The Murrow Boys Jan 13 2022 Smith - invented the craft of radio reporting as they went along, winning the hearts of Americans.

Victory and Honor Jun 25 2020 Facing daunting challenges in the form of political threats against the OSS and the early stirrings of the Cold War, Cletus Frade and his colleague conduct a secret operation to counter the growing ambitions of Joseph Stalin.

A Question of Honor Mar 27 2023 In the latest mystery from New York Times bestselling author Charles Todd, World War I nurse and amateur sleuth Bess Crawford investigates an old murder that occurred during her childhood in India, and begins a search for the truth that will transform her and leave her pondering a troubling question: How can facts lie? In 1908, when a young Bess Crawford lived in India, an unforgettable incident darkened the otherwise happy time. Her father's regiment discovered it had a murderer in its ranks, an officer who killed five people yet was never brought to trial. A decade later, tending to the wounded on the battlefields of France during World War I, Bess learns from a dying man that the alleged murderer, Lieutenant Wade, is alive and serving at the Front. According to reliable reports, he'd died years before, so how did Wade escape India? What drove a good man to murder in cold blood? Bess uses her leave to investigate. But when she stumbles on the horrific truth, she is shaken to her very core. The facts reveal a reality that could have been her own fate.

A Question of Honour Jan 25 2023 *A Question of Honour* focuses on a previously unpublished account of a great Victorian scandal, in which Baker was charged with assault upon a young woman in a railway carriage. The book is written by a member of his family. '

Hidden Peril (Code of Honor Book #2) Sep 28 2020 As teenagers, Kristin Dane and her two best friends took a vow to make the world a better place. Twenty years later, she's fulfilling that pledge through her fair trade shop that features products from around the world. All is well until, one by one, people connected to the shop begin dying. Detective Luke Carter, new to the St. Louis PD, wants to know why. Before he can answer that question, however, the FBI weighs in and Kristin suddenly finds herself in the middle of international intrigue--and in the sights of the ruthless mastermind behind an ingenious and deadly, scheme. Can this cold-blooded killer be stopped before more people die . . . including Kristin? Three-time RITA Award-winner and "queen of inspirational romantic suspense" (Library Journal) Irene Hannon doesn't disappoint in this edge-of-your-seat thriller that will have readers up late as they rush toward the explosive conclusion.

Honor Bound May 25 2020 The inspiring story of the first female Marine to fly a combat mission in an F/A-18—and the transformative events that led to her bold decision to take on the most powerful man in the U.S. Senate. Amy McGrath grew up in Edgewood, Kentucky, a childhood shaped by love of country, baseball (the Cincinnati Reds), and, from the age of twelve, a fascination with fighter jets. Her devastation at learning that a federal law prohibited women from flying in combat fueled her determination to do just that—and then, to help change the laws to improve the lives of all Americans. McGrath writes of gaining an appointment in high school to the U.S. Naval Academy, making it through Marine Corps training, graduating from Annapolis, Maryland, becoming a Second Lieutenant, and raising her right hand to swear to defend the U.S.

Constitution, honor bound. She vividly recounts her experiences flying in the Marines, and her combat deployments to Iraq (Kuwait) and Afghanistan, her work as an Air Combat Tactics instructor—and what it was like to finally fly that fighter jet: high-speed, intense, and physically demanding. Here is McGrath, training to do the most intense tactical flying there is (think the Navy's TOPGUN); meeting the man who would become her husband; being promoted to major and then lieutenant colonel; marrying, having three children, a career and life in Washington and then moving her family back to Kentucky to begin a whole new chapter in politics; her roller-coaster congressional campaign (she lost by three percentage points); and making the tough decision to run again, in an even bigger, higher-stakes national campaign, against the five-term leader of the U.S. Senate, Mitch McConnell. A moving, inspiring American story of courage, determination, and large dreams.

