Kiritsis and Me Dec 20 2019 "On a raw February morning in 1977, Indianapolis police radio frequencies crackle with the first acts of what was to become a bizarre and frightening, three-day-long psychodrama. A man named Tony Kiritsis had wired a shotgun to the back of Richard Hall's head. In a type of manic march, Kiritsis nudged a shoved Hall from his downtown Indianapolis office over piles of snow on midtown streets. Kiritsis was belligerent. hall's throat was bound and it appeared as through the harness device strapped to the shotgun might choke him. Kirtis fingered the trigger with his right hand as he held the barrel in his left, prodding Hall. It was cold. Both men were in shirtsleeves. Citizens and police were simply stunned by what they saw. The cursing and screaming Kirtis commandeered a police car and sped off to the west. Something was about to change in American media coverage, and forever in the life of Richard Hall. For three days his angry, ranting captor threatened to kill him as radio, television, wire service and newspaper reporters covered every turn of event. We have waited for decades to hear more of the story Richard Hall now shares his singular experience of being the victim of an historic act of terror that seized the world's attention and ushered the media into an unpredictable new world"--Back cover.

**The Singularity of Being:Lacan and the Immortal Within** Jul 27 2020 The Singularity of Being offers a Lacanian interpretation on what makes each of us a unique and irreplaceable creature. Focusing on the Lacanian real, it builds a theory of individual distinctiveness while also intervening in critical debates about subjectivity, agency, resistance, the self-other relationship, and effective political and ethical action.

**A Beggar at the Gate** Nov 23 2022 Set in nineteenth-century British India, Thalassa Ali's dazzling debut, *A Singular Hostage*, introduced us to Mariana Givens, the Englishwoman who risked everything to save a young Indian orphan from certain death. Now Ali returns to that exotic kingdom beyond the northwestern frontier, where Mariana will come face-to-face with a different destiny. Two years have passed since Mariana left the walled city of Lahore. But she's unable to forget its haunting scent of roses or her ill-fated marriage to a native-born husband that has scandalized Calcutta society and made her an outcast among the English. Worse still, she bears the knowledge that she will be forced to give up Saboor—the boy believed to be endowed with magical gifts whose life she risked her own to save. Now Mariana must revisit Lahore to return Saboor to his family and request a divorce from Hassan Ali Khan. But how can she say good-bye to the enigmatic man whose love defied two cultures—or the child she's loved as her own? As political and civil strife threaten to erupt in violence, she seeks answers in a world no Englishwoman has ever seen. And she's driven ever closer to a secret so powerful that it will change her life—and the lives of those she loves—forever.

**Critical Essays on "Causation and Responsibility"** Apr 04 2021 Due to its scope and depth, Moore's *Causation and Responsibility* is probably the most important publication in the philosophy of law since the publication of Hart's and Honoré's *Causation in the Law* in 1959. This volume offers, for the first time, a detailed exchange between legal and philosophical scholars over Moore's most recent work. In particular, it pioneers the dialogue between English-speaking and German philosophy of law on a broad range of pressing foundational questions concerning causation in the law. It thereby fulfills the need for a comprehensive, international and critical discussion of Moore's influential arguments. The 15 contributors to the proposed volume span the whole interdisciplinary field from law and morals to metaphysics, and the authors include distinguished criminal and tort lawyers, as well as prominent theoretical and practical philosophers from four nations. In addition, young researchers take brand-new approaches in the field. The collection is essential reading for anyone interested in legal and moral theory.

The Riddling between Oedipus and the Sphinx Feb 14 2022 *The Riddling between Oedipus and the Sphinx*, Ontology, Hauntology, and Heterologies of the Grotesque probes the polemic status of the other and the dubious nature of the subject from a heterodox perspective of an emblematic grotesque figure, the Sphinx—the mystical trickster and the guardian of sacred knowledge in Egyptian culture.

