Develop your learners' skills in creative writing and writing for a purpose. Introduce your learners to creative writing and writing for a purpose. They'll learn about naming words with the Patel family as well as captions and lists on the farm, helping build their extended writing skills as they progress through the units. Each unit focuses on a different text type such as dialogue, recounts, reports or instructions. Model texts in each chapter show learners good examples of each writing type and specific activities are included to help them practise their grammar. Planning tools and an extended writing task develop learners' essential skills including editing, checking, planning and creative thinking. *The Only Grammar Book You'll Ever Need* is the ideal resource for everyone who wants to produce writing that is clear, concise, and grammatically excellent. Whether you're creating perfect professional documents, spectacular school papers, or effective personal letters, you'll find this handbook indispensable. From word choice to punctuation to organization, English teacher Susan Thurman guides you through getting your thoughts on paper with polish. Using dozens of examples, *The Only Grammar Book You'll Ever Need* provides guidelines for: Understanding the parts of speech and elements of a sentence Avoiding the most common grammar and punctuation mistakes Using correct punctuation in every sentence Writing clearly and directly Approaching writing projects, whether big or small Easy to follow and authoritative, *The Only Grammar Book You'll Ever Need* provides all the necessary tools to make you successful with every type of written expression. Heavy emotions meet a deep well of understanding in this uplifting sibling story Written as a springboard to teaching grammar, this book is designed to help teachers of grades 4–8 teach students to use the sixteen essential grammatical elements (seven parts of speech, six phrases, and three clauses) in their writing. Exercises, strategies, and examples provide a guide for the teacher about how students can learn, expand, and transfer the grammar skills acquired to their own writing. The book is organized so that teachers can either pick and choose lessons that are tailored to meet their students' specific needs, or they can teach the material in a clear and effective scope and sequence from beginning to end.. Teachers Rave about Keith Polette's *New Way to Teach Writing!* "I like the writing exercises that are incorporated right from the start and the interesting approach to getting students to develop their understanding in their own words. I also would recommend the book to other teachers because it has universal appeal for any teacher trying to improve their own understanding of grammar and writing or who is looking for another good resource for their students." -Lona Garrison, Gwinnett County Public Schools, GA "I think this book is done very well. Teachers could use this book as a reference tool in the classroom." -Deedra Murray, Edyth J. Hayes Middle School, KY Take a look inside: Focuses on one grammatical element at a time to assist teachers in building on students' prior knowledge. Addresses such topics as sentence building, combining, and imitation, writer's voice, word play, poetry, editing, and guided or process writing. **English for Academic Study: Grammar for Writing** **English for Academic Study: Grammar for Writing** is a graded self-study course that will help students improve their academic writing. It will build their confidence in understanding and using grammar for written assignments, so they can write accurate English and communicate more effectively in academic contexts. **EAS: Grammar for Writing** starts at a relatively low level, recognizing that many students require continuing practice of common grammatical problems in academic writing (such as subject-verb agreement, or the use of present simple and present continuous). It gradually increases the level of challenge so that by the end of the book students can use appropriate grammatical structures to express more complex academic ideas. The nine units are based on the following topics: Starting out Information flow within a text Looking back (past simple and present perfect) Showing logical links (1) Showing logical links (2) Expressing shades of meaning Expressing condition Avoiding person-based writing Using relative clauses Each unit is divided into three stages, moving from basic structures to more complex ones. Full explanations and examples are followed by extensive practice exercises. Many exercises use examples from student essays, so students can identify typical problems and work out how to put them right. Each unit also includes an end-of-unit

self-check test to give students a quick overview of what they have covered. There are four useful appendices on: articles, describing data, referring to academic sources, and a sample student essay. A full answer key is available here. The dedicated EAS website also provides additional resources across the range of titles in the series. This book can be used in conjunction with the following books in the English for Academic Studies (EAS) series, also published by Garnet Education: EAS: Reading, EAS: Writing, EAS: Extended Writing & Research Skills, EAS: Listening, EAS: Speaking, EAS: Vocabulary and EAS: Pronunciation

The three levels of Onward We Go (Grammar and Writing) aim at enabling students to acquire the basic grammar rules and invest them in improving writing skills. Each level of Onward We Go (Grammar and Writing) strikes a balance between accuracy and fluency, as it offers the following self-expressive components.

