From the inspirational leader and author of the international bestsellers *Your Sacred Self* and *Your Erroneous Zones* comes this mind-awakening guidebook for making your desires reality. Wayne Dyer is an extraordinary sensor of what people want and he moves with the ever-changing times. He focused on the heart of the spiritual with Real Magic and embraced individual sacredness with *Your Sacred Self*. In this enlightening work, he takes these concepts one step further to focus on meditation and manifesting what you want. Based on ancient principles and spiritual practices, *Manifest Your Destiny* teaches the process of meditation as a way to streamline your thoughts, desires, goals, and, ultimately, your life. Are the decisions and actions in your life controlled by your ego? Are you weighted down with unresolved troubles? Do you feel out of touch with your environment? Do you complain, find fault, or take for granted more often than you appreciate your life? You can overcome these barriers with Dyer's technique, as outlined in his *Nine Spiritual Principles* that will teach you to develop spiritual awareness, reconnect with the world, trust yourself and accept your worth, and let go of demands. Filled with warmth and insight, this invaluable book will help you achieve your goals and take you to a level higher than you've ever dreamed. "Whether you think a thing is possible or impossible, either way you'll be right. And you'll see the rightness of your thoughts manifesting everywhere you go." — Wayne Dyer 365 musings and reflections drawn from the work of international best-selling author and beloved spiritual teacher, Dr. Wayne W. Dyer. One of Hay House's most beloved authors, known worldwide as "the father of motivation," Dr. Wayne W. Dyer was at the forefront of the personal transformation movement for decades. So many of us were touched by Wayne's charismatic yet grounded way of speaking and writing. You may fondly remember watching one of his PBS specials or seeing him speak

onstage at the many events he so loved doing throughout the years. Perhaps you were browsing a bookstore and found yourself drawn to a title, only to discover words that would change the course of the rest of your life . . . Or perhaps this is your first encounter with the wisdom of Wayne, and you're not quite sure what this book has in store for you! In this collection of quotes spanning Wayne's decades-long career, you'll find witty bon mots that make you laugh, enigmatic phrases that make you think, and wise passages that remind you of the power of your beliefs. You'll see how his focus shifted through the years, from discussing the way of no-limit living and empowering people to free themselves of their excuses, to finding inspiration through living "in-Spirit" and discovering the beauty of the Tao. As you read a quote each day, or flip through the pages at random to find insight, we hope you take to heart the meaning behind one of Wayne's favorite sayings: When you change the way you look at things, the things you look at change. In the popular vein of *Heaven Is for Real* and now available in paperback, *Memories of Heaven*, written by #1 New York Times best-selling author Dr. Wayne W. Dyer and friend and collaborator Dee Garnes, collects astonishing real-life stories of children who vividly remember heaven . . . from the time before they were born! Dr. Wayne W. Dyer and co-author Dee Garnes had often talked about how the ones who know the most about God are those who have just recently been wrapped in the arms of the Divine, our infants and toddlers. In fact, Dee had an interaction with her own young son that convinced her of this. Curious about this phenomenon, Wayne and Dee decided to issue an invitation to parents all over the world to share their experiences. The overwhelming response they received prompted them to put together this book, which includes the most interesting and illuminating of these stories in which very young children speak about their remembrances before they were born. It seems that infants and toddlers often arrive here with memories of their lifetimes in the spirit world and frequently provide evidence of this to their immediate families. They tell of dialogues with God, give evidence that they themselves had a hand in picking their own parents, speak about long-deceased family members they knew while in the dimension of Spirit, verify past-life recollections, and speak eloquently and accurately of a kind of Divine love that exists beyond this physical realm--and even of times when telepathic communication took place, as well as the ability to decide just when they would come here to Earth. This fascinating book encourages parents and grandparents to take a much more active role in communicating with their new arrivals . . . and to realize that there is far more to this earthly experience than what we perceive with our five senses. The #1 New York Times best-selling author Wayne Dyer has been inspiring people to change their lives for many years. Now three of his most fascinating books are collected in this single volume: • *The Power of*