The Practice of Honor Aug 20 2022 Honor? In Today's World? A one-of-a-kind book in both subject and perspective! *The Practice of Honor* is about reformation of honor—it is intended to disrupt your current model of authority! Jesus put it like this, "You know that the rulers of the Gentiles lord it over them, and those who are great exercise authority over them. Yet it shall not be so among you; but whoever desires to become great among you, let him be your servant" (Matthew 20:25-26). In some realms, honor is something defended

to the death. However you have defined and cultivated honor up to now, *The Practice of Honor* may require a significant paradigm shift in your thinking. Based on the revival culture of the very spiritually successful Bethel Church in Redding, California, this book is also a template to help any leader develop an environment that brings out the very best in people. *The Practice of Honor* is a recipe for introducing the Spirit of God, and all of His freedom, and how to host and embrace that freedom as a community of believers. Those with power must learn how to empower those around them—or Heaven on the earth will never be realized as God intended.

Why Honor Matters Feb 14 2022 A controversial call to put honor at the center of morality To the modern mind, the idea of honor is outdated, sexist, and barbaric. It evokes Hamilton and Burr and pistols at dawn, not visions of a well-organized society. But for philosopher Tamler Sommers, a sense of honor is essential to living moral lives. In *Why Honor Matters*, Sommers argues that our collective rejection of honor has come at great cost. Reliant only on Enlightenment liberalism, the United States has become the home of the cowardly, the shameless, the selfish, and the alienated. Properly channeled, honor encourages virtues like courage, integrity, and solidarity, and gives a sense of living for something larger than oneself. Sommers shows how honor can help us address some of society's most challenging problems, including education, policing, and mass incarceration. Counterintuitive and provocative, *Why Honor Matters* makes a convincing case for honor as a cornerstone of our modern society.

A Dangerous Passion Sep 21 2022 Shows the importance of honor for leaders, both as a source of noble ambition to pursue the public good and as dangerous temptation to seek glory through domination. *A Dangerous Passion* argues that leadership and honor are mutually constitutive and that this dynamic relationship fundamentally shapes the character of political practice. Haig Patapan shows how our contemporary blindness to this leadership-honor dynamic and neglect of the significance of honor (and shame) in modern politics have caused us to fundamentally misunderstand the nature of leadership. We have lost sight of how honor shapes the ambitions and aspirations of those who seek political office, and the opportunities and limits it imposes on leaders when engaging with their followers. What has been obscured are the two faces of honor: how it is the dangerous passion that fuels the ambitions of the glory seekers to pursue tyranny and empire, as well as being the source of good leadership that is founded on noble ambition and sacrifice for the common good. Patapan examines classical magnanimity, Machiavellian glory, and Hobbesian-dispersed leadership, views that continue to be debated, and then offers insights from these debates to illuminate a series of contemporary political challenges for leaders, including the politics of fame, identity, and nationalism. Haig Patapan is Professor in the School of Government and International Relations at Griffith University in Australia. His many books include *The Democratic Leader: How Democracy Defines, Empowers, and Limits its Leaders* (coauthored with John Kane).

Honor & Respect Dec 20 2019 The essential reference for anyone who needs to write, send an invitation, formally introduce, or speak to their local sheriff, pastor, judge, or city councilman.

A Question Of Honour (Mills & Boon Modern) Jan 21 2020 A runaway princess... It should be easy. Karim Al Khalifa, Crown Prince of Markhazad, has one task: retrieve rebellious princess Clementina Savanevski from her hideout in England and return her home to be wed...to another man.

Douglas MacArthur Jul 27 2020 Under siege on the island of Corregidor, General Douglas MacArthur received a warning from the enemy. "You are well aware that you are doomed," the Japanese general wrote. "The end is near. The question is how long you will be able to resist. You are advised to surrender." Of course, there was no way Douglas was going to surrender. Whether masterminding strategy and fighting on the front lines to secure Allied victory in World War I and World War II or guiding war-torn nations to recovery in peacetime, five-star General Douglas MacArthur faced every challenge with unwavering courage and resolve. The general began his honored army career by leading his fellow cadets at West Point and ultimately commanded all U.S. forces in Asia. Remembered especially for directing the fight against Japanese expansion during WWII and later governing the defeated Japanese people with grace and wisdom, General MacArthur won the respect of millions, both allies and enemies. (1880-1964). *Heroes of History* is a unique biography series that brings the shaping of history to life with the remarkable true stories of fascinating men and women who changed the course of history. The stories of *Heroes of History* are told in an engaging narrative format, where related history, geography, government, and science topics come to life and make a lasting impression. This is a premier biography line for the entire family. Pages: 224 (paperback) Ages: 10+

A Question of Honor Feb 26 2023 An inside look at the Annapolis cheating scandal, in which twenty-nine cadets were expelled for cheating

A Question of Honor Apr 28 2023 The story of Polish fighter pilots during the Battle of Britain retraces the

role of the Kosciuszko squadron in fending off German attacks on Britain in 1940.