- ? Grammar-oriented oral and written practice
- ? Simple grammar rules
- ? Rich, practical grammar activities
- ? Helpful tips on writing strategies
- ? Guided, semi-guided, and free grammar-oriented writing tasks

A guidebook to improving grammar includes basic, intermediate, and advanced sections with chapters on r esum e writing and the study of phraseology. A language arts workbook for the homeschooling parent with a middle school student. **NEW YORK TIMES BESTSELLER** • A sharp, funny grammar guide they'll actually want to read, from Random House's longtime copy chief and one of Twitter's leading language gurus **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine** • Paste • Shelf Awareness "Essential (and delightful!)"—People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House's copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their best prose foot forward. As authoritative as it is amusing, Dreyer's English offers lessons on punctuation, from the underloved semicolon to the enigmatic en dash; the rules and nonrules of grammar, including why it's OK to begin a sentence with "And" or "But" and to confidently split an infinitive; and why it's best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including "very," "rather," "of course," and the dreaded "actually." Dreyer will let you know whether "alright" is all right (sometimes) and even help you brush up on your spelling—though, as he notes, "The problem with mnemonic devices is that I can never remember them." And yes: "Only godless savages eschew the series comma." Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people's prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer's English "Playful, smart, self-conscious, and personal . . . One encounters wisdom and good sense on nearly every page of Dreyer's English."—The Wall Street Journal "Destined to become a classic."—The Millions "Dreyer can help you . . . with tips on punctuation and spelling. . . . Even better: He'll entertain you while he's at it."—Newsday

Designed with today's students in mind. Grammar rules are presented & explained in a clear & simple manner, so that students can grasp them quickly & apply them to their writing. This student workbook presents techniques for and exercises in editing written English, all to develop familiarity with the editing stage in the writing process, grammar skills, and comprehension. Online sensation Grammar Girl makes grammar fun and easy in this New York Times bestseller Are you stumped by split infinitives? Terrified of using "who" when a "whom" is called for? Do you avoid the words "affect" and "effect" altogether? Grammar Girl is here to help! Mignon Fogarty, a.k.a. Grammar Girl, is determined to wipe out bad grammar—but she's also determined to make the process as painless as possible. A couple of years ago, she created a weekly podcast to tackle some of the most common mistakes people make while communicating. The podcasts have now been downloaded more than twenty million times, and Mignon has dispensed grammar tips on Oprah and appeared on the pages of The New York Times, The Wall Street Journal, and USA Today. Written with the wit, warmth, and accessibility that the podcasts are known for, Grammar Girl's Quick and Dirty Tips for Better Writing covers the grammar rules and word-choice guidelines that can confound even the best writers. From "between vs. among" and "although vs. while" to comma splices and misplaced modifiers, Mignon offers memory tricks and clear explanations that will help readers recall and apply those troublesome grammar rules. Chock-full of tips on style, business writing, and effective e-mailing, Grammar Girl's print debut deserves a spot on every communicator's desk. Designed with today's students in mind. Grammar rules are presented & explained in a clear & simple manner, so that students can grasp them quickly & apply them to their writing. The teacher's edition presents ideas & prompts for students' writing, includes strategies for effective grammar instruction, provides assessment rubrics for evaluating students' writing, supplies checklists for revising, editing & proofreading & provides answers on the page & in the Answer Key. With many students arriving at college-level composition courses lacking a thorough grounding in grammar, "English Grammar for Writing aims to support both instructors and students in addressing this gap. This text focuses on high-frequency grammar and style issues such as punctuation, passives, and parallelism. The text simplifies the technical complexity of grammar by focusing on how to teach writing and the conventions of good writing. It is based on the theory that once students know basic grammar rules and functions, they will then have the confidence and the framework to view language coherently and systematically. When that framework is in place, students can apply their grammatical knowledge to the writing assignment they encounter in their classroom." "Speech versus Writing" (Chapter 1) discusses how the distinction between speech and written text goes right to the heart of the connection between grammar and writing. This chapter demonstrates how punctuation and the other conventions of writing replace the resources that speech or visual images inherently possess, such as verbal intonation and clearly visible signs. "Structuring Information in Writing" (Chapter 11) presents advice on skillfully using intonation and structuring information—material that is not included in most grammar textbooks—as well as guidance on using punctuation, passive voice, and variations in word order to convey intent most

