The Feeler Apr 15 2022 The Scriptures give us a full-color picture of a God who is moved by emotions such as yearning, love, and compassion. Our human emotions reflect the emotional qualities of our Creator, who made us in His own image. Feelings have a vital place in any believer's life, not just in those who have a more sensitive nature due to their personalities. The Feeler by James W. Goll delivers a remarkable biblical perspective on our emotions and how they help us to discern and act on God's voice. We experience the love, joy, and presence of God with our

feelings. Our emotions have an impact on our bodies, our level of holiness, our relationships, and our decisions. The Bible tells us we need to have our “senses trained to discern good and evil” (Hebrews 5:14 NASB). What are we training? Both our natural senses and our spiritual senses. Our physical senses, with the addition of “knowing,” correspond to our spiritual senses in these ways: Eyes (sight): visions and dreams Ears (hearing): voices and sounds Heart (touch): emotions and feelings Tongue (taste): good and evil Nose (smell): good and bad Mind (knowing): divine thoughts and impressions This book will show you how to listen for and recognize the often subtle ways God’s Spirit speaks to believers, as well as how to discern good and evil spirits. With consecrated gifts and senses, you can reach out to the body of Christ and to the world at large in both spiritual and practical ways, making you much better equipped to fulfill your role as an ambassador of the gospel.

The Prophetic Intercessor Dec 11 2021 Prophetic intercession has caught fire as God’s people learn the power of praying his promises back to him. In this extraordinary book, James Goll draws from the stories of Elijah, who travailed for rain, and Anna, the praying prophetess whose intercession prepared the way for the Messiah, to illustrate the biblical mandate for intercessory prayer. James tells his own gripping, life-changing experience of how God gave him and his wife four children after years of barrenness, and he uses this testimony as a metaphor for what God can do for dying churches and hopeless circumstances when Christians lay claim to God’s promises. Readers will gain a fresh vision after reading *The Prophetic Intercessor* for the importance of intercessory prayer for themselves, their churches, and the world.

Addressing Challenging Moments in Psychotherapy Jul 18 2022 "This practical and helpful volume details how clinicians can work through various and common challenges inherent to psychotherapy, whether within the context of individual, marital, or group settings. Chapters draw upon wisdom gleaned from the author's 48 years as a

practicing psychiatrist to address topics such as using countertransference for therapeutic purposes; resistance, especially when it needs to be the focus of the therapy; and a prioritization of exploration over explanation and favor working in the here-and-now. Along with theory and clinical observations, Dr. Gans offers a series of "Clinical Pearls," pithy comments that highlight different interventions to a wide range of clinical challenges. These include patient hostility, the abrupt termination of therapy, treating a couple that's lost compassionate neutrality, and more. In addition to offering advice and strategies for therapists, the book also addresses foundational concerns like the matter of fees in private practice and the virtue of moral courage on the part of the therapist. Written with clarity, heart, and an abundance of clinical wisdom, *Challenging Moments in Psychotherapy* is essential reading for all clinicians, teachers, and supervisors of psychotherapy"--

Mommy Deadliest Jun 24 2020 The true crime story of a New York mother who killed and a daughter who wouldn't die, from the author of *A Killer's Touch* and *Watch Mommy Die*. Anti-freeze For A Husband It looked like a suicide. A man's corpse on the bathroom floor—next to a half-empty glass of anti-freeze. But fingerprints on the glass belonged to the deceased's wife, Stacey Castor. And a turkey baster in the garbage had police wondering if she force-fed the toxic fluid down her husband's throat. Pills For A Daughter In desperation, Stacey concocted a devious plan. She mixed a deadly cocktail of vodka and pills, then served it to her twenty-year-old daughter Ashley. The authorities would find Ashley with a suicide note, confessing to the anti-freeze murder. But Stacey's plan backfired—because Ashley refused to die . . . *A Killer For A Mother* Charged with murdering her second husband—and attempting to kill her oldest daughter—Stacey Castor sparked a media frenzy. But when police dug up her first husband's grave—and found anti-freeze in his body, too—this New York housewife earned a nickname that would follow her all the way to prison. They called her "The Black Widow." And with good reason. The story that inspired the Lifetime film, *Poisoned Love: The Stacey Castor Story*, starring Nia Vardalos.