A Question of Honor Dec 12 2021 Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

A Defense of Honor (Haven Manor Book #1) Mar 23 2020 When Katherine "Kit" FitzGilbert turned her back on London society more than a decade ago, she determined never to set foot in a ballroom again. But when business takes her to London and she's forced to run for her life, she stumbles upon not only a glamorous ballroom but also Graham, Lord Wharton. What should have been a chance encounter becomes much more as Graham embarks on a search for his friend's missing sister and is convinced Kit knows more about the girl than she's telling. After meeting Graham, Kit finds herself wishing things could have been different for the first time in her life, but what she wants can't matter. Long ago, she dedicated herself to helping women escape the same scorn that drove her from London and raising the innocent children caught in the crossfire. And as much as she desperately wishes to tell Graham everything, revealing the truth isn't worth putting him and everyone she loves in danger.

In the Name of Honor May 05 2021 In June 2002, journalists throughout the world began to hear of the gang rape of a Pakistani woman from the impoverished village of Meerwala. The rape was ordered by a local clan known as the Mastoi and was arranged as punishment for indiscretions allegedly committed by the woman's brother. While certainly not the first account of a female body being negotiated for honor in a family, and (sadly) not the last, journalists and activists were captivated. This time the survivor had chosen to fight back, and in doing so, single-handedly changed the feminist movement in Pakistan. Her name was Mukhtar Mai, and her decision to stand up to her accusers was an act of bravery unheard of in one of the world's most adverse climates for women. By July 2002, Mai's case was headline news in Pakistan and under international scrutiny, the government awarded her the equivalent of 8,500 U.S. dollars in compensation money (a historic settlement), and her attackers were sentenced to death. Mukhtar Mai went on to open a school for girls in an effort to ensure that future generations would not suffer, as she had, from illiteracy. In this rousing account, Mai describes her experience and how she has since become an agent for change and a beacon of hope for oppressed women around the world. Timely and topical, *In the Name of Honor* is the remarkable and inspirational memoir of a woman who fought and triumphed against exceptional odds.

Honor Among Thieves Nov 30 2020 Han Solo and his new friends embark on a daring rescue mission just after the destruction of the first Death Star.

303 Squadron Apr 04 2021 Summer of 1940 and the Battle of Britain -- the darkest days of WWII. England stood alone, fighting for its life against the powerful German war machine. The celebrated squadron of Polish fighter pilots whose superb skill in the air helped save England during its most desperate hours -- lionized by the British press, congratulated by the King, ador

Matters of Honor Nov 23 2022 "Terrifically intelligent, moving, and entertaining." -*The New York Sun* "With snappy dialogue [and] intelligent prose . . . Begley paints a memorable portrait of lasting friendship and of the strength required to step outside of the expectations that surround each of us." -*Rocky Mountain News*

At the beginning of the 1950s, three disparate young men are thrown together as roommates at Harvard College: Henry White, a Polish-Jewish refugee who survived World War II by hiding in Poland; Archibald P. Palmer III, an Army brat; and Sam Standish, ostensibly the scion of a fine New England family who has just learned that he was adopted at birth by parents he cannot respect. Each seeks to come to terms with his identity or to remake it altogether. Henry's task is especially daunting: He is determined to live as an American, free of the shackles of his hideous past. But reinvention is a bargain with the devil, and over the years each will find that it comes at a high cost, challenging one's honor and loyalty to parents, friends, and ultimately oneself. BONUS: This edition includes an excerpt from Louis Begley's *Memories of a Marriage*. "Absorbing . . . In full Henry James mode, Begley uses a lucid prose style to dispassionately eviscerate the upper classes even as he illuminates the true meaning of friendship." -*Booklist* "The final moral crisis of Henry's life [is] gorgeously evoked. . . . Begley's analysis of class and anti-Semitism in America is often brilliant." -*The Washington Post Book World* "A moving tale . . . [Begley's] technique demands attention--and richly rewards it." -*The New York Observer* "An elegant novel of enduring friendship." -*Publishers Weekly* (starred review)