effectively. This chapter can also offer students insight into writing problems that may be hard to diagnose. "Written Standards and the Oral Varieties of English" (Chapter 13) focuses on linguistic diversity by featuring sections on the grammatical systems of Black English and Appalachian English, Standard English, and Dialects, and the use of descriptive versus prescriptive language. Visual elements such as sophisticated cartoons show students the humorous aspects of language and help illustrate the power of language. Not your same old boring grammar guide! This book is fun, fast, and focused on writing amazing fiction. The world of grammar is huge, but fiction writers don't need to know all the nuances to write well. In fact, some of the rules you were taught in English class will actually hurt your fiction writing, not help it. "Grammar for Fiction Writers" won't teach you things you don't need to know. It's all about the grammar that's relevant to you as you write your novels and short stories. Here's what you'll find inside: Punctuation Basics including the special uses of dashes and ellipses in fiction, common comma problems, how to format your dialogue, and untangling possessives and contractions. Knowing What Your Words Mean and What They Don't including commonly confused words, imaginary words and phrases, how to catch and strengthen weak words, and using connotation and denotation to add powerful subtext to your writing. Grammar Rules Every Writer Needs to Know and Follow such as maintaining an active voice and making the best use of all the tenses for fast-paced writing that feels immediate and draws the reader in. Special Challenges for Fiction Writers like reversing cause and effect, characters who are unintentionally doing the impossible, and orphaned dialogue and pronouns. Grammar "Rules" You Can Safely Ignore When Writing Fiction Each book in the "Busy Writer's Guides" series is intended to give you enough theory so that you can understand why things work and why they don't, but also enough examples to see how that theory looks in practice. In addition, they provide tips and exercises to help you take it to the pages of your own story with an editor's-eye view. Most importantly, they cut the fluff so you have more time to write and to live your life." Grammar for Great Writing is a three-book series that focuses on the key grammatical and lexical elements learners need to become more powerful academic writers. Ideal for the grammar component of a writing and grammar class, Grammar for Great Writing may be used as a companion to the Great Writing series or in conjunction with any academic writing series. This book presents sentence elements in a way that makes grammar learning effective. For ESL students who have learned some English but need to see the big picture of English grammar, this is the book for them. Students will be guided step by step, starting from the basics of what makes a sentence, and progressing to identifying various sentence structure types. Four sentence structure types are introduced in order of their increasing complexity. Each type is illustrated with diagrams and demonstrated with examples in passages. These passages can be used as models for students' writing assignments. Exercises in each stage utilize concepts from the previous and current lessons. By the time they finish the six lessons in this book, students will have achieved mastery of English sentence structure. This lively textbook on grammar helps writers of all abilities understand how the English language functions in contemporary life. It begins with a close examination of sentence patterns, word classes, and syntactical