Intention details Wayne's research on intention as a force in the universe that allows the act of creation to take place. He explains that it is not something we do, but rather an energy we're a part of. This is the first book to look at intention as a field of energy that we can access to begin co-creating our lives. • *Inspiration* dissects feelings of emptiness, the idea that there must be something more, and trying to determine the meaning of life . . . all evidence of a yearning to reconnect with our soul space. This book explains how we've chosen to enter this world of particles and form, and each chapter is filled with specifics for living an inspired life. From a very personal viewpoint, Wayne offers a blueprint through the world of Spirit to inspiration, our ultimate calling. • *Excuses Begone!* reveals how to change the self-defeating thinking patterns that have prevented us from living at the highest levels of success, happiness, and health. Wayne presents many of the conscious and subconscious crutches most of us employ, along with ways to cast them aside once and for all. The old, habituated ways of thinking will melt away as the absurdity of hanging on to them is exposed, and we ultimately come to realize that there are no excuses worth defending—ever. *The Essential Wayne Dyer Collection* is a must-read for those wanting to explore the power and potential of the human mind, as well as anyone who is finally ready to live the best life possible! Bestselling author and lecturer Dr. Wayne W. Dyer has written a thought-provoking book for those of us who have chosen to consciously be on our life path. The ten "secrets" for success and inner peace presented here apply whether you're just embarking on your path, are nearing the end of it, or are on the path in any way. Dr. Dyer urges you to read these ten secrets with an open heart. By doing so, you'll learn to feel the peace of God that truly defines success. In *Good-bye, Bumps!*, Dr. Wayne W. Dyer and his daughter Saje tell a remarkable story from her childhood in which she was able to overcome a physical condition in a very unique way. In the telling of this story Saje and Wayne teach children the important lesson that when something is bothering them, they can change their attitude toward it and not allow it to have power over them. This book will help kids understand that some things about themselves can be changed and others will always be with them, but what matters is how they choose to think about these things. In addition to its valuable lesson, this charming story will remind all readers, both young and old, of what can be done with the childlike belief in what is possible. A persuasive guide for those who want to achieve their full potential in every area of life and to perfect the body and mind by reaching beyond their limits and setting goals of unlimited growth For many years, Dr. Wayne W. Dyer's fans have wondered when he would write a memoir. Well, after four decades as a teacher of self-empowerment and the best-selling author of more than 40 books, Wayne has finally done just that! However, he has written it in a way that only he can—with a

remarkable take-home message for his longtime followers and new readers alike—and the result is an exciting new twist on the old format. Rather than a plain old memoir, Wayne has gathered together quantum-moment recollections. In this revealing and engaging book, Wayne shares dozens of events from his life, from the time he was a little boy in Detroit up to present day. In unflinching detail, he relates his vivid impressions of encountering many forks in the road, taking readers with him into these formative experiences. Yet then he views the events from his current perspective, noting what lessons he ultimately learned, as well as how he has made the resulting wisdom available to millions via his lifelong dedication to service. As a reader, you will feel as if you are right there with Wayne, perusing his personal photo album and hearing about his family, his time in the service, how he writes his best-selling books, and so much more. In the process, you'll be inspired to look back at your own life to see how everything you have experienced has led you to where you are right now. Wayne has discovered that there are no accidents. Although we may not be aware of who or what is "moving the checkers," life has a purpose, and each step of our journey has something to teach us. As he says, "I wasn't aware of all of the future implications that these early experiences were to offer me. Now, from a position of being able to see much more clearly, I know that every single encounter, every challenge, and every situation are all spectacular threads in the tapestry that represents and defines my life, and I am deeply grateful for all of it." *I Can See Clearly Now* is an intimate look at an amazing teacher, but it also holds the key for seekers on a personal path of enlightenment. Wayne offers up his own life as an example of