Maps for Lost Lovers Oct 10 2021 Set in a nameless British town that its Pakistani-born immigrants have renamed Dasht-e-Tanhaii, the Desert of Solitude, *Maps for Lost Lovers* is an exploration of cultural tension

and religious bigotry played out in the personal breakdown of a single family. As the book begins, Jugnu and Chanda, whose love is both passionate and illicit, have disappeared from their home. Rumours about their disappearance abound, but five months pass before anything certain is known. Finally, on a snow-covered January morning, Chanda's brothers are arrested for the murder of their sister and Jugnu. *Maps for Lost Lovers* traces the year following Jugnu and Chanda's disappearance. Seen principally through the eyes of Jugnu's brother Shamas, the cultured, poetic director of the local Community Relations Council and Commission for Racial Equality, and his wife Kaukab, mother of three increasingly estranged children and devout daughter of a Muslim cleric, the event marks the beginning of the unravelling of all that is sacred to them. It fills Shamas's own house and life with grief and, in exploring the lovers' disappearance and its aftermath, Nadeem Aslam discloses a legacy of miscomprehension and regret not only for Shamas and Kaukab but for their children and neighbours as well. An intimate portrait of a community searingly damaged by traditions, this is a densely imagined, beautiful and deeply troubling book written in heightened prose saturated with imagery. It casts a deep gaze on themes as timeless as love, nationalism and religion, while meditating on how these forces drive us apart.

A Question of Honor Apr 16 2022

Honor Feb 20 2020 THE JANUARY 2022 REESE'S BOOK CLUB PICK "In the way *A Thousand Splendid Suns* told of Afghanistan's women, Thrity Umrigar tells a story of India with the intimacy of one who knows the many facets of a land both modern and ancient, awash in contradictions." —Lisa Wingate, #1 New York Times bestselling author of *Before We Were Yours* In this riveting and immersive novel, bestselling author Thrity Umrigar tells the story of two couples and the sometimes dangerous and heartbreaking challenges of love across a cultural divide. Indian American journalist Smita has returned to India to cover a story, but reluctantly: long ago she and her family left the country with no intention of ever coming back. As she follows the case of Meena—a Hindu woman attacked by members of her own village and her own family for marrying a Muslim man—Smita comes face to face with a society where tradition carries more weight than one's own heart, and a story that threatens to unearth the painful secrets of Smita's own past. While Meena's fate hangs in the balance, Smita tries in every way she can to right the scales. She also finds herself increasingly drawn to Mohan, an Indian man she meets while on assignment. But the dual love stories of *Honor* are as different as the cultures of Meena and Smita themselves: Smita realizes she has the freedom to enter into a casual affair, knowing she can decide later how much it means to her. In this tender and evocative novel about love, hope, familial devotion, betrayal, and sacrifice, Thrity Umrigar shows us two courageous women trying to navigate how to be true to their homelands and themselves at the same time.

Code of Honor Sep 09 2021 A timely, nonstop action-adventure about the War on Terror -- and a family torn apart. Kamran Smith has it all. He's the star of the football team, dates the most popular girl in school, and can't wait to join the Army like his big brother, Darius. Although Kamran's family hails from Iran, Kamran has always felt 100% American. Accepted. And then everything implodes. Darius is accused of being a terrorist. Kamran refuses to believe it, but the evidence is there -- Darius has been filmed making threats against his country, hinting at an upcoming deadly attack. Kamran's friends turn on him -- suddenly, in their eyes, he's a terrorist, too. Kamran knows it's up to him to clear his brother's name. In a race against time, Kamran must piece together a series of clues and codes that will lead him to Darius -- and the truth. But is it a truth Kamran is ready to face? And is he putting his own life at risk?

Question of Honor Nov 11 2021

A Texan's Honor Aug 08 2021 Texas, 1874. Years ago, Will McMillan had fought in the open, next to his Captain, Clayton Proffitt. Now he's waging another war undercover, pretending to be a member of the notorious Walton Gang. But when a hostage situation goes awry and an innocent woman is in the middle of the fray, Will knows he must protect her no matter what happens. Even if his cover is blown. Even if they risk being killed by his gang or by the lawmen on their trail. Even if the woman he's risking everything for will never love him back.

