The haunted demon & the sensual she-wolf: Incendiary read guaranteed Peter I'm a pariah among paranormals: A demon who can read the dead's last thoughts. The Immortal Council only keeps me around to solve murders nobody else wants to work on. The irony is that I can't unravel the mystery of my long-forgotten past because I have no memories of who I was before becoming the monster I am today. Ophelia Once Egyptian royalty, I'm now a headstrong she-wolf and a forensic anthropologist. I haven't had a serious relationship in a while, and I'm not looking for one. In fact, I go through men as I go through new pairs of shoes, frequently and without second thoughts. Then I meet this insanely hot demon with the most mesmerizing eyes, and my world is turned upside-down. Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem. But helping her reckless relative will really put her special matchmaking skills to the test . . . Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can't see anything they have in common. Or that he could ever be good enough for someone like her. But Linda's down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging . . . Linda couldn't be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between them, both she and Ben must risk enough to trust, stitch the pieces back together—and dare a forever precious happiness. Praise for Jennifer Beckstrand and Abraham "This is an endearing romance that fans of Wanda Brunstetter will love." Publishers Weekly Suspension is probably the most misunderstood aspect of motorcycle performance. This book, by America's premier suspension specialist, makes the art and science of suspension tuning accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede's wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to make their bike, or their kid's, handle like a pro's. Thede gives a clear account of

the three forces of suspension that you must understand to make accurate assessments of your suspension's condition. He outlines testing procedures that will help you gauge how well you're improving your suspension, along with your riding. And, if you're inclined to perfect your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance. The book even provides detailed troubleshooting guides for dirt, street, and supermoto--promising a solution to virtually any handling problem. American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN. Riding motorcycles is fun, but author Ken Condon maintains that there is a state of consciousness to be achieved beyond the simple pleasure of riding down the road. Riding in the Zone helps riders find that state of being. It's the experience of being physically and mentally present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is "the Zone." Condon identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to transform the book's ideas into solid, practical riding skills. Riding in the Zone takes riders to the next level in their skill set. American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN. The Chains of Love are stronger than the Bonds of Revenge Long after the gladiators fought in the Coliseum, ancient evils wander the streets of Rome. Only a few heroes have the power to stop them. Among them, a group of friends whose fate and the gods' whims have united in immortality. Follow Marcus, Alexander, Samuel, Peter and Raphael as they battle their inner demons and try to save the world and their loved ones at the same time. The Hidden Demon A pariah among paranormals, Peter can touch the dead and read their last thoughts. Once an angel, now a demon, he is only tolerated by most because of his gift. Cursed with the power of influencing every woman or man he touches, Peter has lost any hope to experience true intimacy and companionship. Headstrong and sensual as only werewolves can be, Ophelia is desperately in love with her best friend, Samuel, who is in love with someone else. In the middle of her personal crisis, Rome is taken by storm by the latest archeology discovery, and as a forensic anthropologist, Ophelia is called to shed some light on the remains of a young couple embraced for eternity. Peter is sent to the site to help identify the dead. Amidst Roman villas' ruins and a mystery that has lasted for two millennia, he meets the striking werewolf, and Ophelia's exotic beauty and sharp tongue pique his interest immediately. Ophelia, too, is affected by Peter's magnetism. Despite her heart belonging to someone else, Ophelia feels a pull toward Peter at first sight. An attraction that