how we can all recognize the hand of the Divine steering our individual courses, helping us accomplish the mission we came here to fulfill. There's a voice in the Universe entreating us to remember our purpose, our reason for being here now in this world of impermanence. The voice whispers, shouts, and sings to us that this experience—of being in form in space and time—has meaning. That voice belongs to inspiration, which is within each and every one of us. The feelings of emptiness; the idea that there must be something more; wondering, Is this all there is? and trying to determine the meaning of life . . . this is all evidence of a yearning to reconnect with our soul space. We're aching for our calling to be felt and expressed. In *Living an Inspired Life* (previously published under the title *Inspiration*), Dr. Wayne W. Dyer explains how we've chosen to enter this world of particles and form. From our place of origin, in ways that we don't readily comprehend now, we knew what we were coming here to accomplish, and we participated in setting this life process in motion. So why not think along these same lines? Why put the responsibility or blame on any one or any thing that's not a part of us? On Earth we have the capacity of volition—we can choose—so let's assume that we had the same capacity when we resided in the spiritual realm. We chose our physical body, and we chose the parents we needed for the trip. It doesn't seem too great a stretch to move into the idea that we chose this life in concert with our Source. Inspiration can be cultivated and be a driving force throughout life, rather than

showing up every now and then and just as mysteriously disappearing, seemingly independent of our desires. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences—it's inherent in our Divine birthright. The problem is that as children we're gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished. As you read each chapter in this book, you'll find specific suggestions for living "in-Spirit." From a very personal viewpoint, Wayne offers a blueprint through the world of inspiration—your ultimate calling. The wit and wisdom of Dr. Wayne Dyer, the author of the international bestsellers *Everyday Wisdom* and *10 Secrets for Success and Inner Peace*, is reflected in this extraordinary collection of inspirational quotes and observations. He says, "We are all on the same path. We're just on different places along the path." *The Shift*—the book inspired by the movie of the same name—illustrates how and why to make the move from ambition to meaning. Experience the internationally renowned principles and teachings of Dr. Wayne W. Dyer as they come to life in this one-of-a-kind enhanced e-book. Download *The Shift* and allow these lessons to guide you down a more authentic and rewarding path today. As we contemplate leaving the morning of our life, where ego has played a commanding role, and entering the afternoon (and evening), where meaning and purpose replace ambition and struggle, we may encounter unexpected occurrences that accompany this new direction. It's almost a universal law that we'll experience a fall of some kind. Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose. *The Shift* doesn't mean that we lose our drive and ambition; it signifies that we become ambitious about something new. We make a commitment to living a life based on experiencing meaning and feeling purposeful, rather than a life based on never-ending demands and false promises that are the trademark of the ego's agenda. Dr. Wayne W. Dyer, the internationally best-selling author and lecturer, has a new message for his youngest readers. In his latest children's book, *Wayne teaches kids about excuses: what they are, where they come from, and how to eliminate them so boys and girls can reach their full potential. Playfully illustrated once again by Stacy Heller Budnick, No Excuses!* tells the story of a boy with a seemingly impossible dream who almost lets excuses stand in his way. Luckily, he learns some important lessons that allow him to attain his goals--lessons that just about all children will be able to understand and apply to their lives. *No Excuses!* will be available shortly after the publication of Wayne's book for adults, *Excuses Begone!* Social sciences. This book is dedicated to your mastery of the art of realizing all your desires. The greatest gift you have been given is the gift of your imagination. Everything that now exists was once imagined. This book will help you See—with a capital S—that you are Divine, and that you already possess an inner, invisible higher self that can and will guide you toward a mastery of the art of manifestation. You can attain this mastery through deliberate conscious control of your imagination! *Everyday wisdom*—in the form of inspirational quotes and observations—from best-selling author Wayne W. Dyer is just the thing to make your days more joyous and meaningful! In his fourth book for children, Dr. Wayne W. Dyer focuses on the topic of excuses and how they can do