The Book of Honor Apr 23 2020 A national bestseller, this extraordinary work of investigative reporting uncovers the identities, and the remarkable stories, of the CIA secret agents who died anonymously in the service of their country. In the entrance of the CIA headquarters looms a huge marble wall into which seventy-one stars are carved—each representing an agent who has died in the line of duty. Official CIA records only name thirty-five of them, however. Undeterred by claims that revealing the identities of these "nameless stars" might compromise national security, Ted Gup sorted through thousands of documents and interviewed over 400 CIA officers in his attempt to bring their long-hidden stories to light. The result of this extraordinary work of investigation is a surprising glimpse at the real lives of secret agents, and an unprecedented history

of the most compelling—and controversial—department of the US government.

The Honor Code: How Moral Revolutions Happen Oct 22 2022 "[Appiah's] work reveals the heart and sensitivity of a novelist. . . Fascinating, erudite and beautifully written."—*The New York Times Book Review* In this groundbreaking work, Kwame Anthony Appiah, hailed as "one of the most relevant philosophers today" (*New York Times Book Review*), changes the way we understand human behavior and the way social reform is brought about. In brilliantly arguing that new democratic movements over the last century have not been driven by legislation from above, Appiah explores the end of the duel in aristocratic England, the tumultuous struggles over footbinding in nineteenth-century China, the uprising of ordinary people against Atlantic slavery, and the horrors of "honor killing" in contemporary Pakistan. Intertwining philosophy and historical narrative, he has created "a fascinating study of moral evolution" (*Philadelphia Inquirer*) that demonstrates the critical role honor plays in the struggle against man's inhumanity to man.

Honor Jan 01 2021 "From the earliest records of human civilization until the dawn of the twentieth century, and in widely separated cultures throughout the world, the story of honor was inseparable from the story of mankind. Today, an acquaintance with the concept of honor is indispensable to understanding the culture of the Islamic world and its sense of grievance against the West, where honor has been disregarded or actively despised for three-quarters of a century." "James Bowman draws from an wealth of sources across many centuries to illuminate honor's curious history in our own culture, and he discovers that Western honor was always different from that found elsewhere. Its idiosyncratic qualities derived partly from the classical tradition but mainly from the Judeo-Christian heritage, whose emphases on individual morality and, more recently, on sincerity and authenticity in private and personal life have acted as continual challenges to the traditional notion of honor as it is still maintained in other parts of the world. These challenges to honor and the accommodations with it that they ultimately produced are a fundamental theme in our own culture's distinctive history; and the eventual collapse of the honor culture in the West is the background against which the War on Terror and the Clash of Civilizations ought to be seen."--Jacket.

A Matter of Honor May 17 2022 It seems innocent enough. A disgraced British colonel bequeaths a mysterious letter to his only son. But the moment Adam Scott opens the yellowing envelope, he sets into motion a deadly chain of events that threatens to shake the very foundations of the free world. Within days, Adam's lover is brutally murdered and he's running for his life through the great cities of Europe, pursued not only by the KGB, but by the CIA and his own countrymen as well. Their common intent is to kill him before the truth comes out. While powerful men in smoke-filled rooms plot ever more ingenious means of destroying him, Adam finds himself betrayed and abandoned even by those he holds most dear. When at last he comes to understand what he is in possession of, he's even more determined to protect it, for it's more than a matter of life and death—it's a matter of honor. **BONUS MATERIAL INCLUDED:** 1st chapter of Jeffrey Archer's newest novel *SINS OF THE FATHER*, coming May 2012. *SINS OF THE FATHER:* On the heels of the international bestseller *Only Time Will Tell*, Jeffrey Archer picks up the sweeping story of the Clifton Chronicles.... Only days before Britain declares war on Germany, Harry Clifton, hoping to escape the consequences of long-buried family secrets, and forced to accept that his desire to marry Emma Barrington will never be fulfilled, has joined the Merchant Navy. But his ship is sunk in the Atlantic by a German U-boat, drowning almost the entire crew. An American cruise liner, the *SS Kansas Star*, rescues a handful of sailors, among them Harry and the third officer, an American named Tom Bradshaw. When Bradshaw dies in the night, Harry seizes on the chance to escape his tangled past and assumes his identity. On landing in America, however, Bradshaw quickly learns the mistake he has made, when he discovers what is awaiting him in New York. Without any way of proving his true identity, Harry Clifton is now chained to a past that could be far worse than the one he had hoped to escape.