**Companions of Paradise** Mar 27 2023 In *A Singular Hostage* and *A Beggar at the Gate*, Thalassa Ali introduced us to the lush, intriguing world of nineteenth-century British India—and to Mariana Givens, a brave, beautiful Englishwoman. Now, as vengeful Afghan tribesmen close in, Mariana must face the repercussions of her marriage to a Punjabi Muslim, and choose between the people she calls her own—and the life that owns her heart. Mariana Givens aches to return to the rose-scented city of Lahore, home of Hassan Ali Khan, the Muslim stranger she has come to love, his mystical family, and his prescient little son. But her own reckless behavior has sent her into exile at the British cantonment near Kabul, on the eve of the First Afghan War. There, she embarks on a dangerous double life, pretending to be a proper young Victorian lady while secretly traveling Kabul's violent, fascinating streets to visit the Sufi seer who possesses the answers she needs. But the mystic's help comes with a price, and her family wants her to marry a British officer. As Afghanistan descends into violence and her hopes of rescue fade, Mariana must make a fateful decision: can she abandon her old life and allow herself to be drawn toward her destiny—whatever it may be?

*Victims Of Terrorism* Jun 06 2021

**The Soviet Union and international cooperation in legal matters.**

**3. Criminal law** May 17 2022 The present title is the last in a three-volume set addressing the umbrella theme of *The Soviet Union and International Cooperation in Legal Matters*. The preceding installments treated the Soviet Union's record in the field of commercial arbitration and civil law, respectively. With the U.S.S.R. dead, use of the term *Soviet Union* may call for some justification. In this instance, the desire to preserve stylistic continuity plays a role in the choice. Furthermore, the bulk of the monograph really does deal with the Soviet Union's track record in this domain on the assumption that much of its repertory in this theatre will be salvaged through the machinery of state succession in fairly intact or recognizable shape and affect the deployment of future modes of management of these affairs en route to stripping the old inventory of its socialist' attributes and updating the core package. In that sense, the volume marks the end of a Soviet branch of international law and the dawn of a new discipline of research in the local brand of post-Soviet international law. It seems safe to say, though, that whatever lies ahead is going to have its roots in the country's contemporary history, and understanding these antecedents will make the job of figuring out what to expect next a bit easier. The study concentrates essentially on post-World War II repertory, with some reference to pre-1945 antecedents in order to put the picture in a clearer perspective.

**The Principles of Latin Grammar** Jun 25 2020

**Uncaged (The Singular Menace, 1)** May 05 2021 *A New York Times*

bestseller! John Sandford and Michele Cook debut a high-octane thriller series about a ruthless corporation, unspeakable experiments, and a fight to expose the truth. Perfect for fans of James Dashner's *The Maze Runner*. Shay Remby arrives in Hollywood with \$58 and a handmade knife, searching for her brother, Odin. Odin's a brilliant hacker but a bit of a loose cannon. He and a group of radical animal-rights activists hit a Singular Corp. research lab in Eugene, Oregon. The raid was a disaster, but Odin escaped with a set of highly encrypted flash drives and a post-surgical dog. When Shay gets a frantic 3 a.m. phone call from Odin—talking about evidence of unspeakable experiments, and a ruthless corporation, and how he must hide—she's concerned. When she gets a menacing visit from Singular's security team, she knows: her brother's a dead man walking. What Singular doesn't know—yet—is that 16-year-old Shay is every bit as ruthless as their security force, and she will burn Singular to the ground, if that's what it takes to save her brother.

**Why Me God?** Jan 25 2023 In October 2017 Margaret was very shocked when she was diagnosed with Stage Four Non-Hodgkin's Lymphoma. She was given two months to live, with the possibility that treatment might not work in a 73-year-old woman. The evil disease held her hostage for months, during which she sought God with all her heart for her freedom. Even though she believed in healing, and taught others about healing for over thirty years, why would God allow or send this onto her? Separating herself from the voice of Man, God gave her the strategy to overcome her illness and be free from cancer and walk in perfect health. This book will instruct you in the steps that you too can take to find your freedom as you read "Why Me, God?"

