**Life Span Development 13th Edition May 24 2020**

**The Theatre Experience Apr 03 2021** The thirteenth edition of *The Theatre Experience* is students' ticket to the best seat in the house. From Broadway to makeshift theater spaces around the world, the author demonstrates the active and lively role they play as audience members by engaging them in the collaborative and creative processes behind and in front of the curtain. Wilson introduces students to the roles of the performers, directors, producers and designers, while emphasizing the insights they as audience members bring to any production. The thirteenth edition better accommodates today's teaching schedules, as well as improves accessibility for students by concise insight and up-to-date vibrant production visuals. Students join the creative process with *The Theatre Experience*, and rehearse for their role as life-long audience members.

**Children May 16 2022** Connecting research and results. As a master teacher, John Santrock connects students to current research and real-world application, helping students see how developmental psychology plays a role in their own lives and future careers. Through an integrated, personalized digital learning program, students gain the insight they need to study smarter and improve performance.

**Principles of Corporate Finance Oct 09 2021** This new international edition provides increased coverage of the procedures for estimating the cost of capital, expanded coverage of risk management techniques and the use and misuse of derivatives, and additional coverage of agency problems.

**The Macro Economy Today Dec 31 2020** 'The Macro Economy Today' is noted for three great strengths: readability, policy orientation, and pedagogy. Schiller's accessible writing style engages students and brings some of the excitement of domestic and global economic news into the classroom.

**Adolescence Jun 17 2022** More students learn from John Santrock's *Adolescence* than from any other text in this field. The 13th edition combines proven pedagogy and the most current research to provide a market leading presentation of adolescence. This time tested text provides compelling contemporary research, including updates from eleven leading experts in the field. The text's accessible presentation, plentiful applications and engaging writing foster increased mastery of the content. The new edition includes substantially expanded material on diversity and culture, adolescents' and emerging adults' health and well-being, including numerous recommendations for improving the lives of adolescents, and expanded emphasis on the positive aspects of adolescent development.

**Understanding Business Today Feb 01 2021**

**Social Psychology Sep 27 2020** "We cast social psychology in the intellectual tradition of the liberal arts. By the teaching of great literature, philosophy, and science, liberal arts education seeks to expand our awareness and to liberate us from the confines of the present. By focusing on humanly significant issues, we aim to offer social psychology's big ideas and findings to pre-professional psychology students, and to do so in ways that stimulate all students. And with close-up looks at how the game is played-at the varied research tools that reveal the workings of our social nature-we hope to enable students to think smarter"--

**Accounting Feb 19 2020** *Accounting: Text and Cases* is a product of lifelong dedication to the discipline of accounting. Covering both financial and managerial accounting as well as broader managerial issues, the book incorporates a breadth of experience that is sure to enrich your course and your students. The 109 cases that make up most of the end of chapter material are a combination of classic Harvard style cases and extended problems, with 12 complete new cases added to the thirteenth edition. --Book Jacket.

**Strategic Management Jul 06 2021**

**Responsible Driving, Softcover Student Edition Aug 19 2022 Student Edition, Softcover**

**Business, Government, and Society: A Managerial Perspective Oct 29 2020** The thirteenth edition of *Business, Government and Society* by John F. Steiner and George A. Steiner continues a long effort to tell the story of how forces in business, government, and society shape our world. In addition, an emphasis on management issues and processes allows students to apply the principles they learn to real-world situations. As always, a stream of events dictated the need for extensive revision. Accordingly, Steiner and Steiner have updated the chapters to include new ideas, events, personalities, and publications, while continuing the work of building insight into basic underlying principles, institutions,

and forces.

**Law, Business and Society Jul 26 2020**

***ISE Sports in Society: Issues and Controversies Jan 12 2022 "For over 30 years, Sports in Society has been a resource in the cultural, interactional, and structural dimensions of sports. The Thirteenth Edition provides a thorough introduction to the sociology of sport by raising critical questions to explore the relationships between sports, culture, and society. This text takes an issues-oriented approach to the study of sports in society and encourages the discussion of current sports-related controversies" -- Provided by publisher.***

**Operations Management Mar 02 2021 Stevenson's Operations Management features integrated, up-to-date coverage of current topics and industry trends, while preserving the core concepts that have made the text the market leader in this course for over a decade. Stevenson's careful explanations and approachable format support students in understanding the important operations management concepts as well as applying tools and methods with an emphasis on problem solving. Through detailed examples and solved problems, short cases and readings on current issues facing businesses, and auto-gradable end of chapter problems and application-oriented assignments available in Connect Operations Management, students learn by doing, and the Thirteenth Edition continues to offer more support for 'doing Operations' than any other. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.**

**Macroeconomics Jan 20 2020 A Complete View of Macroeconomics Dornbusch, Fischer, and Startz's Macroeconomics relies on straightforward explanations by emphasizing concepts over technique, and fitting difficult material into a larger framework so students can see its relevance in the world. The authors explore state-of-the art research, while allowing for flexibility in how much to emphasize these topics. A balanced approach explains both the potential and limitations of economic policy. Hallmark features and key changes in the 13th edition include: • Background and analysis on The Great Recession of 2007-2009 and its aftermath. • Updates on unemployment and the Federal Reserve, including more detailed dives into each topic with current data, definitions, and context. • History Speaks and What More Do We Know? boxes callout relevant data and information that further enhance the concepts covered within each chapter. • Macroeconomics employs a model-based approach to macroeconomic analysis and demonstrates how various models relate to the goal of giving students the capacity to analyze current economic issues in the context of an economic frame of reference. • A focus on international perspectives helps students understand the important links connecting foreign economies to their own.**

**Experience Human Development Apr 22 2020 Experience Human Development 12e allows you to: Experience a program that connects students to the real world. Our Milestones video program allows students to witness real life as it unfolds via a customizable, assignable and assessable platform. Additionally, our new Research in Action feature highlights interesting and timely topics. Experience the diversity of the human experience. The 12th edition of this classic best-seller retains the extensive and integrated cross-cultural and multicultural coverage as previous editions. Experience a program that helps students navigate the vast amount of material in the course. Now with Connect Lifespan, Papalia 12e allows students to connect with real life and the real world. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.**

**Chemistry For Changing Times Feb 13 2022 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. The book that defined the liberal arts chemistry course, Chemistry for Changing Times remains the most visually appealing and readable introduction on the subject. The Thirteenth Edition increases its focus on student engagement – with revised "Have You Ever Wondered?" questions, new Learning Objectives in each chapter linked to end of chapter problems, and new Green Chemistry content, closely integrated with the text. Abundant applications and examples fill each chapter, and material is updated throughout to mirror the latest scientific developments in a fast-changing world. Compelling chapter opening photos, a focus on Green Chemistry, and the "It DOES Matter" features highlight current events and enable students to relate to the book more readily. This package contains: Chemistry for Changing Times, Thirteenth Edition**