Last Hope Island Oct 30 2020 A groundbreaking account of how Britain became the base of operations for the exiled leaders of Europe in their desperate struggle to reclaim their continent from Hitler, from the *New York Times* bestselling author of *Citizens of London* and *Those Angry Days* When the Nazi blitzkrieg rolled over continental Europe in the early days of World War II, the city of London became a refuge for the governments and armed forces of six occupied nations who escaped there to continue the fight. So, too, did General Charles de Gaulle, the self-appointed representative of free France. As the only European democracy still holding out against Hitler, Britain became known to occupied countries as "Last Hope Island." Getting there, one young emigré declared, was "like getting to heaven." In this epic, character-driven narrative, acclaimed historian Lynne Olson takes us back to those perilous days when the British and their European guests joined forces to combat the mightiest military force in history. Here we meet the courageous King Haakon of Norway, whose distinctive "H7" monogram became a symbol of his country's resistance to Nazi

rule, and his fiery Dutch counterpart, Queen Wilhelmina, whose antifascist radio broadcasts rallied the spirits of her defeated people. Here, too, is the Earl of Suffolk, a swashbuckling British aristocrat whose rescue of two nuclear physicists from France helped make the Manhattan Project possible. *Last Hope Island* also recounts some of the Europeans' heretofore unsung exploits that helped tilt the balance against the Axis: the crucial efforts of Polish pilots during the Battle of Britain; the vital role played by French and Polish code breakers in cracking the Germans' reputedly indecipherable Enigma code; and the flood of top-secret intelligence about German operations—gathered by spies throughout occupied Europe—that helped ensure the success of the 1944 Allied invasion. A fascinating companion to *Citizens of London*, Olson's bestselling chronicle of the Anglo-American alliance, *Last Hope Island* recalls with vivid humanity that brief moment in time when the peoples of Europe stood together in their effort to roll back the tide of conquest and restore order to a broken continent. Praise for *Last Hope Island* "In *Last Hope Island* [Lynne Olson] argues an arresting new thesis: that the people of occupied Europe and the expatriate leaders did far more for their own liberation than historians and the public alike recognize. . . . The scale of the organization she describes is breathtaking."—*The New York Times Book Review* "Last Hope Island is a book to be welcomed, both for the past it recovers and also, quite simply, for being such a pleasant tome to read."—*The Washington Post* "[A] pointed volume . . . [Olson] tells a great story and has a fine eye for character."—*The Boston Globe*

Honor Yourself Mar 15 2022 "Patricia Spadaro is a marvelous guide through the inner realms of the heart. I always feel uplifted by her words." —Marianne Williamson, #1 New York Times bestselling author of *A Return to Love Honor Yourself: The Inner Art of Giving and Receiving* (winner of two national book awards) skillfully guides us through one of the key stressors and paradoxes of our time—how to balance what others need with what we need, how to give and to receive. Should I sacrifice for others or take time to care for myself? Be generous or draw boundaries? Stay in a relationship or say goodbye? When I give to others, do I really need to give up myself? Tensions like these are not only a natural part of life, they are life. But rather than focusing on how to pamper ourselves, *Honor Yourself* goes to the heart of the problem so you can find real solutions. While modern society is ill-equipped to bring us back into balance, the sages of East and West are experts, and *Honor Yourself* explores their practical, and surprising, advice. Combining wisdom from around the world with real-life stories and a treasury of tools, it exposes the most potent myths about giving that can sabotage your relationships, career, finances, even your health, without you knowing it. With candor and compassion, it shows how to move beyond the myths to the magic of honoring yourself so you can live a life filled with possibility and passion and give your greatest gifts to your loved ones, your community, and the world. We are called to master the delicate dance of giving and receiving in virtually every area of our lives, and this beautiful work offers empowering and heartfelt ways to do it. It will free you to celebrate your own gifts and greatness as you explore the dynamics behind setting boundaries, being honest about unhealthy people in your life, honoring endings, using feelings to stay true to yourself, finding your own voice, giving with the heart rather than the head, and much more. Just as importantly, *Honor Yourself* will teach you the steps for staying in balance. For when you learn the steps, you can perform the dance—and that's when the magic begins.