**India Today** Jan 13 2022

*A Singular Hostage* Apr 28 2023 In a land of exotic splendor, a young Englishwoman finds herself guardian of an orphan child believed by a dying maharajah to be endowed with magical gifts. It is a role that will take her on a perilous journey into a kingdom's walled city to protect a child she doesn't know from a culture she doesn't understand... *A Singular Hostage* The year is 1838. Mariana Givens, a spirited young woman of twenty, has been sent to India to find a suitable husband. Traveling as a translator, she joins the entourage of Lord Auckland, the British Governor-General, as he journeys across India with an army ten thousand strong to meet the fabled Ranjit Singh, Maharajah of the Punjab. Eager young officers compete for Mariana's favor, but it is with India that she falls in love: the baggage elephants tramping through country vast and wild; the scent of exotic foods at remote campsites; the enigmatic tutor who is her guide to native languages and ways. Lord Auckland must forge an alliance with Ranjit Singh that will deliver Afghanistan into British control, but as he negotiates his crucial treaty, Mariana is drawn into a perilous conspiracy surrounding the one-eyed Maharajah's baby hostage—a child of mystical repute named Saboor.

**Portable Property** Jul 19 2022 What fueled the Victorian passion for hair-jewelry and memorial rings? When would an everyday object metamorphose from commodity to precious relic? In *Portable Property*, John Plotz examines the new role played by portable objects in persuading Victorian Britons that they could travel abroad with religious sentiments, family ties, and national identity intact. In an empire defined as much by the circulation of capital as by force of arms, the challenge of preserving Englishness while living overseas became a central Victorian preoccupation, creating a pressing need for objects that could readily travel abroad as personifications of Britishness. At the same time a radically new relationship between cash value and sentimental associations arose in certain resonant mementoes—in teacups, rings, sprigs of heather, and handkerchiefs, but most of all in books. *Portable Property* examines how culture-bearing objects came to stand for distant people and places, creating or preserving a sense of self and community despite geographic dislocation. Victorian novels—because they themselves came to be understood as the quintessential portable property—tell the story of this change most clearly. Plotz analyzes a wide range of works, paying particular attention to George Eliot's *Daniel Deronda*, Anthony Trollope's *Eustace Diamonds*, and R. D. Blackmore's *Lorna Doone*. He also discusses Thomas Hardy and William Morris's vehement attack on the very notion of cultural portability. The result is a richer understanding of the role of objects in British culture at home and abroad during the Age of Empire.

*Negotiating Hostage Crises with the New Terrorists* Apr 23 2020 Illuminates the role of negotiation in resolving terrorist barricade hostage crises. If one assumes that negotiation is only about bargaining, making deals, or concessions, then of course we should not negotiate with terrorists, as this action is likely to ultimately lead to some rewards for their bad behavior. However, if one understands that negotiation,

ultimately, is the use of communication to exercise influence in order to change someone's thinking, behavior and decision making, the

**A Grammar of the Irish Language** Oct 10 2021

*1302-1307* Oct 30 2020

**Derrida: Ethics Under Erasure** Mar 03 2021 Derrida's work is controversial, its interpretation hotly contested. *Derrida: Ethics Under Erasure* offers a new way of thinking about ethics from a Derridean perspective, linking the most abstract theoretical implications of his writing on deconstruction and on justice and responsibility to representations of the practice of ethical paradoxes in everyday life. The book presents the development of Derrida's thinking on ethics by demonstrating that the ethical was a focus of Derrida's work at every stage of his career. In connecting Derrida's earlier work on language with the ethics implicated in his later work on justice and responsibility, Nicole Anderson traverses literary, linguistic, philosophical and ethical interpretative movements, thus recontextualising Derrida's entire oeuvre for a contemporary readership. She explores the positive ethical implications of Derrida's work for representation and practice and asks the reader to consider how this new ethical reading of Derrida's work might be applied to concrete instances of his or her own ethical experience.

*Altarity* Feb 20 2020 Explores the strategies of design, contrast, and resonance in the works of Hezel, Heidegger, Bataille, Blanchot, Derrida, and Kierkegaard

*Sequels* Mar 23 2020 A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series.