only grows stronger despite her doubts. Unfortunately, what has started like any other reading for Peter soon becomes a nightmare in which real enemies from several factions want him and Ophelia dead rather than let them discover the truth. Will they survive a manhunt the likes of which Rome has never seen? But most of all, will Peter and Ophelia remain unscathed by the fire of their burning passion? An Immortal Valentine's Day Once a playboy, Alexander Drako is now the happy father of three and eager to celebrate Valentine's Day with a special party held on Friday night to accommodate his nocturnal vampire friends. Everything is ready except for a small detail. Alexander has forgotten to buy the roses and orchids for his beloved Ravenna. Unable to disappoint her, and accompanied by his loyal friends, Marcus and Samuel, he sets out for Wolf's Haven, a rehab center for paranormals, hoping to find some flowers left for sale in their greenhouse. After a honeymoon around the world that lasted half a year, Peter and Ophelia have just landed back in Rome. While he would like to relax in their apartment, Ophelia is eager to see her friends. Most of all, she can't wait to hug Quintilius, her adoptive father. Ophelia's call reaches Quintilius at Wolf's Haven, where he's volunteering, and he rejoices at finally seeing her again. However, he isn't thrilled to see Peter, the man who stole the heart of his little princess. A sudden crisis at the rehab center forces Quintilius to focus his thoughts and energies on looking for Luisa, a girl who's run away with a dangerous gang member. By fate's design, all the friends have reunited at Wolf's Haven and agreed to help Quintilius in his quest. Will they be able to save the girl and return to their loved ones in time to celebrate Valentine's Day? Raphael Raphael has nowhere to go, nobody who loves him, and his past has scarred him deeply. A young werewolf on the run, living rough in the catacombs beneath Rome and with nothing else to call his own but his freedom, he desperately tries to elude the Controller whose goal is to send him back to Renegade Youth Shelter and a life of torments. As he lives day by day with the constant threat of being captured, his future looks dark and lonely. That is until a chance meeting with Luisa; a werewolf like him... When an ancient artefact is stolen from National Museum, Delhi, a reckless and stubborn Police officer, ACP Aryan, is placed at the helm of the case. The people on the hunt for the artefact are seemingly ordinary criminals - an antique robber, an Irish national, and a sand mafia. But as Aryan uncovers each layer of the truth, he discovers that his adversaries are the descendants of mythical Asuras. From the gateway to Lord Vishnu - Haridwar - to God's own country - Kerala - from fiery pursuits to narrow escapes, the mystery of the artefact draws Aryan into a lethal maze of vengeance, betrayal, and dreadful secrets. With time slipping out of the hands like sand, Aryan must unravel the mystery of the artefact, for this case is not just a game of Good vs Evil; it is a deadly game of Good vs Ancient Evil. The Resurrection of Evil is an irresistible page-turner; a modern day mythological thriller with exhilarating twists and turns and fascinating stories from Indian, Irish, and Mayan mythology. Delta Force operator Kolt Raynor must thwart a deadly terrorist plot in this globe-hopping special operations thriller in the New York Times bestselling series When SEAL Team Six killed Osama bin Laden, they pulled a treasure trove of intelligence on planned attacks on U.S. soil. Ayman al-Zawahiri, al Qaeda's new leader, is activating his most trusted (and deadliest) terrorists to carry out his newest plot: to detonate a bomb inside one of the sixty-four commercial nuclear power plants in the U.S. in an attack ten times worse than 9/11, causing radiological fallout that would kill hundreds of thousands of innocent Americans. The President

wants answers quickly, and after Kolt Raynor saved his life a few months earlier, he knows Delta Force is fully capable. But Kolt is on the verge of getting forced out of JSOC for disobeying orders in Pakistan—and when he's offered a slot in Tungsten, an ultra-secret deep-cover organization, he jumps at the chance. Now his task is to infiltrate al Qaeda and prevent this deep-cover terror cell from making their plot a reality before it's too late. In Full Assault Mode, former Delta Force commander Dalton Fury takes readers inside the world of undercover special operations—where every wrong step costs lives, and one minute might just be one minute too late . . .

From the publishers of Motorcycle Consumer News, *Shifting Gears at 50* is a one-of-a-kind motorcycling manual for returning and late-entry riders, essentially anyone 40 years old and up who's looking to hit the road on two wheels. Author Philip Buonpastore, a motorcycle journalist and retired US Air Force photographer, helps readers gear up to get back on a motorcycle (or get on one for the first time). In Part 1, "Becoming a Motorcyclist," Buonpastore discusses the basics of buying the right bike, gear, and equipment and getting the bike up to speed. The book continues with a

good overview of learning to ride, the importance of taking a road course, venturing out on the first ride, and extending rides to long-distance jaunts. Throughout Part 1 are sidebars by riding-safety instructor and expert Walt Fulton, offering sound advice on safety precautions and execution for every leg of the new and returning rider's journey. The author emphasizes what older riders should be aware of and which factors can affect their rides. Adding lots of great firsthand advice are humorous and helpful stories collected by the author and related by returning riders at various ages, from their late 30s to 60s. In Part 2, Buonpastore shares five of his favorite travelogues covering his long-distance tours around the US, from the American South to the west coasts. This section is illustrated by over 100 of the author's breathtaking photographs of the various locations he toured on his bike. The foreword to the book is provided by best-selling motorcycle author David Hough (author of I-5 Press's Proficient Motorcycling and Mastering the Ride). Hough writes, "If you're getting into today's motorcycling at an age your doctor would describe as 'middle aged' or 'senior,' do you yourself a clever favor and read Phil's book." American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN. This book is aimed to bring out the understanding of brand positioning of two wheelers in the minds of customers i.e., whether the customers have brand awareness, brand image, brand identity, brand knowledge about two wheelers which lead them to satisfaction. In turn, their brand preferences towards specific two wheelers among popular brands such as Hero, Honda, TVS, Suzuki, Bajaj and Yamaha were associated with brand positioning.
