, canals, and railroads. The nineteenth century saw major debates over slavery. While no Civil War battles were fought in New Jersey, most residents supported it while questioning the policies of the federal government. Next, the contributors turn to industry, urbanization, and the growth of shore communities. A destination for immigrants, New Jersey continued to be one of the most diverse states in the nation. Many of these changes created a host of social problems that reformers tried to minimize during the Progressive Era. Settlement houses were established, educational institutions grew, and utopian communities were founded. Most notably, women gained the right to vote in 1920. In the decades leading up to World War II, New Jersey benefited from back-to-work projects, but the rise of the local Ku Klux Klan and the German American Bund were sad episodes during this period. The story then moves to the rise of suburbs, the concomitant decline of the state's cities, growing population density, and changing patterns of wealth. Deep-seated racial inequities led to urban unrest as well as political change, including such landmark legislation as the Mount Laurel decision. Today, immigration continues to shape the state, as does the tension between the needs of the suburbs, cities, and modest amounts of remaining farmland. Well-known personalities, such as Jonathan Edwards, George Washington, Woodrow Wilson, Dorothea Dix, Thomas Edison, Frank Hague, and Albert Einstein appear in the narrative. Contributors also mine new and existing sources to incorporate fully scholarship on women, minorities, and immigrants. All chapters are set in the context of the history of the United States as a whole, illustrating how New Jersey is often a bellwether for the nation..

*Welcome to Sonnetville, New Jersey* Aug 07 2021 Neo-confessional poems about moving back to the suburbs, raising a family, sustaining a marriage, and facing the humility that comes with not being young anymore.

**East New Jersey Land Records 1719-1727** Feb 25 2023 Abstracts of deeds recorded in East Jersey deed books B2 and C2 between 1719 and

1727. East Jersey at that time consisted of Bergen County, Essex County, Middlesex County, Monmouth County, and Somerset County. Research in land records is a must when performing genealogy research. The earliest deed in this volume is dated 1682. There is also the will of Albert Terhunen of New York, dated 1721. There is even a seller of land who lost his deed after being taken by pirates! A must-have book for anyone researching East Jersey during this time period.

*Old Burial Grounds of New Jersey* Oct 09 2021 This illustrated guidebook to New Jersey's old burial grounds is unique, not just for New Jersey, but for anywhere in America. Janice Kohl Sarapin introduces you to the history and lore of old graveyards. She shows you how to read epitaphs, how to date gravestones by style, how to restore an abandoned graveyard, and how to find out the stories of the people buried there. She describes more than 120 fascinating old burial grounds throughout the state (including the cemeteries of African-Americans, Jewish communities, and other ethnic and religious groups). She provides full directions and details about what makes each one special as well as suggestions for planning your visit and for educational activities to use with children and adults.

The New Jersey Adventure, Revised Edition Jun 17 2022 The New Jersey Adventure is a 4th grade New Jersey history textbook. The outline for this book is based on the New Jersey Core Curriculum Content Standards for Social Studies and teaches history, economics, and geography. The book places the state's historical events in the

context of our nation's history. The text contains dozens of photographs, local, historical, and contemporary. Features such as timelines, primary source documents, New Jersey portraits, Linking the Past to the Present, and What Do You Think? discussion questions deliver the content in an effective and inviting way, making history come to life. TABLE OF CONTENTS Chapter 1 Natural New Jersey Chapter 2 The First People Chapter 3 Exploration and European Settlement Chapter 4 An English Colony Chapter 5 Colonial Life Chapter 6 Crossroads of the American Revolution Chapter 7 A New Country in the Making Chapter 8 From Farms to Factories Chapter 9 Liberty and Justice for All Chapter 10 New Jersey's Part in the American Dream Chapter 11 Inventions, Industry, Depression, and War Chapter 12 A Time of Growth and Change Chapter 13 Making a Living in New Jersey

**Proceedings of the New Jersey Historical Society, Vol. 52, No. 2, April 1952** Jun 24 2020 Proceedings of the New Jersey Historical Society, Vol. 52, No. 2, April 1952, includes articles on The Province of East Jersey 1609-1702; The Army at Middlebrook; New Tensions in Old Newark; The Operations in New Jersey: An English Officer Describes the Events of December 1776; and Early Campaigns in North Carolina: The Diary of Edmund J. Cleveland.

*New Jersey* Jan 24 2023 Betsy Andrews's sweeping, energetic, book-length poem pounds the pavement of the New Jersey Turnpike, driving through America—past landfills and wetlands and weapons labs—under the towering shadows of engines, oil, and war. With a disarmingly unique voice that evokes the tradition of Pound and Eliot, Whitman and Williams and Ginsberg, Andrews creates a pastiche of landscape, consciousness, history, and politics in this American age.

**Twelve Days of Terror** Aug 27 2020 Upon the 100th anniversary of the most terrifying stretch of shark attacks in American history--a wave said to have been the inspiration for *Jaws*--comes a reissue of the classic Lyons Press account and investigation. In July 1916, a time when World War I loomed over America and New York City was in the midst of a deadly polio epidemic, the tri-state area sought relief at the Jersey shore. The Atlantic's refreshing waters proved to be utterly inhospitable, however. In just twelve days, four swimmers were violently and fatally mauled in separate shark attacks, and a fifth swimmer escaped an attack within inches of his life. In this thoroughly researched account, Dr. Richard Fernicola, the leading expert on the attacks, presents a riveting portrait, investigation, and scientific analysis of the terrifying days against the colorful backdrop of America in 1916 in *Twelve Days of Terror*.

*Criminal Justice Agencies in Region 2* May 16 2022

*Manhood Enslaved* May 04 2021 *Manhood Enslaved* reconstructs the lives of three male captives to bring greater intellectual and historical clarity to the muted lives of enslaved peoples in eighteenth- and early nineteenth-century central New Jersey, where blacks were held in bondage for nearly two centuries. The book contributes to an evolving body of historical scholarship arguing that the lives of bondpeople in America were shaped not only by the powerful forces of racial oppression, but also by their own notions of gender. The book uses previously understudied, white-authored, nineteenth-century literature about central New Jersey slaves as a point of departure. Reading beyond the racist assumptions of the authors, it contends that the precarious day-to-day existence of the three protagonists -- Yombo Melick, Dick Melick, and Quamino Buccau (Smock) -- provides revealing evidence about the various elements of "slave manhood" that gave real meaning to their oppressed lives. Kenneth E. Marshall is Assistant Professor of History at the State University of New York at Oswego.