more harm than we realize. The book demonstrates how excuses go far beyond "my dog ate my homework," and can actually become words that prevent your child from reaching his or her potential. The book follows a boy with a seemingly impossible dream who almost lets excuses ("I'm not smart enough" . . . "It's too hard," and so on) get in his way. He discovers, as will your child, that by following a few simple ideas and eliminating excuses . . . anything is possible! One day you wake up and you realize that the sun is shining. You feel the wind blowing on your face almost like it was the first time. Then nighttime comes and the stars in the sky seem breathtakingly beautiful. All of nature is beckoning to you. There is one universal message: "We were here before you came into this body. We are here now, and we will be here for eternity." It is this awareness which inspires Ann Marie Ganness as she continues along her journey of spiritual realization and self-reliance. How does one keep going and not lose faith? A major influence in Ann Marie's life has been best-selling author Dr. Wayne Dyer. *Eighteen Lessons from Wayne* contains some of her most profound insights linked to the teachings and philosophies of the man known as the father of motivation. **INSTANT NATIONAL BESTSELLER, WITH OVER 3 MILLION COPIES SOLD** From the #1 bestselling author of *Your Erroneous Zones*, a directed and practical book that shows you how to stop being manipulated by others and start taking charge of your own life. In their working life, many people stay in unfulfilling jobs because they feel constrained by their present experience or because they fear change. The answer lies in this powerful collection of writings, poems, and sayings by some of the greatest thinkers of the past twenty-five centuries. In succinct original essays, Dyer sets out to explain the meaning and context of each piece of wisdom, and, most important, to explain how we can actively apply these teachings to our modern lives. Among the contributions are words on inspiration from Pantanjali, author of the Hindu classic Yoga Sutras; teachings about the power of prayer from 13th-century monk St. Francis of Assisi; and thoughts about the importance of action written by Mother Teresa. for greatness In this inspirational work, beloved best-selling author Dr. Wayne W. Dyer shows you how to restore balance in your life by offering nine principles for realigning your thoughts so that they correspond to your highest desires. Imagine a balance scale with one end weighted down to the ground, and the other end - featuring the objects of your desires - sticking up precariously in the air. This scale is a measurement of your thoughts. To restore the same balance that characterizes everything in our universe, you have to take up the weighty thoughts so that they match up to your desires. The seasons reflect the overall harmony of life. For example, winter passes and the blossoms emerge. This is balanced by a need to have the trees rest, so autumn arrives on time and helps the trees ready themselves for another period of repose. This book is dedicated to the idea that we're a vital component of this creative process and have within ourselves the wherewithal to create all that we want if we recognize and revise out-of-balance thoughts. Within the pages of this transformational book, Dr. Wayne W. Dyer reveals how to change the self-defeating thinking patterns that have prevented you from living at the highest levels of success, happiness, and health. Even though you may know what to think, actually changing those thinking habits that have been with you since childhood might be somewhat challenging. If I changed, it would create family dramas . . . I'm too old or too young . . . I'm far too busy and tired . . . I can't afford the things I truly want . . . It would be very difficult for me to do things differently . . . and I've always been this way . . . may all seem to be true, but they're in fact just excuses. So the business of modifying habituated thinking patterns really comes down to tossing out the same tired old excuses and examining your beliefs in a new and truthful light. In this groundbreaking work, Wayne presents a compendium of conscious and subconscious crutches employed by virtually everyone, along with ways to cast them aside once and for all. You'll learn to apply specific questions to any excuse, and then proceed through the steps of a new paradigm. The old, habituated ways of thinking will melt away as you experience the absurdity of hanging on to them. You'll ultimately realize that there are no excuses worth defending, ever, even if they've always been part of your life—and the joy of releasing them will resonate throughout your very being. When you eliminate the need to explain your shortcomings or failures, you'll awaken to the life of your dreams. Excuses . . . Begone! You'll See It When You Believe It demonstrates that through belief you can make your life anything you wish it to be. One of the foremost inspirational leaders of our time