*Calen's Captive* Sep 09 2021 Calen is a good man from a bad family. He's worked hard for success, but something's missing...or rather, someone. Calen is the son of an Irish mobster, but he's rejected his legacy and has made a name for himself as a club owner. After years of hard work, he has the life he's always wanted. Almost. Then his father asks him to take a meeting with a rival crew. It's too important to say no. Reluctantly, he drives out to the middle of nowhere to meet them. There to negotiate for reparations, he sees an innocent girl being held against her will—someone who looks very familiar. Unwilling to leave the girl to a fate worse than death, he demands she be included as part of the deal. Maia is forced to stay with Calen for her safety, but she soon finds out he has ulterior motives for protecting her. \*\*\**Calen's Captive* is the second book in the *Singular Obsession Series*. No cliffhangers and no serials. Each novel stands alone. Not suitable for readers under 18.\*\*\*

**A Bridge of Doom** Jul 07 2021 THREE PATHS CONVERGE PRELUDE: THE HOSTAGE PRINCE—The bonds are tight, his sword broken, the possibility of rescue hopeless; heir to the throne of the western kingdom, Prince Kajor will be sacrificed on the reptilian Grems' primitive altar of blood and revenge. And yet, he fears neither his enemies, nor the endless torture, nor death, but the eventual ruin of his people under their hateful claws. Doubtful of her charged task, a young woman, Royal Messenger under guidance from the only Master Enchanter undertakes an impossible mission, seeking help from a mythical and almost forgotten demigod. AGENTS OF THE DARK ONE—A final heartbeat, demons at the door, an appeal for help, a chance bridge across the void of the Unknown. Violations of metaphysical law during the rescue of Prince Kajor have brought the inescapable wrath and cold justice of Spectres; a singular, violent death stalks Royal Messenger Marie. Back home, bereft of any trace of his adventure, Paul is heartbroken amidst questions about his own sanity. Rothson can only hope his final expenditure of Power will reach demigod and enchanter before disaster befalls and all that they have achieved is overturned. ENCHANTER'S LOT—A faint breath of shadow whispers past Maximillian amidst his private ritual of black magic, bidding him find someone; Paul helps Marie adjust to existence in his complicated world, unaware of the dark forces seeking them out; Enchanter Gaiwan's manhunt for a renegade sorcerer turns sour, bringing upon him the wrath of dragons, and a nearly impossible errand. Relentlessly, all are drawn to meet across A BRIDGE OF DOOM. This is the first of a series of classical fantasy that combines otherworld elements with this everyday world in a believable manner. The fundamentals of Magic and Power, intrinsic to the story, both psychic and mystic, are described and explained in detail (as opposed to an assumptive glossing over.) The editors at DAW Books cited this book and its sequel "An enjoyable epic. The characters, villains, and creatures are nicely done." This first book begins with *Prelude: The Hostage Prince*. The heir to the throne of the western lands awakens from a nightmare to find himself still bound and tied to a rough hewn stake, prisoner of his enemies, the Grems, a race of walking, yet primitive, reptilians, "lizards,"

that have warred unceasingly with the unwanted settlers of their territory. Staunching refusing to negotiate peace of co-existence, the Grems fight a losing battle. In a last, desperate effort, the lizards capture Prince Kajor and hold him hostage far from any aid or rescue, then prepare to perform a murderous blood sacrifice of the Prince on the battlefield before their enemies. Meanwhile, Marie, a royal messenger, has been charged by Master Enchanter Rothson to carry a plea for help through a mystic gateway to a nearly forgotten demigod. Though herself doubtful, especially of mages and enchanters, Marie remains loyal to her future king. Armed with only her wits, her steed, she is given a silver talisman that is to be her protector and key to the gateway. The fact of this being a medieval world other than ancient Earth is revealed when mention is made of the first and second sunrises. Riding at the stroke of first dawn and, under protection of an enchantment cast by her master, Marie avoids capture by Grems along the way and breaches the mystic gateway. Arriving on the far side—a place the reader will recognize as present-day Earth, she is to a college student named Paul asleep in his dormitory room. Unbeknownst to any of them, mysterious entities, metaphysical guardians from her home world, have followed her across the mystic bridge, seeking to restore balance of power, either by escorting her back home alone and reversing events, or by destroying her immediately. The story continues in the second part titled: Agents of the Dark One and the main third part, Enchanter's Lot.