transformations, laying a structural base for understanding usage. Examples from a variety of published writers further your understanding of writing well from a rhetorical and stylistic perspective. Whether you're a beginning student, an advanced grammarian, or someone who wants to know more about how language works and how to use it, this textbook gives you what you need. Learn how to • manipulate, join, and transform patterns that undergird sentences; • write sentence patterns, transformations, and figures to establish habits of strong and varied sentence building; • compare kinds of grammatical and rhetorical structures and their effects on readers; and • analyze sentences and chunks of text for grammatical underpinnings and rhetorical effect. Become a better writer by understanding grammar, usage, and punctuation with the explanations, examples, and exercises in Grammar for Writers. For Writing and Grammar Aficionados from All Walks of Life This deluxe edition contains the complete contents of "The Little Red Writing Book" and "The Little Gold Grammar Book." Whereas writing is based on principles in which writing is deemed better or worse, more effective or less effective grammar is based on rules, in which writing is deemed right or wrong, correct or incorrect. With coverage of the most useful writing principles and the most commonly encountered rules of grammar, "The Little Red Writing Book Deluxe Edition" is an invaluable guide for anyone who wants to master those skills that will make a good writer even better. Enjoy the benefits of your own self-paced writing course: Writing has four pillars structure, style, readability, and grammar and each pillar is like the single leg of a sturdy chair. *Structure relates to organization and deciding in which order to present your ideas. Learn how to choose the best writing structure to develop your ideas, how to break your writing topic into two to four parts, and how to write with a top-down approach. *Style describes how one writes, including how to use specific examples to support what is written. Learn how to make writing more simple, powerful, and vivid. Understand how to vary sentence beginnings, how to create a formal and informal tone, and how to keep writing gender neutral. *Readability focuses on presentation and how to make your document visually pleasing and easy to read. Learn how to make key words stand out, how to use headings and headlines to frame writing, and how to increase the use of white space to allow your document to breathe. *Grammar is about expressing language in a correct and acceptable form. Review the rules of grammar in terms of six common categories (subject-verb agreement, pronoun usage, modification, parallelism, comparisons, and verb tenses), and use short exercises and problems to help integrate key concepts of grammar, diction, idioms, and style. *Also included are special sections on editing tips and punctuation, America English vs. British English, and traditional writing vs. digital writing. Author's bio: Brandon Royal is an award-winning writer whose educational authorship includes "The Little Red Writing Book, The Little Gold Grammar Book, The Little Green Math Book, The Little Blue Reasoning Book, " and "Reasoning with Numbers." During his tenure working in Hong Kong for US-based Kaplan Educational Centers a Washington Post subsidiary and the largest test-preparation organization in the world Brandon honed his theories of teaching and education and developed a set of key learning principles to help define the basics of writing, grammar, math, and reasoning. A Canadian by birth and graduate of the University of Chicago's Booth School of