and the author of such bestsellers as Real Magic and Your Erroneous Zones now offers a groundbreaking, illuminating guide with a three-step program of change that will help readers establish a spiritually oriented, rather than an ego-oriented approach to life. Intention is generally viewed as a certain kind of determination propelling one to succeed at all costs by never giving up on an inner picture. In this view, an attitude that combines hard work with an indefatigable drive toward excellence is the way to succeed. However, intention is viewed very differently in this book. Dr. Wayne W. Dyer has researched intention as a force in the universe that allows the act of creation to take place. This book explores intention— as something you do— as an energy you're a part of. We're all intended here through the invisible power of intention. This is the first book to look at intention as a field of energy that you can access to begin co-creating your life with the power of intention. Part I deals with the principles of intention, offering true stories and examples on ways to make the connection. Dr. Dyer identifies the attributes of the all-creating universal mind of intention as creative, kind, loving, beautiful, expanding, endlessly abundant, and receptive, explaining the importance of emulating this source of creativity. In Part II, Dr. Dyer offers an intention guide with specific ways to apply the co-creating principles in daily life. Part III is an exhilarating description of Dr. Dyer's vision of a world in harmony with the universal mind of intention. In this easy-to-read and apply book, you'll learn simple steps that have already helped thousands of people from all walks of life discover the incredible energy and daily peace they were born to experience. It's not about giving you other people's answers, it's about helping you find your own answers and the tools to put them into action. Learn why an inspired life is critical to your happiness and your health. The shocking truth is that the majority of challenges that people face today—relating to high stress, weight gain, dating and divorce, job dissatisfaction, fear, anger, depression, addiction, and loneliness—are all just symptoms of one common underlying problem: Inspiration Deficit Disorder. This common condition is the result of being disconnected from your natural wisdom, talent, and sense of what matters most. As you read the material within these pages, you'll see that you can end the imbalance faster than you think. Inspiration is a choice! Following in the footsteps of Dr. Wayne Dyer's first children's book, the bestseller Incredible You! this work goes even further toward expressing Wayne's positive message for children. In Unstoppable Me! Dr. Dyer teaches children how to hold on to the no-limit thinking he believes they were born with, rather than just trying to "fit in." In doing so, they can learn to truly enjoy life and become unstoppable as they strive to attain their dreams. The 10 important lessons in this book include the value of taking risks, dealing with

stress and anxiety, and learning to enjoy each moment. Each point includes an example showing how a child might apply the concept in his or her everyday life. Similar to *Incredible You!* there are questions at the end of the book to help spark discussion and to further reinforce Wayne's message. David L. Dyer, brother to world-renowned motivational speaker Dr. Wayne Dyer, has his own inspirational story to share. It took David sixty-eight years and the life-altering diagnosis of Parkinson's disease to truly grasp the significance of his brother's famous mantra, "Do not die with your music still in you." Once he did, however, he was able to use his gift of language—a long-suppressed talent—to confront the demons that have haunted him for decades. In his memoir, *From Darkness to Light*, David recalls stories of his life, from his earliest memories to his most recent years. He recounts childhood memories of playing with Wayne, two years his junior; going into foster care after his father abandoned his family; facing bullies and teasing; and struggling to learn to swim. As he grew older and drifted away from his close friendship with Wayne, David turned to partying and alcohol—and the latter would stay with him for years. He later joined the army and found himself serving in Vietnam, where he witnessed horrific events that would affect him for decades to come. *From Darkness to Light* takes a cathartic journey through the events of one man's life, following him up to the present. It celebrates the bond of brotherhood, and it embraces David as a boy, as a veteran, and as the man he is today. Five hundred years before the birth of Jesus, a God-realized being named Lao-tzu in ancient China dictated 81 verses, which are regarded by many as the ultimate commentary on the nature of our existence. The classic text of these 81 verses, called the *Tao Te Ching* or the *Great Way*, offers advice and guidance that is balanced, moral, spiritual, and always concerned with working