Cutting edge breakthrough for emotional and physical healing. Sozo School of Healing: Training Seminar on Disease Eradication and Prevention This vital training seminar will teach you how to stay mentally, physically and spiritually healthy. The objective of this seminar is to teach you how to walk in wholesome health. We will study 11 major topics regarding the roots of disease and how to find healing & deliverance over those issues. Sozo School of Healing training is fully dependent to the Word of God, the Power of the Spirit and the Manifestation of the Presence of Jesus in people's lives. The information presented will cover disease, sickness and physical ailments and how God will release supernatural healing to bodies by declaring scriptural decrees. The Scriptures declares health to us, "Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers." (3 John 2) When we understand the Word of God and His authority over all Creation, we are able to reclaim the keys to pathways of healing and wholeness. It has always been God's intention to keep us healthy and whole as declared in Psalms 103:2-3 "Praise the LORD, O my soul, and forget not all his benefits- who forgives all your sins and heals all your diseases". From this training, you will have in-depth understanding of the spiritual dimension of disease. You will have the tools to apply it in your life to be in good health in accordance with God's truth! We encourage those who are seeking healing to pour yourself over this material and allow God to move in your life. The Word of God on healing will be taught line upon line and precept upon precept. (Isaiah 28:10) Sozo School of Healing focuses on teaching believers the backgrounds of disease as well as revealing pathways to health and wholeness. This training material offers biblical insights into how your physical body system works, in connecting to your body, your mind and your spirit. A focus on this material can give rise to the question, "Can a disease be spiritually rooted?" As you study this material, you will notice that it has been designed for you to learn how to defeat and prevent disease using the discernment God has given mankind to produce wholeness of spirit, soul and body. The topics are geared to facilitate and encourage each participant to renew their mind with the Word of God. Proverbs 4:20-23, "My son, pay attention to what I say; listen closely to my words. Do not let them out of your sight, keep them within your heart; for they are LIFE to those who find them and HEALTH to a man's whole body. Above all else, guard your heart, for it is the wellspring of life." The Word of God lead us to divine health when we recognized that a foundational key for realizing healing is when we apply the scriptural principle of sanctification. Deuteronomy 28:22, "The LORD will strike you with wasting disease", clearly demonstrates that diseases are passed from generation to generation through the bloodline. Many diseases are the result of separation between God, yourself, and others due to sin, sickness and disease. When we identify and minister to the root causes behind these separations healing occurs. Fear, stress, guilt, self-hatred, accusation, and rejection are a few examples of spiritual issues that are included in the teachings of the Sozo School of Healing seminar. This training material is designed to read by people from all denominations with a biblical or non-biblical background. Although, have a personal relationship with Jesus Christ, regardless of religious background, this material will make a great impact in your life toward healing. It is our desire that any following this material will find healing and find the way to prevent sickness in their mind, body & spirit. JOIN THE FLOW REVOLUTION "There is wisdom in his words; and also something more- a river of essence subtly calling us back to source." -Jeff Brown, Bestselling author of SoulShaping. *** Are you in pain? Do days, weeks, years slip by, leaving you drained and unfulfilled? Do you struggle with anxiety or depression? There are countless 'self improvement books.' Most of them have one critical flaw; they leave you inspired for a few minutes, or months, but fail miserably when it comes to delivering actual, tangible results. You may be stuck, but not where you think you're stuck. In which case, you've been pouring your energy, time, and resources in the wrong direction. This book can get you back on course. It's like a lighthouse for those at sea. The mind / body separation is a myth that will be challenged with fascinating case studies. What impacts one impacts the other, without exception. Example: if you're depressed or anxious, the body is breaking down; if the body is breaking down, you're depressed or anxious. If you dislike a body part, or a fragment of your being, even unconsciously, you've planted the seed of disease in that part. You've fragmented yourself. Feel incomplete and broken? That's why. Flow will show you how to uproot these seeds before they become massive, knotted trees. You'll read about 'Lucy.' Devastated by her father's death, without knowing it, she was caught in a relationship; she couldn't move forward, and she couldn't get out. Gently tugging at her arm healed it. Stories like these reframe what we believe about consciousness. It is limiting views of consciousness that create symptoms like depression, anxiety, disease. What does a