On My Honor Jul 19 2022 Joel dares his best friend, Tony, to a swimming race in a dangerous river. Both boys jump in, but when Joel reaches the sandbar, he finds Tony has vanished. How can he face their parents and the terrible truth?

What is Honor? Dec 24 2022 "In this book Alexander Welsh considers the history and meaning of honor and dismisses the idea that we live in a post-honor culture. He notes that we have words other than honor, such as respect, self-respect, and personal identity, that show we do indeed care deeply continuing process of respect that motivates or constrains members of a peer group. Honor's dictates function as moral imperatives." "Surprisingly, little systematic study of the history of honor in Western culture has been attempted. Offering a welcome remedy, Welsh provides a genealogy of approaches to the subject, mining some of the most influential texts of the Western tradition."—Jacket.

Affair of Honor Jul 07 2021 Trespassing on a secluded mountain retreat leads Professor Brenna Llewellyn into the arms of Ryder Sterne.

A Sense of Honor Feb 02 2021 Portrays the conflict between two disparate midshipmen at the U.S. Naval Academy in 1968.

Oath of Honor (Blue Justice Book #1) Mar 03 2021 Police officer Isabelle St. John loves her crazy, loud, law-enforcement family. With three brothers and two sisters, she's never without someone to hang out with—or fight with. And she knows they'll be there for her when things get tough. Like when her partner is murdered and she barely escapes with her own life. Determined to discover exactly what happened, Izzy's investigation

sends her headfirst into a criminal organization, possibly with cops on the payroll—including someone from her own family. With her dead partner's handsome homicide detective brother Ryan shadowing her every move, Izzy's head is spinning. How can she secure justice for her partner when doing so could mean sending someone she loves to prison? And how will she guard her heart when the man she's had a secret crush on for years won't leave her side? With her signature fast-paced, edge-of-your-seat action, Lynette Eason invites readers into a captivating new series where justice is a family affair.

Made of Honor Jun 18 2022 Once, twice, ten times a bridesmaid! I, Dana Rose, do solemnly swear to say "I won't" the next time someone asks me to be in their wedding party. My weak will has gained me a closet full of unflattering bridesmaids' dresses in various sizes to accommodate my ever-fluctuating waistline. As if that isn't enough, the past is paying me a most unwelcome visit (my prodigal brother, my back-stabbing sis). Then there's Mr. Practically Perfect, the ex who not only married someone else, but opened the business of our dreams—right across from my new shop! It's no wonder I've got problems! I'm thankful I've got my friends, the Sassy Sistahood, to rely on....

The Notorious Benedict Arnold Aug 28 2020 Most people know that Benedict Arnold was America's first, most notorious traitor. Few know that he was also one of its greatest war heroes. This accessible biography introduces young readers to the real Arnold: reckless, heroic, and driven. Packed with first-person accounts, astonishing battle scenes, and surprising twists, this is a gripping and true adventure tale. *The Notorious Benedict Arnold* is the winner of the 2011 Boston Globe - Horn Book Award for Nonfiction.

Becoming a Vessel of Honor Jun 06 2021 Power over Satan Can Be Yours Becoming a vessel of honor is written for all those children of God who hunger and thirst after a close personal relationship with Him. It is for those who long to hear His voice in their innermost being, who will not be satisfied with anything less than the experience of His presence and glory. It is for those who value such a relationship with our wonderful Creator enough to be willing to pay the price in their own lives to achieve it--the pain of daily carrying the cross. It is for those who are willing to strive for holiness in obedience to our beloved Master, the Lord Jesus Christ. The purpose of this book is also to help you understand the rapidly expanding world of the occult so that not only can you cleanse yourself from any involvement in it, but also avoid its traps. —Rebecca Brown, MD Subjects include: The key to spiritual power--personal holiness The armor of God--how to use it effectively The sin nature--how to understand it and control it Defilement of God's temple--how to avoid it The Holy Spirit vs. demon guides--knowing the difference Deliverance--case studies and guidelines This book contains secret satanic war plans previously not found in print. It reveals how the followers of Satan are openly confronting the followers of Jesus Christ. You must learn the key to spiritual power before you need it! A must for every child of God!