**Romance Fiction: A Guide to the Genre, 2nd Edition** Jun 18 2022 A comprehensive guide that defines the literature and the outlines the best-selling genre of all time: romance fiction. • A core collection list in chronological order • An exhaustive bibliographic listing of romance titles • Research materials and a brief history of the genre • Indexes organized by author, title, and subject

**An Exchange of Hostages** Aug 08 2021 Under Jurisdiction torture isn't about truth. It's about terror. The Jurisdiction's Bench has come to rely on the institutionalized atrocities of the Protocols to maintain its control of an increasingly unstable political environment. When Andrej Koscuisko, a talented young doctor, reports to orientation as a Ship's Inquisitor he will discover in himself something far worse than a talent for inflicting grotesque torments on the Bench's enemies. He will confront a passion for the exercise of the Writ to Inquire whose intensity threatens to consume him utterly. As he struggles to find some thread of justice and compassion under the Law, as he fights to hang on to what remains to him of his sanity, he will make powerful enemies who are eager to use his knowledge, his empathy, his passion against anyone who challenges the Bench. At the publisher's request, this title is sold without DRM (Digital Rights Management). Advance Praise for An Exchange of Hostages: A grisly and absorbing work -- a truly disturbing exercise in psychological inquiry. Susan R. Matthews has envisioned her future society well....Matthews' greatest achievement may well be the empathy she wins for both the avid abhorrence with which Koscuisko contemplates his own actions and the stricken loyalty with which the slaves assigned to him view himself. Other writers have approached these themes -- Gene Wolf and Elizabeth A. Lynn leap to mind -- but none to my knowledge have plunged the reader so deeply into them. Susan R. Matthews simply doesn't flinch. In that, An Exchange of Hostages can stand comparison to Dostoyevsky's The Possessed. -Stephen R. Donaldson A very intense novel. An absorbing and frightening character study...the more you learned about the situation these people were trapped in, the more horrifying it became....An extremely talented writer. I can't wait to see what she does next. -Martha Wells Powerful, insidious, and insightful -- a singular accomplishment for a tenth novel, let alone a first. -Melanie Rawn

**Insight Guides Pakistan (Travel Guide eBook)** Aug 20 2022 Insight Guides Pakistan Travel made easy. Ask local experts. Comprehensive

travel guide packed with inspirational photography and fascinating cultural insights. From deciding when to go, to choosing what to see when you arrive, this guide to Pakistan is all you need to plan your perfect trip, with insider information on must-see, top attractions like Badshahi Mosque, the Karakoram Highway and Mohenjo-daro, and cultural gems like the breathtaking Lahore Fort, the eerie beauty of the Hunza valley and the bustling bazaars and buildings of Peshawar's Old City. Features of this travel guide to Pakistan: - Inspirational colour photography: discover the best destinations, sights and excursions, and be inspired by stunning imagery -Historical and cultural insights: immerse yourself in Pakistan's rich history and culture, and learn all about its people, art and traditions -Practical full-colour maps: with every major sight and listing highlighted, the full-colour maps make on-the-ground navigation easy - Editor's Choice: uncover the best of Pakistan with our pick of the region's top destinations -Key tips and essential information: packed full of important travel information, from transport and tipping to etiquette and hours of operation - Covers: (Sindh) Karachi; Lower Sindh and the Thar Desert; Up and down the Indus; Mohenjo-daro; (Punjab) Islamabad, Rawalpindi and the Murree Hills; The Grand Trunk Road to Attock; Taxila; The Grand Trunk Road to Lahore; Lahore; Around Lahore; South Punjab; (Balochistan) A tour of Balochistan; (Khyber Pakhtunkhwa) Peshawar and the Khyber Pass; Takht-e-Bahi; The Swat Valley; (The Karakoram to the Hindu Kush) Karakoram Highway to Hunza; Balitisan; To Chitral Are you also travelling to India? We produce around 400 full-colour print guide books and maps, as well as phrase books, picture-packed eBooks and apps to meet different travellers' needs. Insight Guides' unique combination of beautiful travel photography and focus on history and culture create a unique visual reference and planning tool to inspire your next adventure.

**100 Must-read Historical Novels** Oct 22 2022 This latest guide in the highly successful Must-Read series depicts 100 of the finest historical fiction tales published, with a further 500 recommendations. The text covers a wide range of classic works and key authors.