shoulder have to do with love? Her father used to take her by that hand when she was a toddler, to cross the street. He passed away, and his memory was still anchored in that shoulder. Once we released it, tears for her father poured out, and she was able to marry her love soon after. If you tend to argue with partners, chances are there are stories like these between you. Somatic stories. Stories about our parents can block us from loving who is in front of you. But only until you discover them. What are yours? FLOW: An Illuminated Training Manual will help bring these damaging stories to the surface so you can break free, take deep breaths again, and love. This book will help you uncover the brilliant ways you've been sabotage your own growth and healing, and smoothly re-direct into a forward motion. It's a primer for a new way of being in FLOW, a state that dissolves obstacles without effort. This is where relationships touch new depths, and we thrive. Depression, anxiety, and even chronic diseases are transcended and healed. - Your body will thank you. - Your loved ones will thank you. - You'll become an inspiration to those around. - Everything you need to do to move forward will suddenly become clear. If you're still "working on an issue," you're STUCK between a rock and a hard place. The more you push, the more there is to push against. If you were in front of me right now, I'd demonstrate this using your own body. Thousands have already downloaded this book. Hundreds are noticing their consciousness "flip." Once this happens, you can't go through life in the same way. Once the light comes on, it can't be unseen. Let's face it... most people are SLEEPWALKING THROUGH LIFE. That isn't YOU. Read the book today and join your kindred spirits. If you APPLY EVEN ONE of the principles, your LIFE WILL IMPROVE DRAMATICALLY. If you APPLY TWO or THREE, your life will be completely

One day when Jesus was teaching, "the power of the Lord was present for Him to heal the sick" (Luke 5:17). His same power is present in every believer today. Drawing from her experience as a worldwide healing ministry, Joan Hunter desires to help equip the church to receive and to minister God's miraculous healing in the four corners of the world. Many believers want to understand: How can I receive and retain healing? Why would God use me? What's the best way to approach someone who needs healing? How can I effectively pray for healing? The answers to these and other questions—plus practical guidance and examples—are designed to help believers fulfill the Great Commission: "Go into all the world, and preach the gospel to every creature... lay hands on the sick, and they shall recover....(Mark 16:15, 18b). Having attended a great many conferences over the years my observation is that the modern church is largely concerned with matters such as leadership, growing the numbers in your congregations, or church planting. There is no doubt at all that these are wonderful and necessary topics to facilitate the building of the Kingdom of God. There is, however, very little focus on healing ministries and as a consequence the doctors are the first port of call for physical problems. For many churches, even large city congregations, if there are mental or emotional issues the people are sent to psychiatrists or Christian counselors trained in secular techniques. In contrast if we look at the Jesus model, His focus was on healing the sick, freeing those with demonic bondages and healing the broken hearted. Apparently, His disciples freely received this ministry from Christ themselves before they were commissioned to take the good news to the World. Matthew 10:8 Heal the sick, raise the dead, cleanse those who have leprosy, drive out demons. Freely you have received, freely give. NIV Perhaps we could look at it in this way. Imagine if you were putting together a football team and selecting your players. "Alright, I choose that man over there with one leg, the blind guy, that deaf fellow, the man with one eye, those chaps with the back braces on, and those cripples." Then you launched them out onto the field, yelling with great enthusiasm and encouragement; "Go get them guys!" It doesn't make much sense to me, but many of us have been around churches where the focus is on trying to motivate broken people to live a victorious life of faith. We have all seen the fallout and problems from people with unresolved issues active in a church environment. Remember the 'Vasa' There is an old Swedish warship housed in a museum in Stockholm called by the name of 'Vasa.' She was commissioned to be built by the King of Sweden Gustavus Adolphus for use in the war with Poland-Lithuania and was constructed 1626-27. Upon completion she was considered to be one of the most powerful warships in the world at the time. A tremendous amount of resource was put into her, and she presented with rich and ornate decorations. She was loaded with large and powerful guns. Unfortunately, all of the expense and efforts went into her appearance and equipment for war. Not enough time was spent on the design and what was done below the waterline out of sight. The result was that she appeared to be a splendid, dangerous and formidable enemy, when in fact she was unstable in her foundation and not well ballasted. Sadly only 1400 meters into her maiden voyage she encountered a gust of wind which caused the ship to capsize