for the good. In this book, Dr. Wayne W. Dyer has reviewed hundreds of translations of the *Tao Te Ching* and has written 81 distinct essays on how to apply the ancient wisdom of Lao-tzu to today's modern world. This work contains the entire 81 verses of the *Tao*, compiled from Wayne's researching of 12 of the most well-respected translations of text that have survived for more than 25 centuries. Each chapter is designed for actually living the *Tao* or the *Great Way* today. Some of the chapter titles are "Living with Flexibility," "Living Without Enemies," and "Living by Letting Go." Each of the 81 brief chapters focuses on living the *Tao* and concludes with a section called "Doing the *Tao* Now." Wayne spent one entire year reading, researching, and meditating on Lao-tzu's messages, practicing them each day and ultimately writing down these essays as he felt Lao-tzu wanted you to know them. This is a work to be read slowly, one essay a day. As Wayne says, "This is a book that will forever change the way you look at your life, and the result will be that you'll live in a new world aligned with nature. Writing this book changed me forever, too. I now live in accord with the natural world and feel the greatest sense of peace I've ever experienced. I'm so proud to present this interpretation of the *Tao Te Ching*, and offer the same opportunity for change that it has brought me." **BESTSELLING BOOK** In this inspirational guide, Wayne Dyer, the author of the phenomenal

bestsellers *Wisdom of the Ages*, *Pulling Your Own Strings*, and *Your Erroneous Zones*, reveals seven beliefs central to working miracles in our everyday lives. When most of us think of magic, we picture a man in a black cape sawing a woman in half, or a sleight-of-hand card trick. But there's another kind of magic – real magic – that can enrich your life. According to Dyer, real magic means creating miracles in everyday life. Quitting smoking or drinking, achieving new Job success, or finding a happy relationship – these are all miracles because they transcend our perceived limitations. From "creating a miracle mind-set" and achieving change in the areas of personal health, prosperity, and fulfilling love relationships to believing in the magic of miracles on a global scale, Dyer shows us that miracles within our reach and within our own minds. In *Real Magic*, Dyer teaches us how to achieve a higher level of consciousness. He asks us to imagine what would make us happy, then offers specific strategies for attaining these goals. In every aspect of our individual lives – physical health, finances, intimate relationships, and personal identity – there is always room for a miracle or two. And with Dyer's help, each and every one of us can be a miracle worker. **Why Meditate?** The practice of meditation takes us on a fabulous journey into the gap between our thoughts, where all the advantages of a more peaceful, stress-free, healthy, and fatigue-free life are available—but they're merely side benefits. The paramount reason for daily meditation is to get into the gap between our thoughts and make conscious contact with the creative energy of life itself. In this uplifting book, Dr. Wayne W. Dyer explains the soul-nourishing meditation technique for making conscious contact with God, which the ancient masters have told us about. You have all the potential to be an instrument of the highest good for all concerned and to be a literal miracle worker in your own life. No person, government entity, or religious group can legitimately claim to do this for you. "In fact," says Dr. Dyer, "I agree with Carl Jung, who said that one of the main functions of formalized religion is to protect people against a direct experience of God." (Dr. Dyer helps you have this direct experience by leading you through the meditation technique in the accompanying audio download.) When you master getting into the gap, stay there for prolonged segments of meditation, and experience what you bring back into the world, you'll truly know the answer to the question: "Why meditate?" In 2001, Dr. Wayne Dyer wrote a book called *10 Secrets for Success and Inner Peace*, based on the most important principles he wanted his children to live by. Serena Dyer, one of those children, has contemplated these ideas throughout her life. "Don't die with your music still in you" has been the most important principle for Serena: to her, it means that you don't allow yourself to live any life other than the one you were born to live. In this book, Serena sets out to explain what it was like to grow up with spiritual parents. She touches upon all ten of her dad's original secrets, imparting her own experiences with them and detailing how they have affected the way she approaches various situations in life. She shares stories, struggles, and triumphs—and Wayne, in turn, contributes his own perspective. This unique father-daughter collaboration will warm the hearts of all parents . . . and inspire