**Ephrem the Syrian** Mar 15 2022 In this volume is a translation of a collection of hymns of Christ, composed by Ephrem the Syrian (c. 306-373), the most famous and prolific of the Fathers of the Syriac-speaking Church.

**Medieval Hostageship c.700-c.1500** Dec 24 2022 This volume explores the issues of taking, using and being hostages in the Middle Ages. It brings together recent research in the areas of hostages and hostageships, looking at the act of hostage-taking and the hostages themselves through the lenses of political and social history. Building upon previous work, this volume in particular critically examines not only the situations of hostages and hostageships but also the broader social and political context of each situation, developing a more complete picture of the phenomenon.

**Calendar of the Close Rolls Preserved in the Public Record Office: 1296-1302** Sep 28 2020

**The English Linguistics Project** Feb 02 2021 The ELP ENGLISH MANUAL 8th Edition is a comprehensive response to the integration of the ELP's English language workshops for professionals and the English language courses for students, under an English Language Learning System (ELLS) particularly as spurred by the more wide-ranging concerns articulated by universities and multinationals. This book introduces new concepts that reflect contemporary grammatical theory, with entries on diction, idioms, and pronunciation, based on current data on Filipino English accumulated over the past 18 years. More insights have actually come from a parallel study that focuses on the grammar and rhetoric of Filipino, some of which have affected the chapters on Determiners, Tense, and Embedding. The English Language Project, instituted by former U.P. President Jose V. Abueva under his office in 1991, has transformed into the English Linguistics Project, part of Dr. Jonathan Malicsi's research and extension service for the Department of Linguistics.

**An Elementary Grammar of the Latin Language** Dec 12 2021

**A Beggar at the Gate** Feb 26 2023 Set in nineteenth-century British India, Thalassa Ali's dazzling debut, A Singular Hostage, introduced us to Mariana Givens, the Englishwoman who risked everything to save a young Indian orphan from certain death. Now Ali returns to that exotic kingdom beyond the northwestern frontier, where Mariana will come face-to-face with a different destiny. Two years have passed since

Mariana left the walled city of Lahore. But she's unable to forget its haunting scent of roses or her ill-fated marriage to a native-born husband that has scandalized Calcutta society and made her an outcast among the English. Worse still, she bears the knowledge that she will be forced to give up Saboor—the boy believed to be endowed with magical gifts whose life she risked her own to save. Now Mariana must revisit Lahore to return Saboor to his family and request a divorce from Hassan Ali Khan. But how can she say good-bye to the enigmatic man whose love defied two cultures—or the child she's loved as her own? As political and civil strife threaten to erupt in violence, she seeks answers in a world no Englishwoman has ever seen. And she's driven ever closer to a secret so powerful that it will change her life—and the lives of those she loves—forever.

*Analytical Lexicon of the Greek Bible* Jan 21 2020 The basic forms of the Greek Bible put in alphabetical order create the lexicon's entries. Every entry has its English translation along with the number of occurrences of the Greek term in the Septuagint, parallel texts and in the New Testament with the sum of all occurrences in all the Bible. At the end of each entry the lexical forms of it are given and listed in alphabetical order with a grammatical analysis and occurrences throughout the

Scriptures. In the dictionary, as it is in the concordance, four colours are given a new category of distinction. They separately characterize the texts and references of the Septuagint (green), parallel texts (red) and the New Testament (blue). The same colours are attributed to the number of appearances of the terms in the text. The terms are presented in the Dictionary firstly in basic form, then in all lexical forms arranged in alphabetical order.

**Language, Form(s) of Life, and Logic** May 25 2020 This volume deals with the connection between thinking-and-speaking and our form(s) of life. All contributions engage with Wittgenstein's approach to this topic. As a whole, the volume takes a stance against both biological and ethnological interpretations of the notion "form of life" and seeks to promote a broadly logico-linguistic understanding instead. The structure of this book is threefold. Part one focuses on lines of thinking that lead from Wittgenstein's earlier thought to the concept of form of life in his later work. Contributions to part two examine the concrete philosophical function of this notion as well as the ways in which it differs from cognate concepts. Contributions to part three put Wittgenstein's notion of form of life in perspective by relating it to phenomenology, ordinary language philosophy and problems in contemporary analytic philosophy.