and sink. The guns had just been fired as a grand salute to onlookers as the vessel left Stockholm. The lesson for us is if we spend all of our time on presentation and how things look, and neglect dealing with the sub surface problems of the church we may not ever even get into battle. If we train people in leadership, and develop or release gifts but don't deal with the unresolved issues in their lives, are we building on sand? We have found that if we focus on the people being set free, the gifts and leadership come with motivation that God is pleased to bless. At times I have ministered to leadership teams of larger churches and have been amazed at what is often going on in the background. I thoroughly believe that healing the brokenhearted and setting the captives free was the main ministry of Jesus for a very good reason. If we want to be the stable church that God is pleased to anoint, we may need to consider spending a little more time on working below the water line and sorting out the areas that are not always visible. "The Reiki Manual: gives detailed instruction in first- level, second-level, and third-level (Master) techniques; includes review questions and activities; contains illustrations of key techniques and reference material for students; features planning materials for your very own Reiki course"--P. [4] of cover. This manual was written to train and equip members of the body of Christ to become believers who genuinely experience the love and presence of God. It is through us that Jesus works to express the joy, power and authority of His Kingdom. The goal is to see believers walk out their God-given identity to heal sickness and disease, and to reveal the goodness of God permeating lives as we help people become saved, healed and delivered. Because Jesus paid the ultimate price on the cross, we have the authority to enter the courts of Heaven and declare all affliction, sickness and disease null and void. You will lay hands on the sick and they will recover! Most of the human race believes in a life beyond the here-and-now. Religious writings have put such beliefs into words often esoteric, mysterious words for thousands of years. Among such writings are those which form the Christian Bible: the sixty-six books commonly called the Old and New Testaments. Strangely, the Bible doesn't say much about what the life which lies beyond is like that is, how it is actually lived. There are excellent reasons why, of course chief among them being that while we are living here, we should focus on living this life as God would have us live it. The Bible insists, however, that we are connected to the life beyond in a cause-and-effect way that is, how you live here determines how you live hereafter. Moreover, tantalizing allusions to Heaven are scattered throughout the Bible. The Last Bridge weaves a tale about a man who actually travels beyond this life and world, experiencing the reality of what the Bible hints at. It is not, however, merely an imaginative travelogue. Our hero is a stubborn agnostic . . . one who has been deeply wounded by life. What his adventures do to him and the events in which he becomes involved form an absorbing narrative full of surprises all the way to the final page. * Manual only (transcripts not included) * Full version available from here: <http://createspace.com/4101124> Mike's complete notes on Deliverance & Healing. Jesus first sent 12, then 70, and finally all believers. We're all sent by God, we all have a sphere of influence, and god wants us to be used in this ministry - not only of sharing the gospel, but of healing the sick, and delivering people from evil spirits. Evil Spirits and how they Operate (2 of 5) Examples of Jesus' ministry of deliverance, how He worked, how He operated, and then some of Jesus' teaching as to what evil spirits are and how they operate. How spirits get into people's lives and the ways they operate, leading into a closer examination of the scriptures around deliverance, and what they reveal about demons, and the spirit world. Some basics of the deliverance ministry, leading into a practice exercise (activation). Gateways for Demonic Spirits (3 of 5) Demons need a 'legal doorway' to enter a persons life. In this session, a check-list of 9 common doorways are explained; and what kinds of things would happen inside a person, as a result of demonic bondage. Curses and How to Deal with Them (4 of 5) For people who have a spiritual world view,

blowing and cursing are a great reality. Blessing means there's a flow of spiritual power that brings favour around my life; cursing means there is a flow of spiritual power that obstructs and frustrates and sets me back continually. This session will help you identify when a curse is operating, and how to go about addressing it. This includes a range of heart issues that give legal rights to demons. Jesus came to set us free! Casting out of Spirits (5 of 5) Simple dynamics of how to lead someone through deliverance, including dealing with some issues of the heart where demons are attached. Beautiful examples of healing encounters. Bryant Borges is a published Author of his latest book called The Face of Jesus and Founder of an International Evangelistic Non-Profit Organization 501 (c)(3) called The Face of Jesus. He is an accredited Evangelist from Christ for all Nations (CFAN), a graduate from Regent University School of Divinity