anyone who is looking to find the "music" inside themselves. In *How Dr. Wayne W. Dyer Taught Me That Life is Worth Living*, Karen M. Hilligoss shares her innermost experiences after learning that her two children were diagnosed with serious developmental disabilities a mere three days apart. The shock of receiving these diagnoses took Karen's soul to a dark place filled with skepticism and agnosticism. However, unexpectedly, her life intersected with that of the world-renowned spiritual and inspirational writer, Dr. Wayne Dyer. Dr. Dyer singlehandedly transformed Karen's inner beliefs and brought her to a place of peace and acceptance. In this book, Karen chronicles a number of miracles that occurred through the intercession of Dr. Dyer. Karen also shares Dr. Dyer's powerful message that "love is eternal" and how Dr. Dyer instilled in Karen a profound faith that a higher power truly exists. Moreover, *How Dr. Wayne W. Dyer Taught Me That Life is Worth Living* provides Karen's intimate journey into overcoming disbelief with faith. This book is a celebration of Dr. Dyer's current impact on a soul despite his entry into non-physical form. Most importantly, this book proves without a doubt that Dr. Dyer is continuing his life work of teaching true God consciousness and union with the divine. **I AM**, the newest children's book by Dr. Wayne W. Dyer, is taken from his latest book for adults, *Wishes Fulfilled*. **I AM** teaches kids a simple but profound message: God is not far off in the distance, or even merely beside us. In other words, we are not separate from God—we are God! Knowing that God's love and strength is a part of everyone can help kids grow to meet their greatest potential in life. The book uses a rhyme and illustrations to teach this lesson and help children realize that they are greater than they ever imagined! There is also a special section at the end that teaches the important meaning and way to use the words *I am* to create love, happiness, and greatness in their own lives and the world "This book offers you an opportunity to internalize and directly experience the great wisdom of the *Tao Te Ching*, a collection of verses authored by the Chinese prophet Lao-tzu." "The words *Tao Te Ching* translate to 'living and applying the *Great Way*.' Although just 81 short verses, the *Tao* encourages you to change your life by literally changing the way you think. By reading through the verses presented here (which I've pieced together after reviewing hundreds of translations)—along with the corresponding affirmation I've created for each verse—you'll be embarking on a path that encompasses the profound ideas that Lao-tzu intended to convey." "The *Tao Te Ching* offers you Divine guidance on virtually every area of human existence. It is a new way of thinking in a world that needs to recapture its ancient teachings. Work with the verses and affirmations regularly and you will come to know the truth behind the ancient *Tao* observation: When you change the way you look at things, the things you look at change." — Dr. Wayne W. Dyer **EVERYDAY WISDOM FOR SUCCESS** In this wonderful little book, Dr. Wayne W. wisdom for success - every day! Bestselling inspirational author Wayne Dyer's classic parable, with a powerful message for achieving happiness here on Earth, now and forever. Weaving together science fiction, spirituality, and philosophy with wisdom, humor, and plain common sense, Dyer tells the story of two peaceful beings from different worlds who work together to enhance the well-being of all. The gifts that Eykis, an alien traveling from a distant, Earth-like planet, brings to the people of Earth help them see themselves in a new light, and compel them to rethink their negative actions. Wayne's from the 1990s and 2000s are restructured in a cohesive way to offer a fresh take on his teachings. "When you change the way you look at things, the things you look at change." This was something Dr. Wayne Dyer said often, and it was the inspiration for this book. The material contained within is taken from speeches and presentations he gave to many varied audiences, over many years. Yet it seemed that no matter who he talked to, he returned to a few themes over and over again, and these themes are woven throughout the pages of Happiness Is the Way. As Wayne will show you, there is no magic potion for getting what you want from life. All you could ever want or need can be found inside of you--you simply need to learn to reframe your thinking. No matter what your present circumstances are, you have the power to overcome them. This book will show you the impact of your attitudes, choices, and expectations, leading you to a great sense of empowerment; help you recognize how you are likely much more successful than you ever realized, regardless of the challenges you may be facing; and illuminate the importance of a personal mission. It also includes specific questions and journal exercises to help you chart the way to the life you've dreamed of. In the process, you'll discover that you contain the seeds for greatness within, leading you to a life of true happiness.