Business, his interest in writing began after completing writing courses at Harvard University. Since then he has authored a dozen books and reviews of his books have appeared in "Time Asia" magazine, "Publishers Weekly, Library Journal of America, Midwest Book Review, The Asian Review of Books, Choice Reviews Online, Asia Times Online, " and About.com. Brandon is a five-time winner of the International Book Awards, a five-time gold medalist at the President's Book Awards, as well as a winner of the Global eBook Awards, the USA Book News Best Book Awards, and recipient of the 2011 Educational Book of the Year award as presented by the Book Publishers Association of Alberta. Appropriate for its audience of ambitious students and professionals those who have plenty of brains, but need a little brush-up with the pen.

--Publishers Weekly Online Reviews Introduce your learners to creative writing and writing for a purpose. They'll rewrite a well-known myth and draft an application letter, helping build their extended writing skills as they progress through the units. Each unit focuses on a different text type such as dialogue, reports or instructions. Model texts in each chapter show learners good examples of each writing type and specific activities help them practise grammar typical of the genre. Learners work individually and collaboratively, developing skills such as creative thinking, planning, drafting, peer evaluation and editing. For beginners to advanced students, this warm and witty guide to writing includes a writing style chapter and a guide to writing everything from school papers to letters to e-mails. Grammar-Writing Connections teaches intermediate students the grammar items and structures that will give a more literate and natural sound to their writing. Unlike most other textbooks that are available, Grammar-Writing Connections goes beyond teaching the writing process so as to provide instruction on the grammatical tools necessary to produce good writing. Grammar-Writing Connections reviews the grammar and common writing mistakes and then teaches grammar- and writing-related vocabulary and structures. Each unit features a variety of original exercises for practicing the grammar and includes in-class or at-home activities plus a longer writing assignment. The book is accompanied by the CD-ROM ESL Baseball and Other Games. The CD-ROM offers software that provides additional practice directly correlated to, but not repetitive of, the text. The software is not sold separately. This textbook is also sold individually (978-0-472-03309-6). Grammar for Great Writing is a three-book series that focuses on the key grammatical and lexical elements learners need to become more powerful academic writers. Ideal for the grammar component of a writing and grammar class, Grammar for Great Writing may be used as a companion to the Great Writing series or in conjunction with any academic writing series. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Grammar for Great Writing is a three-book series that focuses on the key grammatical and lexical elements learners need to become more powerful academic writers. Ideal for the grammar component of a writing and grammar class, Grammar for Great Writing may be used as a companion to the Great Writing series or in conjunction with any academic writing series. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Grammar for Writing is a three-level series that provides students with the essential grammar applications they need to become proficient writers. Based on the series Eye on Editing, Grammar for Writing updates the existing two levels and adds a third level for expanded content coverage. The series features authentic writing excerpts and practical tools to facilitate comprehension and application for students enrolled in writing or combined-skills courses. Features: Clear, concise grammar explanations and easy-to-read charts help summarize key learning objectives. Diagnostic pretests and self-check exercises assess students' understanding of the editing points. Exercises drawn from student writing focus on the most frequently occurring grammar errors. Editing guidelines help students identify and correct common grammatical mistakes. Authentic writings model application of grammar points. Corpus-informed approach to vocabulary gives the series an academic feel. Designed with today's students in mind. Grammar rules are presented & explained in a clear & simple manner, so that students can grasp them quickly & apply them to their writing. "It is common for grammars to include an introductory chapter that offers a general introduction to the language under investigation as well as its users. We encourage the grammar writer to include this type of information for the sign language to be described. If a certain variant of the sign language is described, this should be made clear at the outset. The structure of this part is fairly flexible. As can be seen from the table of contents, we suggest including information about (i) the history of the sign language, (ii) characteristics of the Deaf community, (iii) the status of the sign language, and (iv) previous linguistic work on the sign language. The last section in particular will have an impact on the content of subsequent parts, as we encourage the grammar writer to include findings from previous studies in the grammatical description of the sign language. Clearly, alternative structures are possible. The overview of previous linguistic work, for instance, could be provided under the "History" header, and Deaf culture and/or Deaf education could be discussed under dedicated first-level headers - to give just two examples. Also, depending on the available information, sub-headers could be added. Note that we adopt the convention of writing Deaf with a capital D when it refers to issues related to a community that is characterized by the use of a sign language. In contrast, deaf with a small d refers to the medical condition of not being able to hear. It is up to the grammar writer to decide whether to stick to this convention in the grammar"-- With over half the languages of the world currently in danger of extinction within a century, the need for high quality grammatical descriptions is more urgent than ever. Potential grammar writers, however, often find themselves paralyzed by the daunting task of describing a language. The papers in the present volume (originally published in Studies in Language 30:2 (2006)) provide suggestions and encouragement – from experienced grammar writers and users – regarding concrete methods for approaching the task of writing a descriptive grammar of a language. Salient "themes" emerging from the papers in this volume include: The necessity of community involvement in grammatical descriptions; The link between a grammar and the other products of a program of language documentation (a dictionary and collection of texts); The complementary functions of elicited vs. naturally occurring data; and grammatical description as 'art' as well as 'science'. Introduce your learners to creative writing and writing for a purpose. They'll write a play scene and an article about a cultural festival, helping build

their extended writing skills as they progress through the units. Each unit focuses on a different text type such as dialogue, recounts, reports or instructions. Model texts in each chapter show learners good examples of each writing type and specific activities help them practise grammar typical of the genre. Learners work individually and collaboratively, developing skills such as creative thinking, planning, drafting, peer evaluation and editing. The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.