and the Director of Evangelism at Big House Church in Virginia. Bryant's passion is in revealing the intimate person of Jesus with purity, reverence, and truth-particularly in the area of evangelism and healing. In his new healing and evangelism training manual, he organizes the manual not for the purposes of convincing Believers that God heals, but makes clear God's heart, desire, and demonstrates Biblical healing principles modeled by Jesus and the Apostles for everyday life for users to engage with. Since Bryant's unique and radical encounter with the person of the Holy Spirit in 2015, Bryant today seeks to reveal Jesus and train Believers to do the same, particularly by way of deep intimacy with Jesus and hosting God's Presence and healing power for everyday contexts. In this manual, users will learn: -Intimacy with Jesus and Loving Others, which are the foundations for seeing Jesus before being able to reveal Jesus. -Operating in Healing, which is extensively focused on demystifying God's healing nature and exercising practical tools on delivering God's divine healing power. -Hosting His Presence is the origin of where His power comes from and learning how to cultivate a well within. Reiki is an ancient healing art passed down through generations, rediscovered by Dr. Mikao Usui in Japan. The purpose of this manual, Deliverance Training 201 is to provide each and every believer with the tools necessary to bring health healing and wholeness into individuals lives, as well as their own. It is our experience that many believers who receive deliverance have difficulty maintaining that deliverance or staying free from the bondage that once plagued them. This manual will provide support by delivering an understanding as to how the bound person got into the situation they're in. As we begin the journey to understanding why we do the things we do, we will begin to heal. This journey towards deliverance and healing will give us empathy for others. As we get healed and delivered we eventually begin to live without being angry. When we're no longer judgmental and critical, it will eventually lead others to come to us for answers. The body of Christ has been sent to provide solutions to man's problems, not participate in them. One of the greatest benefits of getting yourself delivered is you can then help others. The more we help others, the more we ourselves are healed. Deliverance 201 will also focus on how demons spirits operate, where they reside and the various methods they have for invading a person's life. Additionally, it tackles many common misconceptions of deliverance and removes the mysticism surrounding deliverance, healing and wholeness. Topics Covered: - Where Demons Reside - Understanding Strongholds - Understanding the Strongman - Renewing the Mind (how to stay free) - Common Misconceptions of Deliverance Ministry Are you ready to unleash the power Jesus put inside you? Jesus Christ died to give you the authority and power to heal the sick. BORN TO HEAL INTERACTIVE TRAINING MANUAL will show you how to walk in the power and love of Jesus Christ and heal the sick as a lifestyle. This guide features interactive studies that can be used for discipleship groups, LifeTeams, Sunday Schools, or personal study. Never again will you feel helpless in the face of sickness and pain. In this book you will learn: -How to minister healing simply, confidently, and get results -Why any believer can heal the sick with consistent results -Why you can be confident that God will heal through you -How to minister healing OUTSIDE the church as part of your everyday lifestyle -How to move past your doubts and bad experiences -How you can heal people who don't have any faith -What to do (and NOT to do) when healing isn't instant Most people carry around a certain amount of emotional baggage from their past. Experiences of rejection, mistreatment, abuse, broken relationships and traumatic experiences all contribute to the weight of unresolved and unhealed emotional baggage. For some people, this may mean nothing more than occasional painful memories. For other people, the baggage of the past may be seriously problematic. Many people suffer with a damaged self-image, deep feelings of inferiority, insecurity, anxiety, loneliness, addictions or anger issues. These problems can affect our relationships and rob us of joy and success in every area of our lives. If you are a Christian, the Bible says that you are a new creation. (2 Corinthians 5:17) Jesus redeemed you from your past. You are born again. But the memories and the feelings of the past may still be with you like a bad computer program, keeping you from living fully in the victory that Jesus won for you. This manual on the Ministry of Healing is designed to give students a practical teaching and methodology in releasing healing ministry to individuals both inside and outside of the church. The framework for this manual comes from the insights and practical ministry applications that Pastor Shannon has learned from the Lord and from others in the past 20 years of ministry while ministering in the local church and in the nations. Here are some of the topics that will be covered in this school: A Biblical Basis For Healing A Theological Understanding of the Doctrine of Healing, Words of Knowledge and What They Look Like Five Step Prayer Model For Healing Overcoming Roadblocks to Healing Maintaining Your