Buses and Coaches of Bristol and Eastern Coach Works Oct 10 2021 The Buses and Coaches of Bristol and Eastern Coach Works outlines the history of Bristol Commercial Vehicles and Eastern Coach Works (ECW), two manufacturers that together developed some of the most familiar buses and coaches of the twentieth century. The book covers the full production histories and specifications for the standard range of models produced from 1936 to 1983. The variety of engines used to power Bristol-ECW is outlined and a mechanical specification for each chassis is provided, along with a description of the different body styles produced by ECW for each chassis. There is also a chapter on owners' experiences and advice on buying a bus for preservation. Coverage includes the development of Bristol models in the 1930s - J-type

single-decker, K-type double-decker and L-type single decker; the engines, including the Bristol petrol and diesel engines, and other manufacturers' engines used in Bristol chassis; the Lodekka - the radical replacement for the Lowbridge double-decker in the 1950s; the single-deckers of the 1950s - The LWL, LS, SC, and MW; the rear-engined era - The RE single-decker and the VR double-decker; the lightweight LH single-decker and the final years of production. Illustrated throughout with 250 colour photographs - many of them previously unpublished.

History of the Leyland Bus

Nov 23 2022 A superbly illustrated history of the Leyland bus, one of the most important British buses of the twentieth century, with full production histories and technical specifications for all the major models. Also covers the evolution of the Leyland Bus company, and tells the full story behind the iconic Leyland badge. Including some previously unseen illustrations, the book gives a full company history - from beginnings as the Lancashire Steam Motor Company in 1886, to the acquisition by Volvo Buses in 1988. Technical details of all the main models are given including the Lion, Titan and Olympic ranges. Gearless buses and rear-engined double-deckers are covered as well as charabancs, trolleybuses, First World War military vehicles and overseas models. This will be an essential guide to these much-treasured vehicles and is beautifully illustrated with some never-before-seen pictures from the Leyland company's archives including 153 black & white photographs and 106 colour and b&w prints.