Healing Faith To Raise The Dead. This book is the result of 10 years doing deliverance on the Internet so is proven by practice. It deals with associated matters of deliverance as well as the Five Steps I was shown as the key to deliverance and fighting Satan. This presents a simple way of fighting Satan and doing deliverance so that no one has really any excuse for not fighting Satan or doing deliverance It is based on the Lordship of Christ and our position in the Kingdom of God. The principles stated in this book has changed the life of many and I believe will change your life if you honestly evaluate them. UNIVERSAL HEALING: is an Ancient, Angelic Distance Energy Healing System, Mainly For Internal, Self Healing And may be Used To Give hands on Healing; To Other People, You channel white, matter. And different types of matter. In this Universal Healing: you have control over this energy flow. It may be possible to slow this healing, it is not possible to stop it completely. The 1st level Attunement After this attunement: for the first three months you are not alone, call and I will send you free healing, and advice about universal healing; by text or email. The 1st level attunement will connect you to source, and allow a flow of light through you to take place. Once you are attuned, you will have control, over your own healing energy flow. This healing is on all the time; even if you are incapacitated. This energy will

work constantly to regenerate your bodies physical systems. This flow at first will be felt, then in time you will not be a where of its flow, you will be used to it, when you have a pain in your body; instead of trying to ignore it, think about it: ask for the pain to stop; the pain will decrease. (Pain is a way the body lets you know, there is a problem area, you need to work on; sometimes long term problems, may take you time to find within you; what you need to work on to clear it) Think about the area, and it will receive healing. The 2nd level Attunment On this level you will be given tools of empowerment: These are diagrams of energy tools. Most off these special abilities you already have, and are unaware off: These tools will in time enhance the gifts within you. Each person has there own abilities, as you use these diagrams within your body, to heal your internal body systems, you will improve the manifestation part of your brain. This is the part of your brain that manifests your every day life, that allows you to walk through this play ground I call life path. Of course this process is not easy, but its fun. The Master Attunment This is the level you will be taught how to do the attunements: This is a simple process to teach you how to pass on this healing system to other people; the power within you has increased. The ability to regenerate tissue within you has increased, now your internal BA and KA channels are starting to increase in strength, and are used to heal your internal body systems with more efficiency. Channels: the main ones are the meridians: the KA channels and the fine BA channels, these flow through the immune system, and through the minute cell matrix systems; this is where most of the problems arise when the body starts to break down. In a domino effect through out the bodies physical Holographic matrix. All this is irrelevant because you don't need to know all this, to use this healing system. IE if you drive a car you only need to know how to drive it. There is no need to know, how to fix it, for this you call in an expert mechanic. Its the same for universal healing, to fix your self call in the angels and they will fix you. Most of your self healing, and expansion, and learning; has now taken place, from this point on, you will receive information and guidance: from me as an equal. The 2nd phase level This is an expansion of your physical and emotional awareness you will feel peace throughout your being, this expansion may be felt by every one around you, they may see the difference in you, as you gain more control over the environment around you. The Grand master Attunment This attunement will in time dispel completely the egos control over you, bringing you into balance. Allowing the I am Presence to shine through. Your peaceful light, may shine around you, for about 200 miles. (this is your aura) The purpose of this Manual is to present some important principles of healing which may help you as you step out in faith and begin laying hands on the sick. The information in this Manual might be different than what you have always been taught, but consider keeping an open mind in case God wants to reveal something new to you. Check these things against the Bible, don't just believe what I say or what other people have said! Dr. Reiss takes the position that the missing half of psychology is not personal to me or you but rather our psychological inheritance from our family and culture. To break the cycle of history that leads us to constant inner conflict and a world full of war, we must heal history. Ro a large degree the future of humanity depends on our developing and implementing tools to break the repetitive cycle of unprocessed history. This workbook takes you on a journey of processing and healing personal and world history. These exercises can help free us from our most destructive cycles to live lives together in increasing joy freedom, understanding, justice, and